General Mandate

Pursuant to the General Mandate granted by the Shareholders at the annual general meeting of the Company held on 23 May 2023, the Directors may exercise all powers of the Company to allot, issue and otherwise deal with Shares not exceeding 36,711,177 Shares, representing 20% of the number of the issued Shares of the Company as at the date of the annual general meeting. As at the date of this announcement, no Shares have been allotted and issued pursuant to the General Mandate. Accordingly, the General Mandate is sufficient for the issue of the Subscription Shares. As a result, the issue of the Subscription Shares is not subject to separate Shareholders' approval.

INFORMATION ON THE SUBSCRIBERS

Each of the Subscribers is an individual who is a PRC resident.

To the best of the Directors' knowledge, information and belief, and having made all reasonable enquiries, each of the Subscribers is a third party independent of the Company and its connected persons.

REASONS FOR AND BENEFITS OF THE SUBSCRIPTIONS

The principal activities of the Group are distribution and trading of mobile phones and related accessories and mining and processing of celestite, zinc and lead minerals.

Due to the increase in revenue from mobile phone and related accessories trading business in Hong Kong, the Group recorded an increase of approximately 37.7% in revenue from HK\$28.1 million for the six months ended 30 June 2022 to HK\$38.7 million for the six months ended 30 June 2023. However, the Group continued to record loss for the period, which was primarily attributable to the Group's low gross profit and high administrative expenses. On the other hand, with reference to the interim report of the Company for the six months ended 30 June 2023, the Group only had cash and bank balances of approximately HK\$10.0 million as at 30 June 2023, while it had net current liabilities of approximately HK\$22.8 million as at 30 June 2023. As such, in order to maintain the liquidity and allow sufficient capital to capture any business opportunities that may arise from time to time, the Directors believe that the Subscription represents an attractive opportunity to raise capital for the Company while broadening the Shareholder base and capital base of the Company. In view of the above, the Directors (including the independent non-executive Directors) are of the view that the terms of the Subscription Agreements are fair and reasonable and in the interests of the Company and the Shareholders as a whole. Assuming all the Subscription Shares are fully subscribed, the gross proceeds from the Subscription will be HK\$7,800,000. After deducting related professional fees and all related expenses of approximately HK\$40,000 to be borne by the Company under the Subscription, the net proceeds of the Subscription will amount to approximately HK\$7,760,000, representing a net subscription price of approximately HK\$0.259 per Subscription Share. The Company intends to apply the net proceeds as general working capital of the Group.
