PROFIT WARNING

This announcement is made by Prosper One International Holdings Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Directors**” and the “**Board**”, respectively) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Board’s preliminary review of the unaudited consolidated financial statements of the Group for the six months ended 31 October 2023 and other information currently available, the Group expects to record a loss attributable to owners of the Company of approximately HK\$2.5 million to HK\$3.0 million for the six months ended 31 October 2023 as compared to the profit attributable to owners of the Company of approximately HK\$3.6 million for the six months ended 31 October 2022. The expected loss was primarily attributable to the increase in freight costs of the Group’s trading business and the increase in total staff costs. Due to the sales team’s continuous efforts to diversify its customer base, the Group achieved decent growth in sales volume of its export business, resulting in a significant increase in freight costs. However, despite the increase in sales volume of the export business, the revenue from the export business only recorded a slight increase due to falling international fertiliser prices.

The Company is still in the process of finalising the interim results of the Group for the six months ended 31 October 2023. The information contained in this announcement is only based on the Board’s preliminary review of the unaudited consolidated financial statements of the Group for the six months ended 31 October 2023 and other information currently available, which have not been audited or reviewed by the independent auditor or the audit committee of the Company and may be subject to

adjustments. Shareholders and potential investors should read carefully the interim results announcement of the Company for the six months ended 31 October 2023, which will be published on 29 December 2023.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
