Sanjiang Chemical Toluene Sales Agreement

On 27 July 2023, Sanjiang Chemical and Jiafu New Material entered into the Sanjiang Chemical Toluene Sales Agreement pursuant to which, Sanjiang Chemical has agreed to supply Toluene to Jiafu New Material for a period of approximately six months commencing on the date of this announcement and ending on 31 December 2023 at annual caps not exceeding RMB20,000,000.

LISTING RULES IMPLICATION

Jiafu New Material, a company established in the PRC with limited liability, is a wholly-owned subsidiary of Jiahua Energy Chemical Co. and Jiahua Energy Chemical Co. is owned as to approximately 36.77% by Jiahua, which is ultimately controlled by Mr. Guan and Ms. Han.

As Ms. Han is Mr. Guan's wife and an executive Director and Mr. Guan is a controlling Shareholder of the Company, each of Jiahua Energy Chemical Co. and Jiafu New Material is therefore an associate of Mr. Guan and Ms. Han and is thus a connected person of the Company and the transactions contemplated under the Sanjiang Chemical Toluene Sales Agreement constitute continuing connected transaction(s) of the Company under Chapter 14A of the Listing Rules.

As the applicable ratios in respect of the considerations under the Sanjiang Chemical Toluene Sales Agreement are less than 5%, the Sanjiang Chemical Toluene Sales Agreement and the transactions contemplated thereunder are therefore subject to reporting and announcement requirements but are exempt from the circular (including independent financial advice) and the independent Shareholders' approval requirements under Chapter 14A of the Listing Rules.

On 27 July 2023, Sanjiang Chemical and Jiafu New Material entered into the Sanjiang Chemical Toluene Sales Agreement pursuant to which, Sanjiang Chemical has agreed to supply toluene to Jiafu New Material for a period of approximately six months commencing on the date of this announcement and ending on 31 December 2023 at annual caps not exceeding RMB20,000,000.

SANJIANG CHEMICAL TOLUENE SALES AGREEMENT

Date

27 July 2023

Parties

- (1) Sanjiang Chemical, an indirect wholly-owned subsidiary of the Company, as supplier; and
- (2) Jiafu New Material, a connected person of the Company, as purchaser.

Subject matter

Pursuant to the Sanjiang Chemical Toluene Sales Agreement, Sanjiang Chemical has agreed to supply toluene to Jiafu New Material for a period of approximately six months commencing on the date of this announcement and ending on 31 December 2023 at annual caps not exceeding RMB20,000,000.

Term

The Sanjiang Chemical Toluene Sales Agreement shall become effective from the date of this announcement and has a term of approximately six months ending on 31 December 2023 which may be renewable upon further agreement by the parties (subject to compliance with the Listing Rules).

Consideration

Pursuant to the Sanjiang Chemical Toluene Sales Agreement, the purchase price for toluene shall be at a price which is the weighted average of quotes obtained by Jiafu New Material from its independent suppliers for the relevant product of comparable quality

and volume during the same period of supply. The relevant purchase price shall be tallied on the end of each calendar month, and shall be payable on or before the end of the following months.

In order to ensure that the selling price for relevant product of comparable quality is no less favourable than the prevailing market price, the Group would compare quotations given by Sanjiang Chemical to other independent purchasers for toluene of comparable quality and volume after taking into account the additional transportation costs that may be incurred and analyse such market information, and the unit selling price for toluene will be agreed after arm's length negotiation with Jiafu New Material. Accordingly, the Board considers that such methods and procedures can ensure that the supply of toluene will be conducted on normal commercial terms and not prejudicial to the interests of the Company and its Shareholders as a whole.

The Company will comply with the relevant Listing Rules requirements when the term of the Sanjiang Chemical Toluene Sales Agreement is renewed.
