PROPOSED SHARE CONSOLIDATION

PROPOSED SHARE CONSOLIDATION

The Board proposes that every ten (10) Existing Shares in the issued and unissued share capital of the Company be consolidated into one (1) Consolidated Share and to round down the number of Consolidated Shares in the issued share capital of the Company to the nearest whole number by disregarding each and every fractional Consolidated Share which would otherwise arise therefrom. Assuming no further Shares will be issued from the date of this announcement up to the date of the SGM, upon the Share Consolidation becoming effective, there will be 927,967,897 Consolidated Shares in issue which are fully paid or credited as fully paid.

Currently, the Existing Shares are traded on the Stock Exchange in the board lot size of 10,000 Existing Shares. Upon the Share Consolidation becoming effective, the board lot size for trading in the Consolidated Shares will remain as 10,000 Consolidated Shares.

GENERAL

The SGM will be convened and held for the Shareholders to consider and, if thought fit, approve the Share Consolidation. A circular containing, among other things, details of the Share Consolidation and a notice convening the SGM is expected to be despatched to the Shareholders on or before Monday, 18 September 2023.

Shareholders should take note that the Share Consolidation is conditional upon the fulfilment of certain conditions set out below. Therefore, the Share Consolidation may or may not proceed. Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company, and if they are in any doubt about their position, they should consult their professional advisers.

PROPOSED SHARE CONSOLIDATION

The Board proposes to implement the Share Consolidation on the basis that every ten (10) issued Existing Shares be consolidated into one (1) Consolidated Share and to round down the number of Consolidated Shares in the issued share capital of the Company to the nearest whole number by disregarding each and every fractional Consolidated Share which would otherwise arise therefrom.

Effects of the Share Consolidation

As at the date of this announcement, 9,279,678,975 Existing Shares have been allotted and issued. Upon the Share Consolidation becoming effective and assuming that no Existing Shares are issued or bought back from the date of this announcement until the effective date of the Share Consolidation, not more than 927,967,897 Consolidated Shares will be in issue.

Upon the Share Consolidation becoming effective, the Consolidated Shares shall rank *pari passu* in all respects with each other.

Other than the expenses to be incurred in relation to the Share Consolidation and the payment to be made to Shareholders in relation to fractional Consolidated Shares to which they would otherwise be entitled as mentioned in the paragraph headed “Fractional entitlement to Consolidated Shares” below, the implementation of the Share Consolidation will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders, save for any fractional Consolidated Shares to which Shareholders would otherwise be entitled.

Conditions of the Share Consolidation

The Share Consolidation is conditional upon the following conditions:

- (i) the passing of an ordinary resolution by the Shareholders at the SGM to approve the Share Consolidation;
- (ii) the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective; and
- (iii) the compliance with all relevant procedures and requirements under the applicable laws of Bermuda and the Listing Rules to effect the Share Consolidation.

The Share Consolidation is expected to become effective on Friday, 13 October 2023 subject to the fulfilment of the above conditions.

Listing Application

An application will be made by the Company to the Stock Exchange for the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective.

Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

None of the Existing Shares are listed or dealt in on any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becomes effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

REASONS FOR THE SHARE CONSOLIDATION

Pursuant to Rule 13.64 of the Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the issuer may be required either to change the trading method or to proceed with a consolidation or splitting of its securities. The “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 and updated on 1 October 2020 (the “**Guide**”) has further stated that market price of the shares at a level less than HK\$0.1 will be considered as trading at extremity as referred to under Rule 13.64 of the Listing Rules. It has also stated in the Guide that taking into account the minimum transaction costs for a securities trade, the expected board lot value should be greater than HK\$2,000.

In view of the recent trading price of the Shares, the Board considers that the Share Consolidation will enable the Company to comply with the trading requirements under the Listing Rules and reduce the overall transaction and handling costs of dealings in the Shares as a proportion of the market value of each board lot, since most of the banks/securities houses will charge a minimum transaction costs for each securities trade. With a corresponding upward adjustment in the trading price of the Consolidated Shares, the Board believes that the Share Consolidation will make investing in the Shares more attractive to a broader range of investors, and therefore further broaden the shareholder base of the Company.

The Board considers that the Share Consolidation is essential to achieve the above-mentioned purpose. Taking into account of the potential benefits and the insignificant amount of costs to be incurred, the Board is of the view that the Share Consolidation is in the best interest of the Company and the Shareholders as a whole.

As at the date of this announcement, the Company does not have any concrete plan to conduct any fund-raising activities in the next 12 months.

NO CHANGE IN BOARD LOT SIZE

The Existing Shares are currently traded on the Stock Exchange in board lot size of 10,000 Existing Shares. Upon the Share Consolidation becoming effective, the board lot size for trading in the Consolidated Shares will remain unchanged at 10,000 Consolidated Shares per board lot.

Based on the closing price of HK\$0.021 per Existing Share (equivalent to the theoretical closing price of HK\$0.21 per Consolidated Share) as at the date of this announcement, (i) the value per board lot of 10,000 Existing Shares is HK\$210; and (ii) the value per board lot of 10,000 Consolidated Shares would be HK\$2,100 on the assumption that the Share Consolidation becomes effective.

OTHER ARRANGEMENTS

Fractional entitlement to Consolidated Shares

Fractional Consolidated Shares (if any) will be disregarded and will not be issued to the Shareholders but all such fractional Consolidated Shares will be aggregated and, if possible, sold for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of share certificates held by such holder.

Arrangement on odd lot trading

In order to facilitate the trading of odd lots (if any) of the Consolidated Shares, the Company will appoint a securities firm as an agent to provide matching services, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Details of the odd lot arrangement will be set out in the circular to be despatched to the Shareholders.

Holders of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed. Shareholders who are in any doubt about the odd lots matching arrangement are recommended to consult their own professional advisers.

Exchange of certificates for Consolidated Shares
