THE DISPOSALS OF LISTED SECURITIES

During the period from 28 December 2022 to 5 December 2023, the Company, through its wholly owned subsidiaries, conducted on the Stock Exchange a series of on-market transactions to dispose of an aggregate of 519,500 Tracker Fund Units (representing approximately 0.007% of the total units outstanding of Tracker Fund (based on the total number of units outstanding of Tracker Fund as at 1 December 2023)) in the range of an average daily price between HK\$16.97 and HK\$22 per Tracker Fund Unit for an aggregate consideration of approximately HK\$9,489,000 (exclusive of transaction costs).

As the Disposals were made through the open-market of the Stock Exchange, the Company is not aware of the identities of the buyers of the Tracker Fund Units and accordingly, to the best knowledge, information and belief of the Directors having made all reasonable enquires, the buyers of such Tracker Fund Units are Independent Third Parties.

REASONS FOR AND BENEFITS OF THE DISPOSALS

The Group's principal businesses are the provision of financial services, including securities and commodities and futures broking, corporate finance, asset management, money lending, property investment and proprietary investments.

The Group acquired the Tracker Fund Units for investment purpose. The Disposals realised a loss of approximately HK\$0.8 million, being the difference between the aggregate consideration for the Disposals and the aggregate purchase price of the Tracker Fund Units sold.

In light of the recent market conditions, the Directors consider that notwithstanding the Disposals were made at a loss, the Disposals will provide immediate liquidity to improve the Group's cash position thereby allowing it to better structure its asset portfolio.

The Group received net proceeds of approximately HK\$9,479,000 from the Disposals. The Group currently intends to use the net proceeds from the Disposals as general working capital and cash reserve for pursuing potential investment opportunities in the future.

As the Disposals were made at the prevailing market price on the open-market of the Stock Exchange, the Directors are of the view that the Disposals were fair and reasonable, on normal commercial terms and in the best interest of the Company and its Shareholders as a whole.
