This announcement is made by Sun Hing Printing Holdings Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company and potential investors that, based on the preliminary review of the Group’s latest unaudited management accounts for the six months period ended 31 December 2023 and the information currently available to the Board, the profit is expected to decrease by not less than 90% as compared with the profit recorded by the Group for the six months ended in last year, which was mainly attributable to factors including:

1. Concerns over a global economic slowdown and widespread inflation have led to a conservative consumption behavior among customers, resulting in decreased spending on printing and promotional products and a subsequent fall in revenue.
2. There has been a slight reduction in the cost of goods sold and administrative expenses. However, this has been offset by enduring fixed production and operation costs, which have persisted irrespective of the magnitude of the revenue decline.

The Company is still in the process of finalising the financial results of the Group for the six months ended 31 December 2023. The information contained in this announcement is only based on the preliminary review and analysis of the Group’s latest unaudited management accounts and the information currently available to the Board, which have not yet been audited or reviewed by the Company’s auditors and may be subject to adjustment. The interim results announcement of the Group for the six months ended 31 December 2023 is expected to be released on 22 February 2024.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.**
