REASONS AND BENEFITS OF THE STRUCTURED DEPOSIT PRODUCTS AGREEMENTS

The Company's subscription of the Structured Deposit Products Agreements respectively by reasonable and effective use of certain portions of its internal resources and/or temporary idle funds from the public issuance of A shares is beneficial for enhancing the overall capital gain of the Group, which is consistent with the core objectives of the Company to safeguard its capital and ensure liquidity. It is expected that the impact of risk factors in connection with the expected return of the above-mentioned structured deposit products is low, while the Group can enjoy a higher return compared with fixed term deposits in commercial banks in the PRC.

The Directors (including the independent non-executive Directors) are of the view that the above-mentioned Structured Deposit Products Agreements respectively are made on normal commercial terms, are fair and reasonable and in the interests of the Company and its shareholders as a whole.

INFORMATION OF THE PARTIES

The Company is principally engaged in the research and development, production and sale of implantable orthopedic medical devices in PRC. Its products include joint prosthesis products, spinal internal fixation products, sports medical products, dental products and PRP products.

Bank of Beijing is a licensed bank in the PRC and a joint stock company established under the laws of the PRC, which provides corporate and personal banking business, treasury business, finance leasing, asset management and other financial services in the PRC. Its shares are listed on the Shanghai Stock Exchange (stock code: 601169). Bank of Beijing (Daxing Branch) and Bank of Beijing (Fangzhuang Branch) are branches of Bank of Beijing. To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, Bank of Beijing and its ultimate beneficial owner(s) are third parties independent of the Company and its connected persons.

BASIS OF DETERMINATION FOR THE CONSIDERATION

The Directors confirm that the considerations for each of the Structured Deposit Products Agreements were determined on the basis of commercial terms negotiated at arm's length between the Group and each Bank of Beijing (Daxing Branch) and Bank of Beijing (Fangzhuang Branch) respectively, having considered the internal resources and/or temporary idle funds from the public issuance of A shares of the Company.

LISTING RULES IMPLICATION

As the applicable percentage ratios (as defined under Rule 14.07 of the Listing Rules) of the transactions under the BOJ (Daxing Branch) Structured Deposit Products Agreement, the BOJ (Fangzhuang Branch) Structured Deposit Products Agreement 6 and the BOJ (Fangzhuang) Structured Deposit Products Agreement 7 in aggregate exceeds 5% but are below 25%, such transactions constitute discloseable transactions of the Company and are subject to the reporting and announcement requirements but are exempt from the shareholders' approval requirement under Chapter 14 of the Listing Rules.

As none of the Directors has a material interest in the subscription of above-mentioned Structured Deposit Products Agreements respectively, no Director is required to abstain from voting on the Board resolution approving the subscription of above-mentioned Structured Deposit Products Agreements.
