Early Repayment

The Scheme Notes and Amended Medium-Term Bonds may be repaid, redeemed, settled and/or offset prior to their respective maturity dates through *any or all* of the following:

- (i) the Debt-to-Equity Swap;
- (ii) the Specified Assets Disposal;
- (iii) the SPV Debt-to-Equity Swap; and/or
- (iv) Liquidated Specified Assets Disposal.

A. Debt-to-Equity Swap

The Company has obtained a general mandate granted by the Shareholders to its Directors to allot, issue and otherwise deal with the Shares not exceeding 20% of the total number of issued shares of the Company. Each Holder is entitled to elect the number of Shares that times the Conversion Price, would be equal to multiples of 10%, and up to 50%, of the then principal amount of the Scheme Notes and/or the then Carrying Amount of the Amended Medium-Term Bonds it holds. Upon allocation of the Shares to any Holder who elects to receive the Shares by the Company, the Scheme Notes and/or Amended Medium-Term Bonds held by such Holder in an aggregate principal amount (or with respect to the Amended Medium-Term Bonds, the Carrying Amount) equal to the number of the Shares allocated to such Holder times the Conversion Price shall be cancelled or marked down, as the case may be.

B. Specified Assets Disposal

The Company shall, subject to applicable laws and regulations and any senior secured creditors' right under relevant financing documents, designate eight specified assets of the Group for sale (each, a "**Specified Asset**", and collectively the "**Specified Assets**"). Each Holder may elect to bid any and all such Specified Asset at a bid price no lower than the Reserve Price of any such Specified Asset through a bidding procedure. Any Holder who submits the final best valid bid price (the "**Bid Price**") will be the successful bidder (the "**Successful Bidder**"). If the Bid Price of the Successful Bidder is equal to or exceeds 50% of the then outstanding principal amount of the Scheme Notes and/or the then Carrying Amount of the Amended Medium-Term Bonds held by such Successful Bidder (such up to 50% amount, the "**Credit Bid Amount**"), the Scheme Notes and/or the Amended Medium-Term Bonds in an aggregate principal amount (or with respect to the Amended Medium-Term Bonds, the Carrying Amount) equal to the Credit Bid Amount shall be cancelled or marked down and counted towards payment of the Bid Price by the Successful Bidder, and the Successful Bidder shall pay to the Company in cash any difference between the Bid Price and the Credit Bid Amount..

C. SPV Debt-to-Equity Swap

Each Holder may elect to convert multiples of 10%, and up to 50%, of the then outstanding principal amount of the Scheme Notes and/or the then Carrying Amount of the Amended Medium-Term Bonds held by such Holder into the ordinary shares of a special purpose vehicle ("**SPV**"), which will be wholly owned by all Holders electing the SPV Debt-to-Equity Swap and have contractual rights to receive up to 70% of the net proceeds from the SPV Specified Assets.

D. Liquidated Specified Assets Disposal

Disposal through Scheme Administrators

The Company will sign an agreement with the Scheme Administrators to supervise the disposal of Liquidated Specified Assets. The Scheme Administrators may, at their discretion, instruct and direct the project company directly holding the Liquidated Specified Assets, subject to applicable laws and regulations and any senior secured creditors' right under relevant financing documents, to dispose of the Liquidated Specified Assets through public auction, private tender, or any other means (in respect of part or all of the Liquidated Specified Assets) and at the price and to the buyer as the Scheme Administrators deem fit. The Scheme Administrators will consult with and report to the relevant Transaction Company and the Scheme Creditors' Committee where appropriate.

There can be no assurance that creditors of the Company other than the Initial Participating Creditors will accept the proposed terms of the Term Sheet, that the Proposed Schemes will be approved or sanctioned, or that discussions with creditors can be progressed to any positive conclusion. Accordingly, the Company offers no assurance that the Proposed Restructuring will be successfully concluded. Shareholders, Noteholders, holders of other securities of the Company and potential investors in the securities of the Company are advised to exercise extreme caution when dealing with the securities of the Company.
