SUBSCRIPTION OF FINANCIAL PRODUCT

We refer to the announcement of the Company dated 19 April 2023, in relation to, among other things, the subscription of certain wealth management and structured deposit financial products of Construction Bank by the Group (the “**Subscription of Construction Financial Products**”).

The key terms of the Subscription of Structured Deposit Jiaxin No. 167 are set out in the table below:

Subscription Date	Product Name	Principal Amount Subscribed (in RMB)	Expected Annual Return Rate %	Maturity Date	Type of Product	Investment Scope
8 December 2023	Jianxin Wealth Management Institutional Exclusive Jiaxin Fixed Income Closed-End Product 2023 No. 167 (建信理財機構專享嘉鑫固收類封閉式產品2023年第167期)	500,000,000	3.50%	8 December 2024	Non-principal guaranteed with floating return	Fixed income assets

As at the date of this announcement, the aggregated outstanding principal amount of the Group’s wealth management and structured deposit financial products subscribed from Construction Bank was RMB3,305,400,000.

BASIS OF DETERMINATION FOR THE CONSIDERATION

The Directors confirmed that the consideration of the Subscription of Structured Deposit Jiaxin No. 167 was determined on the basis of commercial terms negotiated at arm's length between the Group and Construction Bank, having considered (i) the current available surplus cash of the Group for treasury management purpose; and (ii) the expected investment return and terms of the relevant product.

REASONS FOR AND BENEFITS OF THE SUBSCRIPTION OF STRUCTURED DEPOSIT JIAXIN NO. 167

Using temporary idle funds reasonably and effectively will enhance the capital gain of the Company, which is consistent with the core objectives of the Company to ensure capital safety and liquidity and meet the capital needs of the Group's daily operations and dividend payment, etc. The risk associated with the Subscription of Structured Deposit Jiaxin No. 167 is low, while the Company can enjoy a relatively higher return from investments in the Subscription of Structured Deposit Jiaxin No. 167 than current savings or time deposits generally offered by commercial banks in the PRC.

The Directors considered that the terms and the transaction contemplated under the agreement in respect of the Subscription of Structured Deposit Jiaxin No. 167 are fair and reasonable, on normal commercial terms, and are in the interests of the Company and its Shareholders as a whole.

The Group has implemented adequate and appropriate internal control procedures to ensure the Subscription of Structured Deposit Jiaxin No. 167 would not affect the working capital or the operations of the Group, and that such investment would be conducted on the principle of protecting the interests of the Company and its Shareholders as a whole.
