2. PROPOSED GRANTING OF THE NEW BUYBACK AND ISSUANCE MANDATES

At the annual general meeting of the Company held on 29 September 2022, (i) an ordinary resolution was passed for granting of a general mandate to the Directors to repurchase the Company's own shares not exceeding 10% of the total number of the issued Shares as at 29 September 2022 (the "**Previous Buyback Mandate**"); and (ii) an ordinary resolution was also passed for granting of a general mandate to the Directors to allot, issue and deal with the Company's new shares not exceeding 20% of the total number of the issued Shares as at 29 September 2022 (the "**Previous Issuance Mandate**"). LETTER FROM THE BOARD

5. RECOMMENDATION

The Directors consider that the granting of the New Buyback Mandate, the granting/extension of the New Issuance Mandate and the re-election of the retiring Directors are in the interests of the Company, the Group and the Shareholders. Accordingly, the Directors recommend Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

6. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendix I (Explanatory Statement on the New Buyback Mandate) and Appendix II (Details of the Retiring Directors Proposed to be Re-elected at the Annual General Meeting) to this circular.

Yours faithfully,
By order of the Board
Zhou Yaying
Chairman

The following is an explanatory statement required by the Listing Rules to be sent to Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the New Buyback Mandate.

1. REASONS FOR BUYBACK OF SHARES

The Directors believe that the granting of the New Buyback Mandate is in the interests of the Company and the Shareholders.

Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the granting of the New Buyback Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,294,705,500 Shares.

Subject to the passing of the ordinary resolution set out in item 9 of the notice of the Annual General Meeting in respect of the granting of the New Buyback Mandate and on the basis that the issued share capital of the Company remains unchanged as at the date of the Annual General Meeting, i.e. being 1,294,705,500 Shares, the Directors would be authorized under the New Buyback Mandate to repurchase, during the period in which the New Buyback Mandate remains in force, 129,470,550 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

3. FUNDING OF REPURCHASES

Repurchases of Shares will be funded from the Company's internal resources, which shall be funds legally available for such purposes in accordance with the Company's Memorandum of Association and Current Bye-laws, the laws of Bermuda and/or any other applicable laws, as the case may be.

4. IMPACT OF REPURCHASES

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 March 2023) in the event that the New Buyback Mandate was to be carried out in full at any time during the proposed repurchase

period. However, the Directors do not intend to exercise the New Buyback Mandate to such an extent as would, in the circumstances, have material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time befitting the Company.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the New Buyback Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As far as the Directors are aware, as at the Latest Practicable Date, no Shareholder holds 10% or more in the issued Shares and that the Directors are not aware of any consequences which will arise under the Takeovers Code as a result of any repurchases to be made under the New Buyback Mandate.

The Listing Rules prohibit a company from making repurchase of shares on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the company's issued share capital would be in public hands. The Directors do not propose to repurchase Shares, which would result in less than the prescribed minimum percentage of Shares in public hands.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the New Buyback Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the New Buyback Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the New Buyback Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

7. MARKET PRICES OF SHARES

The highest and lowest prices per share at which the Company's shares have traded on the Stock Exchange during each of the following months were as follows:

Month	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2022
