VOLUNTARY ANNOUNCEMENT

**TUMOR RADIOTHERAPY CENTER COOPERATION AGREEMENT
ENTERED INTO BETWEEN CNNC HIGH ENERGY AND
ANHUI YINGSHANG CHENGDONG HOSPITAL**

This announcement is made on a voluntary basis by China Isotope & Radiation Corporation (the “**Company**”) to keep shareholders and potential investors informed of the latest business developments of the Company.

The board of directors (the “**Board**”) of the Company is pleased to announce that CNNC High Energy Equipment (Tianjin) Co., Ltd. (中核高能(天津)裝備有限公司) (“**CNNC High Energy**”), a subsidiary of the Company, successfully entered into a tumor radiotherapy center cooperation agreement with Anhui Yingshang Chengdong Hospital (安徽穎上城東醫院) (the “**Cooperation Agreement**”) recently. Both parties will take the opportunity of entering into the Cooperation Agreement to carry out cooperation in a more in-depth and comprehensive manner, including jointly building a demonstration base for precision radiotherapy and implementing the national strategies of “Healthy China” and “One County, One Department”.

CNNC High Energy will provide full support for the operation and management, standardized quality control, technology enhancement and expert resources of the tumor radiotherapy center of Anhui Yingshang Chengdong Hospital, to contribute to promoting the regional overall academic, diagnosis and treatment level, and building a high-quality demonstration project for the development of radiotherapy centers. CNNC High Energy will constantly perform its social responsibility as a central enterprise, and actively promote the coverage and balanced allocation of high-quality medical resources in regions, to provide first-class modern diagnosis and radiotherapy services for patients.
