Date of changes 13 November 2023			
Closing balance as at (Note 8) 13 November 2023	2,658,341,927		

FF304

We hereby confirm to the best knowledge, information and belief that, in relation to each issue of securities as set out in Section I, it has been duly authorised by the board of directors of the listed issuer and, insofar as applicable:

## (Note 9)

- (i) all money due to the listed issuer in respect of the issue of securities has been received by it;
- (ii) all pre-conditions for the listing imposed by the Main Board Listing Rules / GEM Listing Rules under "Qualifications of listing" have been fulfilled;
- (iii) all (if any) conditions contained in the formal letter granting listing of and permission to deal in the securities have been fulfilled;
- (iv) all the securities of each class are in all respects identical (Note 10);
- (v) all documents required by the Companies (Winding Up and Miscellaneous Provisions) Ordinance to be filed with the Registrar of Companies have been duly filed and that compliance has been made with other legal requirements;
- (vi) all the definitive documents of title have been delivered/are ready to be delivered/are being prepared and will be delivered in accordance with the terms of issue;
- (vii) completion has taken place of the purchase by the issuer of all property shown in the listing document to have purchased or agreed to be purchased by it and the purchase consideration for all such property has been duly satisfied; and
- (viii) the trust deed/deed poll relating to the debenture, loan stock, notes or bonds has been completed and executed, and particulars thereof, if so required by law, have been filed with the Registrar of Companies.

Notes to Section I:

- 1. Where shares have been issued at more than one issue price per share, a weighted average issue price per share should be given.
- 2. Please insert the closing balance date of the last Next Day Disclosure Return published pursuant to Main Board Rule 13.25A / GEM Rule 17.27A or Monthly Return pursuant to Main Board Rule 13.25B / GEM Rule 17.27B, whichever is the later.
- 3. Please set out all changes in issued share capital requiring disclosure pursuant to Main Board Rule 13.25A / GEM Rule 17.27A together with the relevant dates of issue. Each category will need to be disclosed individually with sufficient information to enable the user to identify the relevant category in the listed issuer's Monthly Return. For example, multiple issues of shares as a result of multiple exercises of share options under the same share option scheme or of multiple conversions under the same convertible note must be aggregated and disclosed as one category. However, if the issues resulted from exercises of share options under 2 share option schemes or conversions of 2 convertible notes, these must be disclosed as 2 separate categories.
- 4. The percentage change in the number of issued shares of listed issuer is to be calculated by reference to the listed issuer's total number of shares in issue (excluding for such purpose any shares repurchased or redeemed but not yet cancelled) as it was immediately before the earliest relevant event which has not been disclosed in a Monthly Return or Next Day Disclosure Return.
- 5. Where trading in the shares of the listed issuer has been suspended, "closing market price per share of the immediately preceding business day" should be construed as "closing market price per share of the business day on which the shares were last traded".
- 6. In the context of a repurchase of shares:
  - "issues of shares" should be construed as "repurchases of shares"; and

- "issued shares as a % of existing number of shares before relevant share issue" should be construed as "repurchased shares as a % of existing number of shares before relevant share repurchase".
- 7. In the context of a redemption of shares:
  - "issues of shares" should be construed as "redemptions of shares";
  - "issued shares as a % of existing number of shares before relevant share issue" should be construed as "redeemed shares as a % of existing number of shares before relevant share redemption"; and
  - "issue price per share" should be construed as "redemption price per share".
- 8. The closing balance date is the date of the last relevant event being disclosed.
- 9. Items (i) to (viii) are suggested forms of confirmation which may be amended to meet individual cases.
- 10. "Identical" means in this context:
  - the securities are of the same nominal value with the same amount called up or paid up;
  - they are entitled to dividend/interest at the same rate and for the same period, so that at the next ensuing distribution, the dividend/interest payable per unit will amount to exactly the same sum (gross and net); and
  - they carry the same rights as to unrestricted transfer, attendance and voting at meetings and rank pari passu in all other respects.
- 11. SEHK refers to Stock Exchange of Hong Kong.

Section II must also be completed by a listed issuer where it has made a repurchase of shares which is discloseable under Main Board Rule 10.06(4)(a) / GEM Rule 13.13(1).

The issuer has Purchase report or additional information for issuer whose primary listing is on the Exchange

Sec	tion II										
1. Class of shares		Ordinary shares		Type of shares	Not applicable		Listed on SEHK (N	Listed on SEHK (Note)		Yes	
Stock code (if listed) 00023 E		Description
