Our Company is capable of making independent decisions and carry on our business operations independently. Although our Controlling Shareholders retain a controlling interest in our Company after the [**REDACTED**], it does not prevent us from exercising full rights to carry out our own decisions on the business operations. We do not rely on our Controlling Shareholders for our supply, business development, staffing, capital, equipment, intellectual properties or marketing and sales activities upon the [**REDACTED**]. We have independent access to, and do not share with our Controlling Shareholders, operational resources, such as suppliers, sales networks and customers and an independent management team to handle our day-to-day operations. As at the Latest Practicable Date, we held and enjoyed the benefit of all relevant licences and intellectual properties necessary to carry on our businesses. Each committee includes independent non-executive Directors so as to monitor the decision-making and operation of our Group. Further, we believe that our independent non-executive Directors will be able to exercise their independent judgement and will be able to provide impartial opinion and professional advice in the decision-making process of our Board to protect the interests of our Shareholders.

Each Director understands that, he/she owes primary duties to our Company and is aware of his/her fiduciary duties as a Director which requires, among others, that he/she must act for the benefit of and in the best interests of our Company and shall avoid any conflict between his/her personal interests and those of our Company.
