### **POSITIVE WARNING**

This announcement is made by Jiande International Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on preliminary assessment by the management of the Company on the unaudited consolidated management accounts of the Company for the six months ended 30 June 2023 and the information currently available to the Group, the Group is expected to record a net loss attributable to owners of the Company of in the range of approximately RMB2.3 million to RMB4.3 million for the six months ended 30 June 2023, as compared to a net profit attributable to owners of the Company of approximately RMB27,606,000 (restated) for the six months ended 30 June 2022. Such expected change from profit to loss was primarily due to the substantial reduction of revenue and gross profit from the Group’s property development business as the properties available for sale and delivered to customers by the Group decreased and most of the Group’s new real estate projects were still under construction during the six months ended 30 June 2023.

The information contained in this announcement is solely based on the preliminary assessment by the management of the Company on the unaudited consolidated management accounts of the Company for the six months ended 30 June 2023 and the information currently available to the Group, which have not been audited nor reviewed by the independent external auditors and audit committee of the Company and may be subject to adjustments.

The interim results of the Group for the six months ended 30 June 2023 have not yet been finalised as at the date of this announcement. Shareholders and potential investors are advised to read carefully the interim results announcement of the Company for the six months ended 30 June 2023, which is expected to be published by 31 August 2023.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
