LETTER FROM THE BOARD

2. ISSUE MANDATE

In order to ensure flexibility and give discretion to the Directors, in the event that it becomes desirable for the Company to issue any new Shares, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for the general mandate to issue Shares. At the Annual General Meeting, an ordinary resolution no. 4(A) will be proposed to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with the additional Shares not exceeding 20 per cent of the total number of issued Shares as at the date of passing of the resolution in relation to the Issue Mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 937,308,000 Shares. Subject to the passing of the ordinary resolution no. 4(A) and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the Annual General Meeting, the Company will be allowed to issue a maximum of 187,461,600 Shares.

In addition, subject to a separate approval of the ordinary resolution no. 4(C), the number of Shares repurchased by the Company under ordinary resolution no. 4(B) will also be added to extend the 20 per cent limit of the Issue Mandate as mentioned in the ordinary resolution no. 4(A) provided that such additional amount shall not exceed 10 per cent of the number of issued Shares as at the date of passing the resolutions in relation to the Issue Mandate and the Repurchase Mandate.

The Issue Mandate will continue to be in force from the passing of the said resolution until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; and (iii) the revocation or variation of the authority given under such ordinary resolution by an ordinary resolution of the Shareholders in general meeting.

3. REPURCHASE MANDATE

In addition, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10 per cent of the total number of issued Shares as at the date of passing of the resolution in relation to the Repurchase Mandate.

The Repurchase Mandate, if approved, will continue in force until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the revocation or variation of the authority given under such ordinary resolution by an ordinary resolution of the Shareholders in general meeting.

He established Dexin Real Estate Group Co., Ltd. (德信地產集團有限公司) (formerly known as Zhejiang Dexin Real Estate Co., Ltd. (浙江德信置業有限公司) and Deqing County Real Estate Co., Ltd (德清縣中房置業有限公司)) in September 1995 and has been the director and chairman of the board of directors of since then, mainly responsible for its overall development, investment strategies and major business decisions. His service contract is subject to retirement by rotation and re-election at the annual general meeting of the Company in accordance with the Articles of Association. As at the Latest Practicable Date, Mr. Hu has interest in 529,202,279 Shares within the meaning of Part XV of the Securities and Futures Ordinance.

INDEPENDENT NON-EXECUTIVE DIRECTOR

Mr. Rui Meng (芮萌), aged 56, was appointed as our independent non-executive Director on 21 June 2021 and is primarily responsible for providing independent advice on the operations and management of our Group. He has been a Professor in Accounting since January 2012 and a Parkland Chair in Finance (鵬瑞集團金融學教席教授) since March 2019 at China Europe International Business School (中歐國際工商學院). From October 2015 to October 2019, he served as the Zhongkun Group Chair in Finance (中坤集團金融學教席教授) at China Europe International Business School.

In addition to the working experience above, Mr. Rui served or has been serving as independent director or independent non-executive director of the following listed companies:

Notwithstanding Mr. Rui's engagement as an independent non-executive director of three companies listed on the Stock Exchange, as advised and confirmed by Mr. Rui, he has sufficient time to act as an independent non-executive Director based on the following:

- (i) Other than serving as Professor in Accounting at China Europe International Business School, Mr. Rui has not taken up any full time employment in any capacity except serving as an independent non-executive director in the above listed companies. With his background and experience, Mr. Rui is fully aware of the responsibilities and expected time involvements for serving as independent non-executive director. He has not found difficulties in devoting and managing his time to these companies and he is confident that with his experience in being responsible for multiple roles, he will be able to discharge his duties to our Company; and
- (ii) Mr. Rui's role in our Group is non-executive in nature and he will not be involved in the daily management of our Group's business, thus his engagement as an independent non-executive Director will not require his full-time participation.

Based on the foregoing, our Directors do not have reasons to believe that the various positions currently held by Mr. Rui will result in Mr. Rui not having sufficient time to act as an independent non-executive Director or not properly discharging his fiduciary duties as a director of our Company.

Mr. Rui obtained his bachelor's degree in international economics from the Institute of International Relations in Beijing (中歐國際工商學院) in the PRC in July 1990. He received a master of science in economics from Oklahoma State University in the United States as well as a master of business administration degree and a doctor of philosophy degree in business administration from the University of Houston in the United States in May 1993, December 1996 and August 1997, respectively. Mr. Rui has been professional designated as a Certified Financial Analyst by the Association for Investment Management and Research since September 2000 and a Financial Risk Manager by the Global Association of Risk Professionals since April 2010.

APPENDIX I DETAILS OF DIRECTORS PROPOSED FOR RE-ELECTION

His service contract with the Company is subject to retirement by rotation and re-election at the annual general meeting of the Company in accordance with the Articles of Association. As at the Latest Practicable Date, Mr. Rui has no interest in the Shares within the meaning of Part XV of the Securities and Futures Ordinance.

DIRECTOR'S REMUNERATION

The total amount of the Directors' remuneration for the year ended 31 December 2023 received by each of the retiring Directors are set out in the financial statements of the Company in its 2023 annual report.

DIRECTOR'S INTEREST

Save as disclosed in this circular, to the best knowledge of the Company, each of the Directors who stand for re-election (i) does not hold other positions in the Company or other members of the Group, (ii) does not hold any directorship in other public companies the securities of which are listed on any securities market in Hong Kong or overseas in the last three years, (iii) does not have any relationship with any other Director, senior management, substantial shareholder or Controlling Shareholder of the Company, (iv) does not have any interest in the securities within the meaning of Part XV of the Securities and Futures Ordinance, and (v) has no information to disclose pursuant to any of the requirements of Rule 13.51(2)(h)-13.51(2)(v) of the Listing Rules; and there are no other matters that need to be brought to the attention of the Shareholders.

The following is an explanatory statement required by the Stock Exchange to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.

1. LISTING RULES

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

- (i) the shares proposed to be repurchased by a company must be fully paid-up;
- (ii) the company has previously sent to its shareholders an explanatory statement complying with the Listing Rules; and
- (iii) all on market repurchase of shares by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the directors of the Company to make such repurchase, and a copy of such resolution together with the necessary documentation have been delivered to the Stock Exchange in accordance with the Listing Rules.

2. ISSUED SHARES

As at the Latest Practicable Date, the issued share capital of the Company comprised 937,308,000 Shares of nominal value of HK\$0.01 each. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 93,730,800 Shares which represent 10% of the issued Shares, during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; or (iii) the revocation or variation of the authority given under the resolution by an ordinary resolution of the Shareholders in general meeting.

3. REASONS AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for the purpose in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Companies Act provides that the amount paid in connection with a share repurchase may be paid out of the profits of the Company or the

proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Act. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are repurchased in the manner provided for in the Companies Act or out of capital subject to and in accordance with the Companies Act.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate was to be exercised in full, it may not have a material adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2023, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Hu Yiping ("Mr. Hu") was deemed to be interested in 529,202,279 Shares within the meaning of Part XV of the SFO, representing approximately 56.46% of the issued Shares. In the event that the Directors should exercise in full the Repurchase Mandate, Mr. Hu's interests will be increased to approximately 62.73% of the issued Shares. On the basis of the aforesaid increase of shareholding, the Directors are not aware of any consequences of such repurchases of Shares that would result in a Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate was exercised in full. As the exercise of the Repurchase Mandate in full would result in insufficient public float of the Company, the Directors have no intention to exercise the Repurchase Mandate to such an extent that results in a public shareholding of less than the minimum public float requirement of 25% of the total issued shares of the Company.

5. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made reasonable enquiries, any of their close associates has any present intention, in the event that the Repurchase Mandate is approved by Shareholders, to sell Shares to the Company. No core connected person of the Company has notified the Company that he/she/it has any present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

6. CONFIRMATION OF THE DIRECTORS

The Directors will exercise the power of the Company to make repurchases pursuant to the proposed Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and in accordance with the Articles of Association.

The Directors confirm that neither this explanatory statement nor the proposed share repurchases has any unusual features.

7. SHARE REPURCHASE MADE BY THE COMPANY

During the preceding six months up to and including the Latest Practicable Date, the Company has made the following repurchase of Shares on the Stock Exchange:
