
FORWARD-LOOKING STATEMENTS

This document contains forward-looking statements that are, by their nature, subject to significant risks and uncertainties. The forward-looking statements are contained principally in the sections headed “Summary”, “Risk Factors”, “Industry Overview”, “Business”, “Financial Information” and “Future Plans and [REDACTED]” in this document. These statements relate to events that involve known and unknown risks, uncertainties and other factors, including those listed under the section headed “Risk Factors” in this document, which may cause our actual results, performance or achievements to be materially different from performance or achievements expressed or implied by the forward-looking statements. These forward-looking statements include, without limitation, statements relating to:

- our business strategies, operating plans and our ability to implement such strategies;
- our capital expenditure, business opportunities and expansion plans;
- future events, developments, trends, conditions and the competitive environment in the industry and the markets in which we operate or into which we intend to expand;
- our ability to identify and successfully take advantage of new business development opportunities;
- our ability to control our credit risks and other risks inherent in our business;
- other statements in this document that are not historical facts;
- our dividend policy; and
- prospective financial information.

The words “aim”, “continue”, “target”, “potential”, “anticipate”, “believe”, “could”, “estimate”, “expect”, “intend”, “may”, “plan”, “seek”, “will”, “would” and the negative of these terms and other similar expressions, as they relate to us, are intended to identify a number of these forward-looking statements. These forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. Actual results may differ materially from information contained in the forward-looking statements as a result of a number of uncertainties and factors, including but not limited to:

- any changes in the laws, rules and regulations of the government relating to any aspect of our business or operations;
- general global economic, market and business conditions;
- inflationary pressures or changes or volatility in interest rates, foreign exchange rates or other rates or prices;
- various business opportunities that we may pursue; and

FORWARD-LOOKING STATEMENTS

- the risk factors discussed in this document as well as other factors beyond our control.

Subject to the requirements of applicable laws, rules and regulations, we do not have any obligation to update or otherwise revise the forward-looking statements in this document, whether as a result of new information, future events or otherwise. As a result of these and other risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect, or at all. Accordingly, you should not place undue reliance on any forward-looking information. All forward-looking statements contained in this document are qualified by reference to the cautionary statements set out in this section as well as the risks and uncertainties discussed in the section headed “Risk Factors” in this document.
