VOLUNTARY ANNOUNCEMENT

This announcement is made by Sisram Medical Ltd (the “**Company**”) on a voluntary basis.

The Company is pleased to announce the launch of *Alma Veil™* (the “**Product**”) for the U.S. market.

The Product, which is an advanced, dual-wavelength vascular laser workstation with remarkable efficacy across a comprehensive range of vascular and dermatological conditions, is the core instrument equipped with the following three technologies which can be conveniently integrated into a single handpiece:

- 532 nm laser, which is specifically designed to target and address superficial vascular conditions;
- 1064 nm laser, which is uniquely calibrated to address deeper vascular structures, and exceptionally safe for use on darker skin types; and
- MicroPulse™ mode, which offers a no-downtime skin renewal treatment, making it a versatile solution for all skin types.

The Company believes that the launch of the Product will promote the innovation of vascular laser treatment through innovative technology and will strengthen the Company’s product portfolio and product competitiveness in the U.S. market, which will contribute to the revenue growth of the Company.

Shareholders and investors are advised to exercise caution when dealing in the securities of the Company.
