Unless the context requires otherwise, capitalised terms used herein shall have the same meaning as those defined in the Announcements.

## **FURTHER DELAY IN PUBLICATION OF 2023 ANNUAL RESULTS AND FURTHER DELAY IN PUBLICATION OF 2023 ANNUAL REPORT**

As set out in the 12 June Announcement, the publication of the 2023 Annual Results was expected to be delayed to Friday, 21 June 2024 as the Company was in the process of collecting and collating the necessary information and documents from its subsidiaries as required by the Auditors to complete the auditing process and/or the Auditors were carrying out audit procedures regarding (i) valuation results on the provision of expected credit loss on trade and other receivables; and (ii) subsequent accounting books and records for performing audit works in connection to (a) cut-off tests on sales and purchase transactions; (b) subsequent settlements for trade and other receivables; (c) verification of completeness of accrued expenses; (d) assessment of the going concern assumption; and (e) review of events after the reporting date (i.e., 31 December 2023).

The Company wishes to announce that the audit procedures for the above items have been completed as at the date of this announcement. Based on the latest developments and recent discussions with the Auditors, the Board estimates that the 2023 Annual Results and the 2023 Annual Report will be published on or before Wednesday, 26 June 2024. The expected publication timeline has been agreed with the Auditors.

Pursuant to Rule 13.49(1) of the Listing Rules, the Company is required to publish the announcement for the 2023 Annual Results on a date not later than three months after the end of the financial year of the Company, i.e. on or before 31 March 2024. The Board acknowledges that the delay in publication of the 2023 Annual Results constitutes a non-compliance with Rule 13.49(1) of the Listing Rules.

Rule 13.49(3) of the Listing Rules provides that where an issuer is unable to issue its preliminary results, it must announce its results based on the financial results which have yet to be agreed with the auditor (so far as the information is available). The Board, after due and careful consideration, remains the view that it would not be appropriate for the Company to publish the unaudited management accounts of the Company for the year ended 31 December 2023 at this stage where the audit procedures have not been completed as such management accounts may not accurately reflect the financial performance and position of the Company. The Board takes the view that publication of the unaudited management accounts of the Group prior to the completion of the audit procedures may be misleading to the Shareholders and potential investors of the Company. The Company wishes to emphasise that the operations of the Group remain normal, and the Company has been using its best endeavours to assist the Auditors in completing the required audit procedures in order to publish the 2023 Annual Results as soon as practicable.

Pursuant to Rule 13.46 of the Listing Rules, the Company is required to publish the 2023 Annual Report including its annual accounts on a date not later than four months after the end of the financial year to which such annual accounts relate, i.e., on or before 30 April 2024. The Board acknowledges that the delay in publication of the 2023 Annual Report constitutes a non-compliance with Rule 13.46 of the Listing Rules.

The Company will make further announcement(s) to inform the Shareholders and potential investors of any material development in connection with the above matter if and when necessary.

## **POSTPONEMENT OF ANNUAL GENERAL MEETING**

Pursuant to Rule 13.46(2)(b) of the Listing Rules, the Company should lay its annual financial statements before its shareholders at its annual general meeting within the period of six months after the end of the financial year or accounting reference period to which the annual financial statements relate (i.e., on or before 30 June 2024).

Pursuant to Article 56 of the articles of association of the Company (the “**Articles of Association**”), an annual general meeting of the Company shall be held within six months after the end of the Company’s financial year (i.e., on or before 30 June 2024).

Following the delay in publication of the 2023 Annual Results and the 2023 Annual Report, it is expected that the convening of the annual general meeting of the Company will be postponed beyond six months from the financial year end date of 31 December 2023. The postponement of the annual general meeting of the Company will constitute a non-compliance with Rule 13.46(2)(b) of the Listing Rules and Article 56 of the Articles of Association.

The Company will publish further announcement(s) to inform its Shareholders of the date of the annual general meeting as and when appropriate.

## **FURTHER POSTPONEMENT OF BOARD MEETING**

The Board hereby announces that due to the further delay in publication of the 2023 Annual Results, the meeting of the Board for the purpose of considering and approving, among others, the 2023 Annual Results and its publication will be further postponed to Wednesday, 26 June 2024.

## **CONTINUED SUSPENSION OF TRADING**

Trading in the shares of the Company on the Stock Exchange has been suspended with effect from 9:00 a.m. on Tuesday, 2 April 2024, and will remain suspended pending the publication of the 2023 Annual Results.

**Shareholders and potential investors of the Company should exercise caution when dealing in the shares of the Company.**
