GRANT OF RESTRICTED SHARE UNITS

The Company approved to grant an aggregate of 2,951,061 RSUs (representing equal number of underlying Class A ordinary shares) to 121 employees on January 1, 2024 (the “**Employee Grants**”) pursuant to the 2020 Share Incentive Plan, subject to the acceptance by the Grantees. Such Employee Grants would not be subject to the Shareholders’ approval. None of the Grantees was a Director, chief executive or substantial shareholder of the Company, or an associate of any of them.

The Employee Grants are subject to the terms and conditions of the 2020 Share Incentive Plan and the award agreements entered into between the Company and each of the Grantees. The principal terms of the 2020 Share Incentive Plan were set out in the section headed “Statutory and General Information – The Share Incentive Plans – 2020 Share Incentive Plan” in Appendix IV to the listing document of the Company dated May 5, 2022 and the 2022 annual report of the Company dated April 27, 2023.

Vesting condition and periods Subject to the terms of the award agreements entered into between the Company and each of the Grantees and the 2020 Share Incentive Plan, the RSUs to be granted under the Employee Grants shall vest in accordance with the following schedules:

The vesting periods for part of the RSUs to be granted to the Grantees are shorter than 12 months because the RSUs to be granted under the Employee Grants have a mixed vesting schedule, which is allowed under the 2020 Share Incentive Plan.

Performance targets

The vesting of the RSUs under the Employee Grants is not subject to any performance targets.

Clawback mechanisms

Pursuant to the terms of Employee Grants and the 2020 Share Incentive Plan, if Grantee's termination of service is by reason of cause set out in the 2020 Share Incentive Plan, the Grantee's right to any vested and unvested RSUs shall terminate concurrently with his/her termination of services. Under such circumstances, the balance of the RSUs that have not vested shall lapse and be forfeited. For the vested RSUs, the Board or the Compensation Committee may in its discretion determine (acting fairly and reasonably) that Grantee should repay to the Company (whether by re-transfer of Shares (or withholding the transfer of Shares where such transfer has not occurred), payment of cash proceeds or deductions from or set offs against any amounts owed to the Grantee by any member of the Group) an amount equal to the benefit, calculated on an after-tax basis, received or to be received by the Grantee from such vesting, provided that the Board or the Compensation Committee may, at its discretion, determine that a lesser amount should be repaid.

Upon the vesting of Awards granted under the 2020 Share Incentive Plan, RSUs to be granted under the Employee Grants will be satisfied through utilizing the Class A ordinary shares registered in the name of the depository bank.

The Listing Committee of the Hong Kong Stock Exchange had granted approval for the listing of, and permission to deal in the Class A ordinary shares registered in the name of the depository bank.

The Employee Grants will not result in the options and awards to be granted to each individual Grantee in the 12-month period up to and including the date of such grant in aggregate to exceed 1% of the Shares in issue.
