## ANNOUNCEMENT PROFIT WARNING

This announcement is made by Beijing Capital International Airport Company Limited (the "**Company**") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the "**Board**") of the Company hereby informs the shareholders and potential investors of the Company that, based on the preliminary assessment of the latest unaudited management accounts of the Company and other information currently available to the Board, the Company is expected to record a net loss in the range of approximately RMB1.01 billion to approximately RMB1.06 billion for the six months ended 30 June 2023 (the "**Period**"), as compared with the net loss of approximately RMB1.40 billion for the six months ended 30 June 2022.

The Board considered that, in the first half of 2023, the civil aviation market experienced significant rebound under a positive trend of economic recovery in China. The Company strived to seize the opportunities arising from the recovery of demand in the aviation transportation market by insisting on safety first, focusing on the enhancement of quality and efficiency, and strengthening cost control for the recovery of production and operation. However, due to the relatively slow recovery of international routes, coupled with the impact of diversion of flights to Daxing Airport, the operating results of the Company remained under pressure, as a result of which the Company continued to incur operating loss during the Period.

The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the information currently available including the unaudited management accounts of the Company for the Period, which have not been audited or reviewed by the Company's auditors or the audit and risk management committee of the Company. Such information will be subject to finalisation and necessary adjustments. The interim results announcement of the Company for the Period is expected to be published by the end of August 2023 and the corresponding interim report will be published subsequently in accordance with the requirements of the Listing Rules.

Shareholders and potential investors of the Company are reminded to exercise caution when dealing in the shares of the Company.
