This announcement is made by Xincheng China Power Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “**SFO**”).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary review by the Group's management of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2023, the Board expects that the Group will record an unaudited profit before income tax of approximately RMB25.3 million for such period, which compares to an unaudited loss before income tax of approximately RMB35.1 million for the six months ended 30 June 2022. Such change is mainly attributable to i) an increase in gross profit arising from trading of range extender gasoline engines; ii) an increase in share of profits of an associate; iii) an increase in sales of crankshaft and connecting rods after the Covid-19 period; and iv) no unrealized foreign exchange loss as a loan denominated in foreign currency was fully repaid in the beginning of the period.

The Company is still in the process of finalizing the interim results of the Group for the six months ended 30 June 2023. The information contained in this announcement is only based on the preliminary assessment by the Group's management of the unaudited consolidated management accounts of the Group and information currently available, and is not based on any figures or information that have been audited or reviewed by the Company's auditors. The Company expects the unaudited interim results of the Group for the six months ended 30 June 2023 will be published by the end of August 2023.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
