VOLUNTARY ANNOUNCEMENT
ON-MARKET SHARE REPURCHASE

SHARE REPURCHASE PLAN

On March 12, 2024, the board of directors (the “**Board**”) of Abbisko Cayman Limited (the “**Company**”) has approved an amount of HKD100 million be utilized by the Company to repurchase shares of the Company (the “**Shares**”) on-market (the “**Share Repurchase Plan**”).

The Share Repurchase Plan is based on the confidence of the management team, the Company’s current operational growth outlook and financial position while acknowledging recent market conditions and macroeconomic performance indicators. The Company intends to fund the Share Repurchase Plan from its own financial resources and not from the proceeds of the listing of the Shares on The Stock Exchange of Hong Kong Limited.

The Board is of the view that the current trading price of the Shares does not reflect their intrinsic value and the proceeding of the Share Repurchase Plan will enhance the value of the Shares, thereby increasing the returns to the shareholders of the Company (the “**Shareholders**”). The effect of conducting the Share Repurchase Plan will result in a reduction of the total issued Shares and in turn lead to an enhancement of the net asset value of the Company and its net asset value and/or its earning per Share. The Share Repurchase Plan demonstrates the Board’s confidence in the long-term growth of the Company and will only be conducted under circumstances which the Board considers to be appropriate and in the interest of the Company and the Shareholders as a whole.

The Share Repurchase Plan shall not result in the number of the Shares held by the public falling below the relevant minimum percentage prescribed by the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”).

SHARE REPURCHASE

Pursuant to a resolution passed by the Shareholders at the annual general meeting of the Company held on June 14, 2023, the Directors has been granted a general unconditional mandate (the “**2023 Share Repurchase Mandate**”) to repurchase Shares not exceeding 10% of the total number of the issued Shares as at June 14, 2023 (i.e. 70,219,935 Shares). The 2023 Share Repurchase Mandate will expire at the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the articles of association of the Company or any applicable law of the Cayman Islands to be held; and (iii) the date on which such mandate is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

The Company also intends to propose an ordinary resolution to grant the Board a new general and unconditional mandate to repurchase Shares of the Company (the “**2024 Share Repurchase Mandate**” and, if so approved by the Shareholders, together with the 2023 Share Repurchase Mandate, the “**Share Repurchase Mandate**”) at the annual general meeting expected to be held on June 18, 2024 (the “**2024 AGM**”) for consideration and, if thought fit, approval by the Shareholders, details of which will be set out in the notice and circular to be published by the Company in connection with the 2024 AGM.

The Company will exercise the Repurchase Mandate in compliance with the amended and restated memorandum and articles of association of the Company, the Listing Rules, the Codes on Takeovers and Mergers and Share Buy-backs, the Companies Act of the Cayman Islands and all applicable laws and regulations to which the Company is subject to. Any repurchase of Shares pursuant to the Share Repurchase Plan on or after the date of 2024 AGM shall be subject to the approval of the 2024 Share Repurchase Mandate at the 2024 AGM.

The Company will subsequently cancel the repurchased Shares.

Shareholders and potential investors of the Company should note that any Share repurchase may be done in accordance with the Share Repurchase Plan is subject to market conditions and at the Board’s absolute discretion. There is no assurance of the timing, quantity, or price thereof. Shareholders and potential investors should therefore exercise caution when dealing in the Shares.
