FOR THE SIX MONTHS ENDED 30 JUNE 2023**

This announcement is made by the Company pursuant to Rule 13.09(2) of the Listing Rules and the Inside Information Provisions under Part XIVA of the SFO.

The Board wishes to inform the Shareholders and potential investors that based on the Company's preliminary review of the Group's unaudited consolidated management accounts for the six months ended 30 June 2023 and the information currently available to the Board, the Group expects to record a consolidated net loss of approximately HK\$340 to 390 million for the six months ended 30 June 2023, as compared to a consolidated net loss of approximately HK\$1,678 million for the corresponding period of last year.

**Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.**

This announcement is made by BOCOM International Holdings Company Limited (the "Company") (together with its subsidiaries, collectively the "Group") pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) (the "SFO").

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, as affected by the global tightening monetary policy and the weak market sentiments, based on the Company’s preliminary review of the Group’s unaudited consolidated management accounts for the six months ended 30 June 2023 (the “**Reporting Period**”) and the information currently available to the Board, the Group expects to record a consolidated net loss of approximately HK\$340 to 390 million for the six months ended 30 June 2023, as compared to a consolidated net loss of approximately HK\$1,678 million for the corresponding period of last year. Such decrease in loss was mainly attributable to (1) increase in proprietary investments income; (2) reduction in the impairment provision for the expected credit loss of debt investments and loans; (3) no guarantee fee payment was required in accordance with asset management agreements.

As at the date of this announcement, the Company is still in the course of finalising its unaudited consolidated interim results for the Reporting Period. The information contained in this announcement is only based on the Company’s preliminary review of the Group’s unaudited consolidated management accounts for the Reporting Period and the information currently available to the Board, and is not based on any figures or information audited or reviewed by the Company’s independent auditors or audit committee of the Board and may be subject to adjustments. Shareholders and potential investors are advised to read carefully the unaudited consolidated interim results of the Company for the Reporting Period, which is expected to be published on a timely basis.

**Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.**
