**APPENDIX I            EXPLANATORY STATEMENT FOR THE BUY-BACK MANDATE**

---

*This appendix serves as an explanatory statement, as required under Rule 10.06(1)(b) of the Listing Rules, to provide Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant of the Buy-back Mandate to the Directors.*

**1. LISTING RULES RELATING TO THE BUY-BACK OF SHARES**

The Listing Rules permit companies whose primary listings are on the Stock Exchange to buy-back their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all buy-back of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

**2. SHARE CAPITAL**

As at the Latest Practicable Date, there were a total of 301,561,800 Shares in issue.

Subject to the passing of the proposed resolution granting the Buy-back Mandate and on the basis that no new Shares are issued and no Shares are bought back for the period from the Latest Practicable Date up to and including the date of the Annual General Meeting, the Company will be allowed under the Buy-back Mandate to buy-back up to a maximum of 30,156,180 Shares, representing 10% of the aggregate number of Shares in issue as at the Latest Practicable Date.

**3. REASONS FOR THE BUY-BACKS**

The Directors believe that the Buy-back Mandate is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to buy back Shares on the Stock Exchange or any other stock exchange on which the Shares are listed. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such buy-backs will benefit the Company and the Shareholders as a whole.

**4.    FUNDING OF BUY-BACKS**

In making buy-backs, the Company may only apply funds legally available for such purposes in accordance with the Bye-laws and the laws of Bermuda. The laws of Bermuda provide that the amount of capital repaid in connection with a share buy-back may only be paid out of either the capital paid up on the relevant shares, or the funds of the Company that would otherwise be available for dividend or distribution or the proceeds of a fresh issue of shares made for the purpose. The premium payable on buy-back may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution or out of the Company's share premium before the Shares are bought back. In accordance with the laws of Bermuda, the Shares so bought back would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

**5.    MATERIAL ADVERSE IMPACT IN THE EVENT OF BUY-BACK IN FULL**

Taking into account the current working capital position of the Group, the Directors consider that, if the Buy-back Mandate were to be carried out in full at any time during the proposed buy-back period, it might have a material adverse impact on the working capital and/or gearing position of the Company as compared with the position as at 31 December 2023, being the date on which its latest published audited consolidated financial statements were made up. However, the Directors do not intend to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

---

**APPENDIX I      EXPLANATORY STATEMENT FOR THE BUY-BACK MANDATE**

---

**6. SHARE PRICES**

**7.    UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make buy-backs pursuant to the Buy-back Mandate in accordance with the Listing Rules and the laws of Bermuda and in accordance with the regulations set out in the memorandum of association of the Company and the Bye-laws.

**8.    CORE CONNECTED PERSON**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates, has any present intention to sell any Shares to the Company under the Buy-back Mandate if the same is approved by the Shareholders at the Annual General Meeting.

No core connected persons of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the grant of the Buy-back Mandate is approved by the Shareholders at the Annual General Meeting.

**9.    THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING**

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to buy-back securities pursuant to the Buy-back Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.
