SCHEME OF ARRANGEMENT

On 19 March 2024, the Offeror requested the Board to put forward the Proposal to the holders of Scheme Shares for the privatisation of the Company by way of a scheme of arrangement under Section 86 of the Companies Act involving the cancellation of the Scheme Shares and, in consideration thereof, the payment to the Scheme Shareholders of the Cancellation Price in cash for each Scheme Share, and the withdrawal of the listing of the Shares on the Stock Exchange.

The Scheme will provide that the Scheme Shares will be cancelled in exchange for HK\$18.8 in cash for each Scheme Share. The Rollover Shares will not form part of the Scheme Shares and will not be cancelled. Following the Scheme becoming effective, pursuant to the Rollover Agreements, the Rollover Shares will be transferred to the Offeror in consideration for an aggregate of 209,084,863 shares to be issued by Topco (which wholly owns the Offeror) to the Rollover Shareholders credited as fully paid at the Cancellation Price.

Upon the completion of the Scheme and the transfers of the Rollover Shares pursuant to the Rollover Agreements, the Company will become wholly-owned by the Offeror.

If, after the Announcement Date, any dividend and/or other distribution and/or other return of capital is announced, declared or paid in respect of the Shares, the Offeror reserves the right to reduce the Cancellation Price by all or any part of the amount or value of such dividend, distribution and/or, as the case may be, return of capital after consultation with the Executive, in which case any reference in this announcement, the Scheme Document or any other announcement or document to the Cancellation Price will be deemed to be a reference to the Cancellation Price as so reduced (and the price of the Option Offer shall be reduced accordingly). The Company has confirmed that it does not intend to announce, declare or pay any dividend, distribution or other return of capital before the Long Stop Date or the lapse, withdrawal or termination of the Scheme (whichever is earlier). As at the Announcement Date, the Company has no declared but unpaid dividends and/or other distribution and/or other return of capital.

The Cancellation Price will not be increased, and the Offeror does not reserve the right to do so. Shareholders and potential investors should be aware that, following the making of this statement, the Offeror will not be allowed to increase the Cancellation Price.

The Cancellation Price of HK\$18.8 represents:

- a premium of approximately 33.90% over the closing price of HK\$14.04 per Share as quoted on the Stock Exchange on the Undisturbed Date;

- a premium of approximately 47.61% over the average closing price of approximately HK\$12.74 per Share based on the daily closing prices as quoted on the Stock Exchange for the 60 trading days up to and including the Last Trading Day;
- a premium of approximately 57.34% over the average closing price of approximately HK\$11.95 per Share based on the daily closing prices as quoted on the Stock Exchange for the 120 trading days up to and including the Last Trading Day;
- a premium of approximately 66.60% over the average closing price of approximately HK\$11.28 per Share based on the daily closing prices as quoted on the Stock Exchange for the 180 trading days up to and including the Last Trading Day; and

- a premium of approximately 227.50% to the Group's net asset value attributable to the Shareholders of approximately HK\$5.74 per Share pursuant to the latest audited consolidated financial statements of the Company as at 31 December 2023, calculated based on the audited consolidated net asset value attributable to the Shareholders of RMB3,265,067,000 (based on the exchange rate of HK\$1: RMB0.90622, the central parity rate published by the People's Bank of China on its website as at 29 December 2023 for illustrative purposes) as at 31 December 2023 and the Shares in issue as at the Announcement Date.

The trading volume on the Last Trading Day was 9,741,510 Shares. The average daily trading volume over the Undisturbed Period was 2,034,657 Shares. The share price of the Company traded up by 14.25% on the Last Trading Day. In contrast, the Hang Seng Index traded up by 0.10% on the Last Trading Day.

The implementation of the Proposal and the Scheme will be conditional upon the fulfilment or waiver, as applicable, of all the Conditions as described in the section headed "Conditions of the Proposal" below. All of the Conditions must be fulfilled or waived, as applicable, on or before the Long Stop Date, failing which the Proposal and the Scheme will lapse.

OPTION OFFER

As at the Announcement Date, there are (a) 37,023,842 Share Options (all of which are vested) granted under the Option Incentive Plan, comprising (i) 20,412,842 Share Options entitling the holders to subscribe for 20,412,842 new Shares and (ii) 16,611,000 Share Options entitling the holders to receive 16,611,000 existing Shares from the Option Trustee; and (b) 34,008,170 Share Options (8,446,020 of which are vested) granted under the Post-IPO Option Plan entitling the holders to subscribe for 34,008,170 new Shares. The Company will not grant any further Share Options under the Option Incentive Plan or the Post-IPO Option Plan before the Long Stop Date or the lapse, withdrawal or termination of the Scheme (whichever is earlier).

The exercise of all the Subject Share Options in full would result in the issue of 54,421,012 new Shares, representing approximately 8.67% of the issued share capital of the Company as at the Announcement Date and approximately 7.98% of the issued share capital of the Company as enlarged by the issue of such new Shares.

The Offeror will make (or procure to be made on its behalf) an appropriate offer to the Optionholders to cancel every vested and unvested Subject Share Option in accordance with Rule 13 of the Takeovers Code. The Option Offer will be conditional upon the Scheme becoming effective. Under the Option Offer, the Offeror will offer the Optionholders the "see-through" price (being the Cancellation Price minus the relevant exercise price in case of the Subject Share Options) for each Subject Share Option they hold for the cancellation of every Subject Share Option in accordance with Rule 13 of the Takeovers Code.

FINANCIAL RESOURCES

Taking into account that the Rollover Shares will not constitute Scheme Shares, and on the assumption that (a) all Subject Share Options (apart from the Subject Share Options which are held by Mr. Zhao and Ms. Pan) as at the Record Date are exercised and all the Optionholders of such Subject Share Options become holders of Scheme Shares on or before the Record Date, (b) Mr. Zhao and Ms. Pan will not exercise any Subject Share Options held by them in accordance with the Irrevocable Undertaking and will only be entitled to the “see-through” price under the Option Offer, and (c) there is no other change in the issued share capital of the Company and no Share Options will be granted by the Company on or before the Record Date, the Proposal will involve the cancellation of 449,724,099 Scheme Shares, in exchange for the Cancellation Price of HK\$18.8 per Scheme Share in cash and the cancellation of the Subject Share Options held by Mr. Zhao and Ms. Pan at the “see-through” price per Subject Share Option in cash as set out in the paragraph headed “Option Offer”. Therefore, the maximum amount of cash consideration payable under the Proposal would be approximately HK\$8,788,907,640.30.

The Offeror intends to finance the cash requirement for the Proposal through a binding equity commitment letter from the GL Canadian Fund and the GL Cayman Fund and external debt financing. In addition, the GL Canadian Fund and the GL Cayman Fund have a general fund credit facility and have set aside additional internal cash resources to support their equity commitment to the Offeror.

CICC, the financial adviser to the Offeror in connection with the Proposal, is satisfied that sufficient financial resources are available to the Offeror for discharging its payment obligations in respect of the cash consideration payable under the Proposal.

SPECIAL DEAL RELATING TO ROLLOVER ARRANGEMENTS

The Offeror proposes that (i) the RSU Trustee will roll over the RSU Trustee Rollover Shares (being 2,001,113 Shares, representing approximately 0.32% of the issued share capital of the Company as at the Announcement Date) and (ii) Convergence will roll over the Shares held by it (being 11,979,690 Shares, representing approximately 1.91% of the issued share capital of the Company as at the Announcement Date), each through Topco after the Scheme becomes effective. Accordingly, the RSU Trustee Rollover Shares and the Shares held by Convergence will not form part of the Scheme Shares.

Trustee Rollover Agreement

The Offeror, Topco and the RSU Trustee have entered into the Trustee Rollover Agreement on 28 March 2024, pursuant to which:

- (b) upon the Scheme becoming effective, the RSU Trustee Rollover Shares will then be transferred to the Offeror in consideration for an aggregate of 2,001,113 shares to be issued by Topco to the RSU Trustee credited as fully paid at the Cancellation Price. After completion of the Scheme and the transfers of the RSU Trustee Rollover Shares, the RSU Trustee will, through Topco, hold an indirect interest in the Company.

The Trustee Rollover Agreement will be terminated if the Scheme lapses or is withdrawn, terminated, rescinded by the Offeror or is finally dismissed, refused or rejected by the Grand Court.

Convergence Rollover Agreement

The Offeror, Topco and Convergence have entered into the Convergence Rollover Agreement on 28 March 2024, pursuant to which:

- (a) subject to Condition (f) in the section headed “Conditions of the Proposal” and the Scheme becoming effective, Convergence will remain as a Shareholder until the Scheme becomes effective, the Shares held by Convergence will not constitute Scheme Shares and will not be voted on the Scheme at the Court Meeting or the Rollover Arrangements at the extraordinary general meeting of the Company;

After completion of the Scheme and the transfers of the Shares held by Convergence, Convergence will, through Topco, hold an indirect interest in the Company;

- (c) Convergence has undertaken, to the extent permitted under the Takeovers Code, the Listing Rules and applicable laws and regulations, to exercise, or, as the case may be, to procure the exercise of the voting rights in respect of the Shares owned by it directly on resolutions in relation to the implementation of the Scheme in accordance with the Offeror's directions, and in the absence of any such directions, to vote in favour of all resolutions which are necessary to implement the Scheme proposed at an extraordinary general meeting of the Company, and that it shall be bound by, and take all actions necessary to implement the Scheme; and
- (d) Convergence has further undertaken that it shall not, directly or indirectly, sell, transfer, charge, encumber, grant any option over or otherwise dispose of any interest in any of the Shares held by it, nor will it accept any other offer in respect of all or any of such Shares.

The Convergence Rollover Agreement will be terminated if the Scheme lapses or is withdrawn, terminated, rescinded by the Offeror or is finally dismissed, refused or rejected by the Grand Court.

GL ROLLOVER AGREEMENT

As at the Announcement Date, the GL Rollover Shareholders (being concert parties of the Offeror) hold in aggregate 195,104,060 Shares, representing approximately 31.09% of the issued share capital of the Company.

- (a) subject to Condition (f) in the section headed "Conditions of the Proposal" and the Scheme becoming effective, the GL Rollover Shareholders will remain as Shareholders until the Scheme becomes effective, the Shares held by the GL Rollover Shareholders will not constitute Scheme Shares and will not be voted on the Scheme at the Court Meeting or the Rollover Arrangements at the extraordinary general meeting of the Company;

After completion of the Scheme and the transfers of the Shares held by the GL Rollover Shareholders, each GL Rollover Shareholder will, through Topco, hold an indirect interest in the Company;

- (c) the GL Rollover Shareholders have each undertaken, to the extent permitted under the Takeovers Code, the Listing Rules and applicable laws and regulations, to exercise, or, as the case may be, to procure the exercise of the voting rights in respect of the Shares owned by them directly on resolutions in relation to the implementation of the Scheme in accordance with the Offeror's directions, and in the absence of any such directions, to vote in favour of all resolutions which are necessary to implement the Scheme proposed at an extraordinary general meeting of the Company, and that each shall be bound by, and take all actions necessary to implement the Scheme; and
- (d) the GL Rollover Shareholders have each further undertaken that they shall not, directly or indirectly, sell, transfer, charge, encumber, grant any option over or otherwise dispose of any interest in any of the Shares held by them, nor will they accept any other offer in respect of all or any of such Shares.

WARNINGS:

Shareholders and potential investors should be aware that the implementation of the Proposal, the Scheme and the Option Offer is subject to the Conditions being fulfilled or waived (including the approval of the Rollover Arrangements as a special deal under Rule 25 of the Takeovers Code), as applicable, and thus the Proposal may or may not be implemented, the Scheme may or may not become effective and the Option Offer may or may not be implemented. Shareholders and potential investors should therefore exercise caution when dealing in the securities of the Company. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor or other professional advisers.

This announcement is not intended to and does not constitute, or form part of, any offer to sell or subscribe for or an invitation to purchase or subscribe for any securities or the solicitation of any vote or approval in any jurisdiction pursuant to the Proposal or otherwise, nor shall there be any sale, issuance or transfer of securities of the Company in any jurisdiction in contravention of applicable law. The Proposal will be made solely through the Scheme Document, which will contain the full terms and conditions of the Proposal, including details of how to vote on the Proposal. Any approval, rejection or other response to the Proposal should be made only on the basis of information in the Scheme Document or any other document by which the Proposal is made.

The availability of the Proposal to persons who are not resident in Hong Kong may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizens. Persons who are not so resident in Hong Kong should inform themselves about, and observe, any applicable legal or regulatory requirements of their jurisdictions. NOTICE TO US INVESTORS

The Proposal is being made to cancel the securities of a company incorporated in the Cayman Islands by means of a scheme of arrangement provided for under the laws of the Cayman Islands and is subject to Hong Kong disclosure requirements which are different from those of the United States.

A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules of the US Securities Exchange Act of 1934, as amended. Accordingly, the Proposal is subject to the disclosure requirements and practices applicable in the Cayman Islands and Hong Kong to schemes of arrangement which differ from the disclosure and procedural requirements applicable under the US federal securities laws.

The receipt of cash pursuant to the Proposal by a US holder of Scheme Shares as consideration for the cancellation of his Scheme Shares pursuant to the Scheme or by an Optionholder as consideration for the cancellation of his Share Options may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other tax laws. Each holder of Scheme Shares or Optionholder is urged to consult his independent professional adviser immediately regarding the tax consequences of the Proposal applicable to him.

It may be difficult for US holders of Scheme Shares and Optionholders to enforce their rights and claims arising out of the US federal securities laws, since the Offeror and the Company are located in a country other than the United States, and some or all of their officers and directors may be residents of a country other than the United States. US holders of Scheme Shares or Optionholders may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

Option Offer

As at the Announcement Date, there are (a) 37,023,842 Share Options (all of which are vested) granted under the Option Incentive Plan, comprising (i) 20,412,842 Share Options entitling the holders to subscribe for 20,412,842 new Shares and (ii) 16,611,000 Share Options entitling the holders to receive 16,611,000 existing Shares from the Option Trustee; and (b) 34,008,170 Share Options (8,446,020 of which are vested) granted under the Post-IPO Option Plan entitling the holders to subscribe for 34,008,170 new Shares. The Company will not grant any further Share Options under the Option Incentive Plan or the Post-IPO Option Plan before the Long Stop Date or the lapse, withdrawal or termination of the Scheme (whichever is earlier).

The exercise of all the Subject Share Options in full would result in the issue of 54,421,012 new Shares, representing approximately 8.67% of the issued share capital of the Company as at the Announcement Date and approximately 7.98% of the issued share capital of the Company as enlarged by the issue of such new Shares.

The Offeror will make (or procure to be made on its behalf) an appropriate offer to the Optionholders to cancel every vested and unvested Subject Share Option in accordance with Rule 13 of the Takeovers Code. The Option Offer will be conditional upon the Scheme becoming effective. Under the Option Offer, the Offeror will offer the Optionholders the “see-through” price (being the Cancellation Price minus the relevant exercise price in case of the Subject Share Options) for each Subject Share Option they hold for the cancellation of every Subject Share Option in accordance with Rule 13 of the Takeovers Code.

As at the Announcement Date, save as disclosed in the section headed “Shareholding Structure of the Company”, the Offeror and the Offeror Concert Parties do not hold any Share Options.

Further information on the Option Offer will be set out in a letter to the Optionholders, which will be despatched at or around the same time as the despatch of the Scheme Document.

If the Optionholders exercise any of the Subject Share Options in accordance with the terms of the Option Incentive Plan and the Post-IPO Option Plan (as applicable) and become Shareholders on or before the Record Date, any Shares so issued will be subject to and eligible to participate in the Scheme.

In accordance with the terms of the Option Incentive Plan, the Post-IPO Option Plan and the Board Resolutions, if a general offer by way of a scheme of arrangement is made to all Shareholders (or all such holders other than the offeror and/or any person controlled by the offeror and/or any person acting in association or concert with the offeror) and has been approved by the necessary number of Shareholders at the requisite meetings, the optionholders shall be entitled to exercise the Share Options thereafter (up to the date as set out in the Scheme Document) by notice in writing to the Company. To the extent that the Share Options have not been so exercised, the right to exercise the Share Options shall terminate on the Record Date and such Optionholders will only be entitled to the

Option Offer. Any unexercised Share Option which are not tendered for acceptance under the Option Offer will automatically lapse (other than the right to receive payment of the “see-through” price from the Option Trustee) upon the Scheme becoming effective.

Any Share Options granted under the Option Incentive Plan or the Post-IPO Option Plan that are not exercised or (if applicable) cancelled pursuant to the acceptance of the Option Offer (other than, in respect of Share Options granted under the Option Incentive Plan, the right to receive payment of the “see-through” price from the Option Trustee) will automatically lapse upon the Scheme becoming effective.

No Option Offer will be made to the 16,611,000 Share Options granted under the Option Incentive Plan as an equivalent number of Shares were already issued to the Option Trustee. The Option Trustee Held Shares (being the 16,611,000 Shares held by the Option Trustee) shall form part of the Scheme Shares and be cancelled upon the Scheme becoming effective. Conditional upon the Scheme becoming effective, the Offeror shall pay the aggregate Cancellation Price for the Option Trustee Held Shares to the Option Trustee, which will then pay the “see-through” price (being the Cancellation Price minus the relevant exercise price in case of the Share Options) to the holders of the Share Options.

Total Consideration and Financial Resources

Taking into account that the Rollover Shares will not constitute Scheme Shares, and on the assumption that (a) all Subject Share Options (apart from the Subject Share Options which are held by Mr. Zhao and Ms. Pan) as at the Record Date are exercised and all the Optionholders of such Subject Share Options become holders of Scheme Shares on or before the Record Date, (b) Mr. Zhao and Ms. Pan will not exercise any Subject Share Options held by them in accordance with the Irrevocable Undertaking and will only be entitled to the “see-through” price under the Option Offer, and (c) there is no other change in the issued share capital of the Company and no Share Options will be granted by the Company on or before the Record Date, the Proposal will involve the cancellation of 449,724,099 Scheme Shares, in exchange for the Cancellation Price of HK\$18.8 per Scheme Share in cash and the cancellation of the Subject Share Options held by Mr. Zhao and Ms. Pan at the “see-through” price per Subject Share Option in cash as set out in the paragraph headed “Option Offer”. Therefore, the maximum amount of cash consideration payable under the Proposal would be approximately HK\$8,788,907,640.30.

The Offeror intends to finance the cash requirement for the Proposal through a binding equity commitment letter from the GL Canadian Fund and the GL Cayman Fund and external debt financing. In addition, the GL Canadian Fund and the GL Cayman Fund have a general fund credit facility and have set aside additional internal cash resources to support their equity commitment to the Offeror.

CICC, the financial adviser to the Offeror in connection with the Proposal, is satisfied that sufficient financial resources are available to the Offeror for discharging its payment obligations in respect of the cash consideration payable under the Proposal.

CONDITIONS OF THE PROPOSAL

The implementation of the Proposal is, and the Scheme will become effective and binding on the Company and all Shareholders, subject to the fulfilment or waiver (as applicable) of the following Conditions:

- (a) the approval of the Scheme (by way of poll) by the holders of Scheme Shares, representing not less than 75% in value of the Scheme Shares held by the holders of Scheme Shares present and voting either in person or by proxy at the Court Meeting;
- (b) the approval of the Scheme (by way of poll) by Disinterested Shareholders holding at least 75% of the votes attaching to the Scheme Shares held by Disinterested Shareholders that are voted either in person or by proxy at the Court Meeting, provided that the number of votes cast (by way of poll) by the Disinterested Shareholders present and voting either in person or by proxy at the Court Meeting against the resolution to approve the Scheme at the Court Meeting is not more than 10% of the votes attaching to all Scheme Shares held by all Disinterested Shareholders;
- (c) the passing of a special resolution by a majority of not less than three-fourths of the votes cast by the Shareholders present and voting in person or by proxy at an extraordinary general meeting of the Company to (i) approve and give effect to any reduction of the share capital of the Company as a result of the cancellation and extinguishment of the Scheme Shares; and (ii) contemporaneously therewith maintain the issued share capital of the Company at the amount prior to the cancellation of the Scheme Shares by applying the reserve created as a result of the aforesaid cancellation of the Scheme Shares to pay up in full at par such number of new Shares as is equal to the number of Scheme Shares cancelled as a result of the Scheme, credited as fully paid, for issuance to the Offeror;
- (d) the Grand Court's sanction of the Scheme (with or without modifications) and, to the extent necessary, its confirmation of any reduction of the share capital of the Company, and the delivery to the Registrar of Companies in the Cayman Islands of a copy of the order of the Grand Court for registration;
- (e) compliance, to the extent necessary, with the procedural requirements and conditions, if any, under Sections 15 and 16 of the Companies Act in relation to any reduction of the issued share capital of the Company;

- (f) (i) the receipt of an opinion from the Independent Financial Adviser confirming that the Rollover Arrangements are fair and reasonable so far as the Disinterested Shareholders are concerned; (ii) the passing of an ordinary resolution by the Disinterested Shareholders at the extraordinary general meeting of the Company to approve the Rollover Arrangements; and (iii) the grant of consent under Rule 25 of the Takeovers Code from the Executive in respect of the Rollover Arrangements;
- (g) all necessary authorisations, registrations, filings, rulings, consents, opinions, permissions and approvals in connection with the Proposal having been obtained from, given by or made with (as the case may be) the Relevant Authorities, in the Cayman Islands, Hong Kong and any other relevant jurisdictions;
- (h) all necessary authorisations, registrations, filings, rulings, consents, opinions, permissions and approvals in connection with the Proposal remaining in full force and effect without variation, and all necessary statutory or regulatory obligations in all relevant jurisdictions having been complied with and no requirement having been imposed by any Relevant Authorities which is not expressly provided for, or is in addition to requirements expressly provided for, in relevant laws, rules, regulations or codes in connection with the Proposal or any matters, documents (including circulars) or things relating thereto, in each aforesaid case up to and at the time when the Scheme becomes effective;
- (i) all necessary consents which may be required for the implementation of the Proposal and the Scheme under any existing contractual obligations of the Company having been obtained or waived by the relevant party(ies), where any failure to obtain such consent or waiver would have a material adverse effect on the business of the Group;
- (j) no government, governmental, quasi-governmental, statutory or regulatory body, court or agency in any jurisdiction having taken or instituted any action, proceeding, suit, investigation or enquiry or enacted, made or proposed, and there not continuing to be outstanding, any statute, regulation, demand or order that would make the Proposal or the Scheme or its implementation in accordance with its terms void, unenforceable, illegal or impracticable (or which would impose any material and adverse conditions or obligations with respect to the Proposal or the Scheme or its implementation in accordance with its terms), other than such actions, proceedings, suits, investigations or enquiries as would not have a material adverse effect on the legal ability of the Offeror to proceed with the Proposal or the Scheme; and
- (k) since the Announcement Date, there having been no adverse change in the business, assets, prospects, profits, losses, results of operations, financial position or condition of the Group (to an extent which is material in the context of the Group taken as a whole or in the context of the Proposal or the Scheme).

The Offeror reserves the right to waive conditions (g), (h), (i), (j) and (k) either in whole or in part, either generally or in respect of any particular matter. Conditions (a) to (f) cannot be waived in any event. Pursuant to Note 2 to Rule 30.1 of the Takeovers Code, the Offeror may only invoke any or all of the Conditions as a basis for not proceeding with the Proposal if the circumstances which give rise to the right to invoke any such Condition are of material significance to the Offeror in the context of the Proposal. The Company has no right to waive any of the Conditions.

All of the above Conditions will have to be fulfilled or waived, as applicable, on or before the Long Stop Date, failing which the Proposal and the Scheme will lapse.

In respect of Conditions (g) and (h), as at the Announcement Date, other than those set out in Conditions (a) to (f) (inclusive), the Offeror is not aware of any necessary authorisations, registrations, filings, rulings, consents, opinions, permissions and approvals required for the Proposal. As at the Announcement Date, the Offeror is not aware of any circumstances which may result in Conditions (i), (j) and (k) not being satisfied.

Warning: Shareholders and potential investors should be aware that the implementation of the Proposal, the Scheme and the Option Offer is subject to the Conditions being fulfilled or waived (including the approval of the Rollover Arrangements as a special deal under Rule 25 of the Takeovers Code), as applicable, and thus the Proposal may or may not be implemented, the Scheme may or may not become effective and the Option Offer may or may not be implemented. Shareholders and potential investors should therefore exercise caution when dealing in the securities of the Company. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor or other professional advisers.

group in the Company in accordance with class (5) of the definition of “acting in concert” under the Takeovers Code (except in respect of the Shares held by members of the CICC group which are exempt principal traders or exempt fund managers, in each case recognised by the Executive as such for the purposes of the Takeovers Code). Exempt principal traders and exempt fund managers which are connected for the sole reason that they are under the same control as CICC are not presumed to be acting in concert with the Offeror. However:

- a. Shares held by members of the CICC group acting in the capacity of exempt principal traders will not be voted at the Court Meeting and the extraordinary general meeting of the Company unless the Executive allows such Shares to be so voted; and
- b. Shares held by members of the CICC group acting in the capacity of exempt principal traders may, subject to consent of the Executive, be allowed to be voted at the Court Meeting and the extraordinary general meeting of the Company if: (i) such member of the CICC group holds the relevant Shares as a simple custodian for and on behalf of non-discretionary clients; (ii) there are contractual arrangements in place between such member of the CICC group and such non-discretionary client that strictly prohibit such member of the CICC group from exercising any voting discretion over such Shares; (iii) all voting instructions shall originate from such non-discretionary client only (if no instructions are given, then no votes shall be cast for such Shares held by such member of the CICC group); and (iv) such non-discretionary client is not a concert party of the Offeror.

Details of holdings, borrowings or lendings of, and dealings in, the Shares or any other relevant securities (as defined in Note 4 to Rule 22 of the Takeovers Code) of the Company held by or entered into by other members of the CICC group (except in respect of Shares held by exempt principal traders or exempt fund managers or Shares held on behalf of non-discretionary investment clients of the CICC group), if any, will be obtained as soon as possible after the Announcement Date in accordance with Note 1 to Rule 3.5 of the Takeovers Code. A further announcement will be made by the Offeror and the Company if the holdings, borrowings, lendings, or dealings of the other members of the CICC group are significant and in any event, such information will be disclosed in the Scheme Document. The statements in this announcement as to the holdings, borrowings or lendings of, or dealings in, the Shares or any other relevant securities (as defined in Note 4 to Rule 22 of the Takeovers Code) of the Company by persons acting in concert with the Offeror are subject to the holdings, borrowings, lendings, or dealings (if any) of other members of the CICC group. Any dealings in the relevant securities of the Company by the CICC group (excluding dealings by the CICC group members who are exempt principal traders or exempt fund managers or dealings by the CICC group members for the account of non-discretionary investment clients of the CICC group) during the six months prior to the Announcement Date and the commencement of the offer period (as defined under the Takeovers Code) to the latest practicable date prior to the despatch of the Scheme Document will be disclosed in the Scheme Document and pursuant to Rule 22 of the Takeovers Code.

As such, each of Bank of China Group Investment Limited, Bank of China Limited, Central Huijin Investment Ltd., China Investment Corporation, and State Council of the PRC is deemed to be interested in the Shares held by Ocean Falcon Limited. Whether Ocean Falcon Limited is a Disinterested Shareholder is subject to consultation with the Executive.

9. On the assumption that there is no other change in the shareholding of the Company before completion of the Proposal. Under the Scheme, the Scheme Shares will be cancelled and extinguished, and contemporaneously with such cancellation and extinguishment, the share capital of the Company will be maintained by the issuance at par to the Offeror, credited as fully paid, of the same number of Shares as is equal to the number of Scheme Shares cancelled and extinguished. The reserve created in the Company's books of account as a result of the cancellation of the Scheme Shares will be applied in paying up in full the new Shares so issued to the Offeror.
10. Scheme Shares are the Shares held by the Shareholders, other than the Rollover Shares.
11. Numbers may not add up to 100% due to rounding.
12. Other than Mr. Zhao, Ms. Pan and the indirect interests in the Shares held by Mr. Li (as set out in notes 1 and 2 above), no other Directors hold any Shares.

Share Options

As at the Announcement Date, there are (a) 37,023,842 Share Options (all of which are vested) granted under the Option Incentive Plan, comprising (i) 20,412,842 Share Options entitling the holders to subscribe for 20,412,842 new Shares and (ii) 16,611,000 Share Options entitling the holders to receive 16,611,000 existing Shares from the Option Trustee; and (b) 34,008,170 Share Options (8,446,020 of which are vested) granted under the Post-IPO Option Plan entitling the holders to subscribe for 34,008,170 new Shares. The Company will not grant any further Share Options under the Option Incentive Plan or the Post-IPO Option Plan before the Long Stop Date or the lapse, withdrawal or termination of the Scheme (whichever is earlier).

The exercise of all the Subject Share Options in full would result in the issue of 54,421,012 new Shares, representing approximately 8.67% of the issued share capital of the Company as at the Announcement Date and approximately 7.98% of the issued share capital of the Company as enlarged by the issue of such new Shares.

The Offeror will make (or procure to be made on its behalf) an appropriate offer to the Optionholders to cancel every vested and unvested Subject Share Option in accordance with Rule 13 of the Takeovers Code. The Option Offer will be conditional upon the Scheme becoming effective.

No Option Offer will be made to the 16,611,000 Share Options granted under the Option Incentive Plan as an equivalent number of Shares were already issued to the Option Trustee. The Option Trustee Held Shares (being the 16,611,000 Shares held by the Option Trustee) shall form part of the Scheme Shares and be cancelled upon the Scheme becoming effective. Conditional upon the Scheme becoming effective, the Offeror shall pay the aggregate Cancellation Price for the Option Trustee Held Shares to the Option Trustee, which will then pay the "see-through" price (being the Cancellation Price minus the relevant exercise price in case of the Share Options) to the holders of the Share Options.

Further information on the Option Offer will be set out in a letter to the Optionholders, which will be despatched at or around the same time as the despatch of the Scheme Document.

The reserve created in the Company's books of account as a result of the cancellation of the Scheme Shares will be applied in paying up in full the new Shares so issued to the Offeror.
10. Scheme Shares are the Shares held by the Shareholders, other than the Rollover Shares.
11. Numbers may not add up to 100% due to rounding.

Share Awards

As at the Announcement Date, the RSU Trustee holds 5,510,463 Shares, amongst which 3,509,350 Shares (representing approximately 0.56% of the issued share capital of the Company as at the Announcement Date) are to be used to satisfy the share awards granted to directors and employees of the Group and the remaining 2,001,113 Shares (representing approximately 0.32% of the issued share capital of the Company as at the Announcement Date) are to be used to satisfy future grants of share awards.

In accordance with the terms of the Post-IPO RSU Plan, if a general offer by way of scheme arrangement is made to all the Shareholders and has been approved by the necessary number of Shareholders at the requisite meetings, the Company shall forthwith give notice to the holders of RSUs and the holders of RSUs shall be entitled to receive the Shares in respect of the vested and unvested RSUs within any period specified in the notification. Under the terms of the Post-IPO RSU Plan, the RSU Trustee shall not exercise any voting rights in respect of any Shares held under the Post-IPO RSU Plan.

The RSU Trustee Rollover Shares (being the 2,001,113 Shares held by the RSU Trustee) will not form part of the Scheme Shares, but the RSU Trustee Scheme Shares (being the 3,509,350 Shares held by the RSU Trustee) shall form part of the Scheme Shares and be cancelled upon the Scheme becoming effective. Conditional upon the Scheme becoming effective, the Offeror shall pay the aggregate Cancellation Price for the RSU Trustee Scheme Shares to the RSU Trustee, which will then pay such amount to the holders of the RSUs.

Pursuant to the terms of the Post-IPO RSU Plan, the RSU Trustee will not be able to vote on the Scheme at the Court Meeting nor the Rollover Arrangements at the extraordinary general meeting of the Company.

During the offer period, the RSU Trustee will not further acquire Shares on market, and the Company does not intend to grant any further RSUs.

SPECIAL DEAL RELATING TO ROLLOVER ARRANGEMENTS

The Offeror proposes that (i) the RSU Trustee will roll over the RSU Trustee Rollover Shares (being 2,001,113 Shares, representing approximately 0.32% of the issued share capital of the Company as at the Announcement Date) and (ii) Convergence will roll over the Shares held by it (being 11,979,690 Shares, representing approximately 1.91% of the issued share capital of the Company as at the Announcement Date), each through Topco after the Scheme becomes effective. - (b) upon the Scheme becoming effective, the RSU Trustee Rollover Shares will then be transferred to the Offeror in consideration for an aggregate of 2,001,113 shares to be issued by Topco to the RSU Trustee credited as fully paid at the Cancellation Price. After completion of the Scheme and the transfers of the RSU Trustee Rollover Shares, the RSU Trustee will, through Topco, hold an indirect interest in the Company.

The Trustee Rollover Agreement will be terminated if the Scheme lapses or is withdrawn, terminated, rescinded by the Offeror or is finally dismissed, refused or rejected by the Grand Court.

- (b) upon the Scheme becoming effective, the Shares held by Convergence will then be transferred to the Offeror in consideration for an aggregate of 11,979,690 shares to be issued by Topco to Convergence credited as fully paid at the Cancellation Price. After completion of the Scheme and the transfers of the Shares held by Convergence, Convergence will, through Topco, hold an indirect interest in the Company;
- (c) Convergence has undertaken, to the extent permitted under the Takeovers Code, the Listing Rules and applicable laws and regulations, to exercise, or, as the case may be, to procure the exercise of the voting rights in respect of the Shares owned by it directly on resolutions in relation to the implementation of the Scheme in accordance with the Offeror’s directions, and in the absence of any such directions, to vote in favour of all resolutions which are necessary to implement the Scheme proposed at an extraordinary general meeting of the Company, and that it shall be bound by, and take all actions necessary to implement the Scheme; and
- (d) Convergence has further undertaken that it shall not, directly or indirectly, sell, transfer, charge, encumber, grant any option over or otherwise dispose of any interest in any of the Shares held by it, nor will it accept any other offer in respect of all or any of such Shares.

The Convergence Rollover Agreement will be terminated if the Scheme lapses or is withdrawn, terminated, rescinded by the Offeror or is finally dismissed, refused or rejected by the Grand Court.

Information on the RSU Trustee and Convergence

The RSU Trustee is a professional trustee corporation appointed by the Company for the administration of the Post-IPO RSU Plan. As at the Announcement Date, the RSU Trustee holds 5,510,463 Shares, amongst which 3,509,350 Shares are to be used to satisfy the share awards granted to directors and employees of the Group and the remaining 2,001,113 Shares are to be used to satisfy future grants of share awards. Under the terms of the Post-IPO RSU Plan, the RSU Trustee shall not exercise the voting rights in respect of any Shares held under the Post-IPO RSU Plan.

Convergence was set up as a shareholding platform for the core management of the Group for the purpose of building up an incentive mechanism, attracting and cultivating talent, maintaining steady development of the Group and aligning the interests of the core management of the Group with those of the Shareholders. Those core management are involved in the day-to-day operation of the Group and have extensive operational expertise in research and development, marketing, human resources and business operations and an in-depth understanding of the Group's business and development. The Offeror is of the view that it is important for Convergence to retain its stake in the Company in order to continue to provide long-term incentives to these core management after completion of the Scheme for alignment with the development of the Group.

Special Deal and Disinterested Shareholder Approval

As the Rollover Arrangements are not offered to all Shareholders, the Rollover Arrangements constitute a special deal and require the consent of the Executive under Rule 25 of the Takeovers Code. The Offeror will (before the despatch of the Scheme Document) make an application for consent from the Executive to the Rollover Arrangements conditional on: (i) the Independent Financial Adviser confirming that the Rollover Arrangements are fair and reasonable so far as the Disinterested Shareholders are concerned; and (ii) the passing of an ordinary resolution by the Disinterested Shareholders at the extraordinary general meeting of the Company to approve the Rollover Arrangements.

Accordingly, as set out in Condition (f) in the section headed "Conditions of the Proposal", the Proposal and the Scheme are subject to: (i) the receipt of an opinion from the Independent Financial Adviser confirming that the Rollover Arrangements are fair and reasonable so far as the Disinterested Shareholders are concerned; (ii) the passing of an ordinary resolution by the Disinterested Shareholders at the extraordinary general meeting of the Company to approve the Rollover Arrangements; and (iii) the grant of consent under Rule 25 of the Takeovers Code from the Executive in respect of the Rollover Arrangements.

Each of the RSU Trustee and Convergence is considered to be acting in concert with the Offeror as a result of the Rollover Arrangements, and is therefore not a Disinterested Shareholder and will not be voting on the Rollover Arrangements at the extraordinary general meeting of the Company.

GL ROLLOVER AGREEMENT

As at the Announcement Date, the GL Rollover Shareholders (being concert parties of the Offeror) hold in aggregate 195,104,060 Shares, representing approximately 31.09% of the issued share capital of the Company.

The Offeror, Topco and the GL Rollover Shareholders have entered into the GL Rollover Agreement on 28 March 2024, pursuant to which:

- (a) subject to Condition (f) in the section headed “Conditions of the Proposal” and the Scheme becoming effective, the GL Rollover Shareholders will remain as Shareholders until the Scheme becomes effective, the Shares held by the GL Rollover Shareholders will not constitute Scheme Shares and will not be voted on the Scheme at the Court Meeting or the Rollover Arrangements at the extraordinary general meeting of the Company;
- (b) upon the Scheme becoming effective, the Shares held by the GL Rollover Shareholders will then be transferred to the Offeror in consideration for an aggregate of 195,104,060 shares to be issued by Topco to the GL Rollover Shareholders credited as fully paid at the Cancellation Price. After completion of the Scheme and the transfers of the Shares held by the GL Rollover Shareholders, each GL Rollover Shareholder will, through Topco, hold an indirect interest in the Company;
- (c) the GL Rollover Shareholders have each undertaken, to the extent permitted under the Takeovers Code, the Listing Rules and applicable laws and regulations, to exercise, or, as the case may be, to procure the exercise of the voting rights in respect of the Shares owned by them directly on resolutions in relation to the implementation of the Scheme in accordance with the Offeror’s directions, and in the absence of any such directions, to vote in favour of all resolutions which are necessary to implement the Scheme proposed at an extraordinary general meeting of the Company, and that each shall be bound by, and take all actions necessary to implement the Scheme; and
- (d) the GL Rollover Shareholders have each further undertaken that they shall not, directly or indirectly, sell, transfer, charge, encumber, grant any option over or otherwise dispose of any interest in any of the Shares held by them, nor will they accept any other offer in respect of all or any of such Shares.

The GL Rollover Agreement will be terminated if the Scheme lapses or is withdrawn, terminated, rescinded by the Offeror or is finally dismissed, refused or rejected by the Grand Court.

IRREVOCABLE UNDERTAKING

The Offeror, Mr. Zhao and Ms. Pan have entered into the Irrevocable Undertaking on 28 March 2024, pursuant to which each of Mr. Zhao and Ms. Pan has undertaken:

- (a) not to exercise any Share Options held by him/her and to accept the Option Offer in respect of all his/her Share Options;

- (b) to the extent permitted under the Takeovers Code, the Listing Rules and applicable laws and regulations, to exercise, or, as the case may be, to procure the exercise of the voting rights in respect of the Shares owned by them directly on resolutions in relation to the implementation of the Scheme in accordance with the Offeror's directions, and in the absence of any such directions, to vote in favour of all resolutions which are necessary to implement the Scheme proposed at an extraordinary general meeting of the Company, and that each shall be bound by, and take all actions necessary to implement the Scheme; and
- (c) not, directly or indirectly, sell, transfer, charge, encumber, grant any option over or otherwise dispose of any interest in any of the Shares held by them, nor will they accept any other offer in respect of all or any of such Shares.

The Irrevocable Undertaking will be terminated if the Scheme lapses or is withdrawn, terminated, rescinded by the Offeror or is finally dismissed, refused or rejected by the Grand Court.

INDEPENDENT BOARD COMMITTEE

The Independent Board Committee, which comprises all the independent non-executive Directors, namely Dr. Liu Guoen, Dr. Chen Ping, Mr. Gu Alex Yushao and Ms. Wendy Hayes, has been established by the Board to make a recommendation, after taking into account the advice and recommendation from the Independent Financial Adviser (i) to the Disinterested Shareholders as to whether the Proposal, the Scheme and the Rollover Arrangements are, or are not, fair and reasonable and as to voting at the Court Meeting and the extraordinary general meeting of the Company and (ii) to the Optionholders as to whether the Option Offer are, or are not, fair and reasonable and whether to accept the Option Offer.

Pursuant to Rule 2.8 of the Takeovers Code, the Independent Board Committee comprises all the non-executive Directors who have no direct or indirect interest in the Proposal other than as a Shareholder. As Mr. Li ultimately controls the Offeror, Dr. Vasella is a Director nominated by GL Capital and Ms. Lin is currently a partner of the private equity investment department of GL Capital, each of Mr. Li, Dr. Vasella and Ms. Lin are concert parties of the Offeror. In addition, Ms. Wang is a Director nominated by Bank of China Group Investment Limited, which is a limited partner of the GL Cayman Fund. As such, each of Mr. Li, Dr. Vasella, Ms. Lin and Ms. Wang do not form part of the Independent Board Committee.

INDEPENDENT FINANCIAL ADVISER

The Board, with the approval of the Independent Board Committee, has appointed Opus Capital as the Independent Financial Adviser to advise the Independent Board Committee in connection with the Proposal, the Scheme, the Option Offer and the Rollover Arrangements pursuant to Rule 2.1 of the Takeovers Code.

REASONS FOR AND BENEFITS OF THE PROPOSAL

Benefits of the Proposal to the Scheme Shareholders:

Cancellation Price represents a compelling exit premium under a challenging capital market environment

Since the Company's initial public offering, a combination of factors have weighed on the capital market and the Company's share price, including global macroeconomic challenges such as geopolitical tensions, supply chain disruptions, lack of investor confidence, as well as industry changes including volume-based procurement of drugs in the PRC and ongoing regulatory reform. These factors, of which some have affected the Company's operations, have caused the Company's share price to underperform since its initial public offering in Hong Kong. In light of the fact that the majority of Group's revenue is currently contributed by a single product Zadaxin, the Company anticipates to pursue strategies to further diversify product portfolio and increase efforts on commercialization of new products for the next few years in order to optimize the Group's revenue structure. Besides, to ensure a continuous and efficient launch of new products, the Company aims to strategically focus on enhancing core competencies of product research and development. As such, additional investment and spending is expected on business development, research and development and marketing and commercialization activities, which may bring volatility to the Company's financial performance. Given the challenging external environment and as the Company enters into a period of strategic transformations, the Proposal is intended to provide the Scheme Shareholders with an opportunity to realise their investment in the Company for cash at an attractive premium over the prevailing market price without having to suffer any illiquidity discount or market uncertainties.

The Cancellation Price represents a premium of approximately 33.90% and 47.47% over the closing price of HK\$14.04 per Share as quoted on the Stock Exchange on the Undisturbed Date and the average closing price of approximately HK\$12.75 per Share based on the daily closing prices as quoted on the Stock Exchange for the 30 trading days up to and including the Undisturbed Date respectively. The Cancellation Price is also equivalent to the highest closing price per Share on every trading day since the Company's listing on the Stock Exchange, and represents a premium of approximately 111.00% and 26.51% over the lowest closing price of HK\$8.91 per Share as quoted on the Stock Exchange on 4 October 2023 and the highest closing price of HK\$14.86 per Share as quoted on the Stock Exchange on 15 December 2023, respectively, during the 12-month period immediately prior to and including the Undisturbed Date. Considering the long-term depressed market performance as evidenced by the fact that the Hang Seng Healthcare Index has declined by 29.9% during the 12-month period immediately prior to and including the Last Trading Day, the Scheme affords the Scheme Shareholders the opportunity to monetize their investments in the Company and redeploy the cash received from accepting the Scheme into other usages.

An opportunity to exit investments with low trading liquidity

The liquidity of Shares has been at a low level over a long period of time. The average daily trading volume of the Shares for the 24 months up to and including the Undisturbed Date was approximately 2.54 million Shares per day, representing only approximately 0.41% of the issued Shares as at the Announcement Date. The low trading liquidity of the Shares could make it difficult for Shareholders to execute substantial on-market disposals without adversely affecting the price of the Shares and also make it difficult for Shareholders to dispose of a large number of Shares when any event that has an adverse impact on the Company's share price occurs.

Benefits of the Proposal to the Offeror and the Company:

The listing status of the Company no longer provides meaningful access to capital

Despite the Company's efforts to improve investor confidence and market value, including on-market buyback since March 2022 and a HK\$780 million share buyback offer in early 2023, the Company's low liquidity and relative underperformance in the trading of the Shares persisted. The Company's current listing status no longer sufficiently serves as a source of funding for its long-term growth, and the Company's ability to raise funds in the equity capital markets for future development and growth is limited.

Following the implementation of the Proposal, the Company is expected to substantially reduce the administrative and management resources needed in maintaining its listing status and the Offeror will be able to manage the Group with focus on its strategic direction and business operations.

The unsatisfactory share performance distracts the Company from its business operations

Over a long period of time, the Company's share price performance has not been satisfactory due to factors such as the overall momentum in Hong Kong stock market. As a leading biopharmaceutical company with an integrated platform for product development and commercialization in the PRC, the Company believes that its market value is an important commercial factor. The Offeror considers that the depressed share price has not fully reflected the Company's strengths and advantages in pharmaceutical industry, which might harm its business focus as well as its employee morale. It is believed that the implementation of the Proposal will help the Offeror and the Company to concentrate on solving critical issues in relation to the core business and operations, free from distractions brought by share price fluctuations.

The Company seeks to implement long-term strategies that might have adverse impact in short-term market performance

As a listed company in Hong Kong, the Company has been paying high attention to its share price performance, thus restraining the Company from implementing long-term strategies that might have adverse impact on the Company's short-term performance and share price. For example, the Company has been actively seeking to acquire licenses of new pipeline drug candidates and increase investment in developing products with first/best-in-class potential, which may not bring in immediate return in the short term. The Offeror believes that the successful implementation of the Proposal will provide more flexibility to the Company as a privately-owned business to implement its business strategies or to pursue business opportunities in the prevailing competitive environment, without being subject to administrative obligations as a listed company and without focusing on short-term market reactions and stock price fluctuations.

OVERSEAS SHAREHOLDERS

The making and implementation of the Proposal to Scheme Shareholders and the Option Offer to Optionholders who are not resident in Hong Kong may be subject to the laws of the relevant jurisdictions in which such Scheme Shareholders and Optionholders are located. Such Scheme Shareholders and Optionholders should inform themselves about and observe any applicable legal, tax or regulatory requirements.

It is the responsibility of any overseas Scheme Shareholders and Optionholders wishing to take any action in relation to the Proposal and the Option Offer to satisfy themselves as to the full observance of the laws of the relevant jurisdiction in connection therewith, including the obtaining of any governmental, exchange control or other consents which may be required, or the compliance with other necessary formalities and the payment of any issue, transfer or other taxes due in such jurisdiction.

Any acceptance by the Scheme Shareholders and Optionholder will be deemed to constitute a representation and warranty from such persons to the Offeror and the Company and their respective advisers (including CICC) that those laws and regulatory requirements have been complied with. If you are in doubt as to your position, you should consult your professional advisers.

In the event that the despatch of the Scheme Document to overseas Scheme Shareholders or overseas Optionholders is prohibited by any relevant law or regulation or may only be effected after compliance with conditions or requirements that the directors of the Offeror or the Company regard as unduly onerous or burdensome (or otherwise not in the best interests of the Offeror or the Company or their respective shareholders), the Scheme Document may not be despatched to such overseas Scheme Shareholders or overseas Optionholders. For that purpose, the Company will apply for a waiver pursuant to Note 3 to Rule 8 of the Takeovers

Code at such time. Any such waiver will only be granted if the Executive is satisfied that it would be unduly burdensome to despatch the Scheme Document to such overseas Scheme Shareholders or overseas Optionholders. In granting the waiver, the Executive will be concerned to see that all material information in the Scheme Document is made available to such Scheme Shareholders or overseas Optionholders, as the case may be.

TAXATION ADVICE

Scheme Shareholders and Optionholders are recommended to consult their own professional advisers if they are in any doubt as to the taxation implications of the Proposal or the Option Offer. It is emphasised that none of the Offeror, the Offeror Concert Parties, the Company and CICC or any of their respective directors, officers or associates or any other person involved in the Proposal accepts responsibility (other than in respect of themselves, if applicable) for any taxation effects on, or liabilities of, any persons as a result of their acceptance or rejection of the Proposal or the Option Offer.

The Offeror will undertake to the Grand Court that it will be bound by the Scheme, so as to ensure that it will comply with and be subject to the terms and conditions of the Scheme.

All Shareholders will be entitled to attend the extraordinary general meeting of the Company and vote on the special resolution to: (i) approve and give effect to any reduction of the share capital of the Company as a result of the cancellation and extinguishment of the Scheme Shares; and (ii) contemporaneously therewith maintain the issued share capital of the Company at the amount prior to the cancellation of the Scheme Shares by applying the reserve created as a result of the aforesaid cancellation of the Scheme Shares to pay up in full at par such number of new Shares as is equal to the number of Scheme Shares cancelled as a result of the Scheme, credited as fully paid, for issuance to the Offeror.

The Offeror and the Offeror Concert Parties have indicated that if the Scheme is approved at the Court Meeting, those Shares held by them will be voted in favour of the resolutions to be proposed at the extraordinary general meeting of the Company in relation to: (i) approve and give effect to any reduction of the share capital of the Company as a result of the cancellation and extinguishment of the Scheme Shares; and (ii) contemporaneously therewith maintain the issued share capital of the Company at the amount prior to the cancellation of the Scheme Shares by applying the reserve created as a result of the aforesaid cancellation of the Scheme Shares to pay up in full at par such number of new Shares as is equal to the number of Scheme Shares cancelled as a result of the Scheme, credited as fully paid, for issuance to the Offeror. In accordance with Rule 3.8 of the Takeovers Code, reproduced below is the full text of Note 11 to Rule 22 of the Takeovers Code:

“Responsibilities of stockbrokers, banks and other intermediaries

Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates of an offeror or the offeree company and other persons under Rule 22 and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant Rules. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any 7 day period is less than \$1 million.

This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediaries are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”
