THE FINANCE LEASE AGREEMENTS

The principal terms of the Finance Lease Agreements are as follows:

Parties

Lessor: the Company

Lessee: a limited company incorporated in the PRC, which is principally engaged in provision of computer and office equipment rental services.

To the best of the Directors' knowledge, information and belief after having made all reasonable enquiries, the Lessee and its ultimate beneficial owner are all independent third parties to the Company and its connected persons (as defined in the Listing Rules).

Leased Assets

The Leased Assets VIII are computers, with a net book value of approximately RMB50,935,212.22.

The Leased Assets IX are computers, with a net book value of approximately RMB30,342,317.87.

The Leased Assets X are computers, with a net book value of approximately RMB30,444,695.89.

The Lessee does not separately calculate the profits before and after tax of the Leased Assets. The transfer consideration for the acquisition of the Leased Assets under the Finance Lease Agreements will be funded by the Company's internal resources. If the Lessee has properly and fully performed all of its obligations under the Finance Lease Agreements, the Lessee is entitled to acquire the Leased Assets at the consideration of RMB100 in nominal value pursuant to the terms and conditions of the Finance Lease Agreements, upon the expiry of the Finance Lease Agreements respectively.

Lease Period

The lease period of the Finance Lease Agreement VIII is 36 months, which commenced on March 31, 2023.

The lease period of the Finance Lease Agreement IX is 36 months, which commenced on December 27, 2023.

The lease period of the Finance Lease Agreement X is 36 months, which shall commence on February 4, 2024.

Lease Payment and Method of Payment

Under the Finance Lease Agreements, the respective total lease payment of RMB54,742,975, RMB32,657,029 and RMB32,747,157 included the respective finance lease principal of RMB50,000,000, RMB30,000,000 and RMB30,000,000, and the respective finance lease interest income (inclusive of VAT) of RMB4,742,975 (calculated based on the interest rate of 5.8% per annum) and RMB2,657,029 (calculated based on the interest rate of 5.4% per annum) and RMB2,747,157 (calculated based on the interest rate of 5.4% per annum). The Lessee shall pay the lease payment to the Lessor at the end of each quarter in installments in accordance with the terms and conditions of the Finance Lease Agreements during the lease period.

The terms of the Finance Lease Agreements, including the transfer consideration for the Leased Assets, finance lease principal, finance lease interest income and other expenses, were determined upon arm's length negotiation between the Lessee and the Lessor with reference to net book value of the Leased Assets and prevailing market prices of the same category of finance lease products in the PRC.

Security Deposit

The Lessee agreed to pay the security deposit for the Finance Lease Agreements of RMB5,000,000 (bearing nil interests), RMB1,500,000 (bearing nil interests) and RMB1,500,000 (bearing nil interests). When the last lease payments are due to be paid, the lease payment and other payables under the final payment will automatically be deducted from the deposit, and the Lessor will refund the Lessee the remaining amount (if any).

Guarantee and Security

The guarantee and security arrangements for each of the Finance Lease Agreements are set out below:

The ultimate beneficial owner of the Lessee shall provide joint and several liabilities guarantee for the debts of Lessee under the Finance Lease Agreements.

REASONS FOR AND BENEFITS OF ENTERING INTO THE FINANCE LEASE AGREEMENTS

The Company's principal activities are to provide finance leasing and advisory services to customers. The entering of the Finance Lease Agreements is part of the Company's ordinary and usual course of business, which is expected to provide a stable revenue and cashflow to the Company.

The Directors consider that entering into the Finance Lease Agreements will generate revenue and profit to the Company over the lease period and is consistent with the Company's business development strategy. Since the Finance Lease Agreements were entered into under normal commercial terms, the Directors are of the view that the terms under the Finance Lease Agreements are fair and reasonable and are in the interests of the Company and its shareholders as a whole.
