The Board proposes to implement the Capital Reorganisation which will involve the following:

- (a) the Share Consolidation whereby every ten (10) Existing Shares of HK\$0.01 each in the issued share capital of the Company will be consolidated into one (1) Consolidated Share of HK\$0.10 each;

- (b) the Capital Reduction whereby the issued share capital of the Company will be reduced by (a) rounding down the total number of Consolidated Shares in the issued share capital of the Company to the nearest whole number by cancelling any fraction of a Consolidated Share in the total number of Consolidated Shares in the issued share capital of the Company following the Share Consolidation; and (b) cancelling the paid-up share capital of the Company to the extent of HK\$0.09 on each of the then issued Consolidated Shares such that the par value of each issued Consolidated Share will be reduced from HK\$0.10 to HK\$0.01; and
- (c) the transfer of all the credits arising from the Capital Reduction to the contributed surplus account of the Company within the meaning of the Companies Act to then be applied in full to set off the accumulated losses of the Company or be applied by the Board in any other manner as may be permitted under the Bye-Laws and all applicable laws of Bermuda from time to time without further authorisation from the Shareholders.

PROPOSED CHANGE IN BOARD LOT SIZE

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in board lot size of 1,200 Existing Shares. The Board proposes to change the board lot size for trading on the Stock Exchange from 1,200 Existing Shares to 6,000 Adjusted Shares conditional upon the Capital Reorganisation becoming effective.

PROPOSED RIGHTS ISSUE

The Board proposes, subject to the Capital Reorganisation and the Change in Board Lot Size becoming effective, to implement the Rights Issue on the basis of two (2) Rights Shares for every one (1) Adjusted Share held on the Record Date at the Subscription Price of HK\$0.26 per Rights Share, to raise up to approximately HK\$263.7 million before expenses, by way of issuing up to 1,014,300,462 Rights Shares (assuming there is no change in the total number of issued Shares from the date of this announcement up to and including the Record Date other than as a result of the Capital Reorganisation). The Rights Issue is only available to the Qualifying Shareholders and will not be extended to Excluded Shareholders.

The estimated net proceeds from the Rights Issue will be approximately HK\$258.6 million (assuming there is no change in the total number of issued Shares from the date of this announcement up to and including the Record Date other than as a result of the Capital Reorganisation). Details of the use of proceeds are set out in the section headed “Reasons for and Benefits of the Rights Issue and Use of Proceeds” in this announcement.

UNDERWRITING AGREEMENT

On 18 April 2024 (after morning trading session of the Stock Exchange), the Company entered into the Underwriting Agreement with the Underwriter in relation to the underwriting and respective arrangements in respect of the Rights Issue. Pursuant to the Underwriting Agreement, the Underwriter has conditionally agreed to underwrite, on a best-effort and non-fully underwritten basis, up to 1,014,300,462 Rights Shares, subject to the terms and conditions set out in the Underwriting Agreement, in particular, the fulfilment of the conditions precedent contained therein. Details of the underwriting arrangement are set out in the section headed “The Underwriting Agreement” in this announcement.

The Rights Issue is only underwritten on a best-effort and non-fully underwritten basis. Pursuant to the Company’s constitutional documents and the Companies Act, there are no requirements for minimum levels of subscription in respect of the Rights Issue. Subject to fulfilment or waiver of the conditions precedent of the Rights Issue and the Underwriting Agreement, the Rights Issue shall proceed regardless of the ultimate subscription level, and up to 1,014,300,462 Rights Shares (assuming there is no change in the total number of issued Shares from the date of this announcement up to and including the Record Date other than as a result of the Capital Reorganisation) are available to be subscribed subject, however, to any Scaling-down.

In the event the Rights Issue is under-subscribed, any Rights Shares not taken up by the Qualifying Shareholders whether under PAL(s) or EAF(s), or transferees of nil-paid Rights Shares, and not subscribed by the Underwriter or subscribers procured by it pursuant to the Underwriting Agreement will not be issued, and hence, the size of the Rights Issue will be reduced accordingly. Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.

LISTING RULES IMPLICATIONS

As the Rights Issue will increase the issued share capital of the Company by more than 50%, the Rights Issue is subject to the approval of the Independent Shareholders at the SGM by way of poll, in accordance with Rule 7.19A of the Listing Rules. Pursuant to Rule 7.27A(1) of the Listing Rules, where minority shareholders' approval is required for a rights issue under Rule 7.19A of the Listing Rules, the rights issue must be made conditional on approval by shareholders in general meeting by a resolution on which any controlling shareholders and their associates or, where there are no controlling shareholders, directors (excluding independent non-executive directors) and the chief executive of the issuer and their respective associates shall abstain from voting the ordinary resolution to approve the Rights Issue at the SGM.

As at the date of this announcement, the Company has no controlling shareholders and no Directors or chief executive of the Company, and their respective associates are interested in any Shares. Accordingly, no Shareholder is required to abstain from voting in favour of the relevant resolution(s) of the Rights Issue at the SGM.

GENERAL

The Independent Board Committee comprising the independent non-executive Directors has been established to advise the Independent Shareholders (i) as to whether the terms of the Rights Issue are fair and reasonable and in the interest of the Shareholders as a whole; and (ii) how to vote, taking into account the recommendations of the Independent Financial Adviser. Messis Capital Limited has been appointed by the Company as the Independent Financial Adviser to advise the Independent Board Committee on the Rights Issue.

A Circular containing, among other things, (i) further details of (a) the Capital Reorganisation, (b) the Change in Board Lot Size, and (c) the Rights Issue; (ii) a letter of recommendation from the Independent Board Committee to the Independent Shareholders in respect of the Rights Issue; (iii) a letter of advice from the Independent Financial Adviser to the Independent Board Committee and the Independent Shareholders on the Rights Issue; and (iv) a notice convening the SGM, is expected to be despatched to the Shareholders on or before Friday, 24 May 2024.

Subject to the fulfillment of certain conditions of the Rights Issue including the approval of the Independent Shareholders at the SGM and upon the Capital Reorganisation and the Change in Board Lot Size becoming effective, the Company will despatch the Prospectus Documents containing, among other matters, details of the Rights Issue, to the Qualifying Shareholders. The Company will despatch the Prospectus to the Excluded Shareholders for their information only but the Company will not send the PAL and EAF to the Excluded Shareholders.

RESUMPTION OF TRADING IN SHARES

At the request of the Company, trading in the Shares on the Stock Exchange was halted with effect from 1:00 p.m. on 18 April 2024 pending the release of this announcement. Application has been made by the Company for resumption of trading of the Shares on the Stock Exchange with effect from 9:00 a.m. on 19 April 2024.

WARNING OF THE RISKS OF DEALING IN SHARES AND RIGHTS SHARES IN NIL - PAID FORM

Shareholders and potential investors of the Company should note that the Capital Reorganisation is conditional upon satisfaction of conditions set out in the paragraph headed “Conditions of the Capital Reorganisation” in this announcement. Therefore, the Capital Reorganisation may or may not proceed.

Shareholders and potential investors of the Company should note that the proposed Rights Issue is conditional upon, among others, the Underwriting Agreement having become unconditional and the Underwriter not having terminated the Underwriting Agreement in accordance with the terms thereof (a summary of which is set out in the paragraph headed “Termination of the Underwriting Agreement” under the section headed “The Underwriting Agreement” in this announcement). Accordingly, the proposed Rights Issue may or may not proceed.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.

PROPOSED CAPITAL REORGANISATION

The Board proposes to implement the Capital Reorganisation which will involve the following:

- (a) the Share Consolidation whereby every ten (10) Existing Shares of HK\$0.01 each in the issued share capital of the Company will be consolidated into one (1) Consolidated Share of HK\$0.10 each;
- (b) the Capital Reduction whereby the issued share capital of the Company will be reduced by (a) rounding down the total number of Consolidated Shares in the issued share capital of the Company to the nearest whole number by cancelling any fraction of a Consolidated Share in the total number of Consolidated Shares in the issued share capital of the Company following the Share Consolidation; and (b) cancelling the paid-up share capital of the Company to the extent of HK\$0.09 on each of the then issued Consolidated Shares such that the par value of each issued Consolidated Share will be reduced from HK\$0.10 to HK\$0.01; and
- (c) the transfer of all the credits arising from the Capital Reduction to the contributed surplus account of the Company within the meaning of the Companies Act to then be applied in full to set off the accumulated losses of the Company or be applied by the Board in any other manner as may be permitted under the Bye-Laws and all applicable laws of Bermuda from time to time without further authorisation from the Shareholders.

Effects of the Capital Reorganisation

As at the date of this announcement, the authorised share capital of the Company amounted to HK\$10,000,000,000 divided into 1,000,000,000,000 Existing Shares, of which 5,071,502,310 Existing Shares had been allotted and issued as fully paid or credited as fully paid.

Upon the Share Consolidation becoming effective and on the basis that no further Existing Shares will be allotted, issued or repurchased prior thereto, the authorised share capital of the Company will become approximately HK\$10,000,000,000 divided into 100,000,000,000 Consolidated Shares of HK\$0.10 each, of which 507,150,231 Consolidated Shares will be in issue, which are fully paid or credited as fully paid.

Any fractional Consolidated Share to which an individual Shareholder is entitled to will not be issued by the Company to such Shareholder, but will be aggregated, sold and retained for the benefit of the Company to the extent possible.

Shareholders concerned about losing out on any fractional entitlement are recommended to consult their licensed securities dealer, bank manager, solicitor, professional accountant or other professional adviser and may wish to consider the possibility of buying or selling Existing Shares in a number sufficient to make up an entitlement to receive a whole number of Adjusted Shares.

Upon the Capital Reduction becoming effective, any fraction of a Consolidated Share in the total number of Consolidated Shares in the issued share capital of the Company following the Share Consolidation will be cancelled so that the total number of Consolidated Shares in the issued share capital of the Company will be rounded down to the nearest whole number and the par value of all the issued Consolidated Shares shall be reduced from HK\$0.10 each to HK\$0.01 each by cancelling the paid-up share capital to the extent of HK\$0.09 per Consolidated Share in issue.

The Adjusted Shares will rank pari passu in all respects with each other in accordance with the Bye-Laws. The authorised share capital will become HK\$10,000,000,000 divided into 1,000,000,000,000 Adjusted Shares of par value of HK\$0.01 each.

Based on 5,071,502,310 Existing Shares in issue as at the date of this announcement, a credit of approximately HK\$45,643,520.79 arising as a result of the Capital Reduction becoming effective after the Capital Reorganisation. The credits arising from the Capital Reduction will be transferred to the contributed surplus account of the Company within the meaning of the Companies Act and be applied in full to set off the accumulated losses of the Company or be applied by the Board in any other manner as may be permitted under the Bye-Laws and all applicable laws of Bermuda from time to time without further authorisation from the Shareholders.

Other than the relevant expenses incurred and to be incurred, the implementation of the Capital Reorganisation will have no effect on the consolidated net asset value of the Group, nor will it alter the underlying assets, business, operations, management of financial position of the Company.

The Capital Reorganisation will not involve any diminution of any liability in respect of any unpaid capital of the Company or the repayment to the Shareholders of any unpaid capital of the Company nor will it result in any change in the relative rights of the Shareholders.

The following tables set out the effect of the Capital Reorganisation on the share capital of the Company before and after the implementation of the Capital Reorganisation, assuming that there is no change in the issued share capital of the Company from the date of this announcement until the effective date of the Capital Reorganisation.

Conditions of the Capital Reorganisation

The Capital Reorganisation is conditional upon:

- (a) the passing of a special resolution to approve the Capital Reorganisation by the Shareholders at the SGM;
- (b) the Stock Exchange granting the listing of, and permission to deal in, the Adjusted Shares arising from the Capital Reorganisation;
- (c) compliance with the requirements of section 46(2) of the Companies Act in that the Directors being satisfied that on the date the Capital Reduction is to take effect, there are no reasonable grounds for believing that the Company is, or after the Capital Reduction would be, unable to pay its liabilities as they become due, and the Listing Rules to effect the Capital Reorganisation; and
- (d) the obtaining of all necessary approvals from the regulatory authorities or otherwise as may be required in respect of the Capital Reorganisation.

Status of the Adjusted Shares

The Adjusted Shares will be identical in all respects and rank pari passu in all respects with each other. All necessary arrangements will be made for the Adjusted Shares to be admitted into CCASS.

Exchange of share certificates

Subject to the Capital Reorganisation having become effective, Shareholders may, during the specified period, submit the existing share certificates for the Existing Shares to the Registrar in Hong Kong, Tricor Standard Limited at 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong, in exchange, at the expense of the Company, for new share certificates for the Adjusted Shares. Thereafter, existing share certificates for Existing Shares will continue to be good evidence of legal title and may be exchanged for new share certificates for Adjusted Shares at the expense of the Shareholders on payment of a fee of HK\$2.50 (or such higher amount as may be allowed by the Stock Exchange from time to time) for each existing share certificate cancelled or each new share certificate issued for Adjusted Shares (whichever is higher) but are not acceptable for trading, settlement and registration upon the Capital Reorganisation becoming effective.

The new share certificates for the Adjusted Shares will be issued in light green colour in order to distinguish them from the existing light orange colour.

Listing and Dealings

Application will be made to the Listing Committee of the Stock Exchange for the granting of the listing of, and permission to deal in, the Adjusted Shares arising from the Capital Reorganisation.

Subject to the granting of the listing of, and permission to deal in, the Adjusted Shares on the Stock Exchange, the Adjusted Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Adjusted Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

PROPOSED CHANGE IN BOARD LOT SIZE

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in board lot size of 1,200 Existing Shares. The Board proposes to change the board lot size for trading on the Stock Exchange from 1,200 Existing Shares to 6,000 Adjusted Shares conditional upon the Capital Reorganisation becoming effective. Based on the closing price of HK\$0.039 per Existing Share (equivalent to the theoretical closing price of HK\$0.39 per Adjusted Share) as at the date of this announcement, (i) the value of each existing board lot of Existing Shares is HK\$46.8; (ii) the value of each board lot of 1,200 Adjusted Shares would be HK\$468 assuming the Capital Reorganisation becoming effective; and (iii) the estimated value per board lot of 6,000 Adjusted Shares would be HK\$2,340 assuming that the Change in Board Lot Size had also been effective.

The Change in Board Lot Size will not result in change in the relative rights of the Shareholders.

Reasons for the Capital Reorganisation and the Change in Board Lot Size

Under Rule 13.64 of the Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the issuer may be required either to change the trading method or to proceed with a consolidation or splitting of its securities.

Pursuant to the “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited, the expected board lot value should be greater than HK\$2,000 per board lot taking into account the minimum transaction costs for a securities trade.

As at the date of this announcement, the closing price of each Existing Share is HK\$0.39, with a board lot size of 1,200 Existing Shares, the Company is trading under HK\$2,000 per board lot.

The Existing Shares has been constantly traded below HK\$1.00 for the past few years. In order to reduce transaction and registration costs incurred by the Shareholders and investors of the Company, the Board proposes to implement the Capital Reorganisation. It is expected that the Capital Reorganisation, together with the Change in Board Lot Size, will increase the value of each board lot of the Adjusted Shares to over HK\$2,000.

Meanwhile, the Capital Reorganisation also involves the Capital Reduction which will reduce the par value of the issued Consolidated Shares from HK\$0.10 per Consolidated Share to HK\$0.01 per Adjusted Share. Under the laws of Bermuda, a company may not issue shares at a discount to the par value of such shares. Accordingly, the Capital Reduction will allow greater flexibility in the pricing for any issue of new Shares in the future.

Further, the credit in the contributed surplus account arising from the Capital Reorganisation will enable the Company to reduce its accumulated losses. As such, the Board proposes to implement the Capital Reorganisation.

The Board considers that (i) the Share Consolidation and the Change in Board Lot Size will reduce the overall transaction and handling costs of dealings in the Existing Share as a proportion of the market value of each board lot, since most of the banks/securities houses will charge minimum transaction costs for each securities transaction; (ii) the Capital Reduction will reduce the par value of the Consolidated Shares, which will provide the Company with greater flexibility in possible fundraisings in the future; and (iii) the credits in the contributed surplus account of the Company arising from the Capital Reduction, which will enable the Company to set off against its accumulated losses (if any) in full or in part by the amount of such credits and may facilitate or be applied in any future distribution to the Shareholders or be applied in any other manner as the Board may deem fit as may be permitted under the applicable laws and the Bye-Laws.

As at the date of this announcement, the Company has no intention to carry out other corporate action in the next 12 months which may have an effect of undermining or negating the intended purpose of the Capital Reorganisation.

Therefore, the Board believes the Capital Reorganisation and the Change in Board Lot Size are in the interests of the Company and the Shareholders as a whole.

Subject to fulfilment or waiver of the conditions precedent of the Rights Issue and the Underwriting Agreement, the Rights Issue shall proceed regardless of the ultimate subscription level, and up to 1,014,300,462 Rights Shares (assuming there is no change in the total number of issued Shares from the date of this announcement up to and including the Record Date other than as a result of the Capital Reorganisation) are available to be subscribed subject, however, to any Scaling-down.

In the event that the Rights Issue is under-subscribed, any Rights Shares not taken up by the Qualifying Shareholders whether under PAL(s) or EAF(s), or transferees of nil-paid Rights Shares, and not subscribed by the Underwriter or subscribers procured by it pursuant to the Underwriting Agreement will not be issued, and hence, the size of the Rights Issue will be reduced accordingly.

Subscription Price

The Subscription Price of HK\$0.26 per Rights Share is payable in full by a Qualifying Shareholder upon acceptance of the relevant provisional allotment of the Rights Shares under the Rights Issue, upon an application of excess Rights Shares, or where a transferee of the nil-paid Rights Shares subscribes for the Rights Shares.

The Subscription Price represents:

- (a) a discount of approximately 33.33 % to the theoretical closing price of HK\$0.39 per Adjusted Share (after taking into account the effect of the Capital Reorganisation) based on the closing price of HK\$0.039 per Existing Share as quoted on the Stock Exchange as at the date of this announcement;

- (b) a discount of approximately 33.33% to the theoretical closing price of HK\$0.39 per Adjusted Share (after taking into account the effect of the Capital Reorganisation) based on the closing price of HK\$0.039 per Existing Share as quoted on the Stock Exchange on the Last Trading Day;
- (c) a discount of approximately 32.29% to the theoretical average closing price of HK\$0.384 per Adjusted Share (after taking into account the effect of the Capital Reorganisation) based on the average closing price of approximately HK\$0.0384 per Existing Share as quoted on the Stock Exchange on the Last Trading Day for the five (5) consecutive trading days up to and including the Last Trading Day;
- (d) a discount of approximately 32.82% to the theoretical average closing price of approximately HK\$0.387 per Adjusted Share (after taking into account the effect of the Capital Reorganisation) based on the average closing price of approximately HK\$0.0387 per Existing Share as quoted on the Stock Exchange on the Last Trading Day for the ten (10) consecutive trading days up to and including the Last Trading Day;
- (e) a discount of approximately 22.31% to the theoretical ex-rights price of approximately HK\$0.303 per Adjusted Share (after taking into account the effect of the Capital Reorganisation) based on the closing price of HK\$0.039 per Existing Share as quoted on the Stock Exchange on the Last Trading Day;
- (f) a discount of approximately 98.24% to the net asset value of the Company of approximately HK\$14.765 per Adjusted Share (after taking into account the effect of the Capital Reorganisation) based on the unaudited net asset value attributable to owners of the Company of approximately HK\$7,488,020,000 as at 30 June 2023 and 507,150,231 Adjusted Shares assuming the Capital Reorganisation has become effective; and
- (g) a discount of approximately 98.22% to the net asset value of the Company of approximately HK\$14.603 per Adjusted Share (after taking into account the effect of the Capital Reorganisation) based on the net asset value attributable to owners of the Company of approximately HK\$7,405,721,000 as at 31 December 2023 and 507,150,231 Adjusted Shares assuming the Capital Reorganisation has become effective.

The Subscription Price was determined after arm's length negotiation between the Company and the Underwriter with reference to, among others, the size of the Rights Issue, the market price of the Existing Shares under the prevailing market conditions, the financial condition of the Company and the reasons and benefits of Rights Issue as discussed in the section headed "Reasons for and Benefits of the Rights Issue and Use of Proceeds" in this announcement. The Board (other than the members of the Independent Board Committee who will form their view after reviewing and

considering the advice from the Independent Financial Adviser) considers that the terms of the Rights Issue (including the Subscription Price) are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

Conditions of the Rights Issue

The Rights Issue is conditional upon:

- (a) passing of all the necessary resolution(s) at the SGM to approve the Capital Reorganisation, the Rights Issue, the Underwriting Agreement and the transactions contemplated thereunder (including but not limited to the allotment and issue of the Rights Shares) by the Shareholders (other than those who are required to abstain from voting according to the Listing Rules or other applicable laws and regulations if necessary);

- (g) the representation, warranties and undertakings of the Company as set out in the Underwriting Agreement remain true and accurate in all material respects.

The Company shall on a best-effort basis procure the fulfillment or waiver (as the case may be) of all the conditions precedent by the Latest Time for Termination or such other date as the Company and the Underwriter may agree.

The Underwriter may at any time by notice in writing to the Company waive the condition precedent set out in (g) above. Save and except the condition precedent set out in (g) above, the other conditions precedent are incapable of being waived. If the conditions precedent are not satisfied and/or waived in whole or in part by the Underwriter by the Latest Time for Termination or such other date as the Company and the Underwriter may agree, the Underwriting Agreement shall terminate.

Rights of Overseas Shareholders (if any)

The Prospectus Documents to be issued in connection with the Rights Issue will not be registered or filed under the securities law of any jurisdiction other than Hong Kong. Overseas Shareholders may not be eligible to take part in the Rights Issue as explained below.

The Board will comply with Rule 13.36 of the Listing Rules and make necessary enquiries regarding the feasibility of extending the Rights Issue to the Overseas Shareholders (if any) under the laws of the relevant overseas jurisdictions and the requirements of the relevant regulatory bodies or stock exchanges. If, based on legal advice, the Board is of the opinion that it would be necessary or expedient not to offer the Rights Shares to any Overseas Shareholders on account either of the legal restrictions of the relevant overseas regulatory body or stock exchange, no provisional allotment of the nil-paid Rights Shares or allotment of fully-paid Rights Shares will be made to such Overseas Shareholders. In such circumstances, the Rights Issue will not be extended to the Excluded Shareholders. The basis for excluding the Excluded Shareholders, if any, from the Rights Issue will be set out in the Prospectus to be issued.

Arrangements will be made for the Rights Shares, which would otherwise have been provisionally allotted to the Excluded Shareholders, to be sold in their nil-paid form as soon as practicable after dealings in the nil-paid Rights Shares commence and in any event before dealings in the nil-paid Rights Shares end, if a premium in excess of all expenses of sale can be obtained. The aggregate net proceeds of such sale will be distributed by the Company to the Excluded Shareholders (pro-rata to their respective entitlements on the Record Date and round down to the nearest cent) in

Hong Kong dollars, provided that if any of such Excluded Shareholders would be entitled to a net sum not less than HK\$100 after deducting all relevant expenses. In view of administrative costs, the Company will retain the remaining balance of the sale proceeds after the said distribution for its own benefit. Any unsold nil-paid Rights Shares to which such Excluded Shareholders (if any) would otherwise have been entitled will be made available for excess application by the Qualifying Shareholders under the EAFs. For the avoidance of doubt, the Excluded Shareholders (if any) will be entitled to vote at the SGM.

Overseas Shareholders should note that they may or may not be entitled to the Rights Issue, subject to the results of enquiries made by the Directors pursuant to Rule 13.36(2)(a) of the Listing Rules. Accordingly, the Overseas Shareholders should exercise caution when dealing in the Shares.

The Rights Issue does not constitute or form part of any offer or invitation to sell or issue, or any solicitation of any offer to acquire, nil-paid Rights Shares or fully-paid Rights Shares or to take up any entitlements to nil-paid Rights Shares or fully-paid Rights Shares in any jurisdiction in which such an offer or solicitation is unlawful. Shareholders and beneficial owners of the Shares (including, without limitation, their respective agents, custodians, nominees and trustees) should inform themselves of and observe any such restrictions. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction.

Application for the Rights Shares

The PALs and the EAFs relating to the Rights Shares will be enclosed with the Prospectus entitling the Qualifying Shareholders to whom it is addressed to subscribe for the Rights Shares as shown therein by completing such form(s) and lodging the same with separate remittance for the Rights Shares being applied for with the Registrar by the Latest Time for Acceptance.

Scale-down mechanisms

Pursuant to the Underwriting Agreement, as the Rights Issue is only underwritten by the Underwriter on a best-effort and non-fully underwritten basis, and so as to avoid the unwitting triggering of the MGO Obligation, all applications for Rights Shares whether under the PAL(s) or the EAF(s), or by transferees of nil-paid Rights Shares, or by subscribers procured by the Underwriter will be made on the basis that the applications are to be scaled-down by the Company to a level which does not trigger any MGO Obligation on the part of the applicant or parties acting in concert with him/her/it. Any subscription monies for the Scale-down PAL Shares or the Scale-down EAF Shares will be refunded to the applicants, and the Scale-down PAL Shares and the Scale-down EAF Shares will be made available for subscription by other Qualifying Shareholders through the EAF(s).

In addition, under and/or pursuant to the Scaling-down, any application for Rights Shares, whether under PAL(s) or EAF(s), shall be subject to the scale-down mechanisms of the Rights Issue as determined by the Company to levels which do not trigger any MGO Obligation. Such scale-down of applications of Rights Shares shall operate on a fair and equitable basis under the following principles: (i) EAF(s) should be scaled down before PAL(s); and (ii) where the scale-down is necessitated by the exceeding of shareholding by a group rather than an individual Shareholder, the allocations of EAF(s) and PAL(s) to members of the affected group should be made on a pro-rata basis by reference to the number of Shares held by the affected applicants on the Record Date, but for avoidance of any doubt, any or any such onward allocation(s) shall be subject to the Scaling-down as well.

Application for the excess Rights Shares

Qualifying Shareholders are entitled to apply for, by way of excess application:

- (i) any unsold entitlements to the Rights Shares of the Excluded Shareholder(s) (if any);
 - (ii) any unsold Rights Shares created by aggregating fractions of the Rights Shares;
 - (iii) any nil-paid Rights Shares provisionally allotted but not accepted by the Qualifying Shareholders or otherwise not subscribed for by renounees or transferees of nil-paid Rights Shares;
 - (iv) the Scale-down PAL Shares (if any); and
 - (v) the Scale-down EAF Shares (if any).
- (i) to (v) are collectively referred to as “Untaken Rights”.

Applications for excess Rights Shares may be made by completing an EAF and lodging the same with a separate remittance for the full amount payable for the excess Rights Shares being applied for. The Directors will, subject to the compliance with the Listing Rules (including but not limited to the Public Float Requirement), allocate any excess Rights Shares at their discretion on a fair and equitable basis on the following principles:

- (i) any excess Rights Shares will be allocated to Qualifying Shareholders who apply for them as far as practicable on a pro-rata basis by reference to the number of the excess Rights Shares applied for under each application;

- (ii) no reference will be made to the Rights Shares subscribed through applications by PALs or the existing number of Shares held by Qualifying Shareholders;
- (iii) no preference will be given to applications for topping up odd-lot holdings to whole lot holdings; and
- (iv) pursuant to Rule 7.21(3)(b) of the Listing Rules, the Company will also take steps to identify the applications for excess Rights Shares made by any controlling shareholder or its associates (together, the “**Relevant Shareholders**”), whether in their own names or through nominees.

The Company shall disregard the Relevant Shareholders’ applications for excess Rights Shares to the extent that the total number of excess Rights Shares they have applied for exceeds a maximum number equivalent to the total number of Rights Shares offered under the Rights Issue minus the number of Rights Shares taken up by the Relevant Shareholders under their assured entitlement to the Rights Shares.

If the aggregate number of Rights Shares underlying the Untaken Rights is greater than the aggregate number of excess Rights Shares being applied for under EAFs, the Directors will, subject to the compliance with the Listing Rules, allocate to each Qualifying Shareholder who applies for excess Rights Shares the actual number of excess Rights Shares being applied for.

Investors whose Shares are held by a nominee (or which are held in CCASS) should note that the Board will regard the nominee (including HKSCC Nominees Limited) whose name appears on the register of members (the “**Registered Nominee**”) as a single Shareholder under the aforesaid arrangement in relation to the allocation of excess Rights Shares. Beneficial owners who hold Shares through a Registered Nominee are advised to consider whether they would like to arrange for the registration of their Shares in their own names prior to the Record Date.

Investors whose Shares are held by a Registered Nominee and who would like to have their names registered on the register of members, must lodge all necessary documents with the Registrar, Tricor Standard Limited of 17/F, Far East Finance Centre, 16 Harcourt Road, Hong Kong for completion of the relevant registration by 4:30 p.m. on Wednesday, 19 June 2024. The register of members will be closed from Thursday, 20 June 2024 to Wednesday, 26 June 2024, both dates inclusive.

Qualifying Shareholders who wish to apply for excess Rights Shares in addition to their provisional allotment must complete and sign an EAF and lodge it, together with a separate remittance for the amount payable on application in respect of the excess Rights Shares applied for, with the Registrar, Tricor Standard Limited on or before the Latest Time for Acceptance.

Certificates of the Rights Shares and refund cheques for the Rights Issue

Subject to fulfilment of the conditions of the Rights Issue, share certificates for the fully-paid Rights Shares are expected to be sent on or before Tuesday, 23 July 2024, to those entitled thereto by ordinary post, at their own risk, to their registered addresses.

If the Underwriting Agreement is terminated or not becoming unconditional, refund cheques will be despatched on or before Tuesday, 23 July 2024 by ordinary post, at the respective Shareholders' own risk, to their registered addresses. Refund cheques in respect of wholly or partially unsuccessful applications for excess Rights Shares (if any) are expected to be posted on or before Tuesday, 23 July 2024, by ordinary post to the applicants, at their own risk, to their registered addresses.

Fractional entitlement to the Rights Shares

The Company will not provisionally allot and issue and will not accept application for any fraction of the Rights Shares and the entitlements of the Qualifying Shareholders will be rounded down to the nearest whole number. All fractions of Rights Shares will be aggregated (rounded down to the nearest whole number). All nil-paid Rights Shares arising from such aggregation will be provisionally allotted (in nil-paid form) and sold in the market as soon as practicable after dealings in the nil-paid Rights Shares commence and in any event before the dealings in nil-paid Rights Shares end, for the benefit of the Company if a premium in excess of all expenses of sale can be obtained, and the Company will retain the proceeds from such sale. Any unsold fractions of Rights Shares will be made available for excess application by the Qualifying Shareholders under the EAFs.

Odd lots arrangements and matching services

In order to alleviate difficulties in relation to the existence of odd lots of the Shares arising from the Capital Reorganisation, the Change in Board Lot Size and the Rights Issue, the Company has appointed the Underwriter as an agent to provide matching services on a best-effort basis to the Shareholders who wish to top up or sell their holdings of odd lots of the Shares during the period from 9:00 a.m. on Tuesday, 2 July 2024 to 4:00 p.m. on Monday, 22 July 2024 both dates inclusive. Holders of the Shares in odd lot represented by the existing share certificate for the Shares who wish to take advantage of this facility to either dispose of their odd lots of the Shares or top up their odd lots to a full new board lot may directly or through their brokers contact the Underwriter during office hours (i.e. 9:00 a.m. to 4:30 p.m.) within such period.

The Underwriter is an Independent Third Party. Holders of Shares in odd lots should note that the matching services mentioned above are on a “best-effort” basis only and successful matching of the sale and purchase of odd lots of Shares is not guaranteed and will depend on there being adequate amount of odd lots of Shares available for matching. Shareholders are advised to consult their financial advisers if they are in doubt about the above arrangements.

Application for listing

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and the permission to deal in, the Rights Shares (in both nil-paid and fully-paid forms) to be issued and allotted pursuant to the Rights Issue. No part of the securities of the Company is listed or dealt in, and no listing of or permission to deal in any such securities is being or is proposed to be sought, on any other stock exchanges.

Subject to the granting of the listing of, and the permission to deal in, the Rights Shares (in both their nil-paid and fully-paid forms) on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares (in both their nil-paid and fully-paid forms) will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the respective commencement dates of dealings in the Rights Shares in their nil-paid and fully-paid forms on the Stock Exchange, or such other dates as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders should seek advice from their licensed securities dealer(s) or other professional adviser(s) for details of those settlement arrangements and how such arrangements will affect their rights and interests.

Dealings in the Rights Shares in both nil-paid and fully-paid forms will be subject to the payment of stamp duty, Stock Exchange trading fee, SFC transaction levy or any other applicable fees and charges in Hong Kong.

REASONS FOR AND BENEFITS OF THE RIGHTS ISSUE AND USE OF PROCEEDS

The Company is an investment holding company. The principal activities of the Group are (i) development and operation of the integrated leisure and entertainment resort (the “**Resort Business**”); (ii) operation of gaming and entertainment facilities (the “**Gaming Business**”); and (iii) property development.

The Board considers that the Rights Issue represents an opportunity to raise additional funding to strengthen the Group’s financial position by relieving the financial burden and provide working capital to the Group to meet any financial obligations of the Group without additional interest burden, while at the same time the Rights Issue will enable all Shareholders to participate in the future development of the Company on equal terms. Since the Rights Issue will allow the Qualifying Shareholders to maintain their respective pro rata shareholdings in the Company and therefore avoid dilution, the Board considers that it is in the interests of the Company and the Shareholders as a whole to raise capital through the Rights Issue.

Assuming full acceptance by the Qualifying Shareholders, the estimated net proceeds from the Rights Issue will be approximately HK\$258.6 million of which (i) approximately HK\$100 million, is intended for maintenance, renovation and upgrade of facilities in Jeju Shinhwa World, including but not limited to a water supply construction for the development of Jeju Shinhwa World; (ii) approximately HK\$73.0 million is intended for the development of the Resort Business and Gaming Business of the Group such as service enhancement, supply chain management, human resources development as well as sales and marketing activities; (iii) approximately HK\$50.0 million for interest expense; and (iv) remaining of approximately HK\$35.6 million, for general working capital of the Company such as staff costs, utilities expenses and other general operating expenses. If the Rights Issue is undersubscribed and the size of the Rights Issue is reduced, the net proceeds are expected to be utilised in the above sequential order.

In view of the above, the Board considers that it is in the interests of the Company and the Shareholders as a whole to proceed with the Rights Issue.
