BUSINESS REVIEW (Continued)

Exhibitions and Events Business

From 2021 to 2022, the Group had not launched any exhibition as the coronavirus disease 2019 (“**COVID-19**”) pandemic and the travel restriction measures had been implemented throughout those years, resulting in that the segment of exhibitions and events business recorded nil revenue in those years. Following the relaxation of social distancing measures in February 2023, the Group continues to suspend operation of such business segment, and after taking serious consideration regarding the prospect of such business segment, we have decided to discontinue operation of such business segment during the Reporting Year.

No revenue from the exhibitions and events business was recorded for the Reporting Year (2022: HK\$Nil). It represented 0% (2022: 0%) of the total revenue.

Cultural and Entertainment Business

During the Reporting Year, the Group had focused its brand management through its sole brand “DrOscar”. In prior years, we had several brand management on “PHEBE”, “MT” and “U.CLUB”, but we had ceased operations of those brands since last year due to the impact brought by the COVID-19 pandemic starting from 2020, in particular, the implementation of lock-down measures in Shanghai during the period from March 2022 to June 2022, as well as the weakening of business economies in the Mainland China, which affected most of our customers operating restaurants and entertainment stores, with their business temporarily closed for a period longer than initially expected and being forced to cease operations. This had eventually led to a drop in the number of our members year-by-year.

Prior to the outbreak of the COVID-19 pandemic, the business in 諾笛聯盟平台 (transliterated as “**NOD Union Platform**” or “**NOD Union**”) was one of our core business segments. As at the date of this annual report, we are exploring more different brands and we expect that the joining of new brands to our platform will attract other new local or overseas members to strengthen our member base. On the other hand, we will put more effort on negotiating with other local or overseas brands to build-up a cooperative alliance, and expect that it will bring a positive energy to our brand management, as well as boost the number of our members.

業務回顧 (續)

展覽會及活動業務

於二零二一年至二零二二年，由於2019冠狀病毒病(「**COVID-19**」)疫情及該等年度實施出行限制措施，本集團並無舉辦任何展覽會，導致展覽會及活動業務分部於該等年度錄得零收益。於二零二三年二月放鬆社交距離措施後，本集團繼續暫停經營該業務分部，而經審慎考慮該業務分部的前景後，我們已決定於報告年度終止經營該業務分部。

展覽會及活動業務於報告年度均無錄得收益(二零二二年：零港元)，佔總收益的0%(二零二二年：0%)。

文化及娛樂業務

於報告年度，本集團透過其唯一品牌「DrOscar」集中進行品牌管理。於過往年度，我們曾進行「PHEBE」、「MT」及「U.CLUB」等數個品牌的管理，但自去年以來我們已終止經營該等品牌，原因是自二零二零年起COVID-19疫情所帶來的影響，尤其是於二零二二年三月至二零二二年六月期間上海實施封控措施，以及中國內地商業經濟疲軟，令大多數經營餐廳及娛樂門店的客戶受到影響，其暫停營業的時間較初始預期長，並被迫停止營運，最終導致我們的會員數量逐年下降。

於COVID-19疫情爆發之前，諾笛聯盟平台業務為本公司其中一個核心業務分部。於本年報日期，我們正挖掘更多不同品牌，並期望新品牌加入平台將能吸引其他新的地方或海外會員，從而加強會員基礎。另一方面，我們將加大力度與其他地方或海外品牌磋商以建立合作聯盟，並預期這將有助提升品牌管理，提高會員數量。

BUSINESS REVIEW (Continued)

Cultural and Entertainment Business (Continued)

As for our trading business (mainly trading of wine and liquors), we had over a hundred customers, among which most of the revenue came from our existing or previous NOD Union members and customers in brand management. The Group discussed and negotiated the cost with distributors during the contract period, and we determined the selling price ourselves in a range of suggested selling prices offered by the distributors. Since the outbreak of the COVID-19 pandemic, most of our NOD Union members, customers in brand management and/or long-term relationship customers had temporarily suspended or even closed-down their operations. This atmosphere shadowed throughout the whole Mainland China, the impact had not merely been brought to the catering and/or entertainment industry, but had also affected other industries. We also expect that our existing NOD Union members, customers in brand management and/or other customers may take a longer period than expected for recovery from the post-pandemic COVID-19 era. In these circumstances, the ability for recovering the existing outstanding receivables may take a longer period of time than the normal credit period.

Revenue from the cultural and entertainment business has decreased by approximately HK\$46.91 million, or approximately 82.54%, from approximately HK\$56.83 million for the Prior Year to approximately HK\$9.92 million for the Reporting Year. It represented approximately 24.06% (2022: approximately 50.67%) of the total revenue.

業務回顧 (續)

文化及娛樂業務 (續)

就本公司貿易業務（主要是洋酒及酒類貿易）而言，我們擁有超過一百名客戶，其中大部分收益來自我們現有或過往的諾笛聯盟平台會員以及品牌管理客戶。本集團於合約期內與分銷商討論及磋商成本，我們在分銷商提供的建議售價範圍內自行釐定售價。自COVID-19疫情爆發以來，大多數諾笛聯盟平台會員、品牌管理客戶及／或長期關係客戶已暫停營運，甚至停止營運。該氛圍籠罩了整個中國內地，不僅影響了餐飲及／或娛樂行業，亦對其他行業造成影響。我們亦預期，現有諾笛聯盟平台會員、品牌管理客戶及／或其他客戶從COVID-19疫情後時代中恢復需要的時間可能較預期長。於該等情況下，收回現有未償還應收款項的時間可能較正常信貸期長。

文化及娛樂業務的收益由去年約56,830,000港元減少約46,910,000港元或約82.54%至報告年度約9,920,000港元。其佔總收益約24.06%（二零二二年：約50.67%）。

BUSINESS REVIEW (Continued)

Financing Business

Due to the outbreak of the COVID-19 pandemic and the ensuing implementation of lock-down measures in Shanghai for a period of about four months in 2022 and the subsequent weakening of economics in the People's Republic of China (the "PRC"), and in light that our head office for conducting financing business is located in Shanghai, our business has been negatively affected. In the meantime, our customers are also suffering from ripple effect, such as default loan principals and interests, serious financial difficulties, lack of workforce, payment/payroll overdue, etc. Not merely ourselves, most of the enterprises, shops or restaurants are facing the same challenges.

Notwithstanding the above challenges which have not been resolved, our Company keeps a professional manner in recovering our debts, such as communicating with our existing customers periodically via telecommunications means, sending letters to/physically visited customers to update the status of the customers' outstanding loans. But unfortunately, their responses are negative, indicating that they are unable to make repayment in such difficult circumstances. During the second half of the Reporting Year, we collected less proceeds from the repayment of default interest and/or loan principal from our customers. Such amount of repayment was not sufficient for sustaining our operations. During the Reporting Year, the Group recorded an impairment loss of expected credit loss, net of reversal of approximately HK\$359.5 million, which represented that the ability of recovering the amount was relatively lower than that during the expected credit period.

The Group has a credit policy and loan approval process to minimise credit risks. The interest rate range has been adjusted during the Reporting Year due to the market changes. Compared with the other two segments, the result from our financing business has led to more adverse impact, and going forward, the Group will take a more prudent and conservative approach in considering approval of each new loan case(s) in the future.

業務回顧 (續)

融資業務

由於COVID-19疫情爆發及隨後於二零二二年上海實施封控措施為期約四個月及中華人民共和國(「中國」)經濟疲軟，而鑒於本公司開展融資業務的總部位於上海，我們的業務受到負面影響。與此同時，客戶亦發生連鎖反應，例如拖欠貸款本金及利息、嚴重財務困難、人手短缺、付款／薪資逾期等。不僅僅是本公司，大多數企業、店舖或餐廳均面臨相同挑戰。

儘管上述挑戰尚未解決，但本公司在追收債務方面保持專業態度，例如通過電子通訊方式與現有客戶定期溝通，向客戶發送函件／實地拜訪以更新其未償還貸款的狀況。但遺憾的是，客戶作出消極回應，表示其無法於該等艱難環境下還款。於報告年度下半年，我們從客戶償還拖欠利息及／或貸款本金收取的款項較少。有關還款不足以維持本公司業務。於報告年度，本集團錄得預期信貸虧損模式下之減值虧損(扣除撥回)約359,500,000港元，表明收回金額的可能性相對低於預期信貸期。

本集團設有信貸政策及貸款審批程序以盡量減低信貸風險。於報告年度，利率範圍已因市場變動而作出調整。與其他兩個分部相較，融資業務的業績產生更多不利影響，故本集團於日後考慮批准每筆新貸款時將採取更為審慎及保守的態度。

In such circumstances, the board (the “Board”) of directors (“Directors”) of the Company has established a credit recovery committee of the Board (the “CRC”) in March 2023 for the purpose of closely monitoring the status of debts recovery, taking necessary action in order to recover unpaid debts, including sending out notices, negotiating and managing reasonable debt repayment plans with the debtors, liaising with the lawyer(s) to assist in the recovery of debts and/or obtain necessary court order to auction debtor(s) assets for recovery of the debts, or if necessary, engage financial advisor(s) to provide professional advice for its decision making, etc. The above-mentioned roles and responsibilities can assist the Group to take appropriate action at the material time in order to recover the debts, and assist in providing safeguard to the Group’s assets.

Revenue from financing business decreased, by approximately HK\$24.03 million, or approximately 43.43%, from approximately HK\$55.33 million for the Prior Year to approximately HK\$31.30 million for the Reporting Year. It represented approximately 75.94% (2022: approximately 49.33%) of the total revenue.

Credit factoring allows customers to free up cash tied up in unpaid invoices. The finance period given to customers ranges from 4 months to 3 years and the finance services allow customers to release up to 80% of the invoice value.
- ii. Finance leasing**

- iii. Money lending**

Credit Factoring

For the Group's credit factoring business, the Group provides financing and accounts receivable management services to customers in return for interest and management fee income. The Group's factoring customers would transfer the legal title of each of their accounts receivables to the Group. After such transfer, the Group would own the right to receive the outstanding amount of the accounts receivables from the buyers of its factoring customers (i.e. debtors of the accounts receivables). For all factoring transactions, the Group requires customers to provide additional guarantees from the customers' legal representative and/or shareholder(s) so that it has better protection against its credit risk.

Financing Business (Continued)

Credit Factoring (Continued)

As at 30 June 2023, the Group had 19 factoring customers, all of which were corporate customers independent of and not connected with the Company or any of its connected persons. The Group's customers in the factoring business are mainly engaged in finance leasing, wholesale and/or retail in the PRC. The following table sets forth the gross carrying amount of the factoring receivables of the Group by industry sector of the customers as at 30 June 2023:

		Gross carrying amount 賬面總值 (HK\$'mil) (百萬港元)	%	Number of customers 客戶數量
Finance leasing	融資租賃	20.8	4.1	3
Wholesale and retail	批發及零售	485.4	95.9	16
		506.2	100.0	19

As at 30 June 2023, all of the Group's factoring receivables were secured by accounts receivables in the aggregate amount of approximately RMB778.7 million (equivalent to approximately HK\$912.2 million), as well as guarantees from the customers' legal representative and/or shareholder(s). The interest rates ranged from 5% to 15% per annum. Save for the customers principally engaged in finance leasing who were granted a loan period ranging from 2 to 3 years with principal and interest payable quarterly, other customers were granted a loan period of not more than 12 months with interest payable quarterly and full principal repayable on maturity date. After due assessment of the credit risks of the Group's factoring customers, the Directors believe that comparable market interest rates were applied and that the repayment terms of the factoring loans were in line with normal market practice.

The sales department will, based on the information collected and any other publicly available information, conduct due diligence and may request further information from the potential customer, if necessary, for an initial assessment of the potential customer. The sales department, after the initial assessment, will propose a preliminary credit limit to the risk management department for review.

For the initial assessment, the sales department would:

The risk management department will review the initial assessment made by the sales department together with the information collected from the customer and may request further information from the customer. The risk management department will verify the information collected by conducting further due diligence on the customer. Customers are required to pass the credit and risk assessments before engaging the Group for factoring services.

Once approval from the risk management department is obtained, recommendation will be made to the risk management committee including the sales department, the risk management department, the finance department and the executive director(s) (collectively, the “**Management Team**”) for further approval. Members of the risk management committee may conduct further due diligence on the customer as and when appropriate.

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree, and the fair value of the acquirer’s previously held equity interest in the acquiree (if any) over the net amount of the identifiable assets acquired and the liabilities assumed as at the date of acquisition. As mentioned under the section headed “Cultural and Entertainment Business” above, many of our NOD Union members and customers experienced significant reductions in revenue due to the economic devastation brought by the COVID-19 pandemic starting from 2020 as well as the weakening of business economies in Mainland China, which affected most of our customers operating restaurants and entertainment stores with their business temporarily closed and being forced to cease operations. This had eventually led to a drop in the number of our customers or members year-by-year. During the Reporting Year, many existing customers did not renew their contracts or memberships with the Group as their operations were suspended, which resulted in a significant decrease in the number of customers and hence the Group’s actual revenue as well as the forecast revenue for Fortune Selection Group and Cheer Sino Group from the financial years ending 2024 to the financial years ending 2026 and the period beyond the three financial years ending 2026.

Valuation

The valuation method of discounted cash flow was adopted for the calculation of the value-in-use (“VIU”) using the income approach. Such income approach is an appropriate valuation method that can reflect the value of cash flow generated by continuous operation of the assets, which is consistent with the requirements under Hong Kong Accounting Standard 36 – Impairment of Assets (“**HKAS 36**”) in determining the VIU of the CGUs. Under the aforesaid valuation method, the following elements shall be reflected in the calculation of the relevant CGU’s VIU: (1) an estimate of the future cash flows the entity expects to derive from the CGU; (2) expectations of possible variations in the amount or timing of those future cash flows; and (3) the time value of money. The recoverable amount of the CGU should be the higher of (i) the fair value less costs of disposal; and (ii) the VIU. After assessing both the VIU and the fair value, the valuation opted for the VIU being the higher between the two figures.

The recoverable amounts of CGUs were determined based on a VIU calculation with the assistance of an independent valuer, Peak Vision Appraisals Limited (the “**Valuer**”). The calculation uses cash flow projections based on financial budgets approved by the Group. Assumptions were used in the VIU calculation of the CGUs for the Reporting Year and the Prior Year.

The Group determined budgeted gross margins based on past performance, existing sales contracts, and expectations for market development. The discount rates used are post-tax rates that reflect current market assessments of the time value of money and the risks specific to the CGUs. The terminal growth rate used is made with reference to the long-term average growth rates and expected market development. The cash flows for both the Fortune Selection CGU and the Cheer Sino CGU beyond the three financial years ending 2026 were 0 using the estimated terminal growth rate of 0% as at 30 June 2023 and 2% in the previous valuation as at 30 June 2022 with reference to the long-term inflation rate of the PRC. The Company and the Valuer had been in active discussion on the valuation of the CGUs for impairment testing. The Board and the audit committee of the Board (“**Audit Committee**”) considered that the assumptions applied were fair and reasonable in light of the current status of the contracts on-hand.

採用貼現現金流量之估值方法計算使用價值(「**使用價值**」)時使用收入法。該收入法為一種可反映資產持續經營所產生現金流量價值之適當估值方法，符合香港會計準則第36號—資產減值(「**香港會計準則第36號**」)有關釐定現金產生單位使用價值之規定。根據上述估值方法，計算相關現金產生單位之使用價值須反映下列要素：(1)實體預期自現金產生單位獲得之未來現金流量的估計；(2)該等未來現金流量之金額或時間可能變動之估計；及(3)貨幣時間價值。現金產生單位之可收回金額應為下列兩者之較高者：(i)公平值減出售成本；及(ii)使用價值。於評估使用價值與公平值後，估值選用使用價值(即兩個數額中之較高者)。

現金產生單位之可收回金額乃於獨立估值師漂鋒評估有限公司(「**估值師**」)之協助下按照使用價值計算釐定。計算乃使用以本集團批准之財務預算為基準而作出之現金流量預測得出。計算報告年度及去年之現金產生單位之使用價值採用假設。

本集團根據過往業績、現有銷售合約及對市場發展的預期釐定預算毛利率。所使用的貼現率乃反映對貨幣時間價值之當前市場評估及現金產生單位特定風險之稅後利率。所使用的最終增長率乃經參考長期平均增長率及預期市場發展而得出。截至二零二六年止三個財政年度之後之Fortune Selection現金產生單位及華志現金產生單位之現金流量為0，乃使用二零二三年六月三十日之估計最終增長率0%及二零二二年六月三十日之過往估值最終增長率2%並參考中國長期通脹率得出。本公司及估值師積極討論現金產生單位之估值以進行減值測試。董事會及董事會審核委員會(「**審核委員會**」)認為，鑒於現有合約之現狀，所採用之假設屬公平合理。

FINANCIAL REVIEW (Continued)

Impairment Loss on Goodwill (Continued)

Cheer Sino Group CGU (Continued)

Impairment review

The financial performances of Fortune Selection Group CGU and Cheer Sino Group CGU were unable to achieve the forecast prepared previously. As a result, the Group revised the carrying amounts of the Fortune Selection Group CGU and the Cheer Sino Group CGU downwards based on their respective cash flow forecasts, and hence recognised an impairment loss on goodwill.

The Group revised the two forecast projections in the coming three financial years in accordance with the historical performance of the CGUs and having taken into consideration higher degree of estimation uncertainties due to non-continuance after the expiry of existing contractual arrangements on most customers in the cultural and entertainment segment. Please refer to the subsection headed "Valuation" above for the basis and assumptions used in the Valuation; the inputs and assumptions used in the Valuation as at 30 June 2023 had a significant change in cashflow forecast from those previously adopted. The major change in circumstances that led to the revision of the cashflow forecast is attributable to the fact that our customers had temporarily suspended or even closed-down their operations since the outbreak of the COVID-19 pandemic which greatly affected the cultural and entertainment segment, in which many existing customers did not renew their contracts or memberships with the Group which resulted in a significant decrease in the number of customers and hence the Group's actual revenue and also the forecast revenue for Fortune Selection Group CGU and Cheer Sino Group CGU from the financial years ending 2024 to the financial years ending 2026 and the period beyond the three financial years ending 2026.

Impairment Losses under ECL Model, Net of Reversal

During the Reporting Year, the Group had considered the rise in inflation rate and the fear of global recession causing uncertainty in the world economy. Despite the consumption in the PRC increased slightly more after the ease of COVID-19 pandemic restrictions, the Group's revenue had not been boosted.

減值審閱

Fortune Selection集團現金產生單位及華志集團現金產生單位之財務表現未能達到先前編製之預測。因此，本集團根據Fortune Selection集團現金產生單位及華志集團現金產生單位各自之現金流量預測下調其賬面值，故確認商譽減值虧損。

本集團根據現金產生單位之過往表現並經考慮大部分文化及娛樂分部客戶於現有合約安排屆滿後不再續約導致估計不確定性較高，對未來三個財政年度之兩項預測進行修訂。有關估值採用之基準及假設，請參閱上文「估值」分節；於二零二三年六月三十日之估值所用之輸入數據及假設與先前所採用者相比在現金流量預測方面有重大變動。導致修訂現金流量預測之主要變化乃由於爆發COVID-19疫情導致客戶暫時關閉或停止營運，對文化及娛樂分部產生重大影響，其中不少現有客戶並無與本集團重續合約或會籍，導致客戶數目大幅減少，因此本集團之實際收益以及Fortune Selection集團現金產生單位及華志集團現金產生單位於截至二零二四年止財政年度至截至二零二六年止財政年度及截至二零二六年止三個財政年度之後期間之預測收益亦大幅減少。

預期信貸虧損模式項下之減值虧損 (扣除撥回)

於報告年度，本集團考慮到，通脹率上升及全球衰退恐慌給全球經濟帶來不明朗因素。儘管於COVID-19疫情限制放寬後，中國消費略有增加，並未提振本集團收益。

FINANCIAL REVIEW (Continued)

Impairment Losses under ECL Model, Net of Reversal (Continued)

During the Reporting Year, the Group recognised impairment losses under expected credit loss (“ECL”) model, net of reversal of approximately HK\$359.49 million. The impairment assessment under ECL model is performed individually or based on a provision matrix. The credit risk has increased significantly as there is a higher risk that a prolonged pandemic could lead to increased credit default rates. However, such credit default rates had not dropped after relaxation of social distancing measures as our customers are still suffering from ripple effect of the COVID-19 pandemic. In particular, enterprises, shops and restaurants remain adversely impacted resulting in temporary suspension or even close-down of their operations. The ECLs are estimated based on the probability of default and loss given default and are adjusted for forward-looking information that is reasonable and supportable available without undue costs or effort.

Factoring Receivables

Among impairment losses under ECL model, net of reversal of approximately HK\$359.49 million during the Reporting Year, approximately HK\$327.3 million or approximately 91.0% were attributable to factoring receivables of the Group.

Factors considered for impairment recognition

As at 30 June 2023, all of the Group’s factoring receivables have defaulted in payment of either interest or principal and the Group has taken actions to recover the balances. The Directors considered all factoring receivables are credit-impaired and provided specific ECL provision for the overdue factoring receivables. The specific ECL provision has been arrived at after the Group having considered the indications of an actual or expected significant deterioration in the recoverability of the factoring receivables. Some of the indications that the Group considered are, among others, (i) the customers’ failure to repay the outstanding interest and/or principal and request for a roll-over of the balances; and (ii) the customers’ request for a waiver of interest; or the combined effect of multiple events and may not necessarily be due to a single event.

預期信貸虧損模式項下之減值虧損 (扣除撥回) (續)

於報告年度，本集團確認預期信貸虧損（「預期信貸虧損」）模式項下之減值虧損（扣除撥回）約359,490,000港元。本集團按個別或撥備矩陣進行預期信貸虧損模式下之減值評估。由於疫情持續可導致信貸違約率增加的風險較高，故此信貸風險已大幅增加。然而，於放鬆社交距離措施後，信貸違約率並未下降，原因是客戶仍然蒙受COVID-19疫情的連鎖反應，尤其是企業、店舖及餐廳仍然受到不利影響，導致暫停營運，甚至停止營運。預期信貸虧損乃根據違約概率及違約損失率進行估計，並就毋須付出過多成本或努力即可獲得的合理及可靠前瞻性資料作出調整。

保理應收款項

於報告年度預期信貸虧損模式項下之減值虧損（扣除撥回）約359,490,000港元中，約327,300,000港元或約91.0%為本集團之保理應收款項。

減值確認所考慮之因素

於二零二三年六月三十日，本集團所有保理應收款項均拖欠支付利息或本金，而本集團已採取行動收回結餘。董事認為，所有保理應收款項均發生信貸減值，並就逾期保理應收款項作出特定預期信貸虧損撥備。特定預期信貸虧損撥備乃本集團於考慮保理應收款項的可收回性實際或預期顯著惡化跡象後作出。本集團所考慮的若干跡象包括(i)客戶未能償還未付利息及／或本金並要求將結餘展期；及(ii)客戶要求免除利息；或多個事項的綜合影響，而未必因單一事項引致。

FINANCIAL REVIEW (Continued)

Impairment Losses under ECL Model, Net of Reversal (Continued)

Factoring Receivables (Continued)

Reason for impairment recognition

The Group performed impairment assessment at the end of the Reporting Year using the ECL model as required by Hong Kong Financial Reporting Standards 9 – Financial Instruments (“HKFRS 9”), and the accounting policy, key assumptions and inputs as stated in Notes 3 and 5(b) to the consolidated financial statements of the Company for the Reporting Year (the “Consolidated Financial Statements”).

As mentioned under the subsection headed “Factors considered for impairment recognition” above, all of the Group’s factoring receivables have defaulted in payments of either interest or principal and faced severe cash flow issues, and the Group has taken actions to recover the overdue balances. ECLs are measured as the present value of all expected cash shortfalls, being the difference between the cash flows due to the Group in accordance with the contract and the cash flows that the Group expects to receive. As at 30 June 2023, the Group considered the loss rate of the overdue factoring receivables had significantly increased, the loss rate for overdue factoring receivables ranged from approximately 28% (i.e. probability of default being 38% and recovery rate being 28%) which are not yet matured, to approximately 72% (i.e. probability of default being 100% and recovery rate being 28%) which are already matured, as at 30 June 2023 (2022: ranged from approximately 0.1% (i.e. probability of default being 0.2% and recovery rate being 47%) to approximately 10% (i.e. probability of default being 19% and recovery rate being 47%)) with reference to the valuation performed by a valuer engaged by the Company. The Directors considered the recovery rate of the factoring receivables of the Group had significantly reduced due to the deterioration of the value of collaterals held, such as the pledged account receivables from secured factoring receivables. The Group generally estimated the loss rates based on historical observed default rates over the expected life of the debtors and are adjusted for forward-looking information that is available without undue cost or effort as well as the fair value of the collateral pledged by the customers.

預期信貸虧損模式項下之減值虧損 (扣除撥回) (續)

保理應收款項 (續)

減值確認之理由

本集團於報告年度末按照香港財務報告準則第9號—金融工具（「香港財務報告準則第9號」）規定以及本公司於報告年度之綜合財務報表（「綜合財務報表」）附註3及5(b)所述之會計政策、主要假設及輸入數據採用預期信貸虧損模式進行減值評估。

誠如上文「減值確認所考慮之因素」分節所述，本集團所有保理應收款項均拖欠支付利息或本金，且面臨嚴重的現金流量問題，本集團已採取行動收回逾期結餘。預期信貸虧損乃按照所有預期現金差額之現值（即根據合約應付本集團之現金流量與本集團預期獲得之現金流量之間的差額）計量。於二零二三年六月三十日，經參考本公司委聘之估值師進行之估值，本集團認為逾期保理應收款項之損失率大幅提升，於二零二三年六月三十日之逾期保理應收款項之損失率介乎約28%（即違約概率為38%及回收率為28%）（尚未到期）至約72%（即違約概率為100%及回收率為28%）（已到期）（二零二二年：介乎約0.1%（即違約概率為0.2%及回收率為47%）至約10%（即違約概率為19%及回收率為47%））。董事認為，由於持有的抵押品（如有抵押保理應收款項之已質押應收賬款）價值惡化，本集團保理應收款項之回收率已大幅降低。本集團通常根據應收賬款預期年限內過往觀察所得的違約率估計損失率，並按毋須付出不適當成本或努力即可獲得的前瞻性資料以及客戶抵押的抵押品公平值作出調整。

FINANCIAL REVIEW (Continued)

Selling and Administrative Expenses

The Group's selling expenses had decreased by approximately HK\$3.74 million, or approximately 42.02%, from approximately HK\$8.90 million for the Prior Year to approximately HK\$5.16 million for the Reporting Year. Such decrease was primarily affected by the decrease in revenue.

The Group's administrative expenses for the Reporting Year remained relatively stable at approximately HK\$23.68 million (2022: approximately HK\$23.68 million).

Operating Loss from Continuing Operations and Operating Loss Margin

As a result of the foregoing, the Group's operating loss from continuing operations for the Reporting Year was approximately HK\$486.09 million, as compared with an operating loss from continuing operations of approximately HK\$115.57 million for the Prior Year. The Group had an operating loss margin of approximately 1,179.29% for the Reporting Year, as compared with an operating loss margin of approximately 103.04% for the Prior Year. The significant increase in operating loss was mainly due to the decrease in revenue, the increase in impairment loss on goodwill and impairment losses under ECL model, net of reversal led by the ensuing adverse effect of the COVID-19 pandemic on the Group's operations during the Reporting Year.

Operating conditions during the Reporting Year remained challenging due to mounting macroeconomic and geopolitical uncertainties and consumption weakness arising from COVID-19 pandemic outbreaks. In spite of the gradual relaxation of the anti-COVID-19's social distancing requirements, such measures did not bring any positive impact to the Group during the second half of the Reporting Year.

Finance Costs

The Group's finance costs had decreased by approximately HK\$0.82 million, or approximately 16.98%, from approximately HK\$4.83 million for the Prior Year to approximately HK\$4.01 million for the Reporting Year.

財務回顧 (續)

銷售及行政開支

本集團的銷售開支由去年約8,900,000港元減少約3,740,000港元或約42.02%至報告年度約5,160,000港元。有關減少主要受收益減少所影響。

本集團於報告年度的行政開支保持相對穩定，為約23,680,000港元（二零二二年：約23,680,000港元）。

來自持續經營業務之經營虧損及經營虧損率

由於以上所述，本集團於報告年度來自持續經營業務之經營虧損約為486,090,000港元，而去年來自持續經營業務之經營虧損約為115,570,000港元。本集團之經營虧損率於報告年度約為1,179.29%，而去年之經營虧損率約為103.04%。經營虧損大幅增加主要由於COVID-19疫情對本集團於報告年度之營運造成後續不利影響，導致收益減少，商譽減值虧損及預期信貸虧損模式項下之減值虧損（扣除撥回）增加。

由於宏觀經濟及地緣政治不明朗因素增加以及COVID-19疫情爆發導致消費疲軟，報告年度之經營狀況仍然充滿挑戰。儘管於報告年度下半年逐步放鬆COVID-19防疫社交距離要求，但有關措施並無為本集團帶來任何積極影響。

財務成本

本集團的財務成本由去年約4,830,000港元減少約820,000港元或約16.98%至報告年度約4,010,000港元。

FUTURE PLANS FOR MATERIAL INVESTMENTS OR CAPITAL ASSETS

MATERIAL ACQUISITIONS AND DISPOSALS

The Group did not have any material acquisitions and disposals of subsidiaries, associates or joint ventures during the Reporting Year.

DIVIDEND

The Directors do not recommend the payment of a final dividend for the Reporting Year (2022: HK\$Nil).

EVENT AFTER THE REPORTING YEAR

The Group has no significant event after the end of the Reporting Year up to the date of this annual report.

FUTURE PLANS AND PROSPECTS

The past three years were so eventful that most enterprises experienced unprecedented challenges. Multiple unexpected factors gave rise to a tough time for the Group to keep a stable development and its normal operations. Although the COVID-19 pandemic has subsided and both the PRC and Hong Kong governments have relaxed anti-pandemic measures, it still takes time for businesses to resume under the sluggish global economy.

Faced with such market pressures and challenges, the Group constantly reviews and consolidates insights. We understand that remaining stagnant would only lag ourselves behind our peers. Therefore, after prudent consideration, the Group and its management decided to discontinue operation of its exhibitions and events business in order to allocate its resources more efficiently on existing and potential business projects.

The Group and its management recognise the importance of diversity of income streams under the adverse market condition. Except for seeking various channels for fund raising, the Group will prudently monitor the potential business opportunities and make full use of our existing resources to strive for more diversified business opportunities, so as to diversify our business risk and income stream as well as to maximise shareholders' value as a whole.

重大投資或資本資產之未來計劃

於二零二三年六月三十日，並無重大投資或資本資產之具體計劃。

重大收購及出售

股息

董事不建議就報告年度派付末期股息(二零二二年：零港元)。

報告年度後事項

於報告年度結算日後直至本年報日期，本集團並無任何重大事項。

未來計劃及前景

過去三年實屬多事之秋，大多數企業均遇到前所未有的挑戰。多項意外因素令本集團難以維持穩定發展及正常營運。儘管COVID-19疫情已消退，中國及香港政府已放鬆防疫措施，但在全球經濟低迷的情況下業務恢復仍需時間。

面對該等市場壓力及挑戰，本集團不斷檢討及整合見解。我們明白，停滯不前只會令自身落後於同行。因此，經審慎考慮後，本集團及其管理層決定終止經營展覽會及活動業務，以便更有效地將其資源分配予現有及潛在業務項目。

本集團及其管理層深知收入來源多元化於不利市況下之重要性。除物色各種渠道集資外，本集團將審慎監察潛在商機，並充分利用現有資源爭取更多多元化的商機，從而分散業務風險，多元化收入來源，實現股東整體價值最大化。

AUDITOR'S DISCLAIMER OF OPINION AND PROPOSED ACTION PLAN OF THE GROUP TO ADDRESS THE DISCLAIMER OF OPINION

Disclaimer of Opinion

As stated in the report (the “**Independent Auditor’s Report**”) by the independent auditor of the Company (the “**Independent Auditor**”) on pages 144 to 150 of this annual report, the Independent Auditor does not express an opinion on the Consolidated Financial Statements, as due to the significance of the matters described in the section headed “Basis for Disclaimer of Opinion” of the Independent Auditor’s Report, being material uncertainties on (i) the Group’s ability to continue as a going concern (the “**Material Uncertainties on Going Concern**”); (ii) the assessment of the recoverability of the factoring receivables, finance lease receivables and trade receivables of the Group (the “**Material Uncertainties on Receivables**”); and (iii) the validity of receipts (“**Receipts**”) from several independent third parties (“**Third Parties**”) as settlements (“**Settlements**”) of the principal and interest of factoring receivables (the “**Material Uncertainties on Third Party Settlement**”), the Independent Auditor has not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the Consolidated Financial Statements. In all other respects, in the Independent Auditor’s opinion, the Consolidated Financial Statements have been properly prepared in compliance with the disclosure requirements of the Companies Ordinance (Chapter 622 of the Laws of Hong Kong).

誠如本年報第144至150頁本公司獨立核數師（「**獨立核數師**」）出具的報告（「**獨立核數師報告**」）所述，獨立核數師不對綜合財務報表發表意見，乃由於獨立核數師報告「不發表意見之基礎」一節所述事項之重要性，即有關以下各項之重大不明朗因素：(i)本集團持續經營之能力（「**有關持續經營之重大不明朗因素**」）；(ii)有關本集團保理應收款項、融資租賃應收款項及貿易應收款項可收回性之評估（「**有關應收款項之重大不明朗因素**」）；及(iii)來自若干獨立第三方（「**第三方**」）之收款（「**收款**」）作為結算（「**結算**」）保理應收款項之本金及利息之有效性（「**有關第三方結算之重大不明朗因素**」），獨立核數師未能獲得足夠適當之審計憑證，以提供對綜合財務報表發表審計意見之基礎。於所有其他方面，獨立核數師認為綜合財務報表已按照香港法例第622章公司條例之披露規定妥為編製。

AUDITOR'S DISCLAIMER OF OPINION AND PROPOSED ACTION PLAN OF THE GROUP TO ADDRESS THE DISCLAIMER OF OPINION (Continued)

Basis for Disclaimer of Opinion

A. Material Uncertainties on Going Concern

Please refer to the subsection headed "A) MATERIAL UNCERTAINTIES RELATING TO GOING CONCERN" of the Independent Auditor's Report on pages 145 to 146 of this annual report for details in relation to the basis for the disclaimer of opinion of the Independent Auditor in relation to the Material Uncertainties on Going Concern (the "Disclaimer on Going Concern").

As the validity of the preparation of the Consolidated Financial Statements on going concern basis depends on the outcome of several measures, the Independent Auditor has requested the Company for supporting evidence of the assumptions in the cashflow forecast which are subject to multiple uncertainties, including (i) the successful recovery of overdue receivables; (ii) the obtaining of additional sources of financing as and when needed; and (iii) the successful improvement in the Company's operation to generate sufficient operating cash inflow. However, no such evidence can be provided as the Group was still in the course of taking actions to recover the overdue receivables and actively looking for additional sources of financing as at the date of the Independent Auditor's Report. In this regard, although the Independent Auditor considers that the going concern basis of preparing the Consolidated Financial Statements as well as the material uncertainties relating to the Group's going concern have been adequately disclosed in the Consolidated Financial Statements, the Independent Auditor issued the Disclaimer on Going Concern.

不發表意見之基礎

A. 有關持續經營之重大不明朗因素

有關獨立核數師就有關持續經營之重大不明朗因素不發表意見(「對持續經營不發表意見」)之基礎的詳情,請參閱本年報第145至146頁獨立核數師報告「A)有關持續經營之重大不明朗因素」分節。

由於按持續經營基準編製綜合財務報表之有效性取決於若干措施之結果,獨立核數師已要求本公司提供現金流預測中受限於多項不明朗因素之假設的支持憑證,包括(i)成功收回逾期應收款項;(ii)於需要時獲得額外融資來源;及(iii)成功改善本公司之營運以產生足夠經營現金流入。然而,由於獨立核數師報告日期,本集團仍正採取行動收回逾期應收款項並積極尋求額外融資來源,故未能提供有關憑證。因此,儘管獨立核數師認為編製綜合財務報表之持續經營基準以及有關本集團持續經營之重大不明朗因素已於綜合財務報表內充分披露,但獨立核數師對持續經營不發表意見。

A. Material Uncertainties on Going Concern (Continued)

Actual or potential impact on the Group's financial position

The Material Uncertainties on Going Concern does not itself show any actual impact on the Group's financial position. As set out in Note 3 to the Consolidated Financial Statements, the Consolidated Financial Statements have been prepared on historical cost basis except for certain financial instruments that were measured at fair values at the end of the Reporting Year. Should the Group fail to achieve the intended effects resulting from the plans and measures as mentioned in Note 3 to the Consolidated Financial Statements, it might not be able to operate as a going concern, and adjustments would have to be made to write down the carrying amounts of the Group's assets to their recoverable amounts, and to provide for any further liabilities that may arise respectively. The effects of these adjustments have not been reflected in the Consolidated Financial Statements.

Management's views

In view of the Material Uncertainties on Going Concern, the management of the Group (including the Directors) (the "Management") has given due consideration related to the Group's current liquidity, performance and available sources of financing in assessing the Group's ability to continue as a going concern. The Management will continue to roll on all means available within the bounds of the law to attempt to recover all relevant overdue receivables, and has set in motion a string of likelier financial options to address the brief working capital issues of the Group. As at the date of this annual report, the Group is in the process of taking actions, including but not limited to legal actions, to recover the overdue receivables (for further details on the actions taken, please refer to the subsection headed "B. Material Uncertainties on Receivables" below), and has obtained a secured loan facility in an amount of HK\$9,000,000 from an independent third party for general working capital and development of a new operation in the cultural and entertainment segment. As such, the Management is in a view that the Group may have sufficient working capital for a period of not less than 12 months from 30 June 2023. Hence, the Management considers that it is appropriate to prepare the Consolidated Financial Statements on a going concern basis.

管理層意見

鑒於有關持續經營之重大不明朗因素，本集團管理層（包括董事）（「管理層」）於評估本集團持續經營之能力時，已適當考慮本集團目前之流動資金、表現及可用融資來源。管理層將繼續在法律範圍內採取一切可用手段以盡力收回所有相關逾期應收款項，並已採用一系列可能性更大的財務選擇以解決本集團之短暫營運資金問題。於本年報日期，本集團正採取行動（包括但不限於法律行動）收回逾期應收款項（有關所採取行動之進一步詳情，請參閱下文「有關應收款項之重大不明朗因素」分節），並已從獨立第三方獲得9,000,000港元之有抵押貸款融資用作一般營運資金以及用於開發文化及娛樂分部的新業務。因此，管理層認為，本集團於二零二三年六月三十日起不少於12個月期間可能擁有充足營運資金。故此，管理層認為，按持續經營基準編製綜合財務報表屬適當。

There was no disagreement between the Management and the Independent Auditor regarding the Material Uncertainties on Going Concern, considering that the Consolidated Financial Statements have been prepared on a going concern basis, the validity of which depends on the outcome of the measures under the Management's assumptions which are subject to certain uncertainties, including the Group's ability to partially, if not wholly, receive the overdue receivables, to generate operating cash flows and to obtain additional sources of financing. While the Company is of the view that it has already provided all available information and documents to demonstrate that the Group will have sufficient working capital for the 12 months after the Reporting Year, the Management acknowledges the concerns raised by the Independent Auditor in relation to the Material Uncertainties on Going Concern as aforementioned and understands that the Independent Auditor's perceived uncertainty variables, in particular, the recoverability of the Group's overdue receivables, would not subside with the mere provision of debt-related document and information, without, among other things, undertaking any physical interviews with the debtors of the Group and/or receiving evidence regarding the financial status of such debtors (for further details on the information required, please refer to the subsection headed "B. B. Material Uncertainties on Receivables

Please refer to the subsection headed "B) RECOVERABILITY OF FACTORING RECEIVABLES, FINANCE LEASE RECEIVABLES AND TRADE RECEIVABLES" of the Independent Auditor's Report on page 147 of this annual report for details in relation to the basis for the disclaimer of opinion of the Independent Auditor in relation to the Material Uncertainties on Receivables (the "**Disclaimer on Receivables**").

The Independent Auditor has requested for information relating to the Group's credit risk assessment under specific expected credit losses, including the financial status of the debtors of the overdue receivables of the Group (the "**Debtors**"), and the Group's measurement of related collateral values, in assessing the recoverability of the past due balances; and any of the Group's enforcement actions against the Debtors, their related collaterals and guarantors. Although the Group is still in the process of ascertaining the financial status of and taking various actions against the Debtors, the latter have been either lukewarm in their responses, or lying low outside Hong Kong to evade their liability. Thus, the Group's endeavours to prowl for them are particularly uphill. Under such circumstances, the Independent Auditor was unable to carry out necessary audit procedures and to satisfy themselves as to the recoverability of the Group's factoring receivables, finance lease receivables and trade receivables as at 30 June 2023. In this regard, the Independent Auditor issued the Disclaimer on Receivables as it did not have sufficient appropriate audit evidence to assess the recoverable amounts of the factoring receivables, finance lease receivables and trade receivables of the Group as at 30 June 2023.

獨立核數師已要求提供與本集團於特定預期信貸虧損下之信貸風險評估有關之資料,包括本集團逾期應收款項債務人(「**債務人**」)之財務狀況及本集團相關抵押品價值之計量,以評估逾期結餘之可收回性;及本集團對債務人採取之任何強制執行行動、其相關抵押品及擔保人。儘管本集團仍正確定債務人之財務狀況及對債務人採取各種行動,但債務人回應冷淡,又或潛居香港境外以逃避其責任。因此,本集團尋找債務人之旅尤其艱難。在此情況下,獨立核數師未能開展必要審計程序,並令其自身信納本集團於二零二三年六月三十日之保理應收款項、融資租賃應收款項及貿易應收款項之可收回性。因此,獨立核數師對應收款項不發表意見,原因為其並無充足適當之審計憑證以評估本集團於二零二三年六月三十日之保理應收款項、融資租賃應收款項及貿易應收款項之可收回金額。

B. Material Uncertainties on Receivables (Continued)

Actual or potential impact on the Group's financial position

Due to the uncertainty of the recoverability of the factoring receivables, finance lease receivables and trade receivables of the Group, adjustments to the impairment loss recognised during the Reporting Year may be necessary, which might have a significant impact on the Group's financial position as at 30 June 2023, and its financial performance and the elements making up the consolidated statement of cash flows for the Reporting Year and related disclosures in the Consolidated Financial Statements.

Management's views

In view of the Material Uncertainties on Receivables, the Management has taken necessary actions including but not limited to legal actions against the Debtors. In particular, discussions were held with the relevant customers to understand their specific financial circumstances and formulate repayment and debt restructuring plans for payment of the outstanding balances. The Group has also engaged a PRC legal adviser in view to commence legal proceedings to recover the debts and has issued demand letters to the relevant customers in respect of the debts. As at the date of this annual report, save for legal action being taken against one of the Group's financing customers, no legal action has been commenced against other financing customers and/or the relevant collaterals and guarantors.

The Management has also actively discussed with its independent professional valuer on assessing the expected credit losses under the impairment requirements of Hong Kong Financial Reporting Standard, after taking into account the non-repayment history, overdue status and the legal actions to be taken by the Management; these receivables are considered to be stage 3 credit-impaired with relevant probability of default and recovery rate.

B. 有關應收款項之重大不明朗因素 (續)

對本集團財務狀況之實際或潛在影響

由於本集團保理應收款項、融資租賃應收款項及貿易應收款項之可收回性存在不明朗因素，故可能需要對報告年度內確認之減值虧損作出調整，這可能對本集團於二零二三年六月三十日之財務狀況及其於報告年度之財務表現及綜合現金流量表之組成要素以及綜合財務報表內之相關披露造成重大影響。

管理層意見

鑒於有關應收款項之重大不明朗因素，管理層已對債務人採取必要行動（包括但不限於法律行動）。具體而言，與相關客戶進行討論以了解彼等的具體財務狀況，並制定還款及債務重組計劃以支付尚未償還結餘。本集團亦已委聘中國法律顧問提起法律訴訟以收回債務，並已就債務向相關客戶發出催款函。於本年報日期，除對本集團一名融資客戶提起法律訴訟外，並無對其他融資客戶及／或相關抵押人及擔保人提起法律訴訟。

管理層亦已與其獨立專業估值師就根據香港財務報告準則之減值規定評估預期信貸虧損進行積極討論，經計及未還款記錄、逾期狀況及管理層將採取之法律行動後，該等應收款項被視為發生第3階段之信貸減值，具有相關違約概率及回收率。

C. Material Uncertainties on Third Party Settlement (Continued)

The Independent Auditor has requested for documentation of (i) the background of the Third Parties and the relationships among themselves; (ii) background checks and credit assessments on the Third Parties, together with details of the information reviewed by the Group at the time of accepting the Receipts; and (iii) information used for assessing the occurrence and underlying commercial substance of and business reasons for the Settlements. As the Management in the PRC (the "PRC Management") has only obtained an entrusted payment agreement (the "Entrusted Payment Agreement") from the relevant customer for ascertaining the validity of the Receipts and Settlements, the Group has then actively approached the relevant customer and Third Parties to obtain the documents required by the Independent Auditor. However, responses have been negative as the relevant customer and Third Parties considered the Settlements were completed. Under such circumstances, the Independent Auditor was unable to carry out necessary audit procedures on the Receipts and Settlements to satisfy themselves as to the validity of such transactions, and the basis of determining the presentation of these balances and related disclosures in the Consolidated Financial Statements. In this regard, the Independent Auditor issued the Disclaimer on Third Party Settlement as it did not have sufficient audit evidence to satisfy the validity of the Receipts and Settlements and support the basis of determining the presentation of these balances and related disclosures in the Consolidated Financial Statements.

C. Material Uncertainties on Third Party Settlement (Continued)

Actual or potential impact on the Group's financial position

Due to the uncertainty on the validity of the Receipts and Settlements, it is uncertain whether these transactions were properly accounted for and disclosed or determined and whether any adjustments to the impairment loss recognised during the Reporting Year in respect of the factoring receivables were necessary, which might have a significant impact on the Group's financial position as at 30 June 2023, and its financial performance and the elements making up the consolidated statement of cash flows for the Reporting Year and related disclosures in the Consolidated Financial Statements.

Management's views

In view of the Material Uncertainties on Third Party Settlement, the Management thoroughly assessed the situation and considered the evidence obtained by the PRC Management. The Management engaged in discussions with, reviewed internal records maintained by, and evaluated the competence of, the PRC Management. Based on the evaluation, the Management concluded that the Settlements were appropriately recorded and the Consolidated Financial Statements accurately reflected the Company's financial position and results.

There was no disagreement between the Management and the Independent Auditor regarding the Material Uncertainties on Third Party Settlement. Although the Company is of the view that it has already provided all explanation, available information and documents to demonstrate the validity of these transactions and such information and documents are valid, reasonable and supportable, the Company also acknowledges the uncertainties raised by the Independent Auditor as aforementioned and that such uncertainties cannot be satisfied or removed as at the date of this annual report.

save for a secured loan facility in an amount of HK\$9,000,000 made available by an independent third party to the Company for general working capital of the Company and development of a new operation in the segment of Cultural and Entertainment, no further confirmed proposal or plan has been established but given the Management's continuous efforts in taking actions to recover the overdue receivables of the Group as set out in the subsection headed "B. Material Uncertainties on Receivables" above, obtaining additional sources of financing and improving the Group's operations, the Management is optimistic that an action plan with further details will be in place by the end of the second quarter of 2024. In view of the foregoing, and assuming the Group's plans or actions can be substantially completed as planned, including the recovery of receivables from customers, the obtaining of alternative financing and/or successful completion of corporate restructuring plan, and no new circumstances and conditions would have occurred, subject to satisfactory review of the Management's assessment of the Group's going concern and the Independent Auditor being satisfied with the documents, information and/or evidence to be provided by the Company going forward, the Directors are of the view that the Group will have sufficient working capital to meet its financial obligations as and when they fall due in the next 12 months from 30 June 2023 and the Company is optimistic that the Disclaimer on Going Concern may be removed in connection with the audit of the consolidated financial statements of the Group for the year ending 30 June 2024. The Independent Auditor and the Audit Committee, in light of currently available evidence and the Group's proposed action plan to address the Disclaimer on Going Concern, consider that the Group will resolve the Material Uncertainties on Going Concern when the Management is able to achieve its planned actions as aforementioned.

- (2) The Management has engaged a PRC legal advisor to commence legal proceedings to recover the outstanding amount from the Debtors. The Management is of the view that if the overdue balances of the factoring receivables, finance lease receivables and trade receivables are unable to be settled or that a repayment schedule subsequent to the legal proceedings could not be concluded, the Management will take further legal action(s) proactively for enforcement of the collaterals in the PRC to recover the amounts concerned. In any event, the Group will continue to negotiate with the Debtors actively with the objective to come up with a mutually agreed repayment plan. As at the date of this annual report, legal proceedings commenced against the Debtors have not been concluded, nor has any repayment schedule been confirmed or agreed, but the Management is optimistic that relevant results will be in place by the end of the second quarter of 2024. The Independent Auditor and the Audit Committee, having understood the whys and wherefores from the Management, consider that the Group will resolve the Material Uncertainties on Receivables in line with its planned actions.

- (2) 管理層已委聘中國法律顧問提起法律訴訟，以收回債務人之未償還款項。管理層認為，倘保理應收款項、融資租賃應收款項及貿易應收款項之逾期結餘未能結付或於法律訴訟後還款時間表無法確定，管理層將就強制執行中國的抵押品積極採取進一步法律行動，以收回相關金額。於任何情況下，本集團將繼續積極與債務人磋商，以提出雙方同意的還款計劃。於本年報日期，對債務人提起之法律訴訟尚未終結，亦無確認或協定任何還款時間表，但管理層樂觀認為相關結果將於二零二四年第二季度末前達成。獨立核數師及審核委員會於向管理層了解緣由後認為，本集團將根據其計劃行動解決有關應收款項之重大不明朗因素。

(3) The Management is in the course of obtaining a legal opinion (the “**Legal Opinion**”) on the validity and enforceability of the Entrusted Payment Agreement to satisfy the Independent Auditor’s requirement for ascertaining the validity of the Receipts and Settlements. The Management believes that the Company can obtain the Legal Opinion by the first quarter of 2024. At the same time, to prevent similar uncertainties from arising again in the future, the Management will strengthen the internal control measures of the Group to ensure improvement in the documentation of accounting records and the reliability of financial information. These measures include enhancing the effective risk management and continuing to exercise due care, skill and diligence in monitoring loans repayments, implementing robust approval processes, and conducting review on the internal control systems to identify and rectify any weaknesses. In cases where necessary information cannot be obtained, the Management will take a more prudent approach or even refrain from approving such transactions. The Management will also improve documentation practices to ensure clear and detailed evidence supporting the Group’s financial transactions and activities are in place. In particular, the Group will more frequently engage in discussions with the Independent Auditor on the audit evidence and supporting documents required and explore any alternative procedure at early stage to ensure adequate audit evidence are in place. The Group will also from time to time update the Independent Auditor on any updated information that might affect the accounting treatment of the Group and specifically discuss with the Independent Auditor on whether additional audit evidence would be required as a result of such update. The Independent Auditor and the Audit Committee, in light of currently available evidence and the Group’s proposed action plan to address the Disclaimer on Third Party Settlement, consider that the Group will resolve the Material Uncertainties on Third Party Settlement when the Management is able to obtain the Legal Opinion as aforementioned.

This report describes how the Group has applied its corporate governance practices to its daily activities.

CORPORATE GOVERNANCE PRACTICES AND COMPLIANCE WITH THE CORPORATE GOVERNANCE CODE

The Company has applied the principles and adopted all code provisions, where applicable, as set out in the Corporate Governance Code (the “**CG Code**”) as contained in Appendix 14 to the Rules (the “**Listing Rules**”) Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) as its own code of corporate governance.

The Company reviews its corporate governance practices regularly to ensure compliance with the CG Code. During the Reporting Year, the Company has applied the principles and complied with all applicable code provisions as set out in the CG Code except for the following deviations:

- Pursuant to code provision C.2.1 of the CG Code, the roles of chairman and chief executive officer should be separate and should not be performed by the same individual. The chairman provides leadership for the board and ensures that the board works effectively and performs its responsibilities whilst the chief executive officer has overall chief executive responsibilities for business development and day-to-day management generally.

諾發集團控股有限公司（「**本公司**」）及其附屬公司（統稱為「**本集團**」）董事（「**董事**」）會（「**董事會**」）欣然呈報截至二零二三年六月三十日止年度（「**報告年度**」）之企業管治報告。本報告說明本集團如何將其企業管治常規應用於其日常活動。

CORPORATE GOVERNANCE PRACTICES AND COMPLIANCE WITH THE CORPORATE GOVERNANCE CODE (Continued)

Mr. Wong Yuk Lun Alan was appointed as the chairman of the Board (the “**Chairman**”) and the chief executive officer of the Company (the “**CEO**”) on 6 April 2023. In view of the current rapid development of the Group, the Board believes that vesting the roles of both the Chairman and the CEO in the same person can facilitate the execution of the Group’s business strategies and boost effectiveness of its operation. In addition, under the supervision of the Board which is comprised of three executive Directors, one non-executive Director and three independent non-executive Directors, the Board is appropriately structured with a balance of power to provide sufficient checks and supervision to protect the interests of the Company and its shareholders. The Company may seek to re-comply with code provision C.2.1 by identifying and appointing a suitable and qualified candidate to the position of the CEO in due course by considering the business needs and developments of the Group.

Except for the above deviation from the CG Code, the Board is of the view that the Company has complied with the CG Code for the Reporting Year.

MODEL CODE FOR SECURITIES TRANSACTIONS BY DIRECTORS

The Company has adopted the Model Code for Securities Transactions by Directors of Listed Issuers (the “**Model Code**”) as set out in Appendix 10 to the Listing Rules as the Company’s code of conduct for dealings in securities of the Company by the Directors. In response to the specific enquiries made by the Company, each of the Directors confirmed that he/she had complied with the Model Code during the Reporting Year.

FINANCIAL REPORTING AND AUDIT

The Directors acknowledged their responsibility for preparing the financial statements that give a true and fair view in accordance with applicable statutory requirements and accounting standards and the requirements of the Listing Rules. The Group adopted the going concern basis in preparing its financial statements. Save as disclosed under the section headed “Material Uncertainties relating to Going Concern” of this Corporate Governance Report below, the Directors were not aware of any other material uncertainties which may affect the Company’s business or cast significant doubt upon the Company’s ability to continue as a going concern.

A statement by the external auditor of the Company about its reporting responsibilities is set out in the section headed “Independent Auditor’s Report” of this annual report.

MATERIAL UNCERTAINTIES RELATING TO GOING CONCERN

Basis of Disclaimer on Going Concern

As stated under the section headed “Management Discussion and Analysis – Auditor’s Disclaimer of Opinion and Proposed Action Plan of the Group to Address the Disclaimer of Opinion” on pages 32 to 46 of this annual report and the subsection headed “A) MATERIAL UNCERTAINTIES RELATING TO GOING CONCERN” of the report by the external auditor of the Company (the “**Auditor’s Report**”) on pages 145 to 146 of this annual report, the external auditor of the Company has expressed a disclaimer of opinion on the consolidated financial statements of the Company for the Reporting Year (the “**Consolidated Financial Statements**”) relating to, inter alia, material uncertainties on the Group’s ability to continue as a going concern (the “**Disclaimer on Going Concern**”). Details of the basis for the Disclaimer on Going Concern are reproduced as follows:

As described in Note 3 to the Consolidated Financial Statements, the Group reported a loss attributable to the owners of the Company of approximately HK\$506,497,000 and operating cash outflow of approximately HK\$75,969,000 for the Reporting Year and, as of 30 June 2023, the Group’s cash and bank balances amounted to approximately HK\$2,400,000, among which an amount of approximately HK\$57,000 (equivalent to approximately RMB53,000) was frozen by the bank due to litigation, while the Group recorded outstanding principal amount of borrowings of approximately HK\$3,235,000 (equivalent to approximately RMB3,000,000) and principal amount of corporate bond of HK\$36,000,000 which are due for repayment within the next 12 months.

財務報告及核數

董事確認彼等有責任按照適用法定規定及會計準則以及上市規則之規定編製真實與公平之財務報表。本集團已採納持續經營基準編製其財務報表。除本企業管治報告下文「有關持續經營之重大不明朗因素」一節所披露者外，董事並不知悉任何其他可能影響本公司業務或對本公司持續經營能力構成重大疑問的重大不明朗因素。

本公司外聘核數師就其報告責任作出之聲明載於本年報「獨立核數師報告」一節。

有關持續經營之重大不明朗因素

對持續經營不發表意見之基礎

誠如本年報第32至46頁「管理層討論及分析—核數師之不發表意見及本集團為解決不發表意見擬採取之行動計劃」一節及本年報第145至146頁本公司外聘核數師之報告（「**核數師報告**」）「A)有關持續經營之重大不明朗因素」分節所述，本公司外聘核數師對本公司於報告年度之綜合財務報表（「**綜合財務報表**」）不發表意見，內容有關（其中包括）有關本集團持續經營能力之重大不明朗因素（「**對持續經營不發表意見**」）。有關對持續經營不發表意見之基礎的詳情轉載如下：

誠如綜合財務報表附註3所述，本集團於報告年度錄得本公司擁有人應佔虧損約506,497,000港元及經營現金流出約75,969,000港元，截至二零二三年六月三十日，本集團之現金及銀行結餘為約2,400,000港元，其中因訴訟被銀行凍結之金額約57,000港元（相當於約人民幣53,000元），而本集團錄得於未來十二個月內到期償還之未償還借款本金額約3,235,000港元（相當於約人民幣3,000,000元）及公司債券本金額36,000,000港元。

MATERIAL UNCERTAINTIES RELATING TO GOING CONCERN (Continued)

Basis of Disclaimer on Going Concern (Continued)

As at 30 June 2023, the Group had net assets of approximately HK\$125,000,000 and net current assets of approximately HK\$124,784,000, where the net assets and net current assets position were mainly comprised of factoring receivables, finance lease receivables and trade receivables, which carrying amounts were approximately HK\$168,313,000, HK\$2,225,000 and HK\$4,975,000, net of impairment allowances of approximately HK\$337,894,000, HK\$16,113,000 and HK\$29,959,000, respectively. During the Reporting Year and up to the date of this annual report, all of the factoring receivables, finance lease receivables and most of the trade receivables outstanding amounts were past due. The management of the Group is still in the progress of taking various actions against the relevant debtors. No result from the actions taken is available for justifying the extent of the recoverability of these receivables.

The validity of the preparation of the Consolidated Financial Statements on going concern basis are subject to multiple uncertainties, including (i) the successful recovery of overdue receivables; (ii) the obtaining of additional sources of financing as and when needed; and (iii) the successful improvement in the Company's operation to generate sufficient operating cash inflow. However, no such evidence was available as the Group was still in the course of taking actions to recover the overdue receivables and actively looking for additional sources of financing as at the date of the Auditor's Report. In this regard, although the external auditor of the Company considers that the going concern basis of preparing the Consolidated Financial Statements as well as the material uncertainties relating to the Group's going concern have been adequately disclosed in the Consolidated Financial Statements, in view of the extent of the multiple uncertainties relating to the recovery of the overdue receivables, the maintaining of sufficient operation to generate operating cash inflow and the obtaining of additional sources of financing, the external auditor of the Company issued the Disclaimer on Going Concern.

有關持續經營之重大不明朗因素 (續)

對持續經營不發表意見之基礎 (續)

於二零二三年六月三十日，本集團之資產淨額約為125,000,000港元及流動資產淨額約為124,784,000港元，其中資產淨額及流動資產淨額狀況主要由保理應收款項、融資租賃應收款項及貿易應收款項組成，其賬面值分別約為168,313,000港元、2,225,000港元及4,975,000港元，扣除減值撥備分別約337,894,000港元、16,113,000港元及29,959,000港元。於報告年度及截至本年報日期，所有保理應收款項、融資租賃應收款項及大部分貿易應收款項之未償還金額已逾期。本集團管理層仍在對相關債務人採取各種行動。並無任何已採取的行動結果可證明該等應收款項之可收回程度。

按持續經營基準編製綜合財務報表之有效性受限於多項不明朗因素，包括(i)成功收回逾期應收款項；(ii)於需要時獲得額外融資來源；及(iii)成功改善本公司之營運以產生足夠經營現金流入。然而，由於於核數師報告日期，本集團仍正採取行動收回逾期應收款項並積極尋求額外融資來源，故未能獲得有關憑證。因此，儘管本公司外聘核數師認為編製綜合財務報表之持續經營基準以及有關本集團持續經營之重大不明朗因素已於綜合財務報表內充分披露，但鑒於與收回逾期應收款項、維持充足營運以產生經營現金流入及獲得額外融資來源有關之多項不明朗因素的程度，本公司外聘核數師對持續經營不發表意見。

MATERIAL UNCERTAINTIES RELATING TO GOING CONCERN (Continued)

Actual or potential impact on the Group's financial position

The Consolidated Financial Statements do not include any adjustments that would result from the failure to recover the overdue receivables and the failure to obtain additional sources of financing to improve the Group's financial positions, to provide liquidity and cash flows. Should the Group fail to achieve the intended effects resulting from the plans and measures as mentioned in Note 3 to the Consolidated Financial Statements, it might not be able to operate as a going concern, and adjustments would have to be made to write down the carrying amounts of the Group's assets to their recoverable amounts, and to provide for any further liabilities that may arise respectively.

Directors' views on the material uncertainties relating to going concern

The Directors have carried out a detailed review of the cash flow forecast of the Group for the next 12 months from the date of this annual report and have undertaken to carry out a number of measures to improve the Group's liquidity and financial position which are set out in Note 3 to the Consolidated Financial Statements. As at the date of this annual report, the Group is in the process of taking actions, including but not limited to legal actions, to recover the overdue receivables (for further details on the actions taken, please refer to the section headed "Management Discussion and Analysis – Auditor's Disclaimer of Opinion and Proposed Action Plan of the Group to Address the Disclaimer of Opinion – Basis for Disclaimer of Opinion – B. Material Uncertainties on Receivables" on pages 38 to 40 of this annual report), and has obtained a secured loan facility in an amount of HK\$9,000,000 from an independent third party for general working capital and development of a new operation in the cultural and entertainment segment. As such, the Directors are of a view that the Group may have sufficient working capital for a period of not less than 12 months from 30 June 2023. Hence, the Directors consider that it is appropriate to prepare the Consolidated Financial Statements on a going concern basis.

有關持續經營之重大不明朗因素 (續)

對本集團財務狀況之實際或潛在影響

綜合財務報表並不包括因未能收回逾期應收款項及未能獲得額外融資來源以改善本集團財務狀況、提供流動資金及現金流量而導致之任何調整。倘本集團未能實現綜合財務報表附註3所述計劃及措施產生之預期效果，則可能無法持續經營，且須作出調整以將本集團資產賬面值撇減至其可收回金額，並就任何可能產生之進一步負債計提撥備。

董事對有關持續經營之重大不明朗因素之意見

董事已對本集團自本年報日期起計未來12個月之現金流量預測進行詳盡審閱，並已承諾採取多項措施改善本集團之流動資金及財務狀況(載於綜合財務報表附註3)。於本年報日期，本集團正採取行動(包括但不限於法律行動)收回逾期應收款項(有關所採取行動之進一步詳情，請參閱本年報第38至40頁「管理層討論及分析—核數師之不發表意見及本集團為解決不發表意見擬採取之行動計劃—不發表意見之基礎—B.有關應收款項之重大不明朗因素」一節)，並已從獨立第三方獲得9,000,000港元之有抵押貸款融資用作一般營運資金以及用於開發文化及娛樂分部的新業務。因此，董事認為，本集團於二零二三年六月三十日起不少於12個月期間可能擁有充足營運資金。故此，董事認為，按持續經營基準編製綜合財務報表屬適當。

Audit Committee's views on the material uncertainties relating to going concern

The Audit Committee has reviewed the management's position concerning the material uncertainties relating to going concern and the action plan of the Group to address such material uncertainties as disclosed in the subsection headed "Proposed action plan of the Group to address the material uncertainties relating to going concern" below. The Audit Committee has also discussed with the management and the external auditor of the Company to understand the reason for the Disclaimer on Going Concern as well as the views of the management and the external auditor of the Company in relation thereto. The Audit Committee concurs with the management's position and views with respect to the material uncertainties relating to going concern and the Group's ability to continue as a going concern, as well as the actions to be implemented by the management of the Group to remove the Disclaimer on Going Concern.

Proposed action plan of the Group to address the material uncertainties

In order to address the uncertainties which may cast doubt regarding the Group's ability to continue as a going concern, and with a view to removing the Disclaimer on Going Concern, the Group has taken and intends to continue to implement, among other things, the following measures:

1. To closely monitor the progress of the recovery actions, including but not limited to legal actions against the respective debtors;
2. To actively look for additional sources of financing by contacting and negotiating with various financial institutions for obtaining possible credit facilities; and
3. To consider any feasible plan from potential investors on corporate restructuring and proceed as and when appropriate and practicable.

Proposed action plan of the Group to address the material uncertainties (Continued)

As at the date of this annual report, save for a secured loan facility in an amount of HK\$9,000,000 made available by an independent third party to the Company for general working capital of the Company and development of a new operation in the cultural and entertainment segment, no further confirmed proposal or plan has been established but given the management's continuous efforts in taking actions to recover the overdue receivables of the Group as set out in the section headed "Management Discussion and Analysis – Auditor's Disclaimer of Opinion and Proposed Action Plan of the Group to Address the Disclaimer of Opinion – Basis for Disclaimer of Opinion – B. Material Uncertainties on Receivables" on pages 38 to 40 of this annual report, obtaining additional sources of financing and improving the Group's operations, the Directors believe that an action plan with further details will be in place by the end of the second quarter of 2024.

In view of the foregoing, and assuming the Group's plans or actions can be substantially completed as planned, and no new circumstances and conditions would have occurred, the Directors are optimistic that the Disclaimer on Going Concern may be removed in connection with the audit of the consolidated financial statements of the Group for the year ending 30 June 2024. The external auditor of the Company and the Audit Committee, in light of currently available evidence and the Group's proposed action plan to address the Disclaimer on Going Concern, consider that the Group will resolve the material uncertainties relating to going concern when the management of the Group is able to achieve its planned actions as aforementioned.

For further details in relation to the material uncertainties relating to the Company's ability to continue as a going concern, please refer to the section headed "Management Discussion and Analysis – Auditor's Disclaimer of Opinion and Proposed Action Plan of the Group to Address the Disclaimer of Opinion" on pages 32 to 46 of this annual report and the subsection headed "(A) MATERIAL UNCERTAINTIES RELATING TO GOING CONCERN" of the Auditor's Report on pages 145 to 146 of this annual report.

本集團為解決重大不明朗因素擬採取之行動計劃 (續)

於本年報日期，除一名獨立第三方向本公司提供9,000,000港元之有抵押貸款融資用作本公司一般營運資金以及用於開發文化及娛樂分部的新業務外，並無進一步制定已確認的建議或計劃，惟鑒於管理層持續採取行動收回本集團逾期應收款項（如本年報第38至40頁「管理層討論及分析—核數師之不發表意見及本集團為解決不發表意見擬採取之行動計劃—不發表意見之基礎—B.有關應收款項之重大不明朗因素」一節所載）、獲得額外融資來源及改善本集團營運，董事認為本公司將會於二零二四年第二季度末前制定更詳細的行動計劃。

鑒於上文所述，假設本集團計劃或行動可按計劃大致完成，而並無新的情況及狀況發生，董事對審計本集團截至二零二四年六月三十日止年度之綜合財務報表時可移除對持續經營不發表意見持樂觀態度。根據目前可獲得之憑證及本集團為解決對持續經營不發表意見擬採取之行動計劃，本公司外聘核數師及審核委員會認為，本集團將於本集團管理層能夠實現上述計劃行動時解決有關持續經營之重大不明朗因素。

RISK MANAGEMENT AND INTERNAL CONTROLS

The Board is responsible for establishing and maintaining a sound system of risk management and internal control within the Group and reviewing their effectiveness. However, such system was designed to manage various risks (including ESG risks) of the Group within certain acceptable risk level, rather than to completely eliminate the risk of failure to achieve the business objectives of the Group and can only provide reasonable but not absolute assurance against material misstatement or loss.

The Board delegates their responsibility to the Audit Committee to review the practices of management with respect to risk management and internal control, including the design, implementation and supervision of the risk management and internal control systems, on an annual basis.

During the Reporting Year, the Board, through the Audit Committee, conducted an annual review of both the design and implementation effectiveness of the risk management and internal control systems of the Group, covering all material controls, with a view to ensuring that the resources, staff qualifications and experience, training programmes and budget of the Group's accounting, internal audit and financial reporting functions, as well as those relating to the Company's ESG performance and reporting are adequate. In this respect, the Audit Committee communicates any material issues to the Board.

The Board has engaged an external professional service firm to carry out the internal audit function of the Group. Review of the Group's internal controls covered major financial, operational and compliance controls, and risk management functions of different systems have been performed on a systematic rotational basis on the risk assessments of the operations and controls. During the risk assessment process, the firm interviewed the relevant personnel and identified the business objectives and significant risks of the Group. A risk management review and internal audit report prepared by the firm which sets out the risks, issues and recommended action plan was presented to the Board for review and endorsement. The Board considered that significant risks of the Group were managed within the acceptable level and the management will continue to monitor the residual risks and report to the Board on ongoing basis. The Board has reviewed the risk management and internal control system and procedures, and save as disclosed hereinafter, the Board considers them effective and adequate.

風險管理及內部監控

董事會負責設立及維持本集團內穩健之風險管理及內部監控制度並檢討其有效性。然而，該制度之設計旨在於某種可接受風險水平範圍內管理本集團之各種風險（包括環境、社會及管治風險），而非完全消除無法達致本集團業務目標之風險，且僅可就重大錯誤陳述或虧損提供合理而非絕對之保證。

董事會授權審核委員會每年檢討管理層在風險管理及內部監控方面之慣例，包括風險管理及內部監控制度之設計、實施及監督。

於報告年度，董事會透過審核委員會對本集團風險管理及內部監控制度之設計及實行效益進行年度檢討，涵蓋所有重大監控，以確保資源、員工資格及經驗、培訓計劃及本集團會計、內部審核及財務匯報職能以及與本公司環境、社會及管治績效及匯報相關者之預算充足。審核委員會就此與董事會溝通任何重大議題。

RISK MANAGEMENT AND INTERNAL CONTROLS (Continued)

At the same time, the Board is aware that the external auditor of the Company issued a disclaimer of opinion on the Consolidated Financial Statements in respect of, inter alia, material uncertainties arising from the lack of sufficient audit evidence to satisfy the validity of receipts (“Receipts”) from several independent third parties as settlements (“Settlements”) of the principal and interest of factoring receivables and support the basis of determining the presentation of those balances and related disclosures in the Consolidated Financial Statements (the “Disclaimer on Third Party Settlement”). For details in relation to the Disclaimer on Third Party Settlement, please refer to the section headed “Management Discussion and Analysis – Auditor’s Disclaimer of Opinion and Proposed Action Plan of the Group to Address the Disclaimer of Opinion – Basis for Disclaimer of Opinion – C. Material Uncertainties on Third Party Settlement” on page 40 to 43 of this annual report.

Although the Group (i) maintained internal records in relation to the Receipts and Settlements; and (ii) engaged in early discussion with the external auditor prior to financial year end for audit planning and endeavoured to obtain additional audit evidence pursuant to the external auditor’s request to support the management’s assessment of the validity of the Receipts and Settlements and the presentation of those balances and related disclosures in the Consolidated Financial Statements, the internal records maintained by the management of the Group were unable to satisfy the necessary audit procedures of the external auditor of the Company as to the validity of the relevant transactions and the basis of determining the presentation of the relevant balances and related disclosures in the Consolidated Financial Statements, giving rise to the Disclaimer on Third Party Settlement. As such, the Board considers that the Group’s internal control procedures and policies need to be improved, having considered the circumstances leading to the Disclaimer on Third Party Settlement and with view to preventing similar incidents from occurring in the future.

To prevent similar incidents from occurring in the future, the management of the Group will continue to strengthen the internal control measures of the Group to improve the documentation of accounting records and the reliability of financial information. For details in relation to the proposed action plan of the Group to address the Disclaimer on Third Party Settlement, please refer to the section headed “Management Discussion and Analysis – Auditor’s Disclaimer of Opinion and Proposed Action Plan of the Group to Address the Disclaimer of Opinion – Proposed Action Plan of the Group to Address the Disclaimer of Opinion” on page 46 of this annual report.

同時，董事會知悉，本公司外聘核數師對綜合財務報表不發表意見，內容有關（其中包括）缺乏充足審計憑證以信納來自若干獨立第三方之收款（「收款」）作為結算（「結算」）保理應收款項之本金及利息之有效性並支持釐定該等結餘呈報之基準及綜合財務報表內之相關披露而引致之重大不明朗因素（「對第三方結算不發表意見」）。有關對第三方結算不發表意見之詳情，請參閱本年報第40至43頁「管理層討論及分析－核數師之不發表意見及本集團為解決不發表意見擬採取之行動計劃－不發表意見之基礎－C.有關第三方結算之重大不明朗因素」一節。

儘管本集團(i)保存收款及結算之內部記錄；及(ii)於財政年度結束之前與外聘核數師就審計計劃進行討論，並致力根據外聘核數師之要求獲得額外審計憑證，以支持管理層對收款及結算有效性之評估以及該等結餘之呈報及綜合財務報表內之相關披露，但本集團管理層保存之內部記錄無法令本公司外聘核數師之必要審計程序信納相關交易之有效性以及釐定相關結餘呈報之基準及綜合財務報表內之相關披露，引致對第三方結算不發表意見。因此，為防止日後發生類似事件，董事會經考慮引致對第三方結算不發表意見之情況後認為，本集團之內部監控程序及政策須予改進。

為防止日後發生類似事件，本集團管理層將繼續加強本集團內部監控措施，以改進會計記錄之歸檔及財務資料之可靠性。有關本集團為解決對第三方結算不發表意見擬採取之行動計劃之詳情，請參閱本年報第46頁「管理層討論及分析－核數師之不發表意見及本集團為解決不發表意見擬採取之行動計劃－本集團為解決不發表意見擬採取之行動計劃」一節。

The Group understands the importance of environmental protection, and strictly controls the generation and emission of air pollutants, waste discharges and others in adherence to the Air Pollution Control Ordinance of Hong Kong, the Environmental Protection Law of the PRC《中華人民共和國環境保護法》, the Law of the PRC on the Prevention and Control of Pollution《中華人民共和國污染防治法》, the Law of the PRC on the Prevention and Control of Water Pollution《中華人民共和國水污染防治法》, the Law of the PRC on the Prevention and Control of Environmental Noise Pollution《中華人民共和國環境噪聲污染防治法》, the Law of the PRC on the Prevention and Control of Environment Pollution Caused by Solid Wastes《中華人民共和國固體廢物污染防治法》and the Law of the PRC on Conserving Energy《中華人民共和國節約能源法》and other related laws and regulations, to ensure that the Group does not violate any laws or regulations related to environment in the course of our operation and management.

As a responsible corporate citizen, we consistently carry out the environmental sustainability development strategy across our operations, perfect our environment management system and promote green development. We continuously gather and monitor data and information relating to major environmental issues that are material to the Group. As the Group is principally engaged in the management services and other business activities which are all conducted in the office, our daily operations do not have any material effect on the environment, except for greenhouse gas (“GHG”) emissions indirectly generated from the use of externally purchased electricity.

During the Reporting Period, the Group was not aware of any violation of environmental protection laws and regulations.

ENVIRONMENTAL OPERATIONS (Continued)

Energy Saving and Reducing Emission

In order to reduce carbon emissions in business operations and jointly cope with climate change, the Group actively advocates the green policy of sustainable development and strives to save energy, water, paper and other resources within its capacity. We proactively raised our staff's environmental awareness and implemented relevant measures in energy saving and reducing emissions in daily operations so as to establish a low-carbon office.

During the Group's daily operations, the Group owned 2 vehicles for business use. Vehicle usage is the major activity of the Group that generates air pollutant, which includes nitrogen oxides ("NO_x"), sulphur oxides ("SO_x") and Particulate Matter ("PM"). During the Reporting Period, the air pollutants emissions data are increased. This was mainly due to the more frequent use of vehicles for transporting our management team members, guests and clients as the pandemic situation is gradually relieved during the Reporting Period. To uphold the principles of sustainable development, the Group is committed to reducing the air pollutants emissions between 80% to 110% of the level of baseline year ended 30 June 2023 in the next reporting period. For fleet management, regular maintenance checks are performed for all the vehicles to enhance fuel consumption efficiency, ensure road safety and keep emissions at their minimum.

GHG generated from human activities is one of the significant drivers of global warming which affects the lives of the present and future generation. Therefore, the Group is highly concerned about the importance of monitoring and mitigating GHG emissions in its operations. During the Reporting Period, the GHG emissions intensity increased significantly when compared to the previous reporting period, which did not achieve the target set in the previous reporting period. Although the GHG emissions generated by the Group decreased by more than 20%, it decreased by a proportion less than the decrease in the number of employees. Thus, the intensity of GHG emission increased. To uphold the principles of sustainable development, the Group is committed to reducing or maintaining both the GHG emissions intensity between 80% to 110% of the level of baseline year ended 30 June 2023 in the next reporting period via adopting the following measures.

節能減排

為減少業務運營中的碳排放，共同應對氣候變化，本集團積極倡導可持續發展綠色方針，力所能及地節約能源、水、紙張等資源。我們於日常運營過程中，積極提升員工的環保意識並實施節能減排相關措施，致力打造低碳辦公室。

於本集團的日常營運中，本集團擁有2輛商務用車。車輛使用乃本集團產生空氣污染物的主要活動，空氣污染物包括氮氧化物（「NO_x」）、硫氧化物（「SO_x」）及顆粒物（「PM」）。於報告期間，空氣污染物排放數據有所增加。此乃主要由於報告期間內，隨著疫情形勢逐漸紓緩，本集團管理團隊成員、賓客及客戶用車更加頻密。為秉持可持續發展原則，本集團致力於下一報告期間將空氣污染物排放量減少至截至二零二三年六月三十日止基準年度水平的80%至110%。車輛管理方面，本集團定期對所有車輛進行維護檢查，以提高油耗效率，確保道路安全並將排放量降至最低。

人類活動產生的溫室氣體乃全球變暖的其中一個重要推動因素，影響當代及後代生活。因此，本集團高度關注於其營運中監測及減少溫室氣體排放的重要性。於報告期間，溫室氣體排放密度較上一報告期間大幅增加，並未達到上一報告期間設立的目標。儘管本集團產生的溫室氣體排放量減少逾20%，但其減少比例小於僱員人數減少比例。因此，溫室氣體排放密度增加。為秉持可持續發展原則，本集團致力通過採取以下措施，在下一報告期間將溫室氣體排放密度降低或維持在截至二零二三年六月三十日止基準年度水平的80%至110%。

Electricity is the principal energy consumed in our daily operation within the offices. The Group regularly monitors the electricity consumption of the offices in Hong Kong and Mainland China, installs LED lights with higher energy efficiency in the offices to replace traditional fluorescent tubes, and encourages employees to minimise the use of lights when natural light is abundant; signings are displayed at prominent locations in offices to raise employees' awareness of energy conservation; central air-conditioning is subject to reasonable adjustments in different seasons; electrical appliances are subject to regular energy consumption inspections; energy saving and environmental protection are considered in the procurement of new electrical appliances.

During the Reporting Period, the energy consumption intensity increased significantly when compared to the previous reporting period, which did not achieve the target set in the previous reporting period. Although the energy consumption level of the Group decreased by approximately 20%, it decreased by a proportion less than the decrease in the number of employees. Thus, the intensity of energy consumption increased. To uphold the principles of sustainable development, the Group is committed to reducing or maintaining both the energy consumption intensity between 80% to 110% of the level of baseline year ended 30 June 2023 in the next reporting period by implementing the said mitigating measures.

Effective Use of Resources

The Group understands the precious nature of the earth's resources and actively advocates paperless office to reduce unnecessary office paper consumption. The Group encourages employees to prioritise the communication and dissemination of information through e-mail and other electronic platforms. The Group encourages double-sided printing and the use of waste paper for printing internal documents whenever possible.

電力為我們日常辦公室運營所使用的主要能源消耗。本集團定期監察位於香港及中國內地辦公室的電力消耗，在辦公室安裝能源效益較高的LED燈以代替傳統的光管，並鼓勵員工在自然光線充沛的情況下盡量減少使用電燈；辦公室的顯眼位置貼有標識，提高員工的節能意識；中央空調會在不同季節作出合理調節；電器定期進行能耗檢查；在採購新電器時會考慮節能環保。

於報告期間，能源使用密度較上一報告期間大幅增加，並未達到上一報告期間設立的目標。儘管本集團能源使用量減少約20%，但其減少比例小於僱員人數減少比例。因此，能源使用密度增加。為秉持可持續發展原則，本集團致力通過採取上述減緩措施，在下一報告期間將能源使用密度降低或維持在截至二零二三年六月三十日止基準年度水平的80%至110%。

善用資源

本集團深明地球資源的珍貴，並積極倡導無紙化辦公，減少不必要的辦公室用紙。本集團鼓勵員工優先以電子郵件和其他電子平台等途徑溝通和發佈信息。本集團鼓勵雙面列印及盡量使用廢紙列印內部文件。

Effective Use of Resources *(Continued)*

The Group adheres to its commitment to sustainable management and has taken various measures in the office to encourage recycling to reduce waste generation. The Group encourages employees to reuse office stationery such as used envelopes and document folders whenever possible. In terms of hazardous waste, as the business of the Group does not involve any industrial production activities, the Group did not generate any significant hazardous waste during the Reporting Period.

The major non-hazardous waste is produced from paper consumption for administrative work. During the Reporting Period, the paper consumption intensity increased significantly when compared to the previous reporting period, which did not achieve the target set in the previous reporting period. Although the consumed non-hazardous waste decreased by more than 60%, it decreased by a proportion less than the decrease in the number of employees. Thus, the intensity of non-hazardous waste increased.

In order to minimise the usage of paper, we cultivate a paperless working environment among our employees. To avoid unnecessary wastage and promote the effective use of paper, our employees are encouraged to use electronic copies instead of hard copies. If printing is necessary, we encourage the use of double-sided printing. Any paper that has been used for single-sided printing should be reused when there is no confidential information on the printed side of the paper. To uphold the principles of sustainable development, the Group is committed to reducing or maintaining the non-hazardous waste intensity generated between 80% to 110% of the level of the baseline year ended 30 June 2023 in the next reporting period.

本集團堅守可持續化管理的承諾，在辦公室內採取多項措施，鼓勵循環再用，以減低廢物的產生。本集團鼓勵員工盡可能重用舊信封和文件夾等辦公室文具。在有害廢物方面，由於本集團的業務並不涉及任何工業生產活動，故本公司並未於報告期間內產生任何重大的有害廢物。

主要的無害廢棄物來自行政工作用紙。於報告期間，用紙密度較上一報告期間大幅增加，並未達到上一報告期間設立的目標。儘管所耗用無害廢棄物減少逾60%，但其減少比例小於僱員人數減少比例。因此，無害廢棄物密度增加。

為盡可能減少紙張的使用，我們向僱員提倡無紙化的辦公環境。為避免不必要的浪費及提高紙張的使用效率，我們鼓勵僱員使用電子副本以代替影印本。倘必須打印時，我們鼓勵使用雙面打印。已用於單面打印的任何紙張如打印面上並無機密資料，則應予以再利用。為秉持可持續發展原則，本集團致力在下一報告期間將無害廢棄物密度降低或維持在截至二零二三年六月三十日止基準年度水平的80%至110%之間。

Although the water consumption decreased by more than 60%, it decreased by a proportion less than the decrease in the number of employees. Thus, the intensity of water consumption increased.

Although the Group did not encounter any issue in sourcing water that is fit for purpose, we strive to reduce water consumption and improve the efficiency of water use in our operations. The Group has put up "Saving Water Resource" posters in washrooms in the office to raise employees' awareness of water conservation. In addition, the Group also regularly inspects and repairs the water supply system, including water taps, water pipelines and water storage tanks. Once the water supply equipment is found to be dripping or leaking, professional parties will be arranged to repair the water supply equipment immediately to reduce waste caused by leakage of the water supply system. 縱使本集團並未在求取適用水源方面遇到任何問題，我們仍竭力在運營中減少用水，提高水資源的使用效率。本集團在辦公室內的洗手間等地方張貼「節約水資源」的海報，以提升員工對節約用水的意識。另外，本集團亦定期為供水系統，包括水龍頭、輸水管道和蓄水池等進行檢查及維修。一旦發現供水設備有滴水、滲漏的情況，會立刻安排專業人士進行維修，減低因供水系統洩漏而導致的浪費。為秉持可持續發展原則，本集團致力在下一報告期間將耗水密度降低或維持在截至二零二三年六月三十日止基準年度水平的80%至110%。

CLIMATE CHANGE

Climate change is among the most pressing global challenges of our time. Against the backdrop of global climate actions, the Group has implemented measures to conserve energy and reduce GHG emissions. In addition, the Group is conscious that the frequency of extreme weather is increasing, which could impact its business operations.

Going forward, the Group will continue to review the impact of climate change on its operations and implement mitigation controls for significant risks to enhance its resilience and adaptability to climate change.

The Group has considered the potential climate-related risks and opportunities in respect of the recommendations of the Task Force on Climate-related Financial Disclosures, in which potential physical risks and transition risks from climate change may pose adverse financial impacts on the Group's businesses. Acute physical risk can arise from extreme weather conditions such as flooding and storms and chronic physical risk can arise from sustained high temperature, while transition risk may result from the change in environmental-related regulations or change in customer preferences, and the potential climate-related risks are summarised as below:

氣候變化

氣候變化乃現時最逼切的全球挑戰。在環球氣候行動下，本集團已實施多項措施節省能源及減少溫室氣體排放。此外，本集團知悉極端天氣愈來愈頻繁可能影響其業務營運。

未來，本集團將繼續檢討氣候變化對其營運的影響，並執行控制措施減低重大風險，從而提升其對氣候變化的抗逆能力及適應性。

本集團已就氣候相關財務披露工作小組的建議考慮潛在氣候相關風險及機會，其中氣候變化帶來的潛在實體風險及過渡風險可能對本集團的業務造成不利財務影響。急性實體風險可能來自洪水及暴風雨等極端天氣情況，慢性實體風險可能來自持續高溫，而過渡風險則可能來自環境相關法規變動或客戶偏好變化，且潛在氣候相關風險概述如下：

Independent Auditor's Report (Continued)

BASIS FOR DISCLAIMER OF OPINION

A) MATERIAL UNCERTAINTIES RELATING TO GOING CONCERN

As described in note 3 to the consolidated financial statements, the Group reported a loss attributable to the owners of the Company of approximately HK\$506,497,000 and operating cash outflow of approximately HK\$75,969,000 for the financial year ended 30 June 2023 and, as of that date, the Group's cash and bank balances amounted to approximately HK\$2,400,000, among which an amount of approximately HK\$57,000 (equivalent to approximately RMB53,000) was frozen by the bank due to litigation, while the Group recorded outstanding principal amount of borrowings of approximately HK\$3,235,000 (equivalent to approximately RMB3,000,000) and principal amount of corporate bond of HK\$36,000,000 which are due for repayment within the next twelve months.

As at 30 June 2023, the Group had net assets of approximately HK\$125,000,000 and net current assets of approximately HK\$124,784,000, where the net assets and net current assets position were mainly comprised of factoring receivables, finance lease receivables and trade receivables, which carrying amounts were approximately HK\$168,313,000, HK\$2,225,000 and HK\$4,975,000 respectively. As described in the paragraphs under the subsection headed "RECOVERABILITY OF FACTORING RECEIVABLES, FINANCE LEASE RECEIVABLES AND TRADE RECEIVABLES" below, we were unable to obtain sufficient appropriate audit evidence to assess the recoverability of these balances as at 30 June 2023. These conditions indicate the existence of material uncertainties which may cast significant doubt on the Group's ability to continue as a going concern.

The directors of the Company have carried out a detailed review of the cash flow forecast of the Group for the next twelve months from the date of this report and have undertaken to carry out a number of measures to improve the Group's liquidity and financial position which are set out in note 3 to the consolidated financial statements.

不發表意見之基礎

A) 有關持續經營之重大不明朗因素

誠如綜合財務報表附註3所述，貴集團於截至二零二三年六月三十日止財政年度錄得貴公司擁有人應佔虧損約506,497,000港元及經營現金流出約75,969,000港元，截至該日，貴集團之現金及銀行結餘為約2,400,000港元，其中因訴訟被銀行凍結之金額約57,000港元（相當於約人民幣53,000元），而貴集團錄得於未來十二個月內到期償還之未償還借款本金額約3,235,000港元（相當於約人民幣3,000,000元）及公司債券本金額36,000,000港元。

於二零二三年六月三十日，貴集團之資產淨額約為125,000,000港元及流動資產淨額約為124,784,000港元，其中資產淨額及流動資產淨額狀況主要由保理應收款項、融資租賃應收款項及貿易應收款項組成，其賬面值分別約為168,313,000港元、2,225,000港元及4,975,000港元。誠如下文「保理應收款項、融資租賃應收款項及貿易應收款項之可收回性」分節各段所述，吾等未能獲得足夠適當之審計憑證，以評估該等結餘於二零二三年六月三十日之可收回性。該等狀況表明存在重大不明朗因素，可能對貴集團持續經營之能力構成重大疑問。

貴公司董事已對貴集團自本報告日期起計未來十二個月之現金流量預測進行詳盡審閱，並已承諾採取多項措施改善貴集團之流動資金及財務狀況（載於綜合財務報表附註3）。

Independent Auditor's Report (Continued)

獨立核數師報告 (續)

The consolidated financial statements have been prepared on a going concern basis on the assumption that the carrying amounts of these receivables will be recovered in the coming twelve months, the validity of which depends on the outcome of the following measures, which are subject to multiple uncertainties, including (i) the successful recovery of overdue receivables; (ii) the Group can obtain additional sources of financing as and when needed; and (iii) the Group can successfully improve its operation to generate sufficient operating cash inflow. The consolidated financial statements do not include any adjustments that would result from the failure to recover the overdue receivables and the failure to obtain additional sources of financing to improve its financial positions, to provide liquidity and cash flows.

We consider that the going concern basis of preparation of the consolidated financial statements has been adequately disclosed in the consolidated financial statements, and we also consider that the material uncertainty relating to the Group's going concern has been adequately disclosed in the consolidated financial statements. However, in view of the extent of the multiple uncertainties relating to the recovery of the overdue receivables, the maintaining of sufficient operation to generate operating cash inflow and the obtaining of additional sources of financing, we disclaim our opinion in respect of the material uncertainty relating to the going concern basis.

綜合財務報表乃按持續經營基準編製，並假設該等應收款項之賬面值將於未來十二個月內收回，其有效性取決於以下措施之結果，受限於多項不明朗因素，包括(i)成功收回逾期應收款項，(ii) 貴集團能於需要時獲得額外融資來源；及(iii) 貴集團能成功改善其營運以產生足夠經營現金流入。綜合財務報表並不包括因未能收回逾期應收款項及未能獲得額外融資來源以改善其財務狀況、提供流動資金及現金流量而導致之任何調整。

吾等認為，編製綜合財務報表之持續經營基準已於綜合財務報表中充分披露，吾等亦認為，與 貴集團持續經營有關之重大不明朗因素已於綜合財務報表中充分披露。然而，鑒於與收回逾期應收款項、維持充足營運以產生經營現金流入及獲得額外融資來源有關之多項不明朗因素的程度，吾等不就與持續經營基準有關之重大不明朗因素發表意見。

B) RECOVERABILITY OF FACTORING RECEIVABLES, FINANCE LEASE RECEIVABLES AND TRADE RECEIVABLES

The factoring receivables, finance lease receivables and trade receivables amounted to approximately HK\$168,313,000, HK\$2,225,000 and HK\$4,975,000 respectively, net of impairment allowances of approximately HK\$337,894,000, HK\$16,113,000 and HK\$29,959,000, respectively as at 30 June 2023, among which impairment losses of approximately HK\$327,344,000, HK\$13,452,000 and HK\$17,600,000, respectively, were charged to profit or loss for the year ended 30 June 2023.

During the year ended 30 June 2023 and up to the date of this report, all of the factoring receivables, finance lease receivables and most of the trade receivables outstanding amounts were past due. The management is still in the progress of taking various actions against these debtors respectively. No result from those actions taken is available for justifying the extent of the recoverability of these receivables.

In view of the lack of the information in relation to (1) the financial status of the factoring receivables, finance lease receivables and trade receivables debtors, and the measurement of related collateral values on assessing their ability to recover the past due balance, and (2) the enforcement actions taken by the management against the relevant debtors, their related collaterals and guarantors, the management considered that there is uncertainty on recovering the aforesaid balances. We were unable to obtain sufficient appropriate audit evidence to assess the recoverability of the factoring receivables, finance lease receivables and trade receivables as at 30 June 2023. Therefore, we were unable to determine whether any adjustments to the impairment loss recognised during the year ended 30 June 2023 in respect of the factoring receivables, finance lease receivables and trade receivables were necessary, which might have a significant impact on the Group's financial position as at 30 June 2023, and its financial performance and the elements making up the consolidated statement of cash flows for the year ended 30 June 2023 and related disclosures in the consolidated financial statements.

B) 保理應收款項、融資租賃應收款項及貿易應收款項之可收回性

於二零二三年六月三十日，保理應收款項、融資租賃應收款項及貿易應收款項分別約為168,313,000港元、2,225,000港元及4,975,000港元，扣除減值撥備分別約337,894,000港元、16,113,000港元及29,959,000港元，其中減值虧損分別約327,344,000港元、13,452,000港元及17,600,000港元已於截至二零二三年六月三十日止年度之損益中扣除。

截至二零二三年六月三十日止年度及截至本報告日期，所有保理應收款項、融資租賃應收款項及大部分貿易應收款項之未償還金額已逾期。管理層仍在對該等債務人分別採取各種行動。並無任何已採取的該等行動結果可證明該等應收款項之可收回程度。

鑒於缺乏有關以下各項之資料：(1)保理應收款項、融資租賃應收款項及貿易應收款項債務人之財務狀況，以及相關抵押品價值之計量，以評估能否收回逾期結餘，及(2)管理層對相關債務人、其相關抵押品及擔保人採取之強制執行行動，管理層認為收回上述結餘存在不明朗因素。吾等未能獲得足夠適當之審計憑證，以評估保理應收款項、融資租賃應收款項及貿易應收款項於二零二三年六月三十日之可收回性。因此，吾等無法確定是否須就截至二零二三年六月三十日止年度內確認之保理應收款項、融資租賃應收款項及貿易應收款項減值虧損作出任何調整，這可能對貴集團於二零二三年六月三十日之財務狀況及其截至二零二三年六月三十日止年度之財務表現及綜合現金流量表之組成要素以及綜合財務報表內之相關披露造成重大影響。

Independent Auditor's Report (Continued)

獨立核數師報告 (續)

C) RECEIPTS FROM SEVERAL INDEPENDENT THIRD PARTIES

During the course of our audit of the consolidated financial statements for the year ended 30 June 2023, it came to our attention that three bank receipts in aggregate of approximately RMB17,660,000 (“**Receipts**”) paid by independent third parties (“**Third Parties**”) had been recorded as settlements of the principal and interest of factoring receivables (“**Settlements**”) which were not substantiated with sufficient supporting evidence.

We were unable to obtain sufficient appropriate audit evidence and explanation to satisfy ourselves as to the validity of the Receipts and Settlements and the basis of determining the presentation of these balances and related disclosures in the consolidated financial statements. Therefore, we were unable to satisfy ourselves that the Receipts and Settlements were properly accounted for and disclosed or determine whether any adjustments to the impairment loss recognised during the year ended 30 June 2023 in respect of the factoring receivables were necessary, which might have a significant impact on the Group's financial position as at 30 June 2023, and its financial performance and the elements making up the consolidated statement of cash flows for the year ended 30 June 2023 and related disclosures in the consolidated financial statements.

C) 來自若干獨立第三方之收款

於吾等審計截至二零二三年六月三十日止年度綜合財務報表之過程中，吾等注意到，獨立第三方（「**獨立第三方**」）支付之三筆銀行收款合共約人民幣17,660,000元（「**收款**」）已入賬列作結算保理應收款項之本金及利息（「**結算**」），而並無充分支撐憑證可予證實。

吾等未能獲得足夠適當之審計憑證及解釋，以令吾等信納收款及結算之有效性，以及釐定該等結餘呈報之基準及綜合財務報表內之相關披露。因此，吾等無法令自身信納收款及結算已妥為入賬及披露，或確定是否須就截至二零二三年六月三十日止年度內確認之保理應收款項減值虧損作出任何調整，這可能對 貴集團於二零二三年六月三十日之財務狀況及其截至二零二三年六月三十日止年度之財務表現及綜合現金流量表之組成要素以及綜合財務報表內之相關披露造成重大影響。

3. BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of preparation of consolidated financial statements (Continued)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these consolidated financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of HKFRS 2 Share-based Payment (“**HKFRS 2**”), leasing transactions that are accounted for in accordance with HKFRS 16 Leases (“**HKFRS 16**”), and measurements that have some similarities to fair value but are not fair value, such as net realisable value in HKAS 2 Inventories or value-in-use in HKAS 36 Impairment of Assets.

A fair value measurement of a non-financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

For financial instruments which are transacted at fair value and a valuation technique that unobservable inputs is to be used to measure fair value in subsequent periods, the valuation technique is calibrated so that at initial recognition the results of the valuation technique equals the transaction price.

綜合財務報表編製基準 (續)

公平值指市場參與者之間在計量日進行之有序交易中出售一項資產所收取或轉移一項負債所支付之價格，無論該價格是直接觀察所得或採用另一估值技術作出之估計。在對資產或負債之公平值作出估計時，本集團會考慮市場參與者在計量日為該資產或負債進行定價時將會考慮之資產或負債之特徵。在該等綜合財務報表中計量及／或披露之公平值均在此基礎上釐定，惟香港財務報告準則第2號以股份為基礎之付款（「**香港財務報告準則第2號**」）範圍內之以股份為基礎之付款交易、根據香港財務報告準則第16號租賃（「**香港財務報告準則第16號**」）入賬之租賃交易，以及與公平值具有若干相似性但並非公平值之計量（如香港會計準則第2號存貨之可變現淨值或香港會計準則第36號資產減值之使用價值）除外。

非金融資產之公平值計量計及市場參與者透過使用資產之最高及最佳用途，或透過將資產出售予另一名將使用該資產之最高及最佳用途之市場參與者而能夠產生經濟利益之能力。

就按公平值交易的金融工具及於其後期間使用不可觀察輸入數據計量公平值的估值技術而言，估值技術會進行調整，以使初步確認時估值技術的結果等於交易價格。

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

3. BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Going concern assumption (Continued)

During the year ended 30 June 2023 and up to the date of this report, no result is available from the actions taken by the Directors, including but not limited to legal actions, against the factoring receivables, finance lease receivables and trade receivables which were past due. These conditions indicate the existence of material uncertainties which may cast significant doubt on the Group's ability to continue as a going concern.

In view of such circumstances, the Directors have given careful consideration to the future liquidity and performance of the Group and its available sources of financing in assessing whether the Group will have sufficient financial resources to continue as a going concern. Certain measures have been taken to relieve the liquidity pressure and to improve its financial position which include, but are not limited to, the following:

- 1) The Directors are closely monitoring the progress of the recovery actions, including but not limited to legal actions, against the respective debtors;
- 2) The Directors have been actively looking for additional sources of financing; and
- 3) The Directors will implement appropriate cost-leadership measures to cope with all operational costs.

3. 綜合財務報表編製基準及重要會計政策 (續)

持續經營假設 (續)

截至二零二三年六月三十日止年度及截至本報告日期，董事所採取之行動（包括但不限於就逾期保理應收款項、融資租賃應收款項及貿易應收款項採取之法律行動）尚未取得成果。該等狀況表明存在重大不明朗因素，可能對本集團持續經營之能力構成重大疑問。

鑒於有關情況，董事已審慎考慮本集團之未來流動資金及表現以及其可用融資來源，以評估本集團是否將有充足財務資源進行持續經營。本集團已採取若干措施以紓解流動資金壓力及改善其財務狀況，其中包括（但不限於）下列各項：

- 1) 董事正密切監察針對各債務人之追收行動（包括但不限於法律行動）之進展；
- 2) 董事一直積極尋求額外融資來源；及
- 3) 董事將實施適當的成本導向措施，以應對所有經營成本。

3. BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Going concern assumption (Continued)

Taking into account the Group's cash flow forecast for the twelve months from the date of this annual report prepared by management, and assuming the success of the above measures, the Directors are of the opinion that it is appropriate to prepare the consolidated financial statements on a going concern basis.

Should the Group be unable to continue its business as a going concern, adjustments would have to be made in the financial statements to write down the values of the assets to their recoverable amounts and to provide for any further liabilities which might arise. The effect of such adjustments has not yet been reflected in the financial statements.

Basis of consolidation

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company and its subsidiaries. Control is achieved when the Company:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

3. 綜合財務報表編製基準及重要會計政策 (續)

持續經營假設 (續)

經計及管理層所編製本集團自本年報日期起十二個月之現金流量預測，假設上述措施圓滿實施，董事認為按持續經營基準編製綜合財務報表屬適當。

倘本集團未能繼續按持續經營基準經營業務，則須於財務報表內作出調整，以將資產價值撇減至其可收回金額，並就任何可能產生之進一步負債計提撥備。該等調整之影響尚未於財務報表內反映。

綜合基準

綜合財務報表包括本公司及本公司所控制實體及其附屬公司之財務報表。當本公司符合以下要素時，則本公司取得控制權：

- 可對投資對象行使權力；
- 因參與投資對象業務而面對可變回報或享有可變回報權利；及
- 有能力使用其權力影響其回報。

倘有事實及情況顯示上述三項控制權要素有一項或以上出現變動，本集團會重新評估其是否對投資對象擁有控制權。

3. BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of consolidation (Continued)

Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit or loss and other comprehensive income from the date the Group gains control until the date when the Group ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Non-controlling interests in subsidiaries are presented separately from the Group's equity therein, which represent present ownership interests entitling their holders to a proportionate share of net assets of the relevant subsidiaries upon liquidation.

3. 綜合財務報表編製基準及重要會計政策 (續)

綜合基準 (續)

附屬公司於本集團取得對有關附屬公司之控制權時開始綜合入賬，並於本集團失去有關附屬公司之控制權時終止綜合入賬。具體而言，年內所收購或出售附屬公司之收入及支出乃自本集團取得控制權之日期起計入綜合損益及其他全面收益表，直至本集團不再控制有關附屬公司之日期為止。

損益及其他全面收益之每個部分乃歸屬於本公司擁有人及非控股權益。附屬公司之全面收益總額歸屬於本公司擁有人及非控股權益，即使此舉會導致非控股權益產生虧絀結餘。

於必要時，將對附屬公司之財務報表作出調整，以令其會計政策與本集團之會計政策一致。

於綜合賬目時，本集團成員公司之間進行交易所涉之所有集團內公司間資產及負債、權益、收入、支出及現金流量悉數對銷。

於附屬公司之非控股權益與本集團於當中的權益分開呈列，指現時擁有之權益且賦予持有人權利於清盤時按比例分佔相關附屬公司淨資產。

3. BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Changes in the Group's ownership interests in existing subsidiaries

Changes in the Group's interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's relevant components of equity and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries, including re-attribution of relevant reserves between the Group and the non-controlling interests according to the Group's and the non-controlling interests' proportionate interests.

Any difference between the amount by which the non-controlling interests are adjusted, and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

When the Group loses control of a subsidiary, the assets and liabilities of that subsidiary and non-controlling interests (if any) are derecognised. A gain or loss is recognised in profit or loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the carrying amount of the assets (including goodwill), and liabilities of the subsidiary attributable to the owners of the Company. All amounts previously recognised in other comprehensive income in relation to that subsidiary are accounted for as if the Group had directly disposed of the related assets or liabilities of the subsidiary (i.e. reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable HKFRSS). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under HKFRS 9 Financial Instruments ("HKFRS 9") or, when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

Business combinations or asset acquisitions

Optional concentration test

The Group can elect to apply an optional concentration test, on a transaction-by-transaction basis, that permits a simplified assessment of whether an acquired set of activities and assets is not a business. The concentration test is met if substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar identifiable assets.

The gross assets under assessment exclude cash and cash equivalents, deferred tax assets, and goodwill resulting from the effects of deferred tax liabilities. If the concentration test is met, the set of activities and assets is determined not to be a business and no further assessment is needed.

Asset acquisitions

When the Group acquires a group of assets and liabilities that do not constitute a business, the Group identifies and recognises the individual identifiable assets acquired and liabilities assumed by allocating the purchase price first to financial assets/financial liabilities at the respective fair values, the remaining balance of the purchase price is then allocated to the other identifiable assets and liabilities on the basis of their relative fair values at the date of purchase. Such a transaction does not give rise to goodwill or bargain purchase gain.

業務合併或資產收購

可選集中度測試

本集團可選擇以逐項交易基準應用可選集中度測試，可對所收購之一組活動及資產是否並非一項業務作簡化評估。倘所購總資產的公平值絕大部分集中在單一可識別資產或一組類似可識別資產中，則符合集中度測試。

評估項下總資產不包括現金及現金等值項目、遞延稅項資產及由遞延稅項負債影響產生之商譽。倘符合集中度測試，該組活動及資產會被釐定為並非業務及毋須作進一步評估。

資產收購

當本集團收購一組不構成業務的資產及負債時，本集團透過首先將購買價分配至按各自的公平值計量的金融資產／金融負債，識別及確認個別所收購可識別資產及所承擔負債，購買價餘額其後按於購買日期的相關公平值分配至其他可識別資產及負債。有關交易不會產生商譽或議價收購收益。

Business combinations

A business is an integrated set of activities and assets which includes an input and a substantive process that together significantly contribute to the ability to create outputs. The acquired processes are considered substantive if they are critical to the ability to continue producing outputs, including an organised workforce with the necessary skills, knowledge, or experience to perform the related processes or they significantly contribute to the ability to continue producing outputs and are considered unique or scarce or cannot be replaced without significant cost, effort, or delay in the ability to continue producing outputs.

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the Group, liabilities incurred by the Group to the former owners of the acquiree and the equity interests issued by the Group in exchange for control of the acquiree. Acquisition-related costs are generally recognised in profit or loss as incurred.

For business combinations in which the acquisition date is on or after 1 July 2022, the identifiable assets acquired and liabilities assumed must meet the definitions of an asset and a liability in the Conceptual Framework for Financial Reporting 2018 issued in June 2018 (the “**Conceptual Framework**”) except for transactions and events within the scope of HKAS 37 or HK(IFRIC)-Int 21, in which the Group applies HKAS 37 or HK(IFRIC)-Int 21 instead of the Conceptual Framework to identify the liabilities it has assumed in a business combination. Contingent assets are not recognised.

業務合併

業務為一套綜合活動及資產，包括一項投入及一項實質性過程，共同對創造產出的能力作出重大貢獻。倘所收購過程對繼續生產產出的能力至關重要，包括具備執行相關過程所必需技能、知識或經驗的組織勞動力，或對持續生產產出的能力作出重大貢獻，並被認為屬獨特或稀缺或在無重大成本、努力或持續生產產出能力出現延遲的情況下不可取代，則被視為屬實質性。

收購業務按收購法入賬。於業務合併中轉讓之代價以公平值計量，公平值則按本集團所轉讓資產、由本集團向被收購方前擁有人所產生之負債以及本集團為換取被收購方之控制權而發行之股本權益於收購日期之公平值總和計算。與收購有關之成本一般會於產生時在損益確認。

對於收購日期為二零二二年七月一日或之後的業務合併，所收購可識別資產及所承擔負債須符合於二零一八年六月頒佈的二零一八年財務報告概念框架（「**概念框架**」）中資產及負債的定義，惟屬香港會計準則第37號或香港（國際財務報告詮釋委員會）一詮釋第21號範圍內的交易及事項除外，在此情況下，本集團應用香港會計準則第37號或香港（國際財務報告詮釋委員會）一詮釋第21號而非概念框架，以識別其於業務合併中承擔的負債。或然資產不予確認。

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their fair value, except that:

- deferred tax assets or liabilities, and assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with HKAS 12 Income Taxes (“**HKAS 12**”) and HKAS 19 Employee Benefits respectively;
- liabilities or equity instruments related to share-based payment arrangements of the acquiree or share-based payment arrangements of the Group entered into to replace share-based payment arrangements of the acquiree are measured in accordance with HKFRS 2 at the acquisition date;
- assets (or disposal groups) that are classified as held for sale in accordance with HKFRS 5 Non-current Assets Held for Sale and Discontinued Operations are measured in accordance with that standard; and
- lease liabilities are recognised and measured at the present value of the remaining lease payments (as defined in HKFRS 16) as if the acquired leases were new leases at the acquisition date, except for leases for which (a) the lease term ends within 12 months of the acquisition date; or (b) the underlying asset is of low value. Right-of-use assets are recognised and measured at the same amount as the relevant lease liabilities, adjusted to reflect favourable or unfavourable terms of the lease when compared with market terms.

Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree, and the fair value of the acquirer's previously held equity interest in the acquiree (if any) over the net amount of the identifiable assets acquired and the liabilities assumed as at acquisition date. If, after reassessment, the net amount of the identifiable assets acquired and liabilities assumed exceeds the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree and the fair value of the acquirer's previously held interest in the acquiree (if any), the excess is recognised immediately in profit or loss as a bargain purchase gain.

Non-controlling interests that are present ownership interests and entitle their holders to a proportionate share of the relevant subsidiary's net assets in the event of liquidation are initially measured either at fair value or at the non-controlling interests' proportionate share of the recognised amounts of the acquiree's identifiable net assets. The choice of measurement basis is made on a transaction-by-transaction basis. Other types of non-controlling interests are measured at fair value.

When the consideration transferred by the Group in a business combination includes a contingent consideration arrangement, the contingent consideration is measured at its acquisition-date fair value and included as part of the consideration transferred in a business combination. Changes in the fair value of the contingent consideration that qualify as measurement period adjustments are adjusted retrospectively. Measurement period adjustments are adjustments that arises from additional information obtained during the "measurement period" (which cannot exceed one year from the acquisition date) about facts and circumstances that existed at the acquisition date.

Business combinations (Continued)

The subsequent accounting for the contingent consideration that do not qualify as measurement period adjustments depends on how the contingent consideration is classified. Contingent consideration that is classified as equity is not remeasured at subsequent reporting dates and its subsequent settlement is accounted for within equity. Contingent consideration that is classified as an asset or a liability is remeasured to fair value at subsequent reporting dates, with the corresponding gain or loss being recognised in profit or loss.

When a business combination is achieved in stages, the Group's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date (i.e. the date when the Group obtains control), and the resulting gain or loss, if any, is recognised in profit or loss or other comprehensive income, as appropriate. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognised in other comprehensive income and measured under HKFRS 9 would be accounted for on the same basis as would be required if the Group had disposed directly of the previously held equity interest.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted retrospectively during the measurement period (see above), and additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognised at that date.

Goodwill

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business (see the accounting policy above) less accumulated impairment losses, if any.

For the purposes of impairment testing, goodwill is allocated to each of the Group's cash-generating units ("CGUs") (or groups of CGUs) that is expected to benefit from the synergies of the combination, which represent the lowest level at which the goodwill is monitored for internal management purposes and not larger than an operating segment.

A CGU (or group of CGUs) to which goodwill has been allocated is tested for impairment annually or more frequently when there is indication that the unit may be impaired. For goodwill arising on an acquisition in a reporting period, the CGU (or group of CGUs) to which goodwill has been allocated is tested for impairment before the end of that reporting period. If the recoverable amount of the CGU is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit on a pro-rata basis based on the carrying amount of each asset in the unit (or group of CGUs).

On disposal of the relevant CGU or any of the CGU within the group of CGUs, the attributable amount of goodwill is included in the determination of the amount of profit or loss on disposal. When the Group disposes of an operation within the CGU (or a CGU within a group of CGUs), the amount of goodwill disposed of is measured on the basis of the relative values of the operation (or the CGU) disposed of and the portion of the CGU (or the group of CGUs) retained.

商譽

收購一項業務產生之商譽乃按業務收購日期所確立之成本(見上文會計政策)減累計減值虧損(如有)列賬。

為進行減值測試,商譽乃分配至預期將從合併之協同效應中獲利之本集團各現金產生單位(「現金產生單位」)(或現金產生單位組別),即就內部管理目的監控商譽且不超過經營分部之最低層次。

獲分配商譽之現金產生單位(或現金產生單位組別)每年進行減值測試,或當有跡象顯示該單位可能出現減值時更為頻繁地進行減值測試。就於某一報告期間之收購所產生之商譽而言,獲分配商譽之現金產生單位(或現金產生單位組別)於該報告期末前進行減值測試。倘現金產生單位之可收回金額低於其賬面值,則首先分配減值虧損以減低分配至該單位之任何商譽之賬面值,其後基於該單位(或現金產生單位組別)內各項資產之賬面值按比例分配至該單位之其他資產。

於出售相關現金產生單位或現金產生單位組別內任何現金產生單位時,商譽之應佔金額乃於釐定出售之損益金額時計算在內。當本集團出售現金產生單位(或一組現金產生單位中的現金產生單位)內的業務時,所出售商譽金額按所出售業務(或現金產生單位)與所保留現金產生單位(或現金產生單位組別)部分的相對價值計量。

Property, plant and equipment

Property, plant and equipment are tangible assets that are held for use in production or supply of goods or services, or for administrative purpose are stated in the consolidated statements of financial position at cost less subsequent accumulated depreciation and subsequent accumulated impairment losses, if any.

Depreciation is recognised so as to write off the cost of assets less their residual values over their estimated useful lives, using the straight-line method, at the following rates per annum:

Leasehold improvements	Over the lease terms
Computer equipment	10% – 33%
Furniture, fixtures and equipment	20% – 50%
Motor vehicles	20%

The residual values, estimated useful lives and depreciation method are reviewed, and adjusted if appropriate, at the end of each reporting period.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Intangible assets

Intangible assets acquired separately

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation for intangible assets with finite useful lives is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Intangible assets acquired in a business combination

Intangible assets acquired in a business combination and recognised separately from goodwill and are initially recognised at fair value at the acquisition date (which is regarded as their cost).

Subsequent to initial recognition, intangible assets acquired in a business combination with finite useful lives are reported at costs less accumulated amortisation and any accumulated impairment losses, on the same basis as intangible assets that are acquired separately.

Amortisation of intangible assets with finite useful lives is charged to profit or loss on a straight-line basis over their estimated useful lives.

Trademarks and brands 37 – 116 months

Both the period and method of amortisation are reviewed annually.

Derecognition of intangible assets

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains and losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in profit or loss when the asset is derecognised.

Leases

Definition of a lease

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

For contracts entered into or modified or arising from business combinations on or after the date of initial application, the Group assesses whether a contract is or contains a lease based on the definition under HKFRS 16 at inception, modification date or acquisition date, as appropriate. Such contract will not be reassessed unless the terms and conditions of the contract are subsequently changed.

The Group as a lessee

Allocation of consideration to components of a contract
For a contract that contains a lease component and one or more additional lease or non-lease components, the Group allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

As a practical expedient, leases with similar characteristics are accounted on a portfolio basis when the Group reasonably expects that the effects on the financial statements would not differ materially from individual leases within the portfolio.

The Group also applies practical expedient not to separate non-lease components from lease component, and instead accounts for the lease component and any associated non-lease components as a single lease component.

租賃

租賃之定義

倘合約包含控制一段時間內已識別資產用途的權利(以交換代價),則屬或包含租賃。

對於於首次應用之日或之後訂立、修改或因業務合併而產生的合約,本集團會於合約開始時、修改日或收購日(如適用)根據香港財務報告準則第16號的定義評估合約是否屬租賃或包含租賃。除非該合約的條款及細則隨後有更改,否則不會重新評估。

本集團作為承租人

將代價分配至合約組成部分
對於包含一項租賃組成部分及一項或多項額外租賃或非租賃組成部分的合約,本集團根據租賃組成部分的相對單獨價格及非租賃組成部分的單獨價格總和將合約代價分配至各個租賃組成部分。

作為可行權宜方法,本集團將具有相似特徵的租賃按組合基準入賬,而前提是本集團合理預期租賃組合對財務報表產生之影響不會與組合內個別租賃對其產生之影響有重大差異。

本集團亦應用可行權宜方法,並非將非租賃組成部分與租賃組成部分分開處理,而是將租賃組成部分與任何相關之非租賃組成部分作為單一租賃部分入賬。

Leases (Continued)

The Group as a lessee (Continued)

Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option. It also applies the recognition exemption for lease of low-value assets. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Right-of-use assets

The cost of right-of-use asset includes:

- the amount of the initial measurement of the lease liability;
- any lease payments made at or before the commencement date, less any lease incentives received;
- any initial direct costs incurred by the Group; and
- an estimate of costs to be incurred by the Group in dismantling and removing the underlying assets, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease.

Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities.

Right-of-use assets in which the Group is reasonably certain to obtain ownership of the underlying leased assets at the end of the lease term is depreciated from commencement date to the end of the useful life. Otherwise, right-of-use assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term.

The Group presents right-of-use assets as a separate line item on the consolidated statement of financial position.

使用權資產

使用權資產之成本包括：

- 租賃負債初步計量的金額；
- 於開始日期或以前作出的任何租賃付款，扣除任何已收租賃獎勵；
- 本集團產生的任何初步直接成本；及
- 本集團於拆除及拆遷相關資產、復原相關資產所在場地或復原相關資產至租賃的條款及條件所規定的狀況時估計產生的成本。

使用權資產按成本值計量，扣除任何累計折舊及減值虧損，並就任何重新計量之租賃負債作調整。

本集團於租期結束時合理確定會取得相關租賃資產所有權的使用權資產，自開始日期起至可使用年期結束期間折舊。否則，使用權資產以直線法於其估計可使用年期與租期兩者中的較短者折舊。

Leases (Continued)

The Group as a lessee (Continued)

Refundable rental deposits

Refundable rental deposits paid are accounted under HKFRS 9 and initially measured at fair value. Adjustments to fair value at initial recognition are considered as additional lease payments and included in the cost of right-of-use assets.

Lease liabilities

At the commencement date of a lease, the Group recognises and measures the lease liability at the present value of lease payments that are unpaid at that date. In calculating the present value of lease payments, the Group uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

The lease payments include:

- fixed payments (including in-substance fixed payments) less any lease incentives receivable;
- variable lease payments that depend on an index or a rate;
- amounts expected to be paid under residual value guarantees;
- the exercise price of a purchase option reasonably certain to be exercised by the Group; and
- payments of penalties for terminating a lease, if the lease term reflects the Group exercising the option to terminate.

After the commencement date, lease liabilities are adjusted by interest accretion and lease payments.

可退回租賃按金

已支付的可退回租賃按金乃根據香港財務報告準則第9號入賬並按公平值初步計量。於初步確認時之公平值調整視作額外租賃付款，並計入使用權資產之成本。

租賃負債

於租賃開始日期，本集團按該日期尚未支付的租賃付款現值確認及計量租賃負債。於計算租賃付款現值時，倘租賃中所隱含的利率不易確定，則本集團使用租賃開始日期的增量借款利率計算。

租賃付款包括：

- 固定付款 (包括實質性的固定付款) 減任何應收租賃優惠；
- 按指數或利率計量之可變租賃付款；
- 根據剩餘價值擔保預期應支付之款項；
- 合理確定將由本集團行使購買權的行使價；及
- 終止租賃所支付的罰款 (倘租期反映本集團行使終止權)。

開始日期後，租賃負債根據利息增加及租賃付款進行調整。

The Group as a lessee (Continued)

Lease liabilities (Continued)

The Group remeasures lease liabilities (and makes a corresponding adjustment to the related right-of-use assets) whenever:

- the lease payments change due to changes in market rental rates, in which cases the related lease liability is remeasured by discounting the revised lease payments using the initial discount rate.

The Group presents lease liabilities as a separate line item on the consolidated statement of financial position.

Lease modifications

The Group applied the practical expedient, the Group accounts for a lease modification as a separate lease if:

- the modification increases the scope of the lease by adding the right to use one or more underlying assets; and
- the consideration for the leases increases by an amount commensurate with the stand-alone price for the increase in scope and any appropriate adjustments to that stand-alone price to reflect the circumstances of the particular contract.

For a lease modification that is not accounted for as a separate lease, the Group remeasures the lease liability based on the lease term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

The Group accounts for the remeasurement of lease liabilities by making corresponding adjustments to the relevant right-of-use asset. When the modified contract contains a lease component and one or more additional lease or non-lease components, the Group allocates the consideration in the modified contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease component.

當出現以下情況，本集團將重新計量租賃負債（並就相關使用權資產作出相應調整）：

- 租賃付款因市場租金率變更而有所變動，在此情況下，相關租賃負債按初始折現率折現經修訂租賃付款來重新計量。

本集團在綜合財務狀況表中將租賃負債作為單獨的項目呈列。

租賃修訂

本集團應用可行權宜方法，倘出現下列情況，則本集團將租賃修訂入賬列為一項獨立租賃：

- 有關修訂透過增加一項或多項相關資產使用權而增加租賃範疇；及
- 租賃代價增加，增加的金額相當於範疇增幅涉及的獨立價格及可反映特定合約情況對該獨立價格作出的任何適當調整。

就並非以獨立租賃方式入賬的租賃修訂而言，本集團基於經修改的租賃涉及的租期，透過在修訂生效日期使用經修訂貼現率貼現經修訂租賃付款，重新計量租賃負債。

本集團透過對相關使用權資產進行相應調整，將租賃負債的重新計量入賬。經修訂合約包含租賃組成部分以及一個或多個額外租賃或非租賃組成部分時，本集團根據有關租賃組成部分的相對獨立價格及非租賃組成部分的總獨立價格，將經修訂合約中的代價分配至各租賃組成部分。

The Group as a lessor

Sale and leaseback transactions

The Group applies the requirements of HKFRS 15 to assess whether sale and leaseback transaction constitutes a sale by the Group.

The Group as a buyer-lessor

For a transfer of asset that does not satisfy the requirements of HKFRS 15 to be accounted for as a sale of asset, the Group as a buyer-lessor does not recognise the transferred asset and recognises a finance lease receivable equal to the transfer proceeds within the scope of HKFRS 9.

Impairment of property, plant and equipment, right-of-use assets and intangible assets other than goodwill

At the end of each reporting period, the Group reviews the carrying amounts of its property, plant and equipment, right-of-use assets and intangible assets with finite useful lives to determine whether there is any indication that these assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the relevant asset is estimated in order to determine the extent of the impairment loss (if any).

The recoverable amount of property, plant and equipment, right-of-use assets and intangible assets are estimated individually. When it is not possible to estimate the recoverable amount individually, the Group estimates the recoverable amount of the CGU to which the asset belongs. In addition, the Group assesses whether there is indication that corporate assets may be impaired. If such indication exists, corporate assets are also allocated to individual CGUs, when a reasonable and consistent basis of allocation can be identified, or otherwise they are allocated to the smallest group of CGUs for which a reasonable and consistent allocation basis can be identified.

Impairment of property, plant and equipment, right-of-use assets and intangible assets other than goodwill

Recoverable amount is the higher of fair value less costs of disposal and value-in-use. In assessing value-in-use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset (or a CGU) for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or a CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or a CGU) is reduced to its recoverable amount. For corporate assets or portion of corporate assets which cannot be allocated on a reasonable and consistent basis to a CGU, the Group compares the carrying amount of a group of CGUs, including the carrying amounts of the corporate assets or portion of corporate assets allocated to that group of CGU, with the recoverable amount of the group of CGU. In allocating the impairment loss, the impairment loss is allocated first to reduce the carrying amount of any goodwill (if applicable) and then to the other assets on a pro-rata basis based on the carrying amount of each asset in the unit or the group of CGUs. The carrying amount of an asset is not reduced below the highest of its fair value less costs of disposal (if measurable), its value-in-use (if determinable) and zero. The amount of the impairment loss that would otherwise have been allocated to the asset is allocated pro-rata to the other assets of the unit or the group of CGU. An impairment loss is recognised immediately in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or CGU or a group of CGU) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or a CGU or a group of CGU) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

Financial instruments

Financial assets and financial liabilities are recognised when a group entity becomes a party to the contractual provisions of the instruments. All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

Financial assets and financial liabilities are initially measured at fair value except for trade receivables arising from contracts with customers which are initially measured in accordance with HKFRS 15 Revenue from Contracts with Customers. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

The effective interest method is a method of calculating the amortised cost of a financial asset or financial liability and of allocating interest income and interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts and payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial asset or financial liability, or, where appropriate, a shorter period to the net carrying amount on initial recognition.

Interest income which are derived from the Group's ordinary course of business are presented as revenue.

Financial assets that meet the following conditions are subsequently measured at amortised cost:

- The financial asset is held within a business model whose objective is to collect contractual cash flows; and
- The contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through other comprehensive income (“**FVTOCI**”):

- The financial asset is held within a business model whose objective is achieved by both selling and collecting contractual cash flows; and
- The contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at FVTPL, except that at the date of initial recognition of a financial asset the Group may irrevocably elect to present subsequent changes in fair value of an equity investment in other comprehensive income if that equity investment is neither held for trading nor contingent consideration recognised by an acquirer in a business combination to which HKFRS 3 Business Combinations (“**HKFRS 3**”) applies.

Classification and subsequent measurement of financial assets (Continued)

A financial asset is held for trading if:

- It has been acquired principally for the purpose of selling in the near term; or
- On initial recognition it is a part of a portfolio of identified financial instruments that the Group manages together and has a recent actual pattern of short-term profit-taking; or
- It is a derivative that is not designated and effective as a hedging instrument.

In addition, the Group may irrevocably designate a financial asset that are required to be measured at the amortised cost or FVTOCI as measured at FVTPL if doing so eliminates or significantly reduces an accounting mismatch.

- (i) Amortised cost and interest income
- Interest income is recognised using the effective interest method for financial assets measured subsequently at amortised cost and debt instruments/receivables subsequently measured at FVTOCI. Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset, except for financial assets that have subsequently become credit-impaired, interest income is recognised by applying the effective interest rate to the amortised cost of the financial asset from the next reporting period. If the credit risk on the credit-impaired financial instrument improves so that the financial asset is no longer credit-impaired, interest income is recognised by applying the effective interest rate to the gross carrying amount of the financial asset from the beginning of the reporting period following the determination that the asset is no longer credit impaired.

此外，倘可消除或大幅減少會計錯配，本集團可不可撤銷地將須按攤銷成本或按公平值計入其他全面收益計量的金融資產指定為按公平值計入損益計量。

- (i) 攤銷成本及利息收入
- 本集團採用實際利率法就其後按攤銷成本計量的金融資產及其後按公平值計入其他全面收益計量的債務工具／應收款項確認利息收入。利息收入透過對金融資產（其後出現信貸減值之金融資產除外）之賬面總值應用實際利率計算，利息收入自下一個報告期起透過對金融資產的攤銷成本應用實際利率確認。倘出現信貸減值之金融工具的信貸風險有所改善以致於有關金融資產不再出現信貸減值，則利息收入乃於釐定該資產不再出現信貸減值後的報告期初起，透過向金融資產之賬面總值應用實際利率確認。

- (ii) Financial assets at FVTPL
Financial assets that do not meet the criteria for being measured at amortised cost or FVTOCI or designated as FVTOCI are measured at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any fair value gains or losses recognised in profit or loss. The net gain or loss recognised in profit or loss excludes any dividend or interest earned on the financial asset and is included in the “net (loss)/gain on financial assets at FVTPL” line item.

Impairment of financial assets

The Group performs impairment assessment under ECL model on financial assets (including trade receivables, deposits and other receivables, factoring receivables, lease receivables, loan receivables and cash and cash equivalents) which are subject to impairment under HKFRS 9. The amount of ECL is updated at each reporting date to reflect changes in credit risk since initial recognition.

Lifetime ECL represents the ECL that will result from all possible default events over the expected life of the relevant instrument. In contrast, 12-month ECL (“12m ECL”) represents the portion of lifetime ECL that is expected to result from default events that are possible within 12 months after the reporting date. Assessments are done based on the Group’s historical credit loss experiences, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current conditions at the reporting date as well as the forecast of future conditions.

The Group always recognises lifetime ECL for trade receivables under simplified approach. The ECL on these receivables are assessed individually for debtors with significant balances.

全期預期信貸虧損指於相關工具的預期年期內的所有可能違約事件產生的預期信貸虧損。相反，12個月預期信貸虧損(「12個月預期信貸虧損」)指預期將於報告日期後12個月內可能發生的違約事件產生的部分全期預期信貸虧損。本集團乃根據其歷史信貸虧損經驗作出評估，並就債務人特定因素、整體經濟狀況及對於報告日期的當前狀況以及未來狀況預測評估作出調整。

本集團一直根據簡化法就貿易應收款項確認全期預期信貸虧損。就結餘重大的應收賬款而言，該等應收款項的預期信貸虧損乃個別評估。

For all other financial instruments, including factoring receivables, loan receivables, lease receivables, other receivable, deposits and cash and cash equivalents, the Group measures the loss allowance equal to 12m ECL, unless when there has been a significant increase in credit risk since initial recognition, in which case the Group recognises lifetime ECL. The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition.

- (i) Significant increase in credit risk
In assessing whether the credit risk has increased significantly since initial recognition, the Group compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition. In making this assessment, the Group considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort.

In particular, the following information is taken into account when assessing whether credit risk has increased significantly:

- an actual or expected significant deterioration in the financial instrument's external (if available) or internal credit rating;
- significant deterioration in external market indicators of credit risk, e.g. a significant increase in the credit spread, the credit default swap prices for the debtor;
- existing or forecast adverse changes in business, financial or economic conditions that are expected to cause a significant decrease in the debtor's ability to meet its debt obligations;

- (i) 信貸風險顯著增加
於評估自初步確認以來信貸風險是否顯著增加時, 本集團會比較金融工具於報告日期發生違約的風險與該金融工具於初步確認日期發生違約的風險。於進行該評估時, 本集團會考慮合理且有理據的定量及定性資料, 包括毋須付出不必要的成本或努力即可獲得的過往經驗及前瞻性資料。

尤其是, 在評估信貸風險是否顯著增加時會考慮以下資料:

- 金融工具的外部 (如適用) 或內部信貸評級的實際或預期顯著惡化;
- 信貸風險的外部市場指標顯著惡化, 例如信貸息差及債務人的信貸違約掉期價格大幅增加;

- (i) Significant increase in credit risk (Continued)
- an actual or expected significant deterioration in the operating results of the debtor;
 - an actual or expected significant adverse change in the regulatory, economic, or technological environment of the debtor that results in a significant decrease in the debtor's ability to meet its debt obligations.

Irrespective of the outcome of the above assessment, the Group presumes that the credit risk has increased significantly since initial recognition when contractual payments are more than 180 days past due, unless the Group has reasonable and supportable information that demonstrates otherwise.

The Group regularly monitors the effectiveness of the criteria used to identify whether there has been a significant increase in credit risk and revises them as appropriate to ensure that the criteria are capable of identifying significant increase in credit risk before the amount becomes past due.

- (ii) Definition of default
- For internal credit risk management, the Group considers an event of default occurs when information developed internally or obtained from external sources indicates that the debtor is unlikely to pay its creditors, including the Group, in full (without taking into account any collaterals held by the Group).

Irrespective of the above, the Group considers that default has occurred when a financial asset is more than 240 days past due unless the Group has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

本集團定期監控用以識別信貸風險是否顯著增加的標準的效用，並修訂標準（如適用）以確保標準能在金額逾期前識別信貸風險顯著增加。

- (ii) 違約的定義
- 就內部信貸風險管理而言，本集團認為，倘內部生成或自外部來源獲得的資料顯示債務人不太可能向其債權人（包括本集團）悉數付款（不考慮本集團持有的任何抵押品），則出現違約事件。

無論上述情形如何，本集團認為，倘金融資產逾期超過240天，則發生違約事件，除非本集團有能說明更寬鬆的違約標準更為合適的合理可靠資料，則作別論。

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Evidence that a financial asset is credit-impaired includes observable data about the following events:

- (a) significant financial difficulty of the issuer or the borrower;
- (b) a breach of contract, such as a default or past due event;
- (c) the lender(s) of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession(s) that the lender(s) would not otherwise consider;

- (e) the disappearance of an active market for that financial asset because of financial difficulties.

(iv) Write-off policy

The Group writes off a financial asset when there is information indicating that the counterparty is in severe financial difficulty and there is no realistic prospect of recovery, for example, when the counterparty has been placed under liquidation or has entered into bankruptcy proceedings, or in the case of trade receivables, when the amounts are over two years past due, whichever occurs sooner. Financial assets written off may still be subject to enforcement activities under the Group's recovery procedures, taking into account legal advice where appropriate. A write-off constitutes a derecognition event. Any subsequent recoveries are recognised in profit or loss.

(iii) 信貸減值金融資產

當發生一宗或以上對金融資產估計未來現金流量有不利影響的事件時，金融資產出現信貸減值。金融資產出現信貸減值的證據包括有關下列事件的可觀察數據：

- (a) 發行人或借款人存在嚴重財政困難；
- (b) 違反合約，如違約或逾期事件；
- (c) 借款人的貸款人因與借款人出現財政困難有關的經濟或合約理由而向借款人授予貸款人原本不會考慮的優惠條件；
- (d) 借款人有可能破產或進行其他財務重組；或
- (e) 由於財務困難致使金融資產的活躍市場消失。

(iv) 撇銷政策

倘有資料顯示交易對手陷入嚴重財政困難且無現實收回預期，例如，交易對手被清盤或進行破產程序，或就貿易應收款項而言，款項逾期超過兩年（以較早發生者為準），本集團會撇銷金融資產。在考慮法律意見（如適用）後，已撇銷金融資產仍可根據本集團的收回程序實施強制執行。撇銷構成終止確認事件。其後收回的任何款項於損益內確認。

- (v) Measurement and recognition of ECL
- The measurement of ECL is a function of the probability of default (“PD”), loss given default (“LGD”) (i.e. the magnitude of the loss if there is a default) and the exposure at default (“EAD”). The assessment of the PD and LGD is based on historical data adjusted by forward-looking information. Estimation of ECL reflects an unbiased and probability-weighted amount that is determined with the respective risks of default occurring as the weights.

The Group uses a practical expedient in estimating ECL on trade receivables using a provision matrix taking into consideration historical credit loss experience, adjusted for forward-looking information that is available without undue cost or effort.

Generally, the ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the effective interest rate determined at initial recognition.

Lifetime ECL for trade receivables considered on a collective basis taking into consideration past due information and relevant credit information such as forward-looking macroeconomic information.

本集團使用實際可行權宜方法運用撥備矩陣估計貿易應收款項的預期信貸虧損，計及過往信貸損失經驗，並就毋須付出過多成本或努力即可獲得的前瞻性資料作出調整。

一般而言，預期信貸虧損為根據合約應付本集團的所有合約現金流量與本集團預期將收取的所有現金流量間的差額，並按初步確認時釐定的實際利率貼現。

貿易應收款項的全期預期信貸虧損乃經考慮過往逾期資料及前瞻性宏觀經濟資料等相關信貸資料後按集體基準考慮。

(v) Measurement and recognition of ECL (Continued)
For collective assessment, the Group takes into consideration the following characteristics when formulating the grouping:

- Past-due status;
- Nature, size and industry of debtors; and
- External credit ratings where available.

The grouping is regularly reviewed by management to ensure the constituents of each group continue to share similar credit risk characteristics.

Interest income is calculated based on the gross carrying amount of the financial asset unless the financial asset is credit-impaired, in which case interest income is calculated based on amortised cost of the financial asset.

The Group recognises an impairment gain or loss in profit or loss for all financial instruments by adjusting their carrying amount, with the exception of trade receivables, lease receivables, factoring receivables and loan receivables where the corresponding adjustment is recognised through an impairment allowance account.

Derecognition of financial assets

The Group derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss.

Modification of financial assets

Where the original contractual terms of a financial asset have been modified for credit reasons and the instrument has not been derecognised (an instrument is derecognised when a modification results in a change in cash flows that the Group would consider substantial), the resulting modification loss is recognised in profit or loss with a corresponding decrease in the gross carrying value of the asset.

Expected credit loss for modified financial assets that have not been derecognised and are not considered to be credit-impaired will be recognised on a 12-month basis, or a lifetime basis, if there is a significant increase in credit risk. These assets are assessed to determine whether there has been a significant increase in credit risk subsequent to the modification. In addition to the recognition of modification gains and losses, the revised carrying value of modified financial assets will impact the calculation of expected credit losses, with any increase or decrease in expected credit loss recognised.

Non-substantial modification of financial assets

For non-substantial modifications of financial assets that do not result in derecognition, the carrying amount of the relevant financial assets will be calculated at the present value of the modified contractual cash flows discounted at the financial assets' original effective interest rate. Transaction costs or fees incurred are adjusted to the carrying amount of the modified financial assets and are amortised over the remaining term. Changes in fair value attributable to a financial liability's credit risk that are recognised in other comprehensive income are not subsequently reclassified to profit or loss, instead, they are transferred to retained earnings upon derecognition of the financial liability.

Modification of financial liabilities

The Group assesses whether the revised terms result in a substantial modification from original terms taking into account all relevant facts and circumstances including qualitative factors. If qualitative assessment is not conclusive, the Group considers that the terms are substantially different if the discounted present value of the cash flows under the new terms, including any fees paid net of any fees received, and discounted using the original effective interest rate, is at least 10 per cent different from the discounted present value of the remaining cash flows of the original financial liability. The above said fees include only those paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other's behalf. Accordingly, such modification of terms is accounted for as an extinguishment, any costs or fees incurred are recognised as part of the gain or loss on the extinguishment. The exchange or modification is considered as non-substantial modification when such difference is less than 10 per cent.

The Group accounts for an exchange with a lender of a financial liability with substantially different terms as an extinguishment of the original financial liability and the recognition of a new financial liability. A substantial modification of the terms of an existing financial liability or a part of it (whether or not attributable to the financial difficulty of the Group) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Derivative financial instruments

Derivatives are initially recognised at fair value at the date when the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of the reporting period. The resulting gain or loss is recognised in profit or loss.

Embedded derivatives

Derivatives embedded in hybrid contracts that contain financial asset hosts within the scope of HKFRS 9 are not separated. The entire hybrid contract is classified and subsequently measured in its entirety as either amortised cost or fair value as appropriate.

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of HKFRS 9 are treated as separate derivatives when they meet the definition of a derivative, their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at FVTPL.

Generally, multiple embedded derivatives in a single instrument that are separated from the host contracts are treated as a single compound embedded derivative unless those derivatives relate to different risk exposures and are readily separable and independent of each other.

For granting of a licence that is distinct from other promised goods or services, the nature of the Group's promise in granting a licence is a promise to provide a right to access the Group's intellectual property if all of the following criteria are met:

- the contract requires, or the customer reasonably expects, that the Group will undertake activities that significantly affect the intellectual property to which the customer has rights;
- the rights granted by the licence directly expose the customer to any positive or negative effects of the Group's activities; and
- those activities do not result in the transfer of a good or a service to the customer as those activities occur.

If the criteria above are met, the Group accounts for the promise to grant a licence as a performance obligation satisfied over time. Otherwise, the Group considers the grant of licence as providing the customers the right to use the Group's intellectual property and the performance obligation is satisfied at a point in time at which the licence is granted.

A contract asset represents the Group's right to consideration in exchange for goods or services that the Group has transferred to a customer that is not yet unconditional. It is assessed for impairment in accordance with HKFRS 9. In contrast, a receivable represents the Group's unconditional right to consideration, i.e. only the passage of time is required before payment of that consideration is due.

A contract liability represents the Group's obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer.

A contract asset and a contract liability relating to the same contract are accounted for and presented on a net basis.

Contracts with multiple performance obligations (including allocation of transaction price)

For contracts that contain more than one performance obligations, the Group allocates the transaction price to each performance obligation on a relative stand-alone selling price basis.

The stand-alone selling price of the distinct good or service underlying each performance obligation is determined at contract inception. It represents the price at which the Group would sell a promised good or service separately to a customer. If a stand-alone selling price is not directly observable, the Group estimates it using appropriate techniques such that the transaction price ultimately allocated to any performance obligation reflects the amount of consideration to which the Group expects to be entitled in exchange for transferring the promised goods or services to the customer.

Over time revenue recognition: measurement of progress towards complete satisfaction of a performance obligation

Output method

The progress towards complete satisfaction of a performance obligation is measured based on output method, which is to recognise revenue on the basis of direct measurements of the value of the goods or services transferred to the customer to data relative to the remaining goods or services promised under the contract, that best depict the Group's performance in transferring control of goods or services.

As a practical expedient, if the Group has a right to consideration in an amount that corresponds directly with the value of the Group's performance completed to date, the Group recognises revenue in the amount to which the Group has the right to invoice.

包含多個履約責任 (包括分配交易價格) 的合約

就包含超過一項履約責任的合約而言，本集團按相對單獨銷售價格基準對各履約責任分配交易價格。

各履約責任相關特定商品或服務的單獨售價於合約訂立時釐定。該價格為本集團向客戶出售允諾商品或服務的單獨售價。倘單獨售價無法直接觀察得出，本集團使用合適的技巧作出估計，讓最終分配至任何履約責任的交易價格反映本集團向客戶轉讓允諾商品或服務而預期交換可得的代價金額。

隨時間確認收益：計算完全達成履約責任的進度

產量法

完全達成履約責任的進度按產量法計量，即根據直接計量迄今已轉移予客戶之商品或服務與合約項下承諾提供的餘下商品或服務價值相比較以確認收入，此最能反映本集團於轉移商品或服務的控制權的履約情況。

作為可行權宜方法，倘本集團有權收取與迄今為止本集團已履約價值直接相關金額之代價，則本集團按有權開具發票的金額確認收益。

Principal versus agent

When another party is involved in providing goods or services to a customer, the Group determines whether the nature of its promise is a performance obligation to provide the specified goods or services itself (i.e. the Group is a principal) or to arrange for those goods or services to be provided by the other party (i.e. the Group is an agent).

The Group is a principal if it controls the specified goods or services before that goods or services is transferred to a customer.

The Group is an agent if its performance obligation is to arrange for the provision of the specified goods or services by another party. In this case, the Group does not control the specified goods or services provided by another party before that goods or services is transferred to the customer. When the Group acts as an agent, it recognises revenue in the amount of any fee or commission to which it expects to be entitled in exchange for the specified goods or services to be provided by the other party.

For trading of wine and daily supplies that is incidental to the cultural and entertainment segment in the People's Republic of China (the "PRC"), the Group determines if it acted as the principal by considering its primary obligation in a transaction, e.g. inventory risk or latitude in establishing prices and selecting suppliers.

- Selecting suppliers – the Group performs supplier due diligence before contracting with the wine distributors and promoting the wine products to the customers. The Group selects the suppliers based on the unit price and number of purchase units.
- Establishing prices – the Group could determine the selling price of the wine and liquors by itself within a range of the suggested selling price. The credit period offered by the suppliers is usually 15 days and the credit period the Group offers to the customers is 6 months. As such, the Group needs to bear the credit risk.
- Inventory risk – the Group stores inventories in the warehouse before the wine are transferred to customer. Before such transfer, the Group needs to bear the cost of damaged products and has the ability and is free to direct the use of and obtain substantially all of the benefits from the purchased wine before it is transferred to the customers.

Management of the Group considers that the Group is acting as a principal in the Trading Business because it obtains control of the wine and liquor and daily supplies before they are transferred to customers. Therefore, trading revenue was recognised in the gross amount of consideration.

就中華人民共和國(「中國」)文化及娛樂分部附帶的洋酒及日常用品貿易而言，本集團通過考慮其於交易中的主要責任(如存貨風險或確定價格及選擇供應商的自由)，釐定其是否擔任主事人。

- 選擇供應商—本集團於與洋酒分銷商訂約並向客戶推廣洋酒產品前，會進行供應商盡職調查。本集團根據單價及採購單位數目選擇供應商。
- 確定價格—本集團可在建議售價範圍內自行釐定洋類及酒類售價。供應商提供的信貸期通常為15日，而本集團向客戶提供的信貸期為6個月。因此，本集團需承擔信貸風險。
- 存貨風險—洋酒轉移至客戶前，本集團會將存貨存入倉庫。本集團進行有關轉移前需承擔產品受損的成本，而於所購買洋酒轉移至客戶前，本集團有能力及可自由直接使用有關洋酒，並從所購買洋酒中獲得絕大部分利益。

本集團管理層認為，本集團擔任貿易業務的主事人，原因是其於洋酒及酒類以及日常用品轉移至客戶前取得控制權。因此，貿易收益於代價總額中確認。

Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from "profit/loss before tax" because of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

稅項

所得稅開支指即期應付稅項及遞延稅項之總和。

即期稅項

即期應付稅項乃根據應課稅年度溢利計算。由於在其他年度之應課稅收入或可扣減開支項目以及毋須課稅或不可扣減項目，應課稅溢利有別於「除稅前溢利／虧損」。本集團之即期稅項負債乃採用於報告期末已頒佈或實際已頒佈之稅率計算。

遞延稅項

遞延稅項按綜合財務報表內資產與負債賬面值與計算應課稅溢利時採用之相應稅基間之暫時差額確認。一般而言，本集團會就所有應課稅暫時差額確認遞延稅項負債。倘若可能出現可利用可扣減暫時差額之應課稅溢利，則一般會就所有可扣減暫時差額確認遞延稅項資產。若暫時差額乃源於一項交易（業務合併除外）中初步確認資產與負債，而該交易並無影響應課稅溢利或會計溢利，則不會確認有關遞延稅項資產與負債。此外，倘暫時差額乃源自初步確認商譽，則不會確認遞延稅項負債。

Deferred tax (Continued)

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax (Continued)

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

For the purpose of measuring deferred tax for leasing transactions in which the Group recognises the right-of-use assets and the related lease liabilities, the Group first determines whether the tax deductions are attributable to the right-of-use assets or the lease liabilities.

For leasing transactions in which the tax deductions are attributable to the lease liabilities, the Group applies HKAS 12 requirements to the leasing transaction as a whole. Temporary differences relating to right-of-use assets and lease liabilities are assessed on a net basis. Excess of depreciation on right-of-use assets over the lease payments for the principal portion of lease liabilities resulting in net deductible temporary differences.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied to the same taxable entity by the same taxation authority.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

就計量本集團確認使用權資產及相關租賃負債的租賃交易的遞延稅項而言，本集團首先釐定稅項扣減是否歸因於使用權資產或租賃負債。

就租賃交易（其稅項扣減歸屬於租賃負債）而言，本集團對租賃交易整體應用香港會計準則第12號之規定。使用權資產與租賃負債之暫時性差額以淨額估算。使用權資產折舊超過租賃負債本金部分之金額會導致可扣除暫時性淨差額。

當有合法可執行權利可將即期稅項資產與即期稅項負債抵銷，且與由同一稅務機關向同一應課稅實體徵收之所得稅有關時，則遞延稅項資產及負債可互相對銷。

本年度即期及遞延稅項

即期及遞延稅項乃於損益中確認，惟當該等稅項與於其他全面收益或直接於權益確認之項目有關，在此情況下，即期及遞延稅項亦分別於其他全面收益或直接於權益中確認。就因對業務合併進行初始會計處理而產生之即期稅項或遞延稅項而言，稅務影響乃計入業務合併之會計處理內。

The Group operates a Mandatory Provident Fund Scheme (the “**MPF Scheme**”) under the Mandatory Provident Fund Schemes Ordinance (Chapter 485 of the Laws of Hong Kong) for employees employed under the jurisdiction of the Employment Ordinance (Chapter 57 of the Laws of Hong Kong). Share-based payments

Equity-settled share-based payment transactions

Share options granted to employees

Equity-settled share-based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

For grants of share options that are conditional upon satisfying specified vesting conditions, the fair value of services received is determined by reference to the fair value of share options granted at the grant date and is expensed on a straight-line basis over the vesting period, with a corresponding increase in equity (share option reserve).

At the end of the reporting period, the Group revised its estimates of the number of equity instruments that are expected to ultimately vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to share option reserve transferred to retained profits.

For share options that vest immediately at the date of grant, the fair value of the share options granted is expensed immediately to profit or loss.

When share options are exercised, the amount previously recognised in the share option reserve will be transferred to share capital and share premium. When the share options are forfeited after the vesting date or are still not exercised at the expiry date, the amount previously recognised in share option reserve will be transferred to retained earnings/accumulated losses.

Borrowing costs

All borrowing costs are recognised in profit or loss in the period in which they are incurred.

Government grants

Government grants are not recognised until there is reasonable assurance that the Group will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the Group recognised as expense the related costs for which the grants are intended to compensate. Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Group with no future related costs are recognised in profit or loss in the period in which they become receivable.

Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liabilities and contingent assets

A contingent liability is a possible obligation that arises from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. It can also be a present obligation arising from past events that is not recognised because it is not probable that outflow of economic resources will be required or the amount of obligation cannot be measured reliably. A contingent liability is not recognised but is disclosed. When a change in the probability of an outflow occurs so that outflow is probable, they will then be recognised as a provision.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. A contingent asset is not recognised but is disclosed when an inflow of economic benefits is probable. When inflow is virtually certain, an asset is recognised.

Foreign currencies

In preparing the financial statements of each individual group entity, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of the reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items, and on the retranslation of monetary items, are recognised in profit or loss in the period in which they arise, except for exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised initially in other comprehensive income and reclassified from equity to profit or loss on disposal or partial disposal of the Group's interests in associates.

For the purposes of presenting consolidated financial statements, the assets and liabilities of the Group's foreign operations are translated into the presentation currency of the Group (i.e. Hong Kong dollars) using exchange rates prevailing at the end of each reporting period. Income and expense items are translated at the average exchange rates for the period, unless exchange rates fluctuate significantly during that period, in which case the exchange rates at the dates of the transactions are used. Exchange differences arising, if any, are recognised in other comprehensive income and accumulated in equity under the heading of exchange reserve (attributed to non-controlling interests as appropriate).

On the disposal of a foreign operation (i.e. a disposal of the Group's entire interest in a foreign operation, or a disposal involving loss of control over a subsidiary that includes a foreign operation, or a partial disposal of an interest in a joint arrangement or an associate that includes a foreign operation of which the retained interest becomes a financial asset), all of the exchange differences accumulated in equity in respect of that operation attributable to the owners of the Company are reclassified to profit or loss.

In addition, in relation to a partial disposal of a subsidiary that does not result in the Group losing control over the subsidiary, the proportionate share of accumulated exchange differences are re-attributed to non-controlling interests and are not recognised in profit or loss. For all other partial disposals (i.e. partial disposals of associates or joint arrangements that do not result in the Group losing significant influence or joint control), the proportionate share of the accumulated exchange differences is reclassified to profit or loss.

Goodwill and fair value adjustments to identifiable assets acquired and liabilities assumed through acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the rate of exchange prevailing at the end of each reporting period. Exchange differences arising are recognised in other comprehensive income.

Discontinued operation

A discontinued operation is a component of the Group's business, the operations and cash flows of which can be clearly distinguished from the rest of the Group and which represents a separate major line of business or geographical area of operations, or is a part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations, or is a subsidiary acquired exclusively with a view to resale.

Classification as a discontinued operation occurs upon disposal or when the operation meets the criteria to be classified as held for sale, if earlier. It also occurs if the operation is abandoned.

Individually material operating segments are not aggregated for financial reporting purposes unless the segments have similar economic characteristics and are similar in respect of the nature of products and services, the nature of production processes, the type or class of customers, the methods used to distribute the products or provide the services, and the nature of the regulatory environment. Operating segments which are not individually material may be aggregated if they share a majority of these criteria.

4. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Group's accounting policies, which are described in Note 3, the Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical judgements in applying accounting policies

The following are the critical judgements, apart from those involving estimations, that the Directors have made in the process of applying the Group's accounting policies and that have most significant effect on the amounts recognised in the consolidated financial statements.

Determining whether the Group is acting as a principal or as an agent in trading of goods

Management of the Group considered that the Group is acting as a principal in this business because it obtains control of the products sold before they are transferred to customers. If control is unclear, when the Group is primarily obligated in a transaction, is subject to inventory risk, has latitude in establishing prices and selecting suppliers, or has several but not all of these indicators, gross amount of the sales and cost of sales are recorded. In determining whether the Group is acting as a principal or as an agent, management is required to exercise significant judgements and to consider all relevant facts and circumstances of the business.

4. 關鍵會計判斷及估計不明朗因素之主要來源

於應用附註3所述的本集團會計政策時，董事須對無法從其他來源得知的資產及負債的賬面值作出判斷、估計及假設。估計及相關假設乃按過往經驗及其他被認為相關的因素而作出。實際結果可能與該等估計存在差異。

估計及相關假設會持續進行審閱。對會計估計之修訂乃於估計修訂期間（倘修訂只影響該期間）或修訂期間及未來期間（倘修訂影響本期間及未來期間）予以確認。

應用會計政策之關鍵判斷

下列為董事於應用本集團會計政策過程中作出之關鍵判斷（涉及估計者除外），該等判斷對綜合財務報表所確認金額具最重大影響。

釐定本集團於商品貿易中是否擔任委託人或代理人

本集團管理層認為，本集團於此業務中擔任委託人，原因是其於所售產品轉移予客戶前獲得有關產品的控制權。倘控制權不確定，本集團於交易中承擔主要責任、面臨存貨風險、可自由確立價格及選擇供應商，或具有多個而非所有該等指標時，則記錄銷售總額及銷售成本。於釐定本集團是否擔任委託人或代理人時，管理層須行使重大判斷並考慮所有相關事實及營商環境。

4. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY (Continued)

Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Income taxes

The Group is subject to income taxes in various tax authorities. Significant judgement is required in determining the provision for income taxes and the timing of payment of the related tax. There are certain transactions and calculations for which the ultimate tax determination is uncertain during the ordinary course of business. The Group recognises liabilities for anticipated tax based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the income tax provision in the period in which such determination is made.

Depreciation and amortisation

Property, plant and equipment, right-of-use assets and intangible assets (see Notes 17, 18 and 19 to the consolidated financial statements respectively) are depreciated and amortised on a straight-line basis over their estimated useful lives. The Group annually reviews the useful life of an asset and its residual value, if any. The useful life is based on the Group's historical experience with similar assets and taking into account anticipated technology changes. The depreciation and amortisation expenses for future periods are adjusted if there are significant changes from previous estimates.

4. 關鍵會計判斷及估計不明朗因素之主要來源 (續)

估計不明朗因素主要來源

下列為關於未來之主要假設，以及於報告期末估計不明朗因素之其他主要來源，因而可能存在於下個財政年度對資產及負債賬面值作出重大調整之重大風險。

所得稅

本集團須於多個稅務機關繳付所得稅。在釐定所得稅撥備及有關稅項之繳付時間時需要作出重大判斷。在日常業務過程中有若干未能釐定最終稅項之交易和計算。本集團基於對是否需要繳納額外稅項之估計，就預期稅項確認負債。倘此等事宜之最終稅務結果與最初記錄之金額不同，則有關差異將影響作出有關釐定期間之所得稅撥備。

折舊及攤銷

物業、廠房及設備、使用權資產及無形資產(分別見綜合財務報表附註17、18及19)乃按其估計可使用年期以直線法計提折舊及攤銷。本集團每年檢討資產之可使用年期及其餘值(如有)。可使用年期乃根據本集團於類似資產之過往經驗及考慮預期之技術改變而釐定。倘與過往估計差異重大，則會對未來期間之折舊及攤銷開支作出調整。

4. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY (Continued)

Key sources of estimation uncertainty (Continued)

Impairment of goodwill

Determining whether goodwill is impaired requires an estimation of the recoverable amount of the CGUs (or group of CGUs) to which goodwill has been allocated, which is the higher of the value-in-use or fair value less costs of disposal. The value-in-use calculation requires the management of the Group to estimate the future cash flows expected to arise from the CGUs and a suitable discount rate in order to calculate the present value. Where the actual future cash flows are less than expected, or change in facts and circumstances which results in downward revision of future cash, a material impairment loss may arise. As at 30 June 2023, the carrying amount of goodwill was HK\$Nil (2022: approximately HK\$129,032,000), net of accumulated impairment losses of approximately HK\$291,416,000 (2022: approximately HK\$162,384,000).

Impairment of property, plant and equipment and right-of-use assets

Determining whether an item of property, plant and equipment and right-of-use assets are impaired requires an estimate of the recoverable amount of the relevant CGU to which the asset belongs, which is the higher of the value-in-use or fair value less costs to disposal. The value-in-use calculation requires the Group to estimate the future cash flows expected to arise from CGU and suitable discount rate in order to calculate the present value. Where the actual future cash flows are less than expected, or change in facts and circumstances which results in downward revision of future cash flows, a material impairment loss may arise.

Impairment of intangible assets

At the end of the reporting period, the Group reviews the carrying amounts of its intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. If the recoverable amount of an intangible asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised as an expense immediately. As at 30 June 2023, the carrying amount of intangible assets was HK\$Nil (2021: approximately HK\$1,035,000) after taking into account that the impairment loss of approximately HK\$730,000 (2022: HK\$Nil).

4. 關鍵會計判斷及估計不明朗因素之主要來源 (續)

估計不明朗因素主要來源 (續)

商譽之減值

釐定商譽是否減值須對獲分配商譽之現金產生單位 (或一組現金產生單位) 之可收回金額 (使用價值或公平值減出售成本兩者之較高者) 作出估計。使用價值計算要求本集團管理層估計預期自現金產生單位產生之未來現金流量及合適之貼現率以計算現值。倘未來實際現金流量低於預期, 或事實及情況有變以致未來現金下調, 則可能產生重大減值虧損。於二零二三年六月三十日, 商譽賬面值為零港元 (二零二二年: 約129,032,000港元), 扣除累計減值虧損約291,416,000港元 (二零二二年: 約162,384,000港元)。

物業、廠房及設備以及使用權資產之減值

釐定物業、廠房及設備以及使用權資產項目是否已減值, 須對該資產所屬的相關現金產生單位的可收回金額 (使用價值或公平值減出售成本兩者之較高者) 作出估計。於計算使用價值時, 本集團須估計預期自現金產生單位產生之未來現金流量及合適之貼現率以計算現值。倘未來實際現金流量低於預期, 或事實及情況有變以致未來現金流量下調, 則可能產生重大減值虧損。

無形資產之減值

於報告期末, 本集團審閱其無形資產之賬面值, 以決定該等資產有否任何減值虧損跡象。倘出現任何該等跡象, 則會估計資產之可收回金額, 以釐定減值虧損 (如有) 之程度。倘無形資產之可收回金額預計將低於其賬面值, 資產之賬面值減至其可收回金額。減值虧損會即時確認為開支。於二零二三年六月三十日, 經計及減值虧損約730,000港元 (二零二二年: 零港元) 後, 無形資產賬面值為零港元 (二零二二年: 約1,035,000港元)。

4. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY (Continued)

Key sources of estimation uncertainty (Continued)

Deferred tax assets

At 30 June 2023, deferred tax assets of approximately HK\$21,000 (2022: approximately HK\$11,149,000) in relation to the timing differences on revenue recognition and impairment allowances for credit loss has been recognised in the Group's consolidated statement of financial position. No deferred tax asset has been recognised on the tax losses of approximately HK\$22,988,000 (2022: approximately HK\$9,114,000) due to the unpredictability of future profit streams. The realisability of the deferred tax asset mainly depends on whether sufficient future profits or taxable temporary differences will be available in the future. In cases where the actual future taxable profits generated are less or more than expected, or change in facts and circumstances which result in revision of future taxation profits estimation, a material reversal or further recognition of deferred tax assets may arise, which would be recognised in profit or loss for the period in which such a reversal or further recognition takes place.

Provision of ECL

The measurement of impairment losses under HKFRS 9 across all categories of financial assets requires significant judgement and estimation, in particular, the assessment of a significant increase in credit risk and credit-impaired financial assets as well as the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses. These estimates are driven by a number of factors, changes in which can result in different levels of allowances. At each reporting date, the Group assesses whether there has been a significant increase in credit risk for exposures since initial recognition by comparing the risk of default occurring over the expected life between the reporting date and the date of initial recognition. The Group considers reasonable and supportable information that is relevant and available without undue cost or effort for this purpose. This includes quantitative and qualitative information and also, forward-looking analysis. Details of the key assumptions and inputs used are set out in Note 5 to the consolidated financial statements.

估計不明朗因素主要來源 (續)

遞延稅項資產

於二零二三年六月三十日，與收益確認及信貸虧損減值撥備的時間差有關的遞延稅項資產約21,000港元（二零二二年：約11,149,000港元）已於本集團的綜合財務狀況表確認。由於未來溢利無法預測，故並無就稅項虧損約22,988,000港元（二零二二年：約9,114,000港元）確認遞延稅項資產。變現遞延稅項資產主要視乎未來是否有足夠未來溢利或應課稅暫時差額。倘所產生的實際未來應課稅溢利低於或高於預期數額，或事實及情況有變以致修改未來應課稅溢利估計，則遞延稅項資產可能會出現重大撥回或予以進一步確認，而這會於有關撥回或進一步確認發生期間的損益內確認。

預期信貸虧損撥備

根據香港財務報告準則第9號計量所有類別的金融資產的減值虧損須作重大判斷及估計，尤其是於釐定減值虧損時估計大幅增加的信貸風險及信貸減值金融資產，以及未來現金流量及抵押品價值的金額及時間。該等估計由多項因素決定，其變動可能致使不同水平的撥備。於各報告日期，本集團透過比較報告日期與初始確認日期之間的預期壽命所發生的違約風險，評估自初始確認起信貸風險是否大幅增加。就此而言，本集團考慮到相關及無須付出過多成本或努力即可獲得之合理及可靠資料，包括定量及定性之資料，並包括前瞻性分析。所用關鍵假設及輸入數據的詳情載於綜合財務報表附註5。

Key sources of estimation uncertainty (Continued)

Fair value measurements of other financial instruments

Some of the Group's financial assets are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Group uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Group engages an independent professional valuer to perform the valuation. The Group uses valuation techniques that include inputs that are not based on observable market data to estimate the fair value of certain types of financial instruments. Note 5(c) provides detailed information about the valuation techniques, inputs and key assumptions used in the determination of the fair value.

Going concern consideration

The Directors have prepared the consolidated financial statements on the assumption that the Group will be able to operate as a going concern in the foreseeable future, which is a critical judgement that has the most significant effect on the amounts recognised in the consolidated financial statements. The assessment of the going concern assumptions involves making a judgement by the Directors, about the future outcome of events or conditions which are inherently uncertain. The Directors consider that, after taking into account of all major events or conditions which may give rise to business risks, that individually or collectively may cast significant doubt upon the going concern assumptions as set out in Note 3 to the consolidated financial statements, the Group has the capability to continue as a going concern.

Credit risk and impairment assessment

In respect of trade receivables, in order to minimise the credit risk, the Group has delegated a team responsible for determination of credit limits and credit approvals. Before accepting any new customer, the Group will assess the potential customer's credit quality and define credit limits by individual customer. Receivables due from customers are due within the settlement period commonly adopted by the relevant market convention, which is usually within 90 days except for trading of goods which settlement is made in accordance with the terms specified in the contracts governing the relevant transactions. Normally, the Group does not hold any collateral or other credit enhancement over its trade receivables balances. Other monitoring procedures are in place to ensure the follow-up action is taken to recover overdue debts. In addition, the Group performs impairment assessment under ECL model at the end of each reporting period to ensure that adequate impairment losses are made. In this regard, the Directors consider that the Group's credit risk is significantly reduced.

就貿易應收款項而言，為盡量減低信貸風險，本集團已委派小組負責制訂信貸限額及信貸審批。於接受任何新客戶前，本集團將評估潛在客戶的信貸質素及制訂個別客戶的信貸限額。應收客戶款項在一般根據相關市場慣例採納的結付期內到期，即通常為90日內，惟買賣商品除外，其結付乃按照規管相關交易的合約內所訂明的條款進行。在通常情況下，本集團不會就其貿易應收款項結餘持有任何抵押品或其他信貸升級措施。其他監控程序亦已就緒，確保採取跟進措施以收回逾期債項。此外，本集團根據預期信貸虧損模式於各報告期末進行減值評估，以確保作出充足的減值虧損撥備。就此而言，董事認為本集團的信貸風險已顯著降低。

In respect of factoring receivables, lease receivables and loan receivables from customers, the objective of the Group's measure to manage credit risk is to control the potential exposure to the recoverability problem. The Group manages and analyses the credit risk of each of their new and existing customers before payment terms and conditions are concluded by assessing the credit quality of the customer, taking into account its financial position, past settlement experience and other factors. Factoring receivables, lease receivables and loan receivables balances are monitored on an on-going basis, management reviews the recoverable amount at each reporting date to ensure that adequate impairment losses are made for irrecoverable amounts. Interest income are usually billed on monthly or quarterly basis. The factoring receivables and lease receivables are also guaranteed by directors of the customers as additional security for shortfalls on collect outs due to dispute or breach of contract for which the guarantor is liable. Other monitoring procedures are in place to ensure that follow-up action is taken to recover overdue debts. In addition, the Group performs impairment assessment under ECL model at the end of each reporting period to ensure that adequate impairment losses are made. In this regard, the Directors consider that the Group's credit risk is significantly reduced.

The credit risk on liquid funds is limited because the counterparties are banks and other financial institutions which are reputable in the opinion of management.

信貸風險及減值評估 (續)

就來自客戶的保理應收款項、租賃應收款項及應收貸款而言，本集團管理信貸風險的措施旨在控制可能面對的可收回性問題。於確定付款條款及條件之前，本集團評估客戶的信貸質素（其中會考慮其財務狀況、過往結付經驗及其他因素），藉以為其每一名新客戶及現有客戶管理及分析信貸風險。保理應收款項、租賃應收款項及應收貸款結餘按持續經營基準監控，管理層於各報告日期對可收回金額進行審閱，確保對不可收回金額作出充足的減值虧損撥備。利息收入則通常會每月或每季發出賬單。保理應收款項及租賃應收款項亦由客戶董事提供擔保，作為因出現爭議或擔保人須承擔責任的合約違約時收回款項不足額的額外抵押。其他監控程序亦已就緒，確保採取跟進措施以收回逾期債項。此外，本集團根據預期信貸虧損模式於各報告期末進行減值評估，以確保作出充足的減值虧損撥備。就此而言，董事認為本集團的信貸風險已顯著降低。

流動資金之信貸風險有限，因為交易方是管理層認為具信譽之銀行及其他金融機構。

Impairment assessment policies

The Group's policy requires the review of individual outstanding amounts regularly depending on individual circumstance or market condition.

The management is responsible in developing and maintaining the processes for measuring ECL, the impairment requirements under HKFRS 9. The Group applies simplified approach to measure ECL on trade receivables and general approach to measure ECL on factoring receivables, lease receivables, loan receivables and other financial assets classified at amortised cost. Under the simplified approach, the Group measures the loss allowance at an amount equal to lifetime ECL. Under the general approach, financial assets migrate through the following three stages based on the change in credit risk since initial recognition: Stage 1: 12m ECL, Stage 2: Lifetime ECL – not credit-impaired and Stage 3: Lifetime ECL – credit-impaired.

For such financial assets classified as Stage 1 and 2, the management assesses loss allowances using the risk parameter modelling approach that incorporates key parameters, including PD, LGD and EAD. For credit-impaired financial assets classified as Stage 3, the management assesses the credit loss allowances by estimating the future cash flows expected to arise from the financial assets.

減值評估政策

本集團的政策要求根據個別情況或市場狀況定期審閱個別未償還款項。

管理層負責制定及維持根據香港財務報告準則第9號項下的減值要求進行預期信貸虧損計量的程序。本集團應用簡化法計量貿易應收款項的預期信貸虧損及應用一般法計量保理應收款項、租賃應收款項、應收貸款及其他分類為按攤銷成本列賬的金融資產的預期信貸虧損。按照簡化法，本集團按相等於全期預期信貸虧損的金額計量虧損撥備。按照一般法，金融資產乃基於初始確認後的信貸風險變動劃分為下列三個階段：第1階段：12個月預期信貸虧損、第2階段：全期預期信貸虧損—未發生信貸減值及第3階段：全期預期信貸虧損—已發生信貸減值。

就分類為第1階段及第2階段的金融資產而言，管理層使用風險參數建模方法評估虧損撥備，該方法採用多項關鍵參數，包括違約概率、違約虧損率及違約風險敞口。就分類為第3階段的已發生信貸減值金融資產而言，管理層透過估計金融資產預期將產生的未來現金流量來評估信貸虧損撥備。

Measurement of ECL

The Group conducted an assessment of ECL according to forward-looking information and used complex models and assumptions in its expected measurement of credit losses. These models and assumptions relate to the future macroeconomic conditions and customer's creditworthiness (e.g. the likelihood of default by customers and the corresponding losses). The Group adopts judgement, assumptions and estimation techniques in order to measure ECL according to the requirements of accounting standards such as:

(i) *Criteria for judging significant increase in credit risk*

The Group assesses whether or not the credit risk of the relevant financial instruments has increased significantly since the initial recognition at each reporting date. While determining whether the credit risk has significantly increased since initial recognition or not, the Group takes into account the reasonable and substantiated information that is accessible without exerting unnecessary cost or effort, including qualitative and quantitative analysis based on the historical data of the Group, credit rating grade, and forward-looking information. Based on the single financial instrument or the combination of financial instruments with similar characteristics of credit risk, the Group compares the risk of default of financial instruments on the reporting date with that on the initial recognition date in order to figure out the changes of default risk in the expected lifetime of financial instruments.

計量預期信貸虧損

本集團結合前瞻性資料進行了預期信貸虧損評估，其預期信貸虧損的計量中使用了複雜的模型及假設。該等模型及假設涉及未來的宏觀經濟情況及客戶的信用狀況（例如，客戶違約的可能性及相應虧損）。本集團於根據會計準則要求計量預期信貸虧損的過程中使用判斷、假設及估計技術，例如：

(i) *判斷信貸風險顯著增加的標準*

本集團於各報告日期評估相關金融工具的信貸風險自初始確認後是否已顯著增加。於確定信貸風險自初始確認後是否已顯著增加時，本集團會考慮毋須付出不必要的成本或努力即可獲得的合理且有依據的資料，包括基於本集團歷史數據的定性及定量分析、信貸評級以及前瞻性資料。本集團以單項金融工具或者具有相似信貸風險特徵的金融工具組合為基礎，透過比較金融工具於報告日期發生違約的風險與於初始確認日期發生違約的風險，確定金融工具預計存續期內發生違約風險的變化情況。

The Group considers a financial instrument to have experienced a significant increase in credit risk when one or more of the following quantitative, qualitative or backstop criteria have been met:

- Quantitative criteria: At the reporting date, the increase in remaining lifetime PD is considered significant comparing with the one at initial recognition.
- Qualitative criteria: Significant adverse change in debtor's operation or financial status.

For factoring receivables and lease receivables, the number of days past due and loan-to-collateral value were used to estimate significant increase in credit risk. Other financial assets at amortised cost use number of days past due as determinant of credit risk.

- 定量標準：於報告日期，剩餘存續期違約概率相比初始確認時的增加幅度被認為屬顯著。
- 定性標準：債務人的經營或財務情況出現重大不利變化。

就保理應收款項及租賃應收款項而言，使用逾期天數及貸款與抵押品價值比來估計信貸風險是否顯著增加。其他按攤銷成本計量的金融資產使用逾期天數作為信貸風險的釐定因素。

(iii) Parameters of ECL measurement

According to whether there is a significant increase in credit risk and whether there is an impairment of assets, the Group measures the impairment loss for different assets with ECL of 12 months or the entire lifetime respectively. The key measuring parameters of ECL include PD, LGD and EAD. The Group takes into account the quantitative analysis of historical statistics (such as internal rating grade, manners of guarantees and types of collaterals, repayments, etc.) and forward-looking information in order to establish the model of PD, LGD and EAD.

- PD refers to the possibility that the debtor will not be able to fulfil its obligations of repayment over the next 12 months or throughout the entire remaining lifetime. For factoring receivables, lease receivables and loan receivables, the Group estimates PD by the internal credit ratings. For other financial assets at amortised cost the PD is adjusted based on the credit rating of comparable companies operating in similar business;

(iii) 計量預期信貸虧損的參數

根據信貸風險是否發生顯著增加以及資產是否發生減值，本集團對不同資產分別以12個月或全期預期信貸虧損計量減值虧損。預期信貸虧損的關鍵計量參數包括違約概率、違約虧損率及違約風險敞口。本集團考慮歷史統計數據（如內部評級、擔保方式及抵押品類別、還款方式等）的定量分析以及前瞻性資料，建立違約概率、違約虧損率及違約風險敞口模型。

- 違約概率是指債務人在未來12個月或在整個剩餘存續期，無法履行其償付責任的可能性。就保理應收款項、租賃應收款項及應收貸款而言，本集團以內部信貸評級估計違約概率。就其他按攤銷成本計量的金融資產而言，違約概率乃透過對經營類似業務的可資比較公司的信貸評級作出調整而釐定；

- LGD refers to the Group's expectation of the extent of the loss resulting from the default exposure. The LGD is the percentage of loss of risk exposure at the time of default, calculated over the next 12 months or over the entire remaining lifetime;
- EAD is the amount that the Group should be reimbursed at the time of the default in the next 12 months or throughout the entire remaining lifetime.

(iv) Forward-looking information

The calculation reflects the probability-weighted outcome, the time value of money and reasonable and supportable information that is available at the reporting date about past events, current conditions and forecasts of future economic conditions.

In addition, the Group performs impairment assessment under ECL model on specific trade receivables individually. The Group has used the past due information of counterparties to assess whether credit risk has been increased significantly since initial recognition. The Directors estimate the estimated loss rates based on historical observed default rates over the expected life of the debtors and are adjusted for forward-looking information that is available without undue cost or effort as well as the fair value of the collateral pledged by the customers to the factoring receivables, lease receivables and loan receivables.

As at 30 June 2022, based on assessment by the Directors, the LGD is low in view of the estimated realised amount of ultimate disposal of the collaterals for secured factoring receivables and lease receivables and the Directors consider the ECL for the factoring receivables and lease receivables is significantly mitigated by the collaterals held. As at 30 June 2023, the Directors considered the LGD has significantly increased due to the deterioration in the value of collaterals held, such as an increase in the credit risk of those pledged account receivables from secured factoring receivables as they have past due, and decrease in the value of pledged plant and machinery from lease receivables as they are obsolete.

At 30 June 2023, the Group provided approximately HK\$337,894,000, HK\$15,954,000 and HK\$1,117,000 (2022: approximately HK\$26,663,000, HK\$3,343,000 and HK\$20,000) impairment allowance for factoring receivables, lease receivables and loan receivables respectively.

董事根據應收賬款預期年限內過往觀察到的違約率估算估計虧損率，並按毋須付出不適當成本或努力即可獲得的前瞻性資料以及客戶就保理應收款項、租賃應收款項及應收貸款抵押的抵押品公平值作出調整。

於二零二二年六月三十日，根據董事的評估，經考慮最終出售有抵押保理應收款項及租賃應收款項抵押品的估計變現金額，違約虧損率為低，而董事認為，持有的抵押品大大減輕保理應收款項及租賃應收款項的預期信貸虧損。於二零二三年六月三十日，由於所持抵押品（例如有抵押保理應收款項的已質押應收賬款因逾期導致信貸風險增加及租賃應收款項的已質押廠房及機器因陳舊導致價值降低）價值惡化，董事認為，違約虧損率已顯著增加。

於二零二三年六月三十日，本集團分別就保理應收款項、租賃應收款項及應收貸款計提減值撥備約337,894,000港元、15,954,000港元及1,117,000港元（二零二二年：約26,663,000港元、3,343,000港元及20,000港元）。

Other receivables and deposits

For the other receivables and deposits, the Directors make periodic individual assessment on the recoverability of the other receivables and deposits based on historical settlement records, past experience, and also quantitative and qualitative information that is reasonable and supportive forward-looking information. The Directors believe that there are no significant increase in credit risk of these amounts since initial recognition and the Group provided impairment based on 12m ECL under general approach.

Other financial assets

Other financial assets at amortised cost include cash and cash equivalents. The Group accounts for its credit risk by appropriately providing for expected losses on a timely basis. In calculating the expected loss rates, the Group considers historical loss rates for each category of the other financial assets and adjusts for forward-looking macroeconomic data.

At 30 June 2023 and 2022, the Group assessed that the ECL rate is immaterial under 12m ECL under general approach. Thus, no loss allowance for other financial assets was recognised.

其他應收款項及按金

就其他應收款項及按金而言，董事根據歷史結算記錄、過往經驗以及合理的定量及定性資料與可靠的前瞻性資料，定期就其他應收款項及按金的可收回性進行個別評估。董事認為，該等款項自初始確認以來的信貸風險並無顯著增加，故本集團根據一般法按12個月預期信貸虧損計提減值。

其他金融資產

按攤銷成本列賬的其他金融資產包括現金及現金等值項目。本集團及時通過適當地計提預期虧損入賬信貸風險。計算預期虧損率時，本集團會考慮各類別其他金融資產的歷史虧損率，並根據前瞻性宏觀經濟資料進行調整。

於二零二三年及二零二二年六月三十日，經本集團評估，根據一般法按12個月預期信貸虧損計算的預期信貸虧損率並不重大。因此，並無確認其他金融資產的虧損撥備。

Liquidity risk

Liquidity risk is the risk that funds will not be available to meet liabilities as they fall due, and it results from amount and maturity mismatches of assets and liabilities. The Group will consistently maintain a prudent financial policy and ensure that it maintains sufficient cash to meet its liquidity requirements.

The Group's financial liabilities are analysed into relevant maturity groupings based on the remaining period at the end of the respective reporting periods to the contractual maturity date, using the contractual undiscounted cash flows, as follows:

Interest rate risk

The Group is exposed to fair value interest rate risk in relation to fixed coupon rate corporate bonds and lease liabilities. The Group is also exposed to cash flow interest rate risk relating to the Group's variable-rate bank balances.

The Group's exposure to interest rates on bank balances is considered insignificant and the interest rate on corporate bonds is shown in the liquidity risk section of this note. The Group's cash flow interest rate risk is mainly concentrated on the fluctuation of the prevailing market interest rate in Hong Kong and the PRC. The Group currently does not have any interest rate hedging policy. However, the management monitors interest rate exposure and will consider hedging significant interest rate exposure should the need arise.

Sensitivity analysis

The sensitivity analysis below has been determined based on the exposure to interest rates for financial instruments at the end of the reporting period. A 50 basis points (2022: 50 basis points) increase or decrease represents management's assessment of the reasonable possible change in interest rates.

If interest rates had been 50 basis points (2022: 50 basis points) higher/lower and all other variables were held constant, the Group's loss before tax for the year would decrease/increase by approximately HK\$213,000 (2022: decrease/increase by approximately HK\$144,000).

Currency risk

The Group operates in Hong Kong and the PRC and is exposed to foreign exchange risk arising from various currency exposures, primarily with respect to Renminbi ("RMB"). Currency risk arises from the foreign currency denomination of commercial transactions, assets and liabilities. The Group has no significant direct exposure to foreign currencies as most of the commercial transactions, assets and liabilities are denominated in a currency same as the functional currency of each entity of the Group.

敏感度分析

下文的敏感度分析乃基於報告期末就金融工具承擔的利率風險而釐定。50個基點(二零二二年：50個基點)之增加或減少代表管理層就利率可能產生之合理變動而作出之評估。

倘利率已上升／下降50個基點(二零二二年：50個基點)，而所有其他變量維持不變，本集團之年內除稅前虧損將減少／增加約213,000港元(二零二二年：減少／增加約144,000港元)。

貨幣風險

本集團於香港及中國營運，並承受不同貨幣產生的外匯風險，主要與人民幣(「人民幣」)有關。貨幣風險來自以外幣計值之商業交易、資產及負債。由於大多數商業交易、資產及負債之計值貨幣均與本集團各實體之功能貨幣相同，故本集團並無直接面對重大外幣風險。

The Directors consider that the carrying amount of other financial assets and liabilities carried at amortised cost in the consolidated financial statements approximate to their fair values.

Note:

- (i) The Group appointed Peak Vision Appraisals Limited ("Peak Vision") to determine the fair value of early redemption right using the Hull-white model. The Hull-white model predicts the evolution of short rate using multi-factors such as time to maturity, prevailing interest rates, mean reversion and volatility of rate changes, etc. If the interest rate of the early redemption right from corporate bonds held by the Group had been 10% higher and all other variables were held constant, the loss before tax would have been increased by HK\$Nil (2022: loss before tax would have been increased by approximately HK\$145,000); 10% lower and all other variables were held constant, the loss before tax would have been decreased by approximately HK\$Nil (2022: loss before tax would have been decreased by approximately HK\$147,000).

附註：

- (i) 本集團委任灤鋒評估有限公司(「灤鋒」)採用赫爾懷特模式釐定提前贖回權公平值。赫爾懷特模式使用多種因素預測短期利率的演變，該等因素包括到期時間、現行利率、均值回歸及利率變化的波動性等。倘本集團持有之公司債券之提前贖回權利率上升10%，而所有其他變量維持不變，則除稅前虧損將增加零港元(二零二二年：除稅前虧損將增加約145,000港元)；下降10%而所有其他變量維持不變，則除稅前虧損將減少約零港元(二零二二年：除稅前虧損將減少約147,000港元)。

Under the two-tiered profits tax rates regime, the first HK\$2 million of profits of the qualifying group entity will be taxed at 8.25%, and profits above HK\$2 million will be taxed at 16.5%. The profits of group entities not qualifying for the two-tiered profits tax rates regime will continue to be taxed at a flat rate of 16.5%. No provision for Hong Kong Profits Tax has been made since the Group had no estimated assessable profits for the years ended 30 June 2023 and 2022.

Under the Law of the PRC on Enterprise Income Tax (the “EIT Law”) and Implementation Regulation of the EIT Law, the tax rate of the subsidiaries of the Group in the PRC is 25% for the years ended 30 June 2023 and 2022.

Pursuant to the EIT Law and its implementation rules, dividends declared in respect of profit earned by the PRC subsidiaries, and royalty receivable by non-PRC corporate residents from the PRC enterprises are subject to a withholding tax at a rate of 10%, unless reduced by tax treaties or arrangements.

根據利得稅兩級制，合資格集團實體首2,000,000港元的溢利按8.25%徵稅，超過2,000,000港元的溢利按16.5%徵稅。不符合利得稅兩級制資格的集團實體的溢利則繼續按統一稅率16.5%徵稅。由於本集團於截至二零二三年及二零二二年六月三十日止年度並無估計應課稅溢利，故並無就香港利得稅計提撥備。

根據中國企業所得稅法(「企業所得稅法」)及企業所得稅法實施條例，本集團中國附屬公司於截至二零二三年及二零二二年六月三十日止年度的稅率為25%。

根據企業所得稅法及其實施條例，就中國附屬公司所賺取之溢利而宣派之股息，及非中國企業居民應收中國企業之版權費須按10%稅率繳納預扣稅，除非按稅務協定或安排減免。

The calculation of the basic and diluted loss per share attributable to the owners of the Company is based on the following data:

16. 每股虧損

本公司擁有人應佔每股基本及攤薄虧損的計算基於以下數據：

		2023 二零二三年 HK\$'000 千港元	2022 二零二二年 HK\$'000 千港元 (Restated) (經重列)
Loss	虧損		
Loss attributable to owners of the Company	本公司擁有人應佔虧損

From a discontinued operation	來自已終止經營業務	388	2,513
		506,497	122,867

Weighted average number/number of ordinary shares for the purpose of basic and diluted loss per share	用於計算每股基本及攤薄虧損之普通股加權平均數/數目	1,943,894	1,855,903

For the years ended 30 June 2023 and 2022, the computation of diluted loss per share does not assume the exercise of the Company's outstanding share options as the exercise prices of the share options were higher than the average market price of the shares of the Company. The basic and diluted loss per share were the same for the years ended 30 June 2023 and 2022.

截至二零二三年及二零二二年六月三十日止年度，由於購股權之行使價高於本公司股份平均市價，因此計算每股攤薄虧損時並無假設本公司未行使的購股權獲行使。截至二零二三年及二零二二年六月三十日止年度之每股基本及攤薄虧損相同。

21. IMPAIRMENT TESTING OF GOODWILL AND INTANGIBLE ASSETS (Continued)

During the year ended 30 June 2023, with reference to the professional valuation performed by the Peak Vision, the management of the Group has determined that an impairment loss of approximately HK\$129,032,000 (2022: approximately HK\$111,418,000) arose in relation to goodwill allocated to certain groups of CGUs. There were no material changes in the methodology and sources of market data applied in the valuation between 2023 and 2022. After reviewing the performance of the CGUs in 2023, the management of the Group revised the carrying amounts of the CGUs downwards based on cash flow forecasts. The cash flow forecasts, growth rates and discount rate as at 30 June 2023 have been reassessed taking into consideration higher degree of estimation uncertainties due to the impact brought by the COVID-19, the temporary suspension of businesses due to the implementation of lock-down measures in Shanghai and weakening of business economies in the Mainland China.

The recoverable amounts of CGUs were determined based on a value-in-use calculation with the assistance of the independent professional qualified valuers not connected with the Group. The calculation uses cash flow projections based on financial budgets approved by the management. Assumptions were used in the value-in-use calculation of the CGUs for the years ended 30 June 2023 and 2022. The major underlying assumptions on which management has based in the preparation of cash flow projections to undertake impairment testing of goodwill are summarised below:

Discount rate per annum – the discount rates used are post-tax rates that reflect current market assessments of the time value of money and the risks specific to the CGUs.

21. 商譽及無形資產減值測試 (續)

截至二零二三年六月三十日止年度，經參考滙鋒進行的專業估值後，本集團管理層已確定，分配至若干現金產生單位組別的商譽產生約129,032,000港元（二零二二年：約111,418,000港元）的減值虧損。於二零二三年及二零二二年，用於估值的方法及市場資料來源並無重大變化。經審閱二零二三年現金產生單位的表現後，本集團管理層根據現金流量預測，下調現金產生單位的賬面值。於二零二三年六月三十日，現金流量預測、增長率及貼現率已重新評估，當中考慮到因COVID-19帶來的影響、上海實施封控措施引致的業務暫停及中國內地商業經濟疲軟而作出的較高程度估計不確定性。

現金產生單位的可收回金額已在與本集團無關的獨立專業合格估價師的協助下根據使用價值計算而釐定。該計算使用基於管理層批准之財務預算之現金流量預測。於計算截至二零二三年及二零二二年六月三十日止年度的現金產生單位的使用價值時已使用假設。管理層於編製現金流量預測以進行商譽減值測試時所依據的主要相關假設概述如下：

每年貼現率—所使用的貼現率乃反映對貨幣時間價值之當前市場評估及現金產生單位特定風險之稅後利率。

21. IMPAIRMENT TESTING OF GOODWILL AND INTANGIBLE ASSETS (Continued)

Budgeted revenue and budgeted profit margin – management determined budgeted gross margins based on past performance, existing sales contracts and management expectations for the market development.

Terminal growth rate – the rate used is with reference to the long term average growth rates and expected market development.

Fortune Selection CGU

The value-in-use calculation used cash flow projections based on financial budgets approved by management covering a three-year period, and at a discount rate of 13.80% (2022: 13.06%). Since there was no positive cash flow at terminal year, terminal growth rate is not applicable (2022: Cash flows after the three-year period were extrapolated using a 2% growth rate, after considering the economic conditions of the market).

The trademarks and brands were assessed by the Directors for impairment as part of the impairment assessment of the brand management services as the trademarks and brands belonged to the Fortune Selection CGU for impairment testing purpose.

For the year ended 30 June 2023, impairment loss of approximately HK\$2,087,000 (2022: approximately HK\$29,749,000) has been provided as the budgeted average revenue reduced to approximately HK\$637,000 (2022: approximately HK\$2,204,000), and the recoverable amount of this CGU was reduced to HK\$Nil (2022: approximately HK\$3,122,000), and impairment loss of approximately HK\$730,000 (2022: no impairment loss) has been allocated to intangible assets with carrying amount HK\$Nil (2022: approximately HK\$1,035,000). The impairment loss on goodwill arose as a result of the less than satisfactory past and expected performance of the Fortune Selection CGU.

21. 商譽及無形資產減值測試 (續)

預算收益及預算溢利率—管理層根據過往業績、現有銷售合約及管理層對市場發展的預期以釐定預算毛利率。

最終增長率—所使用的利率乃經參考長期平均增長率及預期市場發展。

Fortune Selection現金產生單位

使用價值計算使用基於管理層批准之三年期財務預算之現金流量預測，貼現率為13.80% (二零二二年：13.06%)。由於最終年度並無正現金流量，最終增長率並不適用 (二零二二年：經考慮市場經濟狀況後，使用2%增長率以推斷三年期後之現金流量)。

就減值測試而言，由於商標及品牌屬於Fortune Selection現金產生單位，故董事已對商標及品牌進行減值評估，作為品牌管理服務減值評估的一部分。

截至二零二三年六月三十日止年度，由於預算平均收益減至約637,000港元 (二零二二年：約2,204,000港元)，且該現金產生單位之可收回金額已減至零港元 (二零二二年：約3,122,000港元)，故已計提減值虧損約2,087,000港元 (二零二二年：約29,749,000港元)，且減值虧損約730,000港元 (二零二二年：無減值虧損) 獲分配至賬面值為零港元 (二零二二年：約1,035,000港元) 的無形資產。商譽減值虧損乃由於Fortune Selection現金產生單位過去及預期表現欠佳所致。

Cheer Sino CGU

The value-in-use calculation used cash flow projections based on financial budgets approved by management covering a three-year period, and at a discount rate of 13.80% (2022: 13.06%). Since there was no positive cash flow at terminal year, terminal growth rate is not applicable (2022: Cash flows after the three-year period were extrapolated using a 2% growth rate, after considering the economic conditions of the market).

For the year ended 30 June 2023, impairment loss of approximately HK\$126,511,000 (2022: approximately HK\$81,669,000) has been provided as the budgeted average revenue reduced to HK\$Nil (2022: approximately HK\$22,559,000), and the recoverable amount of this CGU was reduced to HK\$Nil (2022: approximately HK\$126,511,000). The impairment loss on goodwill arose as a result of the less than satisfactory past and expected performance of the Cheer Sino CGU.

CIS CGU

The value-in-use calculation used cash flow projections based on financial budgets approved by management covering a three-year period, and at a discount rate of 17.20% (2022: 15.23%). Since there was no positive cash flow at terminal year, terminal growth rate is not applicable (2022: Cash flows after the three-year period were extrapolated using a 2% growth rate, after considering the economic conditions of the market).

For the year ended 30 June 2023, the management of the Company determines that impairment loss of approximately HK\$334,000 (2022: HK\$Nil) was provided on CIS CGU as the budgeted average revenue reduced to HK\$Nil and the recoverable amount of this CGU was reduced to HK\$Nil. The impairment loss on goodwill arose as a result of the less than satisfactory past and expected performance of the CIS CGU (2022: There was no impairment on CIS CGU as the recoverable amount was significantly above the carrying amount. Management then believed that any reasonably possible change in any of these assumptions would not result in impairment).

華志現金產生單位

使用價值計算使用基於管理層批准之三年期財務預算之現金流量預測，貼現率為13.80% (二零二二年：13.06%)。由於最終年度並無正現金流量，最終增長率並不適用 (二零二二年：經考慮市場經濟狀況後，使用2%增長率以推斷三年期後之現金流量)。

截至二零二三年六月三十日止年度，由於預算平均收益減至零港元 (二零二二年：約22,559,000港元)，且該現金產生單位之可收回金額已減至零港元 (二零二二年：約126,511,000港元)，故已計提減值虧損約126,511,000港元 (二零二二年：約81,669,000港元)。商譽減值虧損乃由於華志現金產生單位過去及預期表現欠佳所致。

艾斯現金產生單位

使用價值計算使用基於管理層批准之三年期財務預算之現金流量預測，貼現率為17.20% (二零二二年：15.23%)。由於最終年度並無正現金流量，最終增長率並不適用 (二零二二年：經考慮市場經濟狀況後，使用2%增長率以推斷三年期後之現金流量)。

截至二零二三年六月三十日止年度，本公司管理層釐定，由於預算平均收益減至零港元，且該現金產生單位之可收回金額已減至零港元，故就艾斯現金產生單位計提減值虧損約334,000港元 (二零二二年：零港元)。商譽減值虧損乃由於艾斯現金產生單位過去及預期表現欠佳所致 (二零二二年：由於可收回金額遠高於賬面值，故並無就艾斯現金產生單位計提減值。因此管理層認為，任何該等假設之任何合理可能變動均不會導致減值)。

The value-in-use calculation used cash flow projections based on financial budgets approved by management covering a three-year period, and at a discount rate of 16.84% (2022: 16.18%). For the year ended 30 June 2023, the management of the Company determines that impairment loss of approximately HK\$100,000 (2022: HK\$Nil) was provided on Hananhal CGU as the budgeted average revenue reduced to HK\$Nil and the recoverable amount of this CGU was reduced to HK\$Nil. The impairment loss on goodwill arose as a result of the less than satisfactory past and expected performance of the Hananhal CGU (2022: There was no impairment on Hananhal CGU as the recoverable amount was significantly above the carrying amount. 截至二零二三年六月三十日止年度，本公司管理層釐定，由於預算平均收益減至零港元，且該現金產生單位之可收回金額已減至零港元，故就漢安堂現金產生單位計提減值虧損約100,000港元 (二零二二年：零港元)。商譽減值虧損乃由於漢安堂現金產生單位過去及預期表現欠佳所致 (二零二二年：由於可收回金額遠高於賬面值，故並無就漢安堂現金產生單位計提減值。因此管理層認為，任何該等假設之任何合理可能變動均不會導致減值)。

Notes:

(a) The vesting of the options is conditional upon the fulfilment of certain performance targets relating to the Group. All the share options granted under the Share Option Scheme are subject to the following vesting period: 25% of the share options are exercisable from 31 December 2018 to 31 May 2028, 25% of the share options are exercisable from 30 June 2019 to 31 May 2028, 25% of the share options are exercisable from 31 December 2019 to 31 May 2028 and 25% of the share options are exercisable from 30 June 2020 to 31 May 2028.

(b) The share options were cancelled due to resignation of employees during the years ended 30 June 2023 and 2022.

The assessed fair value at grant date of options granted was HK\$0.794 per option. The fair value of share options at grant date is assessed by Peak Vision using the Binomial Option Pricing model that takes into account the exercise price, the term of the option, the impact of dilution (where material), the share price at grant date and expected price volatility of the underlying shares, the expected dividend yield, the risk free interest rate for the term of the option and the correlations and volatilities of the peer group companies.

附註：

(a) 購股權須待有關本集團之若干表現目標獲達成後，方會歸屬。根據購股權計劃授出之全部購股權的歸屬期如下：25%的購股權於二零一八年十二月三十一日至二零二八年五月三十一日期間可予行使、25%的購股權於二零一九年六月三十日至二零二八年五月三十一日期間可予行使、25%的購股權於二零一九年十二月三十一日至二零二八年五月三十一日期間可予行使及25%的購股權於二零二零年六月三十日至二零二八年五月三十一日期間可予行使。

(b) 於截至二零二三年及二零二二年六月三十日止年度，由於僱員辭任，購股權已被註銷。

已授出之購股權於授出日期的經評估公平值為每份購股權0.794港元。滙鋒使用二項式購股權定價模式評估購股權於授出日期的公平值，該模式考慮行使價、購股權的年限、攤薄的影響（倘屬重大）、授出日期的股價及相關股份的預期價格波動、預期股息收益率、購股權年限之內的無風險利率，以及同類集團公司的關連係數及波幅。

38. SHARE OPTION SCHEME (Continued)

The inputs used for the valuation of the options granted included:

Grand date	授出日期	1 June 2018 二零一八年 六月一日
Expiry date	到期日	31 May 2028 二零二八年 五月三十一日
Spot stock price (HK\$ per share)	即期股價 (每股港元)	1.85
Exercise price	行使價	1.89
Expected price volatility (%)	預期價格波幅(%)	33.02
Risk-free interest rate (%)	無風險利率(%)	2.21
Expected life of options (year)	購股權之預期年期 (年)	10

On 1 June 2018, the Company granted an aggregate of 100,000,000 share options under the Share Option Scheme, at an exercise price of HK\$1.89 per share. The share options granted to each grantee shall vest conditional upon the fulfilment of certain performance targets.

The Binomial Option Pricing model requires input of subjective assumptions such as the expected volatility. Change in the subjective input may materially affect the fair value estimates. The expected volatility is determined by calculating the historical volatility of the share price of listed companies with similar business as the Group.

38. 購股權計劃 (續)

用於已授出之購股權之估值之輸入數據包括：

於二零一八年六月一日，本公司根據購股權計劃合共授出100,000,000份購股權，行使價為每股1.89港元。向各承授人授出之購股權須待若干表現目標達成後方可歸屬。

二項式購股權定價模式須計入主觀假設（如預期波幅）。主觀輸入數據變動可能對公平值估計產生重大影響。預期波幅透過計算擁有本集團類似業務之上市公司之歷史股價波幅釐定。
