PRICING TERMS UNDER THE SALES AGREEMENT

Guangdong Tobacco Company has been a long term customer of the Group. As between Guangdong Tobacco Company and the Group, the basis of pricing for provision of the tobacco raw materials products by the Group to Guangdong Tobacco Company is as follows:

- (i) Insofar as the provision of tobacco flavours products is concerned, the pricing will be based on bidding prices which shall be determined in accordance with the applicable Bidding Laws of the PRC and according to the internal bidding practice and policy of the Company. During the process, various departments including the Company’s marketing department, finance department and technology department will work in collaboration in the bidding process and in process management. The bidding quotations will be determined after taking into consideration factors such as product costs, investments costs for required research and development, tender quantities and relevant requirements as per tender documents, and follow-up on the tender process and results. The Company will be formally notified upon winning the bid, and the Company will sell the products to the counterparty at the winning bid price. Therefore, the bidding price will be determined in accordance with the due bidding process and on a fair and open basis.
- (ii) Insofar as the provision of other tobacco raw materials is concerned, the pricing will basically be market-driven according to the prevailing market conditions. Prior to entering into, or where appropriate, confirming the Sales Agreement, the Group has conducted an enquiry process by which the Group has made reference to at least two contemporaneous transactions with unrelated third parties for similar products and services and compared the pricing terms for the transactions with those with connected persons to ensure that the prices and terms offered by Guangdong Tobacco Company are on normal commercial terms and are fair and reasonable and comparable to those offered by independent third parties.
