 - (5) Please note with particular attention that, if the total number of votes you have exercised and allocated to a certain number of candidates exceeds the total number of voting rights represented by the Shares held by you, all your votes shall become void, and you will be deemed to have abstained from voting. If the total number of votes you have exercised and allocated to a certain number of candidates is no more than the total number of voting rights represented by the Shares held by you, your votes are valid, and those votes not exercised (if any) will be deemed as being abstained from voting.
 - (6) Where the total number of votes in favour of a candidate for Director (not including independent non-executive Directors), independent non-executive Directors or Supervisors (not including employee representative Supervisors) exceeds one-half of the total number of Shares with voting rights represented by Shareholders attending the AGM (based on the non-cumulative number of Shares) and the votes for exceed the votes against, that candidate will be elected.
