VOLUNTARY ANNOUNCEMENT OF STUDENT ENROLLMENTS

This announcement is made by the board of directors (the “**Board**”) of South China Vocational Education Group Company Limited (the “**Company**”, together with its subsidiaries and consolidated affiliated entities, the “**Group**”).

The Board is pleased to announce to the shareholders of the Company (the “**Shareholders**”) and potential investors that as of October 8, 2023, the two schools operated by the Group in the Greater Bay Area of the PRC, namely, Guangdong Lingnan Institute of Technology* (廣東嶺南職業技術學院) and Guangdong Lingnan Modern Technician College* (廣東嶺南現代技師學院), had a total of 13,888 new enrollments for the 2023/2024 school year, representing an increase of 27.1% from 10,929 for the 2022/2023 school year (as of September 21, 2022).

The Board believes that the steady growth in the total number of newly enrolled students of the Group was mainly because the Group has followed the national policies, upheld high-quality education, and exerted efforts in enhancing discipline settings, school-enterprise collaboration and brand influence. With the improvement of our school management, we gained support and favor from parents and students and have been fully recognized by the society.

The above number of students is based on the Group’s internal statistics, which have not been reviewed or audited by external auditors of the Company. Such data may be different from those disclosed in the interim report and annual report published later.

Shareholders and potential investors are cautioned not to unduly rely on such data and are advised to exercise caution when dealing in the shares of the Company.
