The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 March 2024 (the “**Current Year**”) and the information currently available, the Group is expected to record a significant decrease in the profit attributable to owners of the Company for the Current Year of not less than 50% as compared to the profit attributable to the owners of the Company for the year ended 31 March 2023 of approximately HK\$20.0 million.
