INFORMATION ON THE CREDIT RISK RELATING TO THE LOAN

The making of the Loan is collateralised. The collaterals provided by the Borrowers for the Loan are sufficient based on the value of the mortgaged properties for the Loan determined by an independent valuer.

The advance in respect of the Loan is also made on the basis of the Group's credit assessments made with reference to the facts that (i) the collaterals provided by the Borrowers are at the prime sites in Hong Kong; (ii) the Borrowers' net worth is strong and solid to prove their repayment ability; (iii) Customer AC's personal reputation and social status are well-known to demonstrate her credibility and accountability; and (iv) the relatively short term nature of the advance. After taking into account the factors as disclosed above in assessing the risks of the relevant advance, the Group considers that the risks involved in the advance to the Borrowers are manageable.

The Group will finance the Loan with the Group's general working capital.

REASONS FOR ENTERING INTO THE LOAN AGREEMENT

Taking into account the principal business activities of the Group, the grant of the Loan to the Borrowers is in the ordinary and usual course of business of the Group.
