The board of directors of the Company (the “**Board**”) wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that based on the preliminary review of the Group’s unaudited consolidated management accounts for the six months ended 30 June 2024 (the “**Relevant Period**”) and the information currently available to the Board, it is expected that the Group will record a net profit ranging from approximately RMB6.0 million to approximately RMB8.0 million for the Relevant Period as compared with the net profit of approximately RMB0.8 million for the six months ended 30 June 2023.
