6.2 Vesting conditions

- 6.2.1 The Company's performance targets for the previous year (based on the budget targets approved by the Board for the previous year, including net profit growth rate, EPS growth rate, ROE, etc.) are achieved.
- 6.2.2 The vesting of Share Options is subject to the participant remaining at all times after the Granting Date and on the vesting date (as the case may be, on each relevant vesting date) a Participant of the Company or any subsidiary of the Company. - 6.2.3 The corresponding granted but not vested Share Options may be vested and shall lapse immediately on the vesting date if the following situations happen to the Grantee: ^{17.03(19)}
- 6.2.3.1. employment has been terminated by the Company or any subsidiary of the Company for cause. For purposes of this paragraph and all other provisions of the Scheme, if any, relating to Termination of Employment for Cause, cause means:

If the Grantee ceases to hold a position in the Company or any subsidiary of the Company, he/she shall be dealt with in accordance with Clause 6.2.5 above.

6.2.7 Notwithstanding any other provisions of the Scheme (but subject to any applicable laws), the Board or the Administration Committee has the sole discretion to waive or modify the vesting conditions and the related provisions as set out in Clause 6.2 of the Scheme, including but not limited to the sole discretion of the Board or the Administration Committee to determine that the relevant Share Options shall continue to be vested even if the relevant person ceases to be qualified as a Participant after having been granted under the Scheme. For the avoidance of doubt, the foregoing shall not constitute any obligation or commitment on the part of the Board or the Administration Committee and vesting shall in any event be subject to full compliance with the applicable requirements of the applicable laws and the Listing Rules.

7. EXERCISE OF SHARE OPTIONS

- 7.1 The Share Options granted under the Scheme shall belong to the respective Grantees and shall not be alienated or transferred, and no Grantee shall enter into any agreement with any other person to sell, assign, pledge, charge or encumber any interest in the Share Options, transfer the right to income or create any interest in any way for the benefit of any other person or have any agreement or arrangement in respect of the foregoing in favour of any person. In the event that the Grantee violates the above provisions (whether voluntarily or involuntarily), the relevant Share Options will lapse immediately, for which the Company shall not be held liable.
- 7.2 A Grantee or his/her broker is entitled to exercise a Share Option in whole or in part (in the case of a partial exercise, the number must be the number of a board lot in which the Shares are traded on the Stock Exchange from time to time or an integral multiple thereof) during the Share Option Period by giving the Company a notice or a report stating that the Share Option is to be exercised and the number of Shares in respect of which the Share Option is to be exercised, in the manner as set out in Clauses 7.3 and 7.4 and subject to the conditions of the Offer of Share Options. The above notice or report shall be accompanied by a remittance for the full amount determined by multiplying the Exercise Price with the number of shares stated in the notice or report (the “**Total Subscription Payment**”). Within 28 days after receipt of the above notice or report and remittance of the Total Subscription Payment and, the receipt of a certificate from the Auditors or from an independent financial advisor to the Company pursuant to Clause 11 (only in the event of a capital reconstruction as set out in Clause 11), the Company shall, for this purpose, issue the number of Shares credited as fully paid to the Grantee, and issue a share certificate to the Grantee in respect of the Shares so issued.
- 7.3 Subject to the following provisions, a Grantee (for the purposes of item (b) of this clause, his/her successor or legal representative) may exercise a Share Option during the Share Option Period:
- (a) If the Share Option Offer letter issued by the Company to a Participant who has been granted a Share Option under Clause 4.8 clearly sets out the requirements and conditions for the vesting period, the Grantee must not exercise the Share Option until the relevant Share Option is vested;
 - (b) If the Grantee passes away or becomes permanently disabled before the exercise of the vested Share Options (or before fully exercising the Share Options), the Grantee (or his/her successor or legal representative) may exercise his/her vested but unexercised Share Options within the scope of his/her entitlements in respect of the Share Options within 90 days after his/her death or permanent disabilities, or such longer period as the Board or the Administration Committee may determine;
 - (c) If the Grantee retires according to the retirement scheme applicable to the Group at the relevant time and ceases to serve in the Group, and accordingly ceases to be qualified as a Participant, his/her vested but unexercised Share Options will remain exercisable before expiry of the Share Option Period;

17.03(10)
17.03(17) and
note

- (d) If the Grantee ceases to be qualified as a Participant due to his/her resignation, non-renewal of his/her employment contract upon its expiry, termination of his/her employment contract by mutual agreement prior to its expiry, or Termination of his/her Employment for Cause or other circumstances as set out in Clause 6.2.5, his/her vested but unexercised Share Options will lapse on the date on which the resignation notice is served (in case of resignation), or on the date on which the Board decides to terminate his/her employment (in case of Termination of Employment for Cause) or on the date on which any circumstance as set out in Clause 6.2.5 (in case of other circumstances as set out in Clause 6.2.5) occurs;
- (e) If the Grantee ceases to be qualified as a Participant for various reasons (including when the company by which he/she is employed ceases to be a member of the Group) other than death, permanent disabilities, retirement according to the retirement scheme applicable to the Group at the relevant time, cessation of employment by a member of the Group due to his/her resignation, non-renewal of his/her employment contract upon its expiry, termination of his/her employment contract by mutual agreement prior to its expiry, or Termination of his/her Employment for Cause, the vested but unexercised Share Options of the Grantee must be exercised within 90 days after the occurrence of any event disqualifying the Grantee as a Participant, unless otherwise determined by the Board or the Administration Committee;
- (f) If:
 - (i) the Board or the Administration Committee determines that the Grantee ceases to be qualified as a Participant in its sole discretion at any time; or
 - (ii) the Grantee fails or ceases to meet or comply with the standards or terms incidental to or upon which the Share Options were offered,

unless otherwise determined by the Board or the Administration Committee, the vested but unexercised Share Options of the Grantee will lapse and not be exercisable on the date on which the Grantee is notified thereof (in case of item (i) above), or on the date on which the Grantee fails or ceases to meet or comply with the relevant standards or terms (in case of item (ii) above). As otherwise determined by the Board or the Administration Committee, including but not limited to the sole discretion of the Board or the Administration Committee to determine that the relevant Share Options shall continue to be vested even if the relevant person ceases to be qualified as a Participant after having been granted under the Scheme, the vested but unexercised Share Options of the Grantee shall be exercisable within a period following the issuance of such notice or the date on which the Grantee fails or ceases to meet or comply with the relevant standards or terms as determined by the Board or the Administration Committee in its sole discretion. For the avoidance of doubt, the foregoing term that the Board or the Administration Committee has the sole discretion to determine shall not constitute any obligation or commitment on the part of the Board or the Administration Committee and vesting shall in any event be subject to full compliance with the applicable requirements of the applicable laws and the Listing Rules. In case of item (i) above, the decision of the Board or the Administration Committee which determines the lapse of the Share Options of the Grantee in accordance with Clause 7.3(f) herein shall be final and conclusive;

- (g) If the Grantee:
 - (i) has been convicted of any criminal offence involving his/her integrity and has been found guilty; or
 - (ii) has breached any contract entered into between the Grantee or his/her associates and any member of the Group,

unless otherwise determined by the Board or the Administration Committee, the vested but unexercised Share Options of the Grantee will lapse and not be exercisable on the date of criminal conviction or breach of contract by the Grantee as mentioned above. As otherwise determined by the Board or the Administration Committee, the vested but unexercised Share Options of the Grantee shall be exercisable within a period following the occurrence of the aforesaid events as determined by the Board or the Administration Committee in its sole discretion. The decision of the Board or the Administration Committee which determines lapse of the Share Options of the Grantee due to the breach of contract as mentioned above in accordance with Clause 7.3(g) herein shall be final and conclusive;

- (h) If the Board or the Administration Committee becomes aware that the right to cast more than 50% of the votes which may ordinarily be cast on a poll at a general meeting of the Company has or will become vested in the offeror, any company controlled by the offeror or any person associated with or acting in concert with the offeror as a result of any general offer made to the holders of Shares (“**General Offer**”), the Board or the Administration Committee will notify each Grantee thereof as soon as possible after becoming so aware. On the earlier of (i) the date on which the Board or the Administration Committee notify the Grantee as mentioned above; and (ii) the date on which the person making the offer obtains control of the Company, each Grantee will be entitled to exercise his/her Share Options (to the extent already vested, but not exercised) within ten business days starting on the later of the abovementioned dates. All Share Options not exercised before the expiry of such period will lapse;
- (i) In the event of a proposed scheme of debt settlement agreement or arrangement by the Company and its Shareholders or creditors for the purpose of, or in connection with, a scheme for the reconstruction of the Company or its amalgamation with another company or companies, the Company shall give notice to each Grantee on the same date as it gives notice of the meeting to all its Shareholders or creditors to consider such a settlement agreement or arrangement. Each Grantee may at any time thereafter, but before such time as shall be notified by the Company, exercise his/her Share Options (to the extent already vested, but not exercised), and subject to the Company receiving the notice of exercise and the Total Subscription Payment, the Company shall allot, issue and register under the name of the relevant Share Option holder such number of fully paid Shares which fall to be issued on exercise of such Share Options as soon as possible and in any event no later than the last business day immediately prior to the date of the proposed general meeting. Any Share Option not exercised within the notice period of the Company will lapse;

(j) If a notice is given by the Company to its Shareholders to convene a general meeting for the purpose of considering and, if thought fit, approving the voluntary winding-up of the Company, the Company shall on the same date give notice thereof to all Grantees. Each Grantee may at any time thereafter, but before such time as shall be notified by the Company, exercise his/her Share Options (to the extent already vested, but not exercised) by notifying the Company in writing and remit the Total Subscription Payment for the relevant Shares, and the Company shall allot the relevant Shares to the Grantees credited as fully paid as soon as possible and in any event no later than the last business day immediately prior to the date of such proposed general meeting. Any Share Option not exercised within the notice period of the Company will lapse.

7.4 Shares issued on the exercise of the Share Options are subject to the Articles of the Company, and will rank *pari passu* in all respects with the fully paid Shares in issue on the date of issuance. ^{17.03(10)}
⁽¹⁵⁾

7.5 Shares issued on the exercise of the Share Options do not carry any rights until a Grantee (or any other person) is registered as the holder of such Shares.

7.6 The Share Options themselves do not carry voting rights or any rights at a general meeting of the Company, rights to dividends or transfer, or any other rights, including those arising on a liquidation of the Company. ^{17.03(10)}

7.7 Subject to the consent from a Grantee, the Share Options granted but yet to be vested may be cancelled in accordance with Clause 9. ^{17.03(14)}

8. LAPSE OF SHARE OPTIONS

^{17.03(12)}

A Share Option will lapse automatically and not be exercisable (to the extent not exercised) on the earliest of:

- (a) the expiry of the Share Option Period (subject to the Scheme);
- (b) the dates relating to no vesting referred to in Clause 6.2;
- (c) the date on which a Grantee violates Clause 7.1;
- (d) the dates relating to no exercise referred to in Clause 7.3 (a) and (d);
- (e) the expiry of any of the period referred to in Clause 7.3 (b), (c) and (e) to (j); and
- (f) subject to Clause 7.3(j), the date of the commencement of the winding-up of the Company.

The Company is not required to make any compensation due to the lapse of a Share Option, but the Board or the Administration Committee may pay compensation to a Grantee in such manner as it may deem appropriate in its sole discretion on a case-by-case basis.

9. CANCELLATION OF SHARE OPTIONS

- 9.1 Subject to the consent from a Share Option holder, the Board or the Administration Committee may cancel the Share Options in whole or in part (which has been vested but unexercised) from the date specified in writing to the Grantee (the “**Cancellation Date**”), for the following reasons:
- (a) the Company pays to the Share Option holder an amount equal to the fair market value of the Share Options on the Cancellation Date as determined by the Board or the Administration Committee in its sole discretion after consultation with the Auditors or an independent financial advisor appointed by the Company;
 - (b) the Board or the Administration Committee offers to grant other replacement share options (or share options under any other share option scheme) to the Share Option holder or makes such arrangements as the Share Option holder may agree to compensate him/her for the loss of the Share Options; or
 - (c) the Board or the Administration Committee makes other arrangements as the Share Option holder may agree to compensate him/her for the cancellation of the Share Option.

For the avoidance of doubt, if a new Grant of the Share Options is made to the same Grantee upon cancellation, the Company may only issue Shares on the exercise of the new Share Options within the Scheme Mandate Limit approved by the Shareholders as stipulated in Clause 10.1 of the Scheme, and the cancelled Share Options will be regarded as utilised.

- 9.2 If any part of the Share Options has not been exercised on the Cancellation Date, the Share Options will be regarded as being cancelled from the Cancellation Date. No compensation is required for cancellation, but the Board or the Administration Committee may pay compensation to a Grantee in such manner as it may deem appropriate in its sole discretion on a case-by-case basis.

10. MAXIMUM NUMBER OF SHARES TO BE ISSUED

- 10.1 The number of Shares to be issued in respect of which Share Options may be granted under the Scheme shall not exceed 4% of the Company’s total issued Shares as at the date of approval of the Scheme at the general meeting (the “**Scheme Mandate Limit**”), which is 172,605,434 Shares, assuming there is no change to the Company’s total issued shares from the date of approval of the Scheme by the Board until the date of approval at the general meeting, provided that:

- (a) the Company may convene a general meeting to seek approval from the Shareholders to refresh the Scheme Mandate Limit, provided that such meeting shall be convened at least 3 years after the date of approval and adoption or refreshment of the Scheme by Shareholders at the general meeting. If the Company intends to make any refreshment within any 3-year period, save for the circumstances as stipulated under Rule 17.03C(1) (c) of the Listing Rules, it shall seek for Shareholders’ approval and meet the following requirements: (i) any controlling shareholders and their associates (or if there is no controlling shareholder, directors (excluding independent non-executive Directors) and the chief executive and their respective associates) shall abstain from voting; (ii) the Company shall comply with relevant requirements on general meeting under Rules 13.39(6) and (7), 13.40, 13.41 and 13.42 of the Listing Rules;

17.03(3) and
note

17.03B(1)

17.03C(1)

- (b) the total number of Shares to be issued under all share options and awards granted under all share schemes of the Company (including the Scheme and any other share schemes) upon the refreshment of the Scheme Mandate Limit shall not exceed 10% of the issued Shares of the Company as at the date of approval of the refreshment of the Scheme Mandate Limit. The Company shall deliver to the Shareholders a circular containing data and details as required by the Listing Rules (including the number of Share Options granted under the Scheme Mandate Limit prior to the refreshment and the reasons for the Scheme refreshment); and ^{17.03C(2)}
- (c) the Company may convene another general meeting to seek approval from the Shareholders to grant Share Options which would exceed the Scheme Mandate Limit, provided that the Share Options exceeding the limit can only be granted to specific Participant as selected prior to Shareholders' approval. The Company shall deliver to the Shareholders a circular containing data and details as required by the Listing Rules (including the name of each designated Participant to be granted with such Share Options, the number of Share Options and terms for Grant of Share Options to each Participant, the purposes of granting Share Options to designated Participants and the explanation on how the terms of the Share Options can achieve such purposes). The number of the Share Options to be granted and the terms of the Grant of Share Options to such Participant must be fixed before the Shareholders' approval, and the date of the Board meeting approving such further Grant shall be taken as the Granting Date for the purpose of determining the Exercise Price of the Share Options. ^{17.03C(3)}

For the avoidance of doubt, lapsed Share Options shall not be counted as exercised Share Options when determining the Scheme Mandate Limit. If the Company conducts a share consolidation or sub-division after the approval of the Scheme Mandate Limit at general meeting, the maximum number of Shares to be issued under all share options and awards to be granted under the Scheme Mandate Limit of all schemes of the Company (including the Scheme and any other share schemes) as a percentage of the total number of issued Shares at the date immediately before and after such consolidation or sub-division (rounded to the nearest whole share) must be the same. ^{17.03B note 17.03(4) and note}

For the avoidance of doubt, in any event, the total number of Shares which may be issued in respect of all share options and awards to be granted under the Scheme and any other share schemes will not exceed 10% of the Company's total issued Shares as at the date of approval and adoption of the Scheme by the Shareholders.

- 10.2 The maximum number of Shares which are issued and to be issued upon exercise of Share Options (including exercised and unexercised Share Options) by any Participant within any 12-month period must not exceed 1% of the issued Shares from time to time (the “**Individual Limit**”). In the event that any further Share Options will be granted to such Participant, which will result in the total number of Shares issued and to be issued under all share options and awards granted or to be granted to him/her (excluding the lapsed options and awards under the terms of the scheme) within the 12-month period up to and inclusive of the date of such further Grant in excess of 1% of the issued Shares, such Grant would be approved by the Shareholders of the Company in general meetings, and such Participant and his/her close associates (or his/her associates if the Participant is a connected person) shall abstain from voting. The Company shall deliver to the Shareholders a circular containing the identity of the Participant, the number and terms of the Share Options to be granted (and Share Options granted to such Participant during the aforementioned 12-month period), the purposes for the Grant of Share Options to such Participant and how the terms of the Grant of Share Options meet with relevant purposes. The number of the Share Options to be granted and the terms of the Grant of the Share Options to such Participant must be fixed before the Shareholders’ approval, and the date of the Board meeting approving such further Grant shall be taken as the Granting Date for the purpose of determining the Exercise Price of the Share Options. 17.03D(1)
17.03D(2)
- 10.3 If adjustment is required on the limit as stated in Clauses 10.1 to 10.2 above as a result of the capital reconstruction (capitalization issue, right issue, share sub-division or consolidation of Shares or reduction of capital of the Company) by the Company pursuant to Clause 11, the Auditors or independent financial advisors must make written confirmation to the Board confirming that such adjustment is made on a fair and reasonable basis, provided that such limit shall not exceed the limited as stipulated under the Listing Rules.

11. CAPITAL RECONSTRUCTION

- 11.1 If there is any change in Share structure of the Company (capitalization issue, right issue, share sub-division or consolidation of Shares or reduction of capital of the Company) with Share Options to be exercised at the moment, the Board or the Administration Committee may adjust the following items in its discretion: 17.03(13)
- (a) the number of Shares corresponding to unexercised Share Options; and/or
 - (b) the Exercise Price of unexercised Share Options.

For the avoidance of doubt, such adjustment shall be conducted in accordance with Chapter 17 of the Listing Rules and any supplemental interpretation and guidance (including frequently asked questions) issued by the Stock Exchange from time to time.

If the Board or the Administration Committee is of the view that relevant adjustment is appropriate (except for adjustment arising from capitalization), the Auditors or independent financial advisors appointed by the Company shall make written confirmation to the Board or the Administration Committee confirming they are of the view that such adjustment is fair and reasonable, provided that:

- (a) such adjustment is made on the basis that the Total Subscription Payment payable by the Grantee when fully exercising any Share Option shall be close to but not higher than the previous subscription payment payable where feasible;
- (b) the adjustment made shall not result in any increase in the proportion of Shares available for subscription by any Share Option holder if he/she exercise his/her respective Share Options prior to the adjustment in the issued Shares of the Company; and
- (c) such adjustment shall be conducted in accordance with Chapter 17 of the Listing Rules and any supplemental interpretation and guidance (including frequently asked questions) issued by the Stock Exchange from time to time;

The Auditors or independent advisors as referred in Clause 11.1 are acting in the capacity of an expert instead of an arbitrator, and their certification shall be conclusive and binding on the Company and the Grantee in the absence of manifest error. Fees of the Auditors or independent financial advisors shall be borne by the Company.

11.2 If there is any change in Share structure of the Company as stated in Clause 11 herein, the Company shall inform the Grantees such changes upon receipt of notice issued by the Grantee pursuant to Clause 7.2. The Company shall also inform the Grantees about the adjustment to be made by the Company based on the certification received from the Auditors or independent financial advisors. If there is no such certification, the Company shall faithfully inform the Grantee, and instruct the Auditors or independent financial advisors to issue such certification pursuant to Clause 11 herein.

In case of unresolved following 30 days of negotiation, they shall be subject to the exclusive jurisdiction of the courts of Hong Kong.

14. ALTERATION OF THE SCHEME

14.1 The following alterations to the Scheme are subject to Shareholders' approval by way of ordinary resolution at a general meeting:

- (a) alterations to the terms and conditions of the Scheme which are of a material nature; 17.03(18)

Any alterations to the terms and provisions of Share Options granted to any Participant including a Director, chief executive or substantial shareholder of the Company or their respective associates must be subject to Shareholders' approval if the initial grant of the related Share Options was subject to Shareholders' approval. This clause shall not apply where the alterations take effect automatically under the existing terms of the Scheme. 17.03(18)
note (2)
17.04
note (1)

14.3 The above amended terms of the Scheme must comply with Chapter 17 of the Listing Rules. 17.03(18)

15. TERMINATION

The Company by ordinary resolution in general meeting or the Board may at any time terminate the Scheme; in such event, no further Share Options may be granted but the provisions of the Scheme shall in all other respects remain in full force and effect in relation to Share Options which are granted during the term of the Scheme and remain unexercised prior to the termination of the Scheme. 17.03(16)

16. COMPENSATION TO THE COMPANY

Under the Scheme, if the Board of the Company considers that the resignation of a relevant Grantee of a Share Option (no matter whether the resignation is due to the Company's Termination of the relevant Grantee's Employment for Cause; the relevant Grantee's tender of his/her resignation; or the end of the employment contract without renewal) will significantly and adversely affect the Company's financial, operational or public reputation (including but not limited to the relevant Grantee's (a) inciting other employees of the Company to resign from the Company or accept employment from other companies or organizations with the same or similar business as that of the Company; (b) revealing the Company's trade secrets to any third party; and (c) spreading false information about the Company), and the relevant Grantee has exercised the Share Options and received the Shares of the Company, then the Company has the right to require the relevant Grantee to compensate the Company for the damages caused by the aforementioned behaviours.

No one shall be entitled to request the Board and/or the Company to be liable for any expenses, losses, fees and/or damages to be incurred as a result of the Scheme or the administration of the Scheme.
