Recommendations of the Nomination Committee

In reviewing the structure of the Board annually, the Nomination Committee will consider the structure, size and diversity (including but not limited to gender, age, cultural and educational background, professional experience, skills, knowledge and length of service) of the Board and make recommendations on any proposed changes to the Board to complement the Company's corporate strategy. All appointments to the Board are based on meritocracy. The candidates will be assessed based on criteria such as educational background and relevant skills and experience, with a view to maintaining a sound balance in the composition of the Board.

The Nomination Committee has evaluated the performance and the contribution of the above Directors to be re-elected, during the last financial year of the Company and the period thereafter up to the date of evaluation. The Nomination Committee is of the opinion that the performance of such Directors was satisfactory. Therefore, the Nomination Committee has recommended to the Board on re-election of them at the Annual General Meeting.

LETTER FROM THE BOARD

In addition, the Nomination Committee had assessed and reviewed the annual written confirmation of independence of each of the independent non-executive Directors for the year ended 31 December 2023 and thereafter up to the date of assessment based on the independence criteria as set out in rule 3.13 of the Listing Rules and confirmed that all of them, including Mr. Lau Wai Leung Alfred and Ms. Lo Wan Man, remain independent.

With the recommendation of the Nomination Committee, the Board has proposed that Mr. Lau Wai Leung Alfred, Mr. Tang Wing Fong Terry and Ms. Lo Wan Man, stand for re-election as Directors at the Annual General Meeting. The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Buy-back Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,008,587,455 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of the Annual General Meeting in respect of the granting of the Share Buy-back Mandate and on the basis that no further Shares are issued or bought back before the Annual General Meeting, i.e. being 1,008,587,455 Shares, the Directors would be authorized under the Share Buy-back Mandate to buy back, during the period in which the Share Buy-back Mandate remains in force, a total of 100,858,745 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE BUY-BACK

The Directors believe that the granting of the Share Buy-back Mandate is in the best interests of the Company and the Shareholders.

Shares buy-back may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders.

3. FUNDING OF SHARE BUY-BACK

The company may only apply funds legally available for share buy-back in accordance with its Articles of Association, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

4. IMPACT OF SHARE BUY-BACK

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2023) in the event that the Share Buy-back Mandate was to be carried out in full at any time during the proposed buy-back period. However, the Directors do not intend to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous 12 months up to and including the Latest Practicable Date were as follows:

Month	Highest HK\$	Lowest HK\$
2023		
April	1.70	1.35
May	1.64	1.30
June	1.70	1.21
July	1.45	1.15
August	1.60	1.01
September	1.38	0.81
October	1.53	1.00
November	1.27	0.71
December	1.26	0.58
2024		
January	1.15	0.75
February	1.16	0.91
March	1.23	0.73
April (<i>up to the Latest Practicable Date</i>)	1.39	0.91

6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

The Directors will exercise the power of the Company to buy back Shares pursuant to the Share Buy-back Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

Neither the explanatory statement on the Share Buy-back Mandate set out in this appendix nor the Share Buy-back Mandate has any unusual features.

7. TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code and Rule 6 of the Share Buy-backs Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Tang Wing Fong Terry, the Chairman, an executive Director and a controlling shareholder (as defined in the Listing Rules) was interested in a total of 518,203,557 Shares representing approximately 51.38% of the total issued share capital of the Company by virtue of the SFO. In the event that the Directors exercise the proposed Share Buy-back Mandate in full, the shareholding of Mr. Tang would be increased to approximately 57.09% of the issued share capital of the Company.

The Directors consider that such increase would not give rise to an obligation on them to make a mandatory offer under Rule 26 of the Takeovers Code and result in the percentage of Shares held by the public to less than 25% of the Company's total issued share capital. The Directors have no intention to exercise the Share Buy-back Mandate to such an extent as may result in the public shareholding falling below the minimum public float requirement and will ensure that the Company shall comply with the requirements of the Listing Rules, including the minimum percentage of Shares being held in public hands.

8. SHARE BUY-BACK MADE BY THE COMPANY

During the six months prior to the Latest Practicable Date, the Company had not bought back any of the Shares (whether on the Stock Exchange or otherwise).
