## **APPENDIX II      EXPLANATORY STATEMENT ON REPURCHASE MANDATE**

---

*This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolutions to be proposed at the AGM in relation to the Proposed Repurchase Mandate.*

### **1. Share Capital**

As at the Latest Practicable Date, the issued share capital of the Company was HK\$9,231,219.40 comprising 1,538,536,566 Shares and the Company did not have any treasury shares.

Subject to the passing of the relevant ordinary resolution to approve the grant of the Proposed Repurchase Mandate and on the basis that no further Shares are issued and no Shares are repurchased prior to the AGM, the Company would be allowed under the Proposed Repurchase Mandate to purchase a maximum of 153,853,656 Shares, being 10% of the issued shares of the Company (excluding treasury shares) as at the Latest Practicable Date.

### **2. Reasons for Share Repurchase**

The Directors believe that the grant of the Proposed Repurchase Mandate is in the best interests of the Company and the Shareholders as it will give the Company additional flexibility. When exercising the Proposed Repurchase Mandate, the Directors may, subject to market conditions and the Company's capital management needs at the relevant time of the repurchase, resolve to cancel the shares repurchased following settlement of any such repurchase or hold them as treasury shares. Shares repurchased for cancellation may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value per Share and/or earnings per Share. On the other hand, Shares repurchased and held by the Company as treasury shares may be resold on the market at market prices to raise funds for the Company, or transferred or used for other purposes, subject to compliance with the Listing Rules, the Bye-laws, and the laws of Bermuda. Share repurchase will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

### **3. Funding of Repurchase**

In repurchasing the Shares under the Proposed Repurchase Mandate, the Company will apply funds which shall be funds legally available for such purpose in accordance with its memorandum of association and the Bye-laws of the Company, the laws of Bermuda and other applicable laws. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of the capital paid up on the relevant shares, or the funds of the company that would otherwise be available for dividend or distribution or the proceeds of a fresh issue of shares made for the purpose. The amount of premium payable on repurchase may only be paid out of either the funds of the company that would otherwise be available for dividend or distribution or out of the share premium account of the company before the shares are repurchased.

---

**APPENDIX II EXPLANATORY STATEMENT ON REPURCHASE MANDATE**

---

The Company is empowered by its memorandum of association and the Bye-laws of the Company to repurchase its Shares.

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2022) in the event that the Proposed Repurchase Mandate was to be exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Proposed Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

#### **4. Intention of Dealings**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any close associates of the Directors, who have any present intention to sell any Shares to the Company in the event that the Proposed Repurchase Mandate is granted.

No core connected persons (as defined in the Listing Rules) have notified the Company that he/she/it has a present intention to sell Shares to the Company, nor has he/she/it undertaken not to do so in the event that the Proposed Repurchase Mandate is granted.

The Directors have undertaken to the Stock Exchange to exercise the Proposed Repurchase Mandate in accordance with the Listing Rules, the applicable laws of Bermuda and the regulations set out in the memorandum of association and the Bye-laws of the Company.

### **7.    Takeovers Code**

If, on the exercise of the power to repurchase Shares pursuant to the Proposed Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code for all Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, no substantial shareholder (as defined under the Listing Rules) having interests in 5% or more of the issued share capital of the Company.

The Directors are not aware of any consequence which would arise under the Takeovers Code as a consequence of any repurchase of Shares pursuant to the Repurchase Mandate and have no intention to exercise the Proposed Repurchase Mandate to such an extent as would result in the amount of Shares held by the public being reduced to less than 25%.
