The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary assessment of the unaudited consolidated management accounts of the Company for the six months ended 30 September 2023 (the “**Period**”) and the latest information about the Group currently available to the Board, the Group is expected to record a profit of approximately HK\$80 million to HK\$110 million during the Period, as compared to a loss of approximately HK\$26 million for the six months ended 30 September 2022 (the “**Corresponding Period**”).

The aforesaid turnaround from the Group’s loss for the Corresponding Period to profit for the Period was mainly attributable to the combined effect of (i) an increase in area of newly completed and delivered properties during the Period such that the recognised revenue increased; and (ii) the gain on disposal of a subsidiary recorded during the Period (Corresponding Period: Nil).

The Board wishes to emphasize that it is still in the process of finalizing the results of the Group for the Period which have not yet been reviewed by the audit committee of the Company and may be subject to adjustments and changes.
