INTRODUCTION

The purpose of this circular is to provide you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolutions to be proposed at the AGM for the approval of, among others:

- (a) the grant of the Repurchase Mandate, the Issue Mandate and the extension of the Issue Mandate to the Directors to issue such number of new Shares equivalent to the number of Shares repurchased by the Company under the Repurchase Mandate; and

LETTER FROM THE BOARD

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the AGM, an ordinary resolution will be proposed to grant to the Directors the Repurchase Mandate, being a general mandate to the Directors to exercise the powers of the Company to repurchase, in the terms as stated in such ordinary resolution, Shares in and up to a maximum of 10% of the issued share capital of the Company at the date of passing of such resolution.

In addition, two ordinary resolutions will be proposed at the AGM, (1) to grant to the Directors the Issue Mandate, being a general mandate to allot, issue and deal with additional Shares in and up to a maximum of 20% of the issued share capital of the Company as at the date of passing of such resolution; and (2) to increase the number of Shares which may be allotted and issued under the Issue Mandate by such number of Shares repurchased by the Company under the Repurchase Mandate.

As at the Latest Practicable Date, a total of 1,848,000,000 Shares were in issue. Subject to the passing of the proposed ordinary resolution approving the Issue Mandate and assuming that there is no change in the issued share capital of the Company from the Latest Practicable Date to the date of passing the abovementioned resolution in respect of the Issue Mandate, the maximum number of Shares that may be issued by the Directors pursuant to the Issue Mandate is 369,600,000 Shares.

The Issue Mandate (including the extended Issue Mandate) and/or the Repurchase Mandate shall continue to be in force during the period from the date of passing of the resolutions for the approval of the Issue Mandate (including the extended Issue Mandate) and the Repurchase Mandate up to: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws and regulations of the Cayman Islands to be held; or (iii) the date on which the authority set out in the resolution for the approval of the Issue Mandate or the resolution for the approval of the Repurchase Mandate is revoked or varied by the passing of an ordinary resolution of the Shareholders in general meeting, whichever occurs first.

The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement contained herein or this circular misleading.

China First Capital Group Limited

Company Secretary

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to you for your consideration of the Repurchase Mandate.

LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their own shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below.

SHARE CAPITAL

As at the Latest Practicable Date, a total of 1,848,000,000 Shares were in issue. Subject to the passing of the proposed ordinary resolution approving the Repurchase Mandate and assuming that there is no change in the issued share capital of the Company from the Latest Practicable Date to the date of passing the abovementioned resolution in respect of the Repurchase Mandate, the Directors would be allowed under the Repurchase Mandate to repurchase a maximum of 184,800,000 Shares, representing 10% of the issued share capital of the Company as at the date of the resolution granting the Repurchase Mandate.

SHARE PRICES

The Shares are trading on the Stock Exchange and the highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the 12 months preceding the Latest Practicable Date were as follows:

	Price per Share	
	Highest HK\$	Lowest HK\$

April	0.085	0.058
May	0.067	0.047
June	0.068	0.047

REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

FUNDING OF REPURCHASES

Repurchases of Shares by the Company must be made out of funds which are legally available for such purpose in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands.

The Company shall not repurchase Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Subject to the abovementioned restriction, any repurchase of the Shares by the Company may be made out of profits of the Company or out of a fresh issue of Shares made for the purpose of the repurchase or subject to the Companies Act, out of capital provided that on the day immediately following the date of repurchase of the Shares, the Company is able to pay its debts as they fall due in the ordinary course of business.

There may be a material adverse impact on the working capital or gearing position of the Company (as compared with the financial position disclosed in the audited consolidated financial statements contained in the annual report of the Company for the year ended 31 December 2023) in the event that the Repurchase Mandate is to be exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing level which in the opinion of the Directors are from time to time appropriate for the Company.

DIRECTORS' DEALING

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates have any present intention to sell any Shares to the Company under the Repurchase Mandate if the Repurchase Mandate is approved by the Shareholders.

GENERAL

The Directors will exercise the Repurchase Mandate pursuant to the proposed resolution in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. Neither this explanatory statement nor the proposed Repurchase Mandate has any unusual features.

EFFECT OF THE TAKEOVERS CODE

A repurchase of Shares may result in an increase in the proportionate interests of a Shareholder in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, 163,765,800 Shares are held by Wealth Max, which is ultimately wholly owned by Dr. Wilson Sea, representing approximately 8.86% of the total issued share capital of the Company. In the event that the Repurchase Mandate is exercised in full and assuming that there is no change in the number of Shares held by Wealth Max and there is no other change in the issued share capital of the Company, the shareholdings of Wealth Max in the Company will be increased to approximately 9.85%. Based on the information known to date, the Directors consider that the exercise of Repurchase Mandate in full will not give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The Directors have no present intention to repurchase Shares to such extent which will result in the amount of Shares held by the public being reduced to less than 25% of the total issued share capital of the Company or such other minimum percentage as prescribed by the Listing Rules from time to time.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchases of Shares have been made by the Company whether on the Stock Exchange or otherwise in the six months immediately preceding the Latest Practicable Date.

CONNECTED PERSONS

No core connected person (as defined in the Listing Rules) of the Company has notified the Company of a present intention to sell Shares to the Company nor has any such person undertaken not to sell any Shares to the Company in the event that the Repurchase Mandate is granted.
