3. REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of exercising the proposed Repurchase Mandate, the Directors believe that the flexibility afforded by the proposed Repurchase Mandate would be beneficial to the Company and the Shareholders. An exercise of the Repurchase Mandate may, depending on market conditions at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that repurchase of Shares will benefit the Company and the Shareholders as a whole.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2023) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time befitting the Company.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell their Shares to the Company or has undertaken not to sell any of their Shares to the Company, in the event that the proposed resolution for the Repurchase Mandate is approved by the Shareholders.

8. THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (as defined in the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, the following persons are deemed to be interested in 1,455,000,000 Shares, representing 71.15% of the total issued share capital of the Company under the SFO:

Name	Number of Shares held/ interested in	Percentage of interest in the Company
Aztec Pearl Limited (" Aztec Pearl ") (<i>note 1</i>)	1,455,000,000	71.15%
Ms. Ding Xinyun (" Ms. Ding ") (<i>note 1</i>)	1,455,000,000	71.15%

If the Repurchase Mandate is exercised in full (assuming that the issued share capital of the Company and the shareholding interests held by the abovementioned Shareholders remains unchanged from the Latest Practicable Date up to the date on which the Repurchase Mandate is exercised in full), the shareholding interests of the abovementioned Shareholders will be increased to approximately 79.06% of the total issued share capital of the Company immediately following the full exercise of the Repurchase Mandate.

On such basis, in the absences of special circumstances, the Directors are not aware that an obligation to make a mandatory offer under Rule 26 of the Takeovers Code in the event that the Repurchase mandate is exercised in full. The Directors do not intend to exercise the power to repurchase Shares to an extent which would render any Shareholder or group of Shareholders obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

However, the exercise of the Repurchase Mandate in full would result in insufficient public float of the Company. The Directors do not intend to exercise the Repurchase Mandate to the effect that it will result in the public float to fall below 25% or such other minimum percentage prescribed by the Listing Rules from time to time.

9. SHARE REPURCHASE MADE BY THE COMPANY
