POSITIVE PROFIT ALERT

This announcement is made by Lonking Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the SFO.

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the Board’s preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2023, the Group expects to record a significant increase in its net profit for the year ended 31 December 2023, as compared to the corresponding period in the previous year. The Board expects that the net profit for the reporting period was approximately RMB600 million to RMB700 million, representing an increase of 50% to 75% over the same period last year.

The increase in net profit during the Reporting Period was mainly due to (i) the rapid increase in the scale of production and sales of the internationally oriented business, leading to a year-on-year increase in the Company’s operating results; (ii) the significant year-on-year increase in net gains generated from financial assets.

The information contained in this announcement is only the preliminary assessment by the Board of its performance for year ended 31 December 2023 based on the unaudited consolidated management accounts of the Group for the year ended 31 December 2023 and not on any data or information audited or reviewed by the Company’s auditors.
