The Board would like to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on the preliminary review of the unaudited consolidated management accounts of the Company and its subsidiaries (collectively, the “**Group**”) for the six months ended 30 June 2023 and the information currently available to the Board, a profit attributable to shareholders of not less than HK\$160 million is expected to be recorded in the Group’s unaudited consolidated results for the six months ended 30 June 2023, as compared with the loss attributable to shareholders of HK\$285 million for the six months ended 30 June 2022.
