The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group and other information currently available to the Board, the Group expects to record a net loss after tax in the range between approximately S\$1.4 million and approximately S\$2.2 million for the year ended 30 June 2023, as compared with the net loss after tax of approximately S\$0.6 million for the year ended 30 June 2022.

Based on the information currently available, such expected increase in the loss was mainly attributable to decrease in the gross profit margin due to the increase in material costs, wages and sub-contracting costs and increase in the provision for impairment of contract assets.
