After preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 31 October 2023 (the “**Period**”) and assessment of the information currently available, the board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that the Group is expected to record an unaudited consolidated profit of not less than HK\$1.2 million for the Period as compared to the audited consolidated profit of approximately HK\$5.5 million for the six months ended 31 October 2022. To the best knowledge of the Directors, the decrease in unaudited consolidated profit for the Period was mainly attributable to (i) the decrease in gross profit due to increase in Cost of Sales; (ii) the decrease in other income due to decrease in government grant; and (iii) the increase in administrative expenses due to the increase in legal and professional fee.
