In accordance with the Hong Kong Listing Rules, this appendix serves as the explanatory statement to provide you with requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the special resolution(s) to be proposed at the AGM and the Class Meetings for the grant of the Buy-back Mandate to the Directors.

BUY-BACK MANDATE

Reasons for Buying Back Shares

The Directors believe that the grant of Buy-back Mandate has comprehensively taken into consideration the overall value of the Company, shareholders' interests and future development needs and is flexible and feasible, and that the flexibility afforded by the Buy-back Mandate would be beneficial to and in the best interest of the Company and its Shareholders. Such buy-backs may, depending on market conditions and funding arrangements at such time, lead to an enhancement of the net asset value per share and/or earnings per share of the Company. Such buy-backs will only be made when the Directors believe that such buy-backs will benefit the Company and its Shareholders.

Exercise of the Buy-back Mandate

Subject to the passing of the relevant special resolution(s) set out in the notice and the special resolution(s) approving the grant to the Board of the Buy-back Mandate at the Shareholders Class Meetings, the Board will be granted the Buy-back Mandate until the earlier of: (a) the conclusion of the next annual general meeting of the Company; or (b) the date on which the authority conferred by this proposal is revoked or varied by a special resolution at an annual general meeting and/or a class meeting of A Shares and/or a class meeting of H Shares ("**Relevant Period**"). If the Board decides to buy back A Shares during the Relevant Period, such A Share buy-backs may need to be implemented after the end of the Relevant Period.

The exercise in full of the A Share Buy-back Mandate (on the basis of 97,362,409,293 A Shares in issue as at the Latest Practicable Date and there is no change to the number of issued A Shares prior to the date of the AGM, the A Shareholders Class Meeting and H Shareholders Class Meeting) would result in a maximum of 9,736,240,929 A Shares being bought back by the Company during the Relevant Period, being the maximum of 10% of the total A Shares in issue as at the date of passing the relevant resolution(s).

The exercise in full of the H Share Buy-back Mandate (on the basis of 24,377,280,600 H Shares in issue as at the Latest Practicable Date and there is no change to the number of issued H Shares prior to the date of the AGM, the A Shareholders Class Meeting and H Shareholders Class Meeting) would result in a maximum of 2,437,728,060 H Shares being bought back by the Company during the Relevant Period, being the maximum of 10% of the total H Shares in issue as at the date of passing the relevant resolution(s).

The Company may cancel the shares bought back under the H Share Buy-back Mandate, and/or (subject to the amendments to the Hong Kong Listing Rules relating to treasury shares published by the Hong Kong Stock Exchange on 12 April 2024 becoming effective on 11 June 2024) hold them as treasury shares subject to, for example, market conditions, purposes of buy-backs and its capital management needs at the relevant time of the buy-backs.

Funding of Buy-backs

In buying back its Shares, the Company intends to apply funds from the Company's internal resources (which may include surplus funds and retained profits) legally available for such purpose in accordance with the Articles of Association and the applicable laws, rules and regulations of the PRC.

The Company is empowered by its Articles of Association to buy back its Shares. The Company may not buy back securities on the Hong Kong Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Hong Kong Stock Exchange from time to time. A share bought back will be dealt with in accordance with relevant PRC laws and regulations, Articles of Association and Shanghai Listing Rules.

GENERAL

The Directors consider that there would not be a material adverse impact on the working capital and on the gearing position of the Company in the event that the Buy-back Mandate is to be exercised in full at any time during the proposed buy-back period (as compared with the position disclosed in the latest published audited accounts contained in the annual report of the Company for the year ended 31 December 2023). However, the Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels of the Company. The number of A Shares and/or H Shares to be bought back on any occasion and the price and other terms upon which the same are bought back will be decided by the Directors at the relevant time having regarded to the circumstances then prevailing, in the best interests of the Company.

The Directors have undertaken to the Hong Kong Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make buy-backs under the Buy-back Mandate in accordance with the Hong Kong Listing Rules, the Articles of Association and the applicable laws, rules and regulations of the PRC. In addition, neither this Explanatory Statement nor the proposed Share buy-backs have any unusual features.

III. Please note:

1. For sub-resolutions 12.01-12.08 of the resolution No. 12 “To consider and approve the resolution in relation to the election of Directors (excluding independent non-executive Directors)”, sub-resolutions 13.01-13.04 of the resolution No. 13 “To consider and approve the resolution in relation to the election of independent non-executive Directors” and sub-resolutions 14.01-14.06 of the resolution No. 14 “To consider and approve the resolution in relation to the election of Supervisors (excluding employee representative Supervisors)”, the Company will adopt single-candidate election and “cumulative voting system” for voting by poll separately and counting the voting results. Please refer to the following requirements when voting by poll:
 - (1) Take resolution 12 as an example, in respect of sub-resolutions 12.01-12.08, each Share you hold has voting rights equal to the total number of Directors (not including independent non-executive Directors) to be elected i.e. 8. For example, if you hold 1 million Shares, and the total number of Directors (not including independent non-executive Directors) to be elected is 8, the total number of Shares for which you have the voting rights under sub-resolutions 12.01-12.08 of the resolution No. 12 will be 8 million Shares (i.e. 1 million Shares x 8 = 8 million Shares).
 - (2) Please note that you may give equal number of votes to each candidate, or give all your votes as represented by the Shares you hold to one particular candidate, or certain number of votes as represented by the Shares you hold to certain candidates.
 - (3) If you wish to give equal number of votes to each candidate, please indicate with a “✓” in the appropriate space under “For” or “Against” in the form of proxy; if not, please state the number of votes in the column “For” and/or “Against” you give to each of the candidates for election.
 - (4) After you have allocated all the voting rights represented by all of the Shares held by you to a certain number of candidates, you do not have further voting rights in respect of other candidates.
 - (5) Please note with particular attention that, if the total number of votes you have exercised and allocated to a certain number of candidates exceeds the total number of voting rights represented by the Shares held by you, all your votes shall become void, and you will be deemed to have abstained from voting. If the total number of votes you have exercised and allocated to a certain number of candidates is no more than the total number of voting rights represented by the Shares held by you, your votes are valid, and those votes not exercised (if any) will be deemed as being abstained from voting.
 - (6) Where the total number of votes in favour of a candidate for Director (not including independent non-executive Directors), independent non-executive Directors or Supervisors (not including employee representative Supervisors) exceeds one-half of the total number of Shares with voting rights represented by Shareholders attending the AGM (based on the non-cumulative number of Shares) and the votes for exceed the votes against, that candidate will be elected. If an insufficient number of Directors or Supervisors is to be elected at the AGM, then a further round of voting in respect of the unelected candidates will be conducted for the remaining vacancy, until all the Directors and Supervisors have been elected.
 - (7) When conducting a further round of voting for the vacancy of Directors (not including independent non-executive Directors), independent non-executive Directors or Supervisors (not including employee representative Supervisors) according to (5) above, the total number of Shares for which the Shareholders have the voting rights shall be re-calculated based on the number of the then candidates.
