YUNNAN WATER

雲南水務投資股份有限公司
Yunnan Water Investment Co., Limited*

(a joint stock limited liability company incorporated in the People's Republic of China)

(Stock code: 6839)

POTENTIAL TRANSACTION THROUGH PUBLIC TENDER

This announcement is made by the Company pursuant to the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance and Rule 13.09 of the Listing Rules.

THE POTENTIAL DISPOSAL

The Company has resolved to dispose of the Disposal Interests. Since the Company is a state-owned enterprise, the Disposal Interests constitute state-owned assets, the disposal of which is required to undergo the process of Public Tender through an approved equity exchange in accordance with the relevant PRC laws and regulations governing the disposal of state-controlled assets. The Potential Disposal will be carried out through YNEX and the successful bidder will enter into the Equity Transaction Agreement with the Company according to the relevant rules and regulations of YNEX.

As at the date of this announcement, the Minimum Consideration (being the initial bidding price) for the Disposal Interests has not yet been determined, which will be announced when the process of the formal tender commenced, the final Consideration will be subject to the final bid price of the Public Tender, but will not be less than the Minimum Consideration in any event.

* For identification purposes only

POTENTIAL IMPLICATIONS OF THE LISTING RULES

In view of the fact that the Minimum Consideration for the Disposal Interests has not yet been determined, using the audited net asset value of the Disposal Interests as of 31 May 2023 of RMB17,475,589 as the basis of calculation temporarily, the Company will make subsequent disclosures in the due course under the relevant requirements of the Listing Rules. Upon completion of the Potential Disposal, the Company will cease to hold any equity interest in the Underlying Companies which in turn will cease to be subsidiaries of the Company.

As the Potential Disposal may or may not proceed, shareholders and potential investors should exercise caution when dealing in the Shares.

BACKGROUND

The Company has resolved to dispose of the Disposal Interests. Since the Company is a state-owned enterprise, the Disposal Interests constitute state-owned assets, the disposal of which is required to undergo the public tender process through an approved equity exchange in accordance with the relevant PRC laws and regulations governing the disposal of state-controlled assets. The Potential Disposal will be carried out through the YNEX and the successful bidder will enter into the Equity Transaction Agreement with the Company according to the relevant rules and regulations of the YNEX.

THE POTENTIAL DISPOSAL THROUGH THE PUBLIC TENDER

1. The Disposal Interests

2. Major Terms of the Potential Disposal

A. Date and Procedures of the Public Tender

The Company will have to submit to YNEX the tender notice setting out, inter alia, (i) the Minimum Consideration, which will not be disclosed at the time of pre-tender and will be disclosed at the time of formal tender; (ii) the principal terms of the bidding; and (iii) descriptions and qualifications of the potential bidders. As the Company is the controlling shareholder of the Underlying Companies, the tender process will include pre-tender and formal tender. The Company will submit the tender notice to YNEX as soon as practicable.

The Publication Period will be 20 Working Days from the date of the pre-tender notice and 20 Working Days from the date of the formal tender notice. During the Publication Period, qualified bidders may indicate their intention to purchase the Disposal Interests and register themselves as interested bidders. Upon the expiry of the Publication Period, YNEX will notify the Company of the identity of the successful bidder. Upon the notification of the successful bidder (being the highest bidder) by YNEX, the Company is required to enter into the Equity Transaction Agreement with such successful bidder.

As at the date of this announcement, material information of the Equity Transaction Agreement, including the bidder(s), final Consideration, payment, delivery and transfer time has not been determined. The Company will enter into the Equity Transaction Agreement upon confirmation of the successful bidder and perform its relevant approval procedures and information disclosure obligations. As at the date of this announcement, no agreement has been entered into between the Group and any other party in relation to the Potential Disposal.

B. Consideration

As at the date of this announcement, the Minimum Consideration (being the initial bidding price) for the Disposal Interests has not yet been determined, which will be announced when the process of the formal tender commences, the final Consideration will be subject to the final bidding price of the Public Tender, but will not be less than the Minimum Consideration in any event.

The payment of the Consideration shall be made in accordance with the time and method agreed in the Equity Transaction Agreement in the manner otherwise determined by the transferor and transferee of the Disposal Interests.

REASONS FOR AND BENEFITS OF THE POTENTIAL DISPOSAL

The Directors are of the view that the Potential Disposal and the transactions contemplated thereunder will be on normal commercial terms which are fair and reasonable and in the interest of the Company and the shareholders as a whole.

INFORMATION ABOUT THE GROUP

The Group is one of the leading integrated service providers in the municipal wastewater treatment and water supply industries in the PRC. The major business of the Company includes investment, construction and management services for urban water supply, wastewater treatment, solid waste treatment and environmental governance projects; sales of equipment and other environmental protection related services.

POTENTIAL IMPLICATIONS OF THE LISTING RULES

In view of the fact that the Minimum Consideration for the Disposal Interests has not yet been determined, using the audited net asset value of the Disposal Interests as of 31 May 2023 of RMB17,475,589 as the basis of calculation temporarily, the Company will make subsequent disclosures in the due course under the relevant requirements of the Listing Rules. Upon completion of the Potential Disposal, the Company will cease to hold any equity interest in the Underlying Companies which in turn will cease to be subsidiaries of the Company.

As the Potential Disposal may or may not proceed, shareholders and potential investors should exercise caution when dealing in the Shares.
