- (i) the shares proposed to be repurchased by a company must be fully paid-up;
- (ii) the company has previously sent to its shareholders an explanatory statement complying with the Listing Rules; and
- (iii) all on market repurchase of shares by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the directors of the Company to make such repurchase, and a copy of such resolution together with the necessary documentation have been delivered to the Stock Exchange in accordance with the Listing Rules.

Repurchases of Shares will be financed out of funds legally available for the purpose in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Companies Act provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Act. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are repurchased in the manner provided for in the Companies Act.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate was to be exercised in full, it may not have a material adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 March 2023, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.
