VOLUNTARY ANNOUNCEMENT PURCHASE OF SHARES FOR SHARE INCENTIVE PLAN

This announcement is made by YSB Inc. (the “**Company**”, together with its subsidiaries and consolidated affiliated entities, the “**Group**”) on a voluntary basis.

Reference is made to the 2023 Share Incentive Plan adopted by the Company on 12 June 2023 (the “**Share Incentive Plan**”), a summary of the principal terms of which is set out in the section headed “Share Incentive Plans – 2023 Share Incentive Plan” in Appendix IV to the Company’s prospectus dated 15 June 2023 (the “**Prospectus**”). Terms used herein shall have the same meanings as defined in the Prospectus unless otherwise stated.

The Board is pleased to announce that on 29 November 2023, pursuant to the trust arrangement as entered into between the Company and the trust institution (the “**Trustee**”), the Trustee purchased on-market 120,000 shares of the Company (the “**Purchased Shares**”) for the purpose of satisfying grants made under the Share Incentive Plan at a total consideration of HK\$2,358,372 with an average price of HK\$19.65 per Share. Pursuant to the trust arrangement, the Trustee shall hold on trust and manage the funds and properties for the benefit of the Eligible Participants in accordance with the Share Incentive Plan and the trust arrangement (the “**Trust Fund**”). The Purchased Shares will form part of the Trust Fund and will be held by the Trustee for the benefit of the Eligible Participants. Subject to the rules of the Share Incentive Plan, the Board or its authorised representative may, from time to time evaluate and in its absolute discretion, select any Eligible Participant(s) under the Share Incentive Plan and grant such participant such number of awards. Pursuant to the Share Incentive Plan, the Company may instruct the Trustee to make further purchases of additional shares, and further announcement for such purchases will be made from time to time on a voluntary basis.

The Board is of the view that the current share price of the Company is below its intrinsic value and may not adequately reflect the Company's business prospects; and accordingly, this provides a good opportunity for the Trustee to purchase the Company's shares on-market to replenish the Trust Fund. In addition, the purchase of shares in accordance with the Share Incentive Plan demonstrates the Company's confidence in its business outlook and prospects, and also serves as part of our strategy to attract talents and align the interests of key employees with the interests of the Company for the sustainable growth of the Group in the long term. As the largest digital pharmaceutical platform serving businesses outside of hospitals in China, we will continue to promote the healthy development of the industry in line with the rapid development of the Internet healthcare industry through our highly efficient Internet pharmaceutical distribution network and innovative healthcare technology, so as to better fulfill our mission of "To make quality medical care and good medicine accessible to all (讓好醫好藥普惠可及)".
