As at the Latest Practicable Date, Ms. Chan was deemed to be interested in: (i) 284,471,352 Shares held by Great Club House, representing approximately 32.92% of the total number of issued Shares, by virtue of her 100% shareholding in Great Club House; and (ii) 363,528,000 Shares, representing approximately 42.08% of the total number of issued Shares, in which Mr. Lau was interested in. Save as disclosed herein, Ms. Chan had no other interests in Shares within the meaning of Part XV of the SFO as at the Latest Practicable Date.

Mr. LI Ping Chi 李炳志 (“Mr. Li”)

Independent non-executive Director

Mr. Li, aged 63, was appointed as our independent non-executive Director on 17 March 2016. Mr. Li is the chairman of our Audit Committee and a member of each of the Remuneration Committee and Nomination Committee.

Mr. Li has over 40 years of experience in accounting and auditing. He was an assistant assessor for the Hong Kong Inland Revenue Department from August 1982 to February 1985. Under the letter of appointment, Mr. Li was entitled to a remuneration of HK\$21,000 per month. On 22 March 2023, it was approved that the remuneration of Mr. Li is increased to HK\$22,050 per month with effect from 1 April 2023. The remuneration of Mr. Li was recommended by the Remuneration Committee and was approved by the Board, having regard to the Group's operating results, individual performance and comparing with market conditions.

As at the Latest Practicable Date, Mr. Li was not interested or deemed to be interested in any Shares or underlying Shares pursuant to Part XV of the SFO.

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the Proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the Company had 864,000,000 Shares in issue. Subject to the passing of the resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 86,400,000 Shares, which represent 10 per cent of the number of Shares in issue as at the date of passing the relevant resolutions, during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the Articles of Association or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

SOURCE OF FUNDS

Repurchases must be paid out of funds legally available for the purpose in accordance with the Articles of Association and the Cayman Companies Act. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Cayman Islands laws, any repurchases by the Company may be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if so authorised by the Articles of Association and subject to the provisions of the Cayman Companies Act, out of capital.

Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by the Articles of Association and subject to the provisions of the Cayman Companies Act, out of capital.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interest of the Company and the Shareholders for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and the Shareholders.

FUNDING OF REPURCHASES

In repurchasing securities, the Company may only apply funds legally available for such purpose in accordance with the Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands.

On the basis of the current financial position of the Group as disclosed in the audited consolidated financial statements of the Company as at 31 March 2023, being the date to which the latest published audited consolidated financial statements of the Company were made up, the Directors consider that, if the Proposed Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Group as compared with the position disclosed in the audited consolidated financial statements of the Company as at 31 March 2023. However, the Directors do not propose to exercise the Proposed Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Group or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Group.

GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company or its subsidiaries under the Proposed Repurchase Mandate if such is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Proposed Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

If, on the exercise of the power to repurchase Shares pursuant to the Proposed Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company is increased, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder, a group of Shareholders acting in concert (within the meaning under the Takeover Code), depending on the level of increase of such Shareholders' interest, could obtain or consolidate control of the Company and may become obliged under Rule 26 of the Takeovers Code to make a mandatory offer unless a whitewash waiver is obtained.

As at the Latest Practicable Date, New Club House is beneficially interested in 363,528,000 Shares, representing approximately 42.08% of the total issued Shares. Mr. Lau has 100% shareholding in New Club House. As at the Latest Practicable Date, Great Club House is beneficially interested in 284,471,352 Shares, representing approximately 32.92% of the total issued Shares. Ms. Chan has 100% shareholding in Great Club House. As Ms. Chan and Mr. Lau are spouse, Mr. Lau, Ms. Chan, New Club House and Great Club House (collectively, the "**Persons Acting in Concert**") are persons acting in concert. In the event that the Directors exercise in full the power to repurchase Shares in accordance with the Proposed Repurchase Mandate if such is approved by the Shareholders, assuming that the present shareholdings and capital structure of the Company remain the same, (i) the interests of the Persons Acting in Concert in Shares would be increased from approximately 75% of the total issued Shares to

approximately 83.3% of the total issued Shares; (ii) the interests of New Club House in Shares would be increased from approximately 42.08% of the total issued Shares to approximately 46.75% of the total issued Shares; and (iii) the interests of Great Club House in Shares would be increased from approximately 32.92% to approximately 36.58% of the total issued Shares. Accordingly, the repurchases may have an effect of increasing each of the shareholding of New Club House and Great Club House by more than 2% in any 12-month period and given that each of them is holding between 30% and 50% of the total issued Shares, each of New Club House and Great Club House may be regarded as having an obligation to make a mandatory offer under the Takeovers Code. Save as disclosed above, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Proposed Repurchase Mandate.

In the opinion of the Directors, in the event that the Directors exercise in full the power to repurchase Shares in accordance with the Proposed Repurchase Mandate (if such is approved by the Shareholders), an increase in shareholding held by the Controlling Shareholders to approximately 83.3% of the total issued Shares would contravene the requirement under Rule 8.08 of the Listing Rules that at least 25% of the Shares must be held by the public. The Directors have no present intention to exercise the power to repurchase Shares pursuant to the Proposed Repurchase Mandate to such an extent as would result in the level of shareholdings in the Company held by public Shareholders falling below 25%. The Company will comply with the public float requirement under the Listing Rules.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so if the Proposed Repurchase Mandate is approved by the Shareholders.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares (whether on the Stock Exchange or otherwise) have been made by the Company in the six months immediately preceding the Latest Practicable Date.

SHARE PRICES

The highest and lowest traded prices for Shares recorded on the Stock Exchange during each of the previous twelve months up to the Latest Practicable Date were as follows:
