INSIDE INFORMATION PROFIT WARNING

This announcement is made by Aowei Holding Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The board of directors (the “Board”) of the Company wishes to inform the shareholders of the Company (the “Shareholders”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts for the six months ended 30 June 2024 (the “Reporting Period”) of the Group and the information currently available, it is expected that the Group will record a loss attributable to the equity holders of the Company of not more than approximately RMB55.0 million for the Reporting Period (corresponding period in 2023: loss of RMB65.7 million). The loss incurred by the Group during the Reporting Period was mainly attributable to the fact that the open-pit mining portion of iron mine of Laiyuan County Jiheng Mining Co., Ltd. (“Jiheng Mining”), a subsidiary of the Group, had been substantially completed and mining activities had been suspended, resulting in a decrease in the Group’s production and sales of iron ore concentrates during the Reporting Period (for details, please refer to the inside information profit warning announcement published by the Company on 15 March 2024).

The financial information contained in this announcement is only based on the preliminary assessment by the Board with reference to the information currently available including the latest unaudited management accounts of the Group, which have not been audited or reviewed by the Company’s auditors or the Company’s Audit Committee. As at the date of this announcement, the Group’s consolidated results for the Reporting Period have not yet been finalised, and are subject to necessary adjustments. Further details of the Group’s financial information will be disclosed as and when the unaudited interim results of the Group for the Reporting Period are announced in the end of August 2024.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
